 243 candidate did not meet the requirements to have his name appear on the ballot.

Appeals made by candidates for a county, city, or town office shall be filed with the electoral board. Appeals made by candidates for all other offices shall be filed with the State Board. 343 voter-nominated primary election.

344 B. Any person voting in a voter-nominated primary election may cast his vote for only one candidate  
345 for any voter-nominated office. The four candidates for a voter-nominated office who receive the highest  
346 numbers of votes cast for that office shall be deemed to be the candidates for that office at the general  
347 election.

348 C. As soon as the electoral board determines the four candidates who have received the highest  
349 numbers of votes cast for that office, the secretary of the electoral board shall immediately make out  
350 abstracts and certificates of the votes cast as provided in § 24.2-675 and forward certified copies  
351 thereof to the State Board.

352 **§ 24.2-508. Powers of political parties in general.**

353 Each political party shall have the power to (i) make its own rules and regulations, (ii) call  
354 conventions to proclaim a platform, ratify a nomination, or for any other purpose, (iii) provide for the  
355 nomination of its candidates, including the nomination of its candidates for office in case of any  
356 vacancy, (iv) provide for the nomination and election of its state, county, city, and district committees,  
357 and (v) perform all other functions inherent in political party organizations.

358 The provisions of this section regarding the nomination of candidates do not apply to candidates for  
359 voter-nominated offices.

360 **§ 24.2-509. Party to determine method of nominating its candidates for office; exceptions.**

361 A. The duly constituted authorities of the state political party shall have the right to determine the  
362 method by which a party nomination for a member of the United States Senate or for any statewide  
363 office shall be made. The duly constituted authorities of the political party for the district, county, city,  
364 or town in which any other office is to be filled shall have the right to determine the method by which  
365 a party nomination for that office shall be made.

366 B. Notwithstanding subsection A, the following provisions shall apply to the determination of the

method of making party nominations. A party shall nominate its candidate for election for a General Assembly district where there is only one incumbent of that party for the district by the method designated by that incumbent, or absent any designation by him by the method of nomination determined by the party. A party shall nominate its candidates for election for a General Assembly district where there is more than one incumbent of that party for the district by a primary unless all the incumbents consent to a different method of nomination. A party, whose candidate at the immediately preceding election for a particular office other than the General Assembly (i) was nominated by a primary or filed for a primary but was not opposed and (ii) was elected at the general election, shall nominate a candidate for the next election for that office by a primary unless all incumbents of that party for that office consent to a different method.

When, under any of the foregoing provisions, no incumbents offer as candidates for reelection to the same office, the method of nomination shall be determined by the political party.

For the purposes of this subsection, any officeholder who offers for reelection to the same office shall be deemed an incumbent notwithstanding that the district which he represents differs in part from that for which he offers for election.

**§ 24.2-510. Deadlines for parties to nominate by methods other than primary.**

For any office, *except voter-nominated offices*, nominations by political parties by methods other than a primary shall be made and completed in the manner prescribed by law according to the following schedule:

1. For a general election in November, by 7:00 p.m. on the second Tuesday in June;
2. For a general election in May, by 7:00 p.m. on the first Tuesday in March;
3. For a special election held at the same time as a November general election, either (i) at least 81 days before the election or (ii) if the special election is held at the second November election after the vacancy occurred, by 7:00 p.m. on the second Tuesday in June before that November election;
4. For a special election held at the same time as a May general election, by 7:00 p.m. on the first Tuesday in March; or
5. For a special election held at a time other than a general election, (i) at least 60 days before the election or (ii) within five days of any writ of election or order calling a special election to be held less than 60 days after the issuance of the writ or order.

In the case of all general elections a party shall nominate its candidate for any office by a nonprimary method only within the 47 days immediately preceding the primary date established for nominating candidates for the office in question. This limitation shall have no effect, however, on nominations for special elections or pursuant to § 24.2-539.

**§ 24.2-511. Party chairman or official to certify candidates to State Board and general registrars; failure to certify.**

A. The state, district, or other appropriate party chairman shall certify the name of any candidate who has been nominated by his party by a method other than a primary for any office to be elected by the qualified voters of (i) the Commonwealth at large, (ii) a congressional district or a General Assembly district, or (iii) political subdivisions jointly electing a shared constitutional officer, along with the date of the nomination of the candidate, to the State Board not later than five days after the last day for nominations to be made. The State Board shall notify the general registrars of the names of the candidates to appear on the ballot for such offices.

B. The party chairman of the district or political subdivision in which any other office, *except a voter-nominated office*, is to be filled shall certify the name of any candidate for that office who has been nominated by his party by a method other than a primary to the State Board and to the general registrars of the cities and counties in which the name of the candidate will appear on the ballot not later than five days after the last day for nominations to be made. Should the party chairman fail to make such certification, the State Board shall declare that the candidate is the nominee of the particular party and direct that his name be treated as if certified by the party chairman.

C. In the case of a nomination for any office to be filled by a special election, the party chairman shall certify the name of any candidate (i) by the deadline to nominate the candidate or (ii) not later than five days after the deadline if it is a special election held at the second November election after the vacancy occurred.

D. No further notice of candidacy or petition shall be required of a candidate once the party chairman has certified his name to the State Board.

E. In no case shall the individual who is a candidate for an office be the person who certifies the name of the party candidate for that same office. In such case the party shall designate an alternate official to certify its candidate.

**§ 24.2-512. Primaries to be conducted in accordance with article.**

A primary when held shall be conducted in all respects under the provisions of this article. All references in this chapter to primaries shall be deemed to mean those elections held for the purpose of

428 nominating candidates as authorized by this article. *Unless provided otherwise, the provisions of this*  
429 *chapter shall not apply to voter-nominated primary elections.*

430 **§ 24.2-513. Provisions as to general elections applicable.**

431 All the provisions and requirements of the laws of this Commonwealth in relation to the holding of  
432 elections shall apply to all primaries, *including voter-nominated primary elections*, insofar as they are  
433 consistent with this article.

434 **§ 24.2-514. To what nominations this article applies.**

435 This article shall apply to the nomination of candidates for offices by a direct primary held on the  
436 regular dates established in § 24.2-515 for the conduct of primaries, and to no other nominations.

437 A primary is not authorized under this article to nominate (i) presidential electors, ~~nor to nominate~~  
438 ~~(ii) candidates for voter-nominated offices, or (iii) candidates to fill vacancies unless the candidates for~~  
439 nomination to fill vacancies are to be voted for on the regular date set by this article for primaries.

