SENATE BILL NO. 289

Senate Amendments in [] - January 28, 2020

A *BILL to amend and reenact § 46.2-342 of the Code of Virginia, relating to driver's license designation; traumatic brain injury.*

Patron Prior to Engrossment—Senator Deeds

Referred to Committee on Transportation

Be it enacted by the General Assembly of Virginia:**1. That § 46.2-342 of the Code of Virginia is amended and reenacted as follows:****§ 46.2-342. What license to contain; organ donor information; Uniform Donor Document.**

A. Every license issued under this chapter shall bear:

1. For licenses issued or renewed on or after July 1, 2003, a license number which shall be assigned by the Department to the licensee and shall not be the same as the licensee's social security number;

2. A photograph of the licensee;

3. The licensee's full name, year, month, and date of birth;

4. The licensee's address, subject to the provisions of subsection B;

5. A brief description of the licensee for the purpose of identification;

6. A space for the signature of the licensee; and

7. Any other information deemed necessary by the Commissioner for the administration of this title.

No abbreviated names or nicknames shall be shown on any license.

B. At the option of the licensee, the address shown on the license may be either the post office box, business, or residence address of the licensee, provided such address is located in Virginia. However, regardless of which address is shown on the license, the licensee shall supply the Department with his residence address, which shall be an address in Virginia. This residence address shall be maintained in the Department's records. Whenever the licensee's address shown either on his license or in the Department's records changes, he shall notify the Department of such change as required by § 46.2-324.

C. The Department may contract with the United States Postal Service or an authorized agent to use the National Change of Address System for the purpose of obtaining current address information for a person whose name appears in customer records maintained by the Department. If the Department receives information from the National Change of Address System indicating that a person whose name appears in a Department record has submitted a permanent change of address to the Postal Service, the Department may then update its records with the mailing address obtained from the National Change of Address System.

D. The license shall be made of a material and in a form to be determined by the Commissioner.

E. Licenses issued to persons less than 21 years old shall be immediately and readily distinguishable from those issued to persons 21 years old or older. Distinguishing characteristics shall include unique design elements of the document and descriptors within the photograph area to identify persons who are at least 15 years old but less than 21 years old. These descriptors shall include the month, day, and year when the person will become 21 years old.

F. The Department shall establish a method by which an applicant for a driver's license or an identification card may indicate his consent to make an anatomical gift for transplantation, therapy, research, and education pursuant to § 32.1-291.5, and shall cooperate with the Virginia Transplant Council to ensure that such method is designed to encourage organ, tissue, and eye donation with a minimum of effort on the part of the donor and the Department.

G. If an applicant indicates his consent to be a donor pursuant to subsection F, the Department may make a notation of this designation on his license or card and shall make a notation of this designation in his driver record. The notation shall remain on the individual's license or card until he revokes his consent to make an anatomical gift by requesting removal of the notation from his license or card or otherwise in accordance with § 32.1-291.6. Inclusion of a notation indicating consent to making an organ donation on an applicant's license or card pursuant to this subsection shall be sufficient legal authority for removal, following death, of the subject's organs or tissues without additional authority from the donor or his family or estate, in accordance with the provisions of § 32.1-291.8.

H. A minor may make a donor designation pursuant to subsection F without the consent of a parent or legal guardian as authorized by the Revised Uniform Anatomical Gift Act (§ 32.1-291.1 et seq.).

I. The Department shall provide a method by which an applicant conducting a Department of Motor Vehicles transaction using electronic means may make a voluntary contribution to the Virginia Donor Registry and Public Awareness Fund (Fund) established pursuant to § 32.1-297.1. The Department shall

ENGROSSED

SB289E

59 inform the applicant of the existence of the Fund and also that contributing to the Fund is voluntary.

60 J. The Department shall collect all moneys contributed pursuant to subsection I and transmit the
61 moneys on a regular basis to the Virginia Transplant Council, which shall credit the contributions to the
62 Fund.

63 K. When requested by the applicant, and upon presentation of a signed statement by a licensed
64 physician confirming the applicant's condition, the Department shall indicate on the applicant's driver's
65 license that the applicant (i) is an insulin-dependent diabetic, (ii) is deaf or hard of hearing or speech
66 impaired, (iii) *has a traumatic brain injury*, or ~~(iii)~~ (iv) has an intellectual disability, as defined in
67 § 37.2-100, or autism spectrum disorder, as defined in § 38.2-3418.17. [*Any request for a traumatic*
68 *brain injury indicator on an applicant's driver's license shall be accompanied by a form prescribed by*
69 *the Commissioner and completed by a licensed physician.*]

70 L. In the absence of gross negligence or willful misconduct, the Department and its employees shall
71 be immune from any civil or criminal liability in connection with the making of or failure to make a
72 notation of donor designation on any license or card or in any person's driver record.

73 M. The Department shall, in coordination with the Virginia Transplant Council, prepare an organ
74 donor information brochure describing the organ donor program and providing instructions for
75 completion of the uniform donor document information describing the bone marrow donation program
76 and instructions for registration in the National Bone Marrow Registry. The Department shall include a
77 copy of such brochure with every driver's license renewal notice or application mailed to licensed
78 drivers in Virginia.
