

20106140D

SENATE BILL NO. 420

AMENDMENT IN THE NATURE OF A SUBSTITUTE  
(Proposed by the Senate Committee on Education and Health  
on January 30, 2020)

(Patron Prior to Substitute—Senator DeSteph)

A BILL to amend and reenact § 8.01-225 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 22.1-274.5, relating to public schools; seizure management and action plan; and training.

Be it enacted by the General Assembly of Virginia:

1. That § 8.01-225 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 22.1-274.5 as follows:

§ 8.01-225. Persons rendering emergency care, obstetrical services exempt from liability.

A. Any person who:

1. In good faith, renders emergency care or assistance, without compensation, to any ill or injured person (i) at the scene of an accident, fire, or any life-threatening emergency; (ii) at a location for screening or stabilization of an emergency medical condition arising from an accident, fire, or any life-threatening emergency; or (iii) en route to any hospital, medical clinic, or doctor's office, shall not be liable for any civil damages for acts or omissions resulting from the rendering of such care or assistance. For purposes of this subdivision, emergency care or assistance includes the forcible entry of a motor vehicle in order to remove an unattended minor at risk of serious bodily injury or death, provided the person has attempted to contact a law-enforcement officer, as defined in § 9.1-101, a firefighter, as defined in § 65.2-102, emergency medical services personnel, as defined in § 32.1-111.1, or an emergency 911 system, if feasible under the circumstances.

2. In the absence of gross negligence, renders emergency obstetrical care or assistance to a female in active labor who has not previously been cared for in connection with the pregnancy by such person or by another professionally associated with such person and whose medical records are not reasonably available to such person shall not be liable for any civil damages for acts or omissions resulting from the rendering of such emergency care or assistance. The immunity herein granted shall apply only to the emergency medical care provided.

3. In good faith and without compensation, including any emergency medical services provider who holds a valid certificate issued by the Commissioner of Health, administers epinephrine in an emergency to an individual shall not be liable for any civil damages for ordinary negligence in acts or omissions resulting from the rendering of such treatment if such person has reason to believe that the individual receiving the injection is suffering or is about to suffer a life-threatening anaphylactic reaction.

4. Provides assistance upon request of any police agency, fire department, emergency medical services agency, or governmental agency in the event of an accident or other emergency involving the use, handling, transportation, transmission, or storage of liquefied petroleum gas, liquefied natural gas, hazardous material, or hazardous waste as defined in § 10.1-1400 or regulations of the Virginia Waste Management Board shall not be liable for any civil damages resulting from any act of commission or omission on his part in the course of his rendering such assistance in good faith.

5. Is an emergency medical services provider possessing a valid certificate issued by authority of the State Board of Health who in good faith renders emergency care or assistance, whether in person or by telephone or other means of communication, without compensation, to any injured or ill person, whether at the scene of an accident, fire, or any other place, or while transporting such injured or ill person to, from, or between any hospital, medical facility, medical clinic, doctor's office, or other similar or related medical facility, shall not be liable for any civil damages for acts or omissions resulting from the rendering of such emergency care, treatment, or assistance, including but in no way limited to acts or omissions which involve violations of State Department of Health regulations or any other state regulations in the rendering of such emergency care or assistance.

6. In good faith and without compensation, renders or administers emergency cardiopulmonary resuscitation (CPR); cardiac defibrillation, including, but not limited to, the use of an automated external defibrillator (AED); or other emergency life-sustaining or resuscitative treatments or procedures which have been approved by the State Board of Health to any sick or injured person, whether at the scene of a fire, an accident, or any other place, or while transporting such person to or from any hospital, clinic, doctor's office, or other medical facility, shall be deemed qualified to administer such emergency treatments and procedures and shall not be liable for acts or omissions resulting from the rendering of such emergency resuscitative treatments or procedures.

7. Operates an AED at the scene of an emergency, trains individuals to be operators of AEDs, or orders AEDs, shall be immune from civil liability for any personal injury that results from any act or

SENATE SUBSTITUTE

SB420S1

60 omission in the use of an AED in an emergency where the person performing the defibrillation acts as  
61 an ordinary, reasonably prudent person would have acted under the same or similar circumstances,  
62 unless such personal injury results from gross negligence or willful or wanton misconduct of the person  
63 rendering such emergency care.

64 8. Maintains an AED located on real property owned or controlled by such person shall be immune  
65 from civil liability for any personal injury that results from any act or omission in the use in an  
66 emergency of an AED located on such property unless such personal injury results from gross  
67 negligence or willful or wanton misconduct of the person who maintains the AED or his agent or  
68 employee.

69 9. Is an employee of a school board or of a local health department approved by the local governing  
70 body to provide health services pursuant to § 22.1-274 who, while on school property or at a  
71 school-sponsored event, (i) renders emergency care or assistance to any sick or injured person; (ii)  
72 renders or administers emergency cardiopulmonary resuscitation (CPR); cardiac defibrillation, including,  
73 but not limited to, the use of an automated external defibrillator (AED); or other emergency  
74 life-sustaining or resuscitative treatments or procedures that have been approved by the State Board of  
75 Health to any sick or injured person; (iii) operates an AED, trains individuals to be operators of AEDs,  
76 or orders AEDs; ~~or~~ (iv) maintains an AED; or (v) *renders care pursuant to a seizure management and*  
77 *action plan pursuant to § 22.1-274.5*, shall not be liable for civil damages for ordinary negligence in  
78 acts or omissions on the part of such employee while engaged in the acts described in this subdivision.