440 **§ 24.2-515. Presidential election year primaries.**

441 Primaries for the nomination of candidates for offices, *including voter-nominated offices*, to be voted  
442 on at the general election date in November shall be held on the second Tuesday in June next preceding  
443 such election, except that beginning with the year 2012 and in presidential election years thereafter,  
444 primaries to choose among presidential candidates may be held as provided in Article 7 (§ 24.2-544 et  
445 seq.). Primaries for the nomination of candidates for offices to be voted on at the general election date  
446 in May shall be held on the first Tuesday in March next preceding such election.

447 **§ 24.2-517. State Board to order election.**

448 The State Board shall order the holding of a primary election in any county, city, or other district of  
449 the Commonwealth in which it is notified pursuant to § 24.2-516 that a primary is intended to be held.  
450 *The State Board shall order the holding of a voter-nominated primary election in every county, city, or*  
451 *other district of the Commonwealth.* The notice ordering the primary *or the voter-nominated primary*  
452 *election* shall be sent to the secretary of the electoral board. Within five days of the issuance of the  
453 order by the State Board, each secretary shall post a copy of the notice on the official website of the  
454 county or city, post copies of the notice at not less than 10 public places in the county or city, or have  
455 notice of the election published at least once in a newspaper of general circulation in the county or city.

456 **§ 24.2-520. Declaration of candidacy required.**

457 A candidate for nomination by primary for any office, *except a voter-nominated office*, shall be  
458 required to file a written declaration of candidacy on a form prescribed by the State Board. The  
459 declaration shall include the name of the political party of which the candidate is a member, a  
460 designation of the office for which he is a candidate, and a statement that, if defeated in the primary, his  
461 name is not to be printed on the ballots for that office in the succeeding general election. The  
462 declaration shall be acknowledged before some officer who has the authority to take acknowledgments  
463 to deeds, or attested by two witnesses who are qualified voters of the election district.

464 *A candidate for nomination by a voter-nominated primary election for any voter-nominated office*  
465 *shall be required to file a written declaration of candidacy pursuant to § 24.2-507.2.*

466 **§ 24.2-521. Petition required to accompany declaration; number of signatures required.**

467 A candidate for nomination by primary for any office shall be required to file with his declaration of  
468 candidacy a petition for his name to be printed on the official primary ballot, on a form prescribed by  
469 the State Board, signed by the number of qualified voters specified in this section after January 1 of the  
470 year in which the election is held or before or after said date in the case of a March primary, and listing  
471 the residence address of each such voter. Each signature on the petition shall have been witnessed by a  
472 person who is himself a legal resident of the Commonwealth and who is not a minor or a felon whose  
473 voting rights have not been restored and whose affidavit to that effect appears on each page of the  
474 petition.

475 Each voter signing the petition may provide on the petition the last four digits of his social security  
476 number, if any; however, noncompliance with this requirement shall not be cause to invalidate the  
477 voter's signature on the petition.

478 The minimum number of signatures of qualified voters required for primary candidate petitions shall  
479 be as follows:

480 1. For a candidate for the United States Senate, Governor, Lieutenant Governor, or Attorney General,  
481 10,000 signatures; including the signatures of at least 400 qualified voters from each congressional  
482 district in the Commonwealth;

483 2. For a candidate for the United States House of Representatives, 1,000 signatures;

484 3. For a candidate for the Senate of Virginia, 250 signatures;

485 4. For a candidate for the House of Delegates or for a constitutional office, 125 signatures;

486 5. 2. For a candidate for membership on the governing body of any county or city, 125 signatures;  
487 or if from an election district not at large containing 1,000 or fewer registered voters, 50 signatures;

488 6. 3. For a candidate for membership on the governing body of any town that has more than 3,500  
489 registered voters, 125 signatures; or if from a ward or other district not at large, 25 signatures;

7. 4. For a candidate for membership on the governing body of any town that has at least 1,500 but not more than 3,500 registered voters, 50 signatures; or if from a ward or other district not at large, 25 signatures;

8. 5. For a candidate for membership on the governing body of any town that has fewer than 1,500 registered voters, no petition shall be required; and

9. 6. For any other candidate, 50 signatures.

*A candidate for nomination by a voter-nominated primary election for any voter-nominated office shall be required to file a petition pursuant to § 24.2-507.2.*

**§ 24.2-527. Chairman or official to furnish State Board and general registrars with names of candidates and certify petition signature requirements met.**

A. It shall be the duty of the chairman or chairmen of the several committees of the respective parties to furnish the name of any candidate for nomination for any office ~~to be elected by the qualified voters of the Commonwealth at large or of a congressional district or of a General Assembly district, other than a voter-nominated office,~~ to the State Board, and to furnish the name of any candidate for any other office to the State Board and to the general registrars charged with the duty of preparing and printing the primary ballots. In furnishing the name of any such candidate, the chairman shall certify that a review of the filed candidate petitions found the required minimum number of signatures of qualified voters for that office to have been met. The chairman shall also certify the order and date and time of filing for purposes of printing the ballots as prescribed in § 24.2-529; ~~provided that the State Board shall determine the order and date and time of filing for candidates for United States Senator, Governor, Lieutenant Governor, and Attorney General for such purposes.~~ Each chairman shall comply with the provisions of this section not less than 70 days before the primary.

B. In no case shall the individual who is a candidate for an office be the person who certifies the names of candidates for a primary for that same office. In such case the party shall designate an alternate official to certify the candidates.

**§ 24.2-530. Who may vote in primary.**

All persons qualified to vote, pursuant to §§ 24.2-400 through 24.2-403, may vote at the primary, *including a voter-nominated primary election.* No person shall vote for the candidates of more than one party, *except persons may vote for candidates of more than one party at a voter-nominated primary election.*

**§ 24.2-532. Abstracts of votes; law-enforcement officer to obtain returns not forwarded.**

As soon as the electoral board shall determine the persons who have received the highest number of votes for nomination to any such office, *or in the case of a voter-nominated office, the four persons who have received the highest numbers of votes for nomination,* the secretary of the board shall immediately make out abstracts and certificates of the votes cast as provided in § 24.2-675 and forward certified copies thereof to the State Board. The secretary in addition shall place certified copies thereof in an envelope and forward them in person or by certified mail ~~(i) for members of the House of Representatives of the United States, to the chairman of the congressional district committee, (ii) for members of the General Assembly, to the chairman of the Senate or House of Delegates district committee, and (iii) for county and city and district officers, to the chairman of the county or city.~~ "Chairman" means the chairman of the political party under whose auspices the primary is held.

If the abstract of votes shall not have been received by the State Board from any county or city within six days after any state primary election, the Board shall dispatch a law-enforcement officer to obtain them as provided in § 24.2-678.

**§ 24.2-534. Returns tabulated by State Board; when nominee declared.**

As soon as possible after receipt of the certified abstract and not later than ~~fourteen~~ 14 days after the day of the election, the State Board shall open and tabulate the returns. Upon completion of the tabulation the Board shall declare the nominee in the manner and form as it does in general elections.

*The provisions of this section shall apply to voter-nominated primary elections.*

**§ 24.2-535. Vote required to nominate.**

Any candidate for party nomination to any office, *except a voter-nominated office,* who receives a plurality of the votes cast by his party shall be the nominee of his party for that office and his name shall be printed on the official ballots used in the election for which the primary was held.

*The four candidates nominated for a voter-nominated office who receive the highest numbers of votes cast at the voter-nominated primary election for that office shall be the nominees for that office at the general election. The names of the candidates and the political party preference selected when filing the declaration of candidacy pursuant to § 24.2-507.2 shall be printed on the official ballots used in the election for which the voter-nominated primary election was held.*

**§ 24.2-603.1. Postponement of certain elections; state of emergency.**

For purposes of this section, "election" means (i) any local or state referendum, (ii) any primary, voter-nominated primary, special, or general election for local or state office except a general election

for Governor, Lieutenant Governor, Attorney General and the General Assembly, (iii) any primary for federal office including any primary for the nomination of candidates for the office of President of the United States, or (iv) any federal special election to fill a vacancy in the United States Senate or the United States House of Representatives. In the event of a state of emergency declared by the Governor pursuant to Chapter 3.2 (§ 44-146.13 et seq.) of Title 44 or declared by the President of the United States or the governor of another state pursuant to law and confirmed by the Governor by an executive order, the Governor may postpone an election by executive order in areas affected by the emergency to a date, notwithstanding the provisions of § 24.2-682, not to exceed 14 days from the original date of the election.

If a local governing body determines that a longer postponement is required, it may petition a three-judge panel of the Virginia Supreme Court, to include the Chief Justice as the presiding Justice, for an extension. The Chief Justice shall choose the other two Justices by lot. The Court may postpone the election to a date it deems appropriate, notwithstanding the provisions of § 24.2-682, not to exceed 30 days from the original date of the election.

Only those persons duly registered to vote as of the original date of the election shall be entitled to vote in the rescheduled election.

If, as a direct result of the emergency, any ballots already cast at the polling places or equipment on which ballots have been cast, or any voted absentee ballots already received by the appropriate election officials or any equipment on which absentee ballots have already been cast have been destroyed or otherwise damaged so that such ballots cannot be counted manually or by a voting system, the Governor (i) shall specify that such ballots or votes previously cast by machinery or paper need to be recast on or by the rescheduled election date so that they may be counted and (ii) shall direct the appropriate election officials to immediately send replacement absentee ballots to all absentee voters whose voted ballots are known to have been so destroyed or damaged. Such instructions may be issued by executive order separately from the executive order postponing the election. Any absentee ballots duly cast and received by the rescheduled election date and able to be counted shall be valid and counted when determining the results of the rescheduled election; however, if more than one absentee ballot is received from any voter, only the first absentee ballot received and able to be counted shall be counted. Any person who was duly registered to vote as of the original date of the election, and who has not voted, or who is permitted to recast their ballot due to the emergency, may vote by absentee ballot in accordance with the provisions of Chapter 7 (§ 24.2-700 et seq.) in the rescheduled election. Official ballots shall not be invalidated on the basis that they contain the original election date.

If the postponement of the election is ordered after voting at the polls on the original election date has already commenced, all qualified voters in a precinct in which any voted ballots, voting equipment containing voted ballots or pollbooks recording who has already voted in that precinct have been destroyed or damaged as a direct result of the emergency, so that the votes cannot be counted or it cannot be determined who has already voted, shall be allowed to vote in the rescheduled election, and no votes cast at the polls on the original election date shall be counted. If the postponement of the election is ordered after voting at the polls on the original election date has already commenced and no ballots cast at the polls, voting equipment containing voted ballots, or pollbooks recording who has already voted in that election in that precinct have been destroyed or damaged as a direct result of the emergency, only qualified voters who had not yet voted shall be eligible to vote on the rescheduled election day and all votes cast on the original and postponed election dates shall be counted at the close of the polls on the rescheduled election day.

The provisions of § 24.2-663 requiring the voiding of all ballots received from any voter who votes more than once in the same election shall not apply to ballots otherwise lawfully cast or recast pursuant to this section; however, no more than one ballot may be counted from any voter in the same election. If one ballot has already been counted, any additional ballots from the same voter shall be void and shall not be counted. The provisions of § 24.2-1004 or any other law prohibiting any voter from voting more than once in the same election, or any oath attesting to the same, shall not apply to ballots otherwise lawfully cast or recast pursuant to this section.

No results shall be tallied or votes counted in any postponed election before the closing of the polls on the rescheduled election date. Officers of election in unaffected areas shall count and report the results for the postponed election after the close of the polls on the rescheduled election date. The counting may take place at the precinct or another location determined by the local electoral board.

The State Board shall prescribe appropriate procedures to implement this section.

**§ 24.2-604. Prohibited activities at polls; notice of prohibited area; electioneering; presence of representatives of parties or candidates; simulated elections; observers; news media; penalties.**

A. During the times the polls are open and ballots are being counted, it shall be unlawful for any person (i) to loiter or congregate within 40 feet of any entrance of any polling place; (ii) within such distance to give, tender, or exhibit any ballot, ticket, or other campaign material to any person or to solicit or in any manner attempt to influence any person in casting his vote; or (iii) to hinder or delay a

qualified voter in entering or leaving a polling place.

B. Prior to opening the polls, the officers of election shall post, in the area within 40 feet of any entrance to the polling place, sufficient notices which state "Prohibited Area" in two-inch type. The notices shall also state the provisions of this section in not less than 24-point type. The officers of election shall post the notices within the prohibited area to be visible to voters and the public.

C. The officers of election shall permit one authorized representative of each political party or independent candidate in a general or special election, or one authorized representative of each candidate in a primary *or voter-nominated primary* election, to remain in the room in which the election is being conducted at all times. A representative may serve part of the day and be replaced by successive representatives. The officers of election shall have discretion to permit up to three authorized representatives of each political party or independent candidate in a general or special election, or up to three authorized representatives of each candidate in a primary *or voter-nominated primary* election, to remain in the room in which the election is being conducted. The officers shall permit one such representative for each pollbook station. However, no more than one such representative for each pollbook station or three representatives of any political party or independent candidate, whichever number is larger, shall be permitted in the room at any one time. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative shall present to the officers of election a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary *or voter-nominated primary* candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied, and such photocopy shall be as valid as if the copy had been signed. No candidate whose name is printed on the ballot shall serve as a representative of a party or candidate for purposes of this section. Authorized representatives shall be allowed, whether in a regular polling place or central absentee voter precinct, to be close enough to the voter check-in table to be able to hear and see what is occurring; however, such observation shall not violate the secret vote provision of Article II, Section 3 of the Constitution of Virginia or otherwise interfere with the orderly process of the election. Any representative who complains to the chief officer of election that he is unable to hear or see the process may accept the chief officer's decision or, if dissatisfied, he may immediately appeal the decision to the local electoral board or general registrar. Authorized representatives shall be allowed, whether in a regular polling place or central absentee voter precinct, to use a handheld wireless communications device, but shall not be allowed to use such a device to capture a digital image inside the polling place or central absentee voter precinct. The officers of election may prohibit the use of cellular telephones or other handheld wireless communications devices if such use will result in a violation of subsection A or D or § 24.2-607. Authorized representatives shall not be allowed in any case to provide assistance to any voter as permitted under § 24.2-649 or to wear any indication that they are authorized to assist voters either inside the polling place or within 40 feet of any entrance to the polling place.

D. It shall be unlawful for any authorized representative, voter, or any other person in the room to (i) hinder or delay a qualified voter; (ii) give, tender, or exhibit any ballot, ticket, or other campaign material to any person; (iii) solicit or in any manner attempt to influence any person in casting his vote; (iv) hinder or delay any officer of election; (v) be in a position to see the marked ballot of any other voter; or (vi) otherwise impede the orderly conduct of the election.

E. The officers of election may require any person who is found by a majority of the officers present to be in violation of this section to remain outside of the prohibited area. Any person violating subsection A or D is guilty of a Class 1 misdemeanor.

F. This section shall not be construed to prohibit a candidate from entering any polling place on the day of the election to vote, or to visit a polling place for no longer than 10 minutes per polling place per election day, provided that he complies with the restrictions stated in subsections A, D, and J.

G. This section shall not be construed to prohibit a minor from entering a polling place on the day of the election to vote in a simulated election at that polling place, provided that the local electoral board or general registrar has determined that such polling place can accommodate simulated election activities without interference or substantial delay in the orderly conduct of the official voting process. Persons supervising or working in a simulated election in which minors vote may remain within such polling place. The local electoral board or general registrar and the chief officer for the polling place shall exercise authority over, but shall have no responsibility for the administration of, simulated election related activities at the polling place.

H. A local electoral board or general registrar may authorize in writing the presence of additional neutral observers as may be deemed appropriate, except as otherwise prohibited or limited by this

674 section. Such observers shall comply with the restrictions in subsections A and D and shall not be  
675 allowed in any case to provide assistance to any voter as permitted under § 24.2-649 or to wear any  
676 indication that they are authorized to assist voters either inside the polling place or within 40 feet of any  
677 entrance to the polling place.

678 I. The officers of election shall permit representatives of the news media to visit and film or  
679 photograph inside the polling place for a reasonable and limited period of time while the polls are open.  
680 However, the media (i) shall comply with the restrictions in subsections A and D; (ii) shall not film or  
681 photograph any person who specifically asks the media representative at that time that he not be filmed  
682 or photographed; (iii) shall not film or photograph the voter or the ballot in such a way that divulges  
683 how any individual voter is voting; and (iv) shall not film or photograph the voter list or any other voter  
684 record or material at the precinct in such a way that it divulges the name or other information  
685 concerning any individual voter. Any interviews with voters, candidates or other persons, live  
686 broadcasts, or taping of reporters' remarks, shall be conducted outside of the polling place and the  
687 prohibited area. The officers of election may require any person who is found by a majority of the  
688 officers present to be in violation of this subsection to leave the polling place and the prohibited area.

689 J. The provisions of subsections A and D shall not be construed to prohibit a person who approaches  
690 or enters the polling place for the purpose of voting from wearing a shirt, hat, or other apparel on which  
691 a candidate's name or a political slogan appears or from having a sticker or button attached to his  
692 apparel on which a candidate's name or a political slogan appears. This exemption shall not apply to  
693 candidates, representatives of candidates, or any other person who approaches or enters the polling place  
694 for any purpose other than voting.

695 **§ 24.2-612.1. Ballots; death, withdrawal, or disqualification of candidates.**

696 In the case of the death, withdrawal, or disqualification of any candidate, other than a party nominee,  
697 who has qualified to have his name printed on the ballot for any election other than a presidential or,  
698 primary, or voter-nominated primary election, the Department of Elections shall take into account the  
699 time available before the election and the status of the ballots for the election and shall have authority to  
700 direct the electoral boards on how to proceed to print the ballot without the candidate's name, correct the  
701 ballot to delete the candidate's name, or provide notice to voters of the death, withdrawal, or  
702 disqualification of the candidate. If ballots are not corrected to delete the candidate's name, the general  
703 registrar shall provide a list of candidates who have withdrawn to be posted in each polling place and to  
704 be available to the public. If election information is posted on the official website for the county or city,  
705 notice of the candidate's withdrawal shall also be posted on that website.

706 The Department shall have like authority in the case of the death, withdrawal, or disqualification of a  
707 party nominee subject to the provisions of Article 5 (§ 24.2-539 et seq.) of Chapter 5.

708 **§ 24.2-613. Form of ballot.**

709 A. The ballots shall comply with the requirements of this title and the standards prescribed by the  
710 State Board. The names of all candidates to appear on the ballots shall be in the same font, size, and  
711 style.

712 B. For elections for federal, statewide, and General Assembly offices only, each candidate who has  
713 been nominated by a political party or in a primary or voter-nominated primary election shall be  
714 identified by the name of his political party or, in the case of candidates nominated at a  
715 voter-nominated primary election, the name of the political party he selected when filing his declaration  
716 of candidacy pursuant to § 24.2-507.2. Independent candidates shall be identified by the term  
717 "Independent." Candidates for a voter-nominated office who did not identify a political party preference  
718 or selected no party preference shall be identified by the phrase "No Party Preference." For the purpose  
719 of this section, any Independent candidate may, by producing sufficient and appropriate evidence of  
720 nomination by a "recognized political party" to the State Board, have the term "Independent" on the  
721 ballot converted to that of a "recognized political party" on the ballot and be treated on the ballot in a  
722 manner consistent with the candidates nominated by political parties. For the purpose of this section, a  
723 "recognized political party" is defined as an organization that, for at least six months preceding the filing  
724 of its nominee for the office, has had in continual existence a state central committee composed of  
725 registered voters residing in each congressional district of the Commonwealth, a party plan and bylaws,  
726 and a duly elected state chairman and secretary. A letter from the state chairman of a recognized  
727 political party certifying that a candidate is the nominee of that party and also signed by such candidate  
728 accepting that nomination shall constitute sufficient and appropriate evidence of nomination by a  
729 recognized political party. The name of the political party, the name of the "recognized political party,"  
730 or term "Independent" may be shown by an initial or abbreviation to meet ballot requirements.

731 C. Except as provided for primary elections and elections for voter-nominated offices, the State  
732 Board shall determine by lot the order of the political parties, and the names of all candidates for a  
733 particular office shall appear together in the order determined for their parties. In an election for a  
734 voter-nominated office, the State Board shall determine by lot the order of the candidates, and the  
735 names of all candidates for that office shall be listed in that order, regardless of political party

*affiliation.* In an election district in which more than one person is nominated by one political party for the same office, the candidates' names shall appear alphabetically in their party groups under the name of the office, with sufficient space between party groups to indicate them as such. For the purpose of this section, except as provided for presidential elections in § 24.2-614, "recognized political parties" shall be treated as a class; the order of the recognized political parties within the class shall be determined by lot by the State Board; and the class shall follow the political parties as defined by § 24.2-101 and precede the independent class. Independent candidates shall be treated as a class under "Independent", and their names shall be placed on the ballot after the political parties and recognized political parties. Where there is more than one independent candidate for an office, their names shall appear on the ballot in an order determined by the priority of time of filing for the office. In the event two or more candidates file simultaneously, the order of filing shall then be determined by lot by the electoral board as in the case of a tie vote for the office.

For the purposes of this subsection, "time of filing for the office" means the time at which an independent candidate has filed his petition signature pages with a number of signatures at least equal to the number required for the office pursuant to § 24.2-506. In the case of an office for which no petition is required, "time of filing for the office" means the time at which the candidate has filed his completed statement of qualification pursuant to § 24.2-501.

No individual's name shall appear on the ballot more than once for the same office.

D. On any ballot, all offices to be elected shall appear before any questions presented to the voters.

E. In preparing the printed ballots for general, special, ~~and~~ primary, *and voter-nominated primary* elections, the State Board and general registrars shall cause to be printed in not less than 10-point type, immediately below the title of any office, a statement of the number of candidates for whom votes may be cast for that office. For any office to which only one candidate can be elected, the following language shall be used: "Vote for only one." For any office to which more than one candidate can be elected, the following language shall be used: "Vote for not more than \_\_\_\_."

F. Any locality that uses machine-readable ballots at one or more precincts, including any central absentee precinct, may, with the approval of the State Board, use a printed reproduction of the machine-readable ballot in lieu of the official machine-readable ballot. Such reproductions shall be printed and otherwise handled in accordance with all laws and procedures that apply to official paper ballots.

**§ 24.2-627. (Effective until July 1, 2020) Electronic voting or counting machines; number required.**

A. The governing body of any county or city that adopts for use at elections direct recording electronic machines shall provide for each precinct at least the following number of voting machines:

- In each precinct having not more than 750 registered voters, 1;
- In each precinct having more than 750 but not more than 1,500 registered voters, 2;
- In each precinct having more than 1,500 but not more than 2,250 registered voters, 3;
- In each precinct having more than 2,250 but not more than 3,000 registered voters, 4;
- In each precinct having more than 3,000 but not more than 3,750 registered voters, 5;
- In each precinct having more than 3,750 but not more than 4,500 registered voters, 6;
- In each precinct having more than 4,500 but not more than 5,000 registered voters, 7.

B. The governing body of any county or city that adopts for use at elections ballot scanner machines shall provide for each precinct at least one voting booth with a marking device for each 425 registered voters or portion thereof and shall provide for each precinct at least one scanner. However, each precinct having more than 4,000 registered voters shall be provided with not less than two scanners at a presidential election, unless the governing body, in consultation with the general registrar and the electoral board, determines that a second scanner is not necessary at any such precinct on the basis of voter turnout and the average wait time for voters in previous presidential elections.

C. The local electoral board of any county or city shall be authorized to conduct any May general election, primary election, *voter-nominated primary election*, or special election held on a date other than a November general election with the number of voting or counting machines determined by the board and the general registrar to be appropriate for each precinct, notwithstanding the provisions of subsections A and B.

D. For purposes of applying this section, a general registrar may exclude persons voting absentee in his calculations, and if he does so shall send to the Department a statement of the number of voting systems to be used in each precinct. If the State Board finds that the number of voting systems is not sufficient, it may direct the general registrar to use more voting systems.

**§ 24.2-627. (Effective July 1, 2020) Electronic voting systems; number required.**

A. The governing body of any county or city that adopts for use at elections ballot scanner machines shall provide for each precinct at least one voting booth with a marking device for each 425 registered voters or portion thereof and shall provide for each precinct at least one scanner. However, each precinct

797 having more than 4,000 registered voters shall be provided with not less than two scanners at a  
798 presidential election, unless the governing body, in consultation with the general registrar and the  
799 electoral board, determines that a second scanner is not necessary at any such precinct on the basis of  
800 voter turnout and the average wait time for voters in previous presidential elections.

801 B. The local electoral board of any county or city shall be authorized to conduct any May general  
802 election, primary election, *voter-nominated primary election*, or special election held on a date other than  
803 a November general election with the number of voting systems determined by the board and the  
804 general registrar to be appropriate for each precinct, notwithstanding the provisions of subsection A.

805 C. For purposes of applying this section, a general registrar may exclude persons voting absentee in  
806 his calculations, and if he does so shall send to the Department a statement of the number of voting  
807 systems to be used in each precinct. If the State Board finds that the number of voting systems is not  
808 sufficient, it may direct the general registrar to use more voting systems.

809 **§ 24.2-633. Notice of final testing of voting system; sealing equipment.**

810 Before the final testing of voting or counting machines for any election, the general registrar shall  
811 mail written notice (i) to the chairman of the local committee of each political party, or (ii) in a primary  
812 election, to the chairman of the local committee of the political party holding the primary, or (iii) *in a*  
813 *voter-nominated primary election, to the candidates, or (iv) in a city or town council election in which*  
814 no candidate is a party nominee and which is held when no other election having party nominees is  
815 being conducted, to the candidates.

816 The notice shall state the time and place where the machine will be tested and state that the political  
817 party or candidate receiving the notice may have one representative present while the equipment is  
818 tested.

819 At the time stated in the notice, the representatives, if present, shall be afforded an opportunity to see  
820 that the equipment is in proper condition for use at the election. When a machine has been so examined  
821 by the representatives, it shall be sealed with a numbered seal in their presence, or if the machine  
822 cannot be sealed with a numbered seal, it shall be locked with a key. The representatives shall certify  
823 for each machine the number registered on the protective counter and the number on the seal. When no  
824 party or candidate representative is present, the custodian shall seal the machine as prescribed in this  
825 section in the presence of a member of the electoral board, the general registrar, or a designee of the  
826 electoral board or general registrar.

827 **§ 24.2-639. (Effective until July 1, 2020) Duties of officers of election.**

828 The officers of election of each precinct at which voting or counting machines are used shall meet at  
829 the polling place by 5:15 a.m. on the day of the election and arrange the equipment, furniture, and other  
830 materials for the conduct of the election. The officers of election shall verify that all required equipment,  
831 ballots, and other materials have been delivered to them for the election. The officers shall post at least  
832 two instruction cards for direct recording electronic machines conspicuously within the polling place.

833 The keys to the equipment and any electronic activation devices that are required for the operation of  
834 electronic voting equipment shall be delivered, prior to the opening of the polls, to the officer of  
835 election designated by the electoral board or general registrar in a sealed envelope on which has been  
836 written or printed the name of the precinct for which it is intended. The envelope containing the keys  
837 and any electronic activation devices shall not be opened until all of the officers of election for the  
838 precinct are present at the polling place and have examined the envelope to see that it has not been  
839 opened. The equipment shall remain locked against voting until the polls are formally opened and shall  
840 not be operated except by voters in voting.

841 Before opening the polls, each officer shall examine the equipment and see that no vote has been  
842 cast and that the counters register zero. The officers shall conduct their examination in the presence of  
843 the following party and candidate representatives: one authorized representative of each political party or  
844 independent candidate in a general or special election, or one authorized representative of each candidate  
845 in a primary *or voter-nominated primary* election, if such representatives are available. Each authorized  
846 representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative,  
847 who is not himself a candidate or party chairman, shall present to the officers of election a written  
848 statement designating him to be a representative of the party or candidate and signed by the county or  
849 city chairman of his political party, the independent candidate, or the primary *or voter-nominated*  
850 *primary* candidate, as appropriate. If the county or city chairman is unavailable to sign such a written  
851 designation, such a designation may be made by the state or district chairman of the political party.  
852 However, no written designation made by a state or district chairman shall take precedence over a  
853 written designation made by the county or city chairman. Such statement, bearing the chairman's or  
854 candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy  
855 had been signed.

856 If any counter, other than a protective or private counter, on a ballot scanner or direct recording  
857 electronic machine is found not to register zero, the officers of election shall immediately notify the  
858 general registrar, who shall, if possible, substitute a machine in good working order that has been

prepared and tested pursuant to § 24.2-634. No ballot scanner or direct recording electronic machine shall be used if any counter, other than a protective or private counter, is found not to register zero.

**§ 24.2-639. (Effective July 1, 2020) Duties of officers of election.**

The officers of election of each precinct at which voting systems are used shall meet at the polling place by 5:15 a.m. on the day of the election and arrange the equipment, furniture, and other materials for the conduct of the election. The officers of election shall verify that all required equipment, ballots, and other materials have been delivered to them for the election. The officers shall post at least two instruction cards for direct recording electronic machines conspicuously within the polling place.

The keys to the equipment and any electronic activation devices that are required for the operation of electronic voting equipment shall be delivered, prior to the opening of the polls, to the officer of election designated by the electoral board or general registrar in a sealed envelope on which has been written or printed the name of the precinct for which it is intended. The envelope containing the keys and any electronic activation devices shall not be opened until all of the officers of election for the precinct are present at the polling place and have examined the envelope to see that it has not been opened. The equipment shall remain locked against voting until the polls are formally opened and shall not be operated except by voters in voting.

Before opening the polls, each officer shall examine the equipment and see that no vote has been cast and that the counters register zero. The officers shall conduct their examination in the presence of the following party and candidate representatives: one authorized representative of each political party or independent candidate in a general or special election, or one authorized representative of each candidate in a primary election *or voter-nominated primary election*, if such representatives are available. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to the officers of election a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary *or voter-nominated primary* candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

If any counter, other than a protective or private counter, on a ballot scanner is found not to register zero, the officers of election shall immediately notify the general registrar, who shall, if possible, substitute a machine in good working order, that has been prepared and tested pursuant to § 24.2-634. No ballot scanner shall be used if any counter, other than a protective or private counter, is found not to register zero.

**§ 24.2-651. Voter who is challenged; how challenge tried.**

Any qualified voter may, and the officers of election shall, challenge the vote of any person who is listed on the pollbook but is known or suspected not to be a qualified voter.

The individual making the challenge shall complete and sign the following statement on a form provided by the State Board:

"I do hereby state, subject to penalties for hindering, intimidating, or interfering with a qualified voter pursuant to § 24.2-607, that I am a qualified voter of this Commonwealth or an officer of election and that, to the best of my knowledge, information, and belief, \_\_\_\_\_ is not a qualified voter of this precinct by reason of (please check each of the following reasons that is applicable):

1. The named person is not a citizen of the United States;
2. The named person is not now 18 years of age or, in the case of a primary election *or voter-nominated primary election*, or a special election held on a date other than a general election date, will not reach the age of 18 before the next general election;
3. The named person is not a resident of the Commonwealth (or, if he has not been a resident of the Commonwealth within the preceding 30 days, he is attempting to vote for an office or issue other than electors of President and Vice President of the United States);
4. The named person is not a resident of this precinct (or he has not been a resident of this precinct since the second preceding general federal election and has not continued to be a resident of this county or city and this congressional district);
5. The named person is not a resident of the town in the case of a town election;
6. The named person has been disqualified from voting by the Constitution and laws of the Commonwealth and this disqualification has not been removed by proper authority;
7. The named person is not the identical person he represents himself to be; or
8. The named person has voted in this election at this or another voting place (state when and where the named person previously voted in this election: \_\_\_\_\_)."

920 Upon receipt of a signed challenge from a qualified voter or officer of election, an officer of election  
921 shall explain to the challenged voter the qualifications of a voter and may examine him concerning his  
922 qualifications.

923 The officers of election are hereby authorized to administer the necessary oath or affirmation to any  
924 witness brought before them to testify as to the qualifications of any person offering to vote.

925 If the person being challenged insists that he is qualified and the challenge is not withdrawn, one of  
926 the officers shall give him a form containing the following statement:

927 "I do hereby state, subject to felony penalties for making false statements pursuant to § 24.2-1016,  
928 that I am a citizen of the United States, that I am at least 18 years of age (or will be on the  
929 \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_) that I am a resident of the Commonwealth of Virginia (or that  
930 I have been a resident of this Commonwealth within the preceding 30 days and am voting only for  
931 electors of President and Vice President of the United States), and that, according to the best of my  
932 knowledge, information and belief, I am not disqualified from voting by the Constitution and laws of  
933 this Commonwealth; that my full name is \_\_\_\_\_; that in such name I was duly registered as  
934 a voter of this precinct; that I am now or at some time since the last November general election have  
935 been an actual resident of this precinct or that I have been an actual resident of this precinct at some  
936 time since the second preceding general federal election and have been and continue to be a resident of  
937 this county or city and this congressional district; if I am voting in a town election today, that I am  
938 currently a resident of that town; that I am the identical person I represent myself to be; and that I have  
939 not voted in this election at this or any voting place and will not vote in this election at any other  
940 voting place."

941 If the person challenged refuses to sign the statement, he shall not be permitted to vote. If, however,  
942 he signs the statement, he shall be permitted to vote on the voting system in use at the precinct, unless  
943 he is required to cast a provisional ballot pursuant to § 24.2-651.1.

944 When the voter has signed the statement and is permitted to vote, the officers of election shall mark  
945 his name on the pollbook with the first or next consecutive number from the voter count form, or shall  
946 enter that the voter has voted if the pollbook is in electronic form, and shall indicate on the pollbook  
947 that he has signed the required statement in accordance with the instructions of the State Board.

948 If the envelope containing a voted absentee ballot has been properly signed by the voter, such ballot  
949 shall not be subject to challenge pursuant to this section.

950 **§ 24.2-653. Voter whose name does not appear on pollbook or who is marked as having voted;**  
951 **handling of provisional ballots; ballots cast after normal close of polls due to court order**  
952 **extending polling hours.**

953 A. When a person offers to vote pursuant to § 24.2-652 and the general registrar is not available or  
954 cannot state that the person is registered to vote, then such person shall be allowed to vote by printed  
955 ballot in the manner provided in this section. This procedure shall also apply when required by  
956 § 24.2-643 or 24.2-651.1.

957 Such person shall be given a printed ballot and provide, subject to the penalties for making false  
958 statements pursuant to § 24.2-1016, on a green envelope supplied by the Department of Elections, the  
959 identifying information required on the envelope, including the last four digits of his social security  
960 number, if any, full name including the maiden or any other prior legal name, date of birth, complete  
961 address, and signature. Such person shall be asked to present one of the forms of identification specified  
962 in subsection B of § 24.2-643. The officers of election shall note on the green envelope whether or not  
963 the voter has presented one of the specified forms of identification. The officers of election shall enter  
964 the appropriate information for the person in the precinct provisional ballots log in accordance with the  
965 instructions of the State Board but shall not enter a consecutive number for the voter on the pollbook  
966 nor otherwise mark his name as having voted. The officers of election shall provide an application for  
967 registration to the person offering to vote in the manner provided in this section.

968 The voter shall then, in the presence of an officer of election, but in a secret manner, mark the  
969 printed ballot as provided in § 24.2-644 and seal it in the green envelope. The envelope containing the  
970 ballot shall then promptly be placed in the ballot container by an officer of election.

971 An officer of election, by a written notice given to the voter, shall (i) inform him that a  
972 determination of his right to vote shall be made by the electoral board, (ii) advise the voter of the  
973 beginning time and place for the board's meeting and of the voter's right to be present at that meeting,  
974 and (iii) inform a voter voting provisionally when required by § 24.2-643 that he may submit a copy of  
975 one of the forms of identification specified in subsection B of § 24.2-643 to the electoral board by  
976 facsimile, electronic mail, in-person submission, or timely United States Postal Service or commercial  
977 mail delivery, to be received by the electoral board no later than noon on the third day after the  
978 election. At the meeting, the voter may request an extension of the determination of the provisional vote  
979 in order to provide information to prove that the voter is entitled to vote in the precinct pursuant to  
980 § 24.2-401. The electoral board shall have the authority to grant such extensions which it deems  
981 reasonable to determine the status of a provisional vote.

B. The provisional votes submitted pursuant to subsection A, in their unopened envelopes, shall be sealed in a special envelope marked "Provisional Votes," inscribed with the number of envelopes contained therein, and signed by the officers of election who counted them. All provisional votes envelopes shall be delivered either (i) to the clerk of the circuit court who shall deliver all such envelopes to the secretary of the electoral board or (ii) to the general registrar in localities in which the electoral board has directed delivery of election materials to the general registrar pursuant to § 24.2-668.

The electoral board shall meet on the day following the election and determine whether each person having submitted such a provisional vote was entitled to do so as a qualified voter in the precinct in which he offered the provisional vote. If the board is unable to determine the validity of all the provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot an extension as provided in subsection A, the meeting shall stand adjourned, not to exceed seven calendar days from the date of the election, until the board has determined the validity of all provisional ballots offered in the election.

One authorized representative of each political party or independent candidate in a general or special election or one authorized representative of each candidate in a primary or voter-nominated primary election shall be permitted to remain in the room in which the determination is being made as an observer so long as he does not participate in the proceedings and does not impede the orderly conduct of the determination. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to the electoral board a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary or voter-nominated primary candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), attendance at meetings of the electoral board to determine the validity of provisional ballots shall be permitted only for the authorized representatives provided for in this subsection, for the persons whose provisional votes are being considered and their representative or legal counsel, and for appropriate staff and legal counsel for the electoral board.

If the electoral board determines that such person was not entitled to vote as a qualified voter in the precinct in which he offered the provisional vote, is unable to determine his right to vote, or has not been provided one of the forms of identification specified in subsection B of § 24.2-643, the envelope containing his ballot shall not be opened and his vote shall not be counted. The provisional vote shall be counted if (a) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (b) the Department of Elections or the voter presents proof that indicates the voter submitted an application for registration to the Department of Motor Vehicles or other state-designated voter registration agency prior to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was qualified for registration based upon the application for registration submitted by the person pursuant to subsection A. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not counted.

If the electoral board determines that such person was entitled to vote, the name of the voter shall be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and the ballot placed in a ballot container without any inspection further than that provided for in § 24.2-646.

On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have been entitled to vote shall have his name included on the list of persons who voted that is submitted to the Department of Elections pursuant to § 24.2-406.

The certification of the results of the count together with all ballots and envelopes, whether open or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

C. Whenever the polling hours are extended by an order of a court of competent jurisdiction, any ballots marked after the normal polling hours by persons who were not already in line at the time the polls would have closed, notwithstanding the court order, shall be treated as provisional ballots under this section. The officers of election shall mark the green envelope for each such provisional ballot to indicate that it was cast after normal polling hours due to the court order, and when preparing the

materials to deliver to the registrar or electoral board, shall separate these provisional ballots from any provisional ballots used for any other reason. The electoral board shall treat these provisional ballots as provided in subsection B; however, the counted and uncounted provisional ballots marked after the normal polling hours shall be kept separate from all other ballots and recorded in a separate provisional ballots pollbook. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to this section.

**§ 24.2-655. Representatives of political parties and candidates to be present on request.**

Before proceeding to ascertain the vote, the officers of election shall determine whether no more than two representatives of each political party having candidates in the election and one representative of each independent candidate or primary or voter-nominated primary candidate request to be present while the absentee ballots are cast, votes are counted, and returns are completed.

Each representative shall be a qualified voter of any jurisdiction in the Commonwealth and shall present to the officers of election a written statement certifying that he is an authorized representative, signed by his party chairman for the jurisdiction in which the election is held, the independent candidate, or the candidate in a primary or voter-nominated primary, as appropriate. If the party chairman for the jurisdiction in which the election is held is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the party chairman for the jurisdiction in which the election is held. Such representatives shall be entitled to be present while the votes are counted and shall remain until the returns are completed.

In case such representatives, or any of them, do not request to be present, the officers shall notify the bystanders, if any, and select one or more to be present with any available representatives of the parties or candidates so that there are as many as four bystanders and representatives present.

The representatives and bystanders lawfully present shall have an unobstructed view of the officers of election and their actions while the absentee ballots are cast, votes are counted, and returns are completed. The representatives and bystanders lawfully present are prohibited from interfering with the officers of election in any way.

**§ 24.2-669. Clerk to keep ballots; inspection; destruction.**

The clerk to whom the counted and uncounted ballots are delivered shall, without breaking the seal, deposit them in a secure place in his office, where they shall be kept for the time required by this section. He shall not allow the ballots to be inspected except (i) by an authorized representative of the State Board or by the electoral board at the direction of the State Board to ensure the accuracy of the returns or the purity of the election, (ii) by the officers of election, and then only at the direction of the electoral board in accordance with § 24.2-672 when the provisions of § 24.2-662 have not been followed, (iii) on the order of a court before which there is pending a proceeding for a contest or recount under Chapter 8 (§ 24.2-800 et seq.) of this title or before whom there is then pending a proceeding in which the ballots are necessary for use in evidence, or (iv) for the purpose of conducting an audit as part of a post-election pilot program pursuant to § 24.2-671.1. In the event that ballots are inspected under clause (i), (ii), or (iv) of this paragraph, each political party and each independent candidate on the ballot, or each primary or voter-nominated primary candidate, shall be entitled to have a representative present during such inspection. The representatives and observers lawfully present shall be prohibited from interfering with the officers of election in any way. The State Board or local electoral board shall provide such parties and candidates reasonable advance notice of the inspection.

After the counted ballots for a federal election have remained in the clerk's office for two years, if no election contest or other proceeding is pending in which such ballots may be needed as evidence, the clerk shall destroy such ballots. After the counted ballots for any other election have remained in the clerk's office for one year, if no election contest or other proceeding is pending in which such ballots may be needed as evidence, the clerk shall destroy such ballots. After the unused ballots have remained in the clerk's office and the time has expired for initiating a recount, contest, or other proceeding in which such ballots may be needed as evidence and no such contest or proceeding is pending, the clerk may then destroy the unused ballots other than punchcard ballots, which shall be returned to the electoral board.

**§ 24.2-671. Electoral board to meet and ascertain results; conclusiveness of results.**

Each electoral board shall meet at the clerk's or general registrar's office of the county or city for which they are appointed at or before 5:00 p.m. on the day after any election. The board may adjourn to another room of sufficient size in a public building to ascertain the results, and may adjourn as needed, not to exceed seven calendar days from the date of the election. Written directions to the location of any room other than the clerk's or general registrar's office where the board will meet shall be posted at the doors of the clerk's and general registrar's offices prior to the beginning of the meeting.

The board shall open the returns delivered by the officers.

If the electoral board has exercised the option provided by § 24.2-668 for delivery of the election

materials to the office of the general registrar on the night of the election, the electoral board shall meet at the office of the general registrar at or before 5:00 p.m. on the day after any election.

The board shall ascertain from the returns the total votes in the county or city, or town in a town election, for each candidate and for and against each question and complete the abstract of votes cast at such election, as provided for in § 24.2-675. For any office in which no person was elected by write-in votes, and for which the total number of write-in votes for that office is less than (i) 10 percent of the total number of votes cast for that office and (ii) the total number of votes cast for the candidate receiving the most votes, the electoral board shall ascertain the total votes for each write-in candidate for the office within one week following the election. For offices for which the electoral board issues the certificate of election, the result so ascertained, signed and attested, shall be conclusive and shall not thereafter be subject to challenge except as specifically provided in Chapter 8 (§ 24.2-800 et seq.) of this title.

Once the result is so ascertained, the secretary of the electoral board shall deliver one copy of each statement of results to the general registrar to be available for inspection when his office is open for business. The secretary shall then return all pollbooks, any printed inspection and return sheets, and one copy of each statement of results to the clerk.

Beginning with the general election in November 2007, a report of any changes made by the local electoral board to the unofficial results ascertained by the officers of election or any subsequent change to the official abstract of votes made by the local electoral board shall be forwarded to the State Board of Elections and the explanation of such change shall be posted on the State Board website.

Each political party and each independent candidate on the ballot, or each primary or voter-nominated primary candidate, shall be entitled to have representatives present when the local electoral board meets to ascertain the results of the election. Each such party and candidate shall be entitled to have at least as many representatives present as there are teams of officials working to ascertain the results, and the room in which the local electoral board meets shall be of sufficient size and configuration to allow the representatives reasonable access and proximity to view the ballots as the teams of officials work to ascertain the results. The representatives and observers lawfully present shall be prohibited from interfering with the officials in any way.

Except in the case of a recount pursuant to the provisions of Chapter 8 (§ 24.2-800 et seq.) of this title, in all elections for the choice of any officer, unless it is otherwise expressly provided, the person having the highest number of votes for any office shall be deemed to have been elected to such office and shall receive the certificate of election.

B. Notwithstanding the provisions of subsection A, in a general or special election for a voter-nominated office, the person having a majority of the votes for such office, as determined pursuant to § 24.2-673.1, shall be deemed to have been elected to such office and shall receive the certificate of election.

**§ 24.2-673.1. Ranked choice voting; voter-nominated offices.**

B. The State Board shall prescribe the procedures to conduct a general or special election using ranked choice voting and to determine the winner in such an election. The Board shall prescribe standards for ballots used in such an election pursuant to § 24.2-613, notwithstanding the provisions of subsection D of § 24.2-613.

C. Any tie that could affect the outcome of the election shall be resolved in accordance with § 24.2-674, except that a tie in the election of the Governor, Lieutenant Governor, or Attorney General shall be resolved in accordance with the Constitution of Virginia.

D. For all statutory and constitutional provisions of the Commonwealth pertaining to the rights of political parties, the number of votes cast for a party's candidate for a particular office shall be defined as the number of votes credited to that candidate after the initial round of ballot casting.

**§ 24.2-682. Times for special elections.**

A. Notwithstanding any charter or special act to the contrary, the following provisions govern the times for holding special elections. Every special election shall be held on a Tuesday. No special election shall be held within the 55 days prior to a general or primary, or voter-nominated primary election. No special election shall be held on the same day as a primary or voter-nominated primary election. A special election may be held on the same day as a general election.

B. A referendum election shall be ordered at least 81 days prior to the date for which the referendum election is called.