79 10. Is a volunteer in good standing and certified to render emergency care by the National Ski Patrol  
80 System, Inc., who, in good faith and without compensation, renders emergency care or assistance to any  
81 injured or ill person, whether at the scene of a ski resort rescue, outdoor emergency rescue, or any other  
82 place or while transporting such injured or ill person to a place accessible for transfer to any available  
83 emergency medical system unit, or any resort owner voluntarily providing a ski patroller employed by  
84 him to engage in rescue or recovery work at a resort not owned or operated by him, shall not be liable  
85 for any civil damages for acts or omissions resulting from the rendering of such emergency care,  
86 treatment, or assistance, including but not limited to acts or omissions which involve violations of any  
87 state regulation or any standard of the National Ski Patrol System, Inc., in the rendering of such  
88 emergency care or assistance, unless such act or omission was the result of gross negligence or willful  
89 misconduct.

90 11. Is an employee of (i) a school board, (ii) a school for students with disabilities as defined in  
91 § 22.1-319 licensed by the Board of Education, or (iii) a private school accredited pursuant to § 22.1-19  
92 as administered by the Virginia Council for Private Education and is authorized by a prescriber and  
93 trained in the administration of insulin and glucagon, who, upon the written request of the parents as  
94 defined in § 22.1-1, assists with the administration of insulin or, in the case of a school board employee,  
95 with the insertion or reinsertion of an insulin pump or any of its parts pursuant to subsection B of  
96 § 22.1-274.01:1 or administers glucagon to a student diagnosed as having diabetes who requires insulin  
97 injections during the school day or for whom glucagon has been prescribed for the emergency treatment  
98 of hypoglycemia shall not be liable for any civil damages for ordinary negligence in acts or omissions  
99 resulting from the rendering of such treatment if the insulin is administered according to the child's  
100 medication schedule or such employee has reason to believe that the individual receiving the glucagon is  
101 suffering or is about to suffer life-threatening hypoglycemia. Whenever any such employee is covered  
102 by the immunity granted herein, the school board or school employing him shall not be liable for any  
103 civil damages for ordinary negligence in acts or omissions resulting from the rendering of such insulin  
104 or glucagon treatment.

105 12. Is an employee of a public institution of higher education or a private institution of higher  
106 education who is authorized by a prescriber and trained in the administration of insulin and glucagon,  
107 who assists with the administration of insulin or administers glucagon to a student diagnosed as having  
108 diabetes who requires insulin injections or for whom glucagon has been prescribed for the emergency  
109 treatment of hypoglycemia shall not be liable for any civil damages for ordinary negligence in acts or  
110 omissions resulting from the rendering of such treatment if the insulin is administered according to the  
111 student's medication schedule or such employee has reason to believe that the individual receiving the  
112 glucagon is suffering or is about to suffer life-threatening hypoglycemia. Whenever any employee is  
113 covered by the immunity granted in this subdivision, the institution shall not be liable for any civil  
114 damages for ordinary negligence in acts or omissions resulting from the rendering of such insulin or  
115 glucagon treatment.

116 13. Is a school nurse, an employee of a school board, an employee of a local governing body, or an  
117 employee of a local health department who is authorized by a prescriber and trained in the  
118 administration of epinephrine and who provides, administers, or assists in the administration of  
119 epinephrine to a student believed in good faith to be having an anaphylactic reaction, or is the prescriber  
120 of the epinephrine, shall not be liable for any civil damages for ordinary negligence in acts or omissions  
121 resulting from the rendering of such treatment.

122 14. Is an employee of a school for students with disabilities, as defined in § 22.1-319 and licensed by  
 123 the Board of Education, or an employee of a private school that is accredited pursuant to § 22.1-19 as  
 124 administered by the Virginia Council for Private Education who is authorized by a prescriber and trained  
 125 in the administration of epinephrine and who administers or assists in the administration of epinephrine  
 126 to a student believed in good faith to be having an anaphylactic reaction, or is the prescriber of the  
 127 epinephrine, shall not be liable for any civil damages for ordinary negligence in acts or omissions  
 128 resulting from the rendering of such treatment. Whenever any employee is covered by the immunity  
 129 granted in this subdivision, the school shall not be liable for any civil damages for ordinary negligence  
 130 in acts or omissions resulting from such administration or assistance.

131 15. Is an employee of a public institution of higher education or a private institution of higher  
 132 education who is authorized by a prescriber and trained in the administration of epinephrine and who  
 133 administers or assists in the administration of epinephrine to a student believed in good faith to be  
 134 having an anaphylactic reaction, or is the prescriber of the epinephrine, shall not be liable for any civil  
 135 damages for ordinary negligence in acts or omissions resulting from the rendering of such treatment.  
 136 Whenever any employee is covered by the immunity granted in this subdivision, the institution shall not  
 137 be liable for any civil damages for ordinary negligence in acts or omissions resulting from such  
 138 administration or assistance.

139 16. Is an employee of an organization providing outdoor educational experiences or programs for  
 140 youth who is authorized by a prescriber and trained in the administration of epinephrine and who  
 141 administers or assists in the administration of epinephrine to a participant in the outdoor experience or  
 142 program for youth believed in good faith to be having an anaphylactic reaction, or is the prescriber of  
 143 the epinephrine, shall not be liable for any civil damages for ordinary negligence in acts or omissions  
 144 resulting from the rendering of such treatment. Whenever any employee is covered by the immunity  
 145 granted in this subdivision, the organization shall not be liable for any civil damages for ordinary  
 146 negligence in acts or omissions resulting from such administration or assistance.

147 17. Is an employee of a provider licensed by the Department of Behavioral Health and  
 148 Developmental Services, or provides services pursuant to a contract with a provider licensed by the  
 149 Department of Behavioral Health and Developmental Services, who has been trained in the  
 150 administration of insulin and glucagon and who administers or assists with the administration of insulin  
 151 or administers glucagon to a person diagnosed as having diabetes who requires insulin injections or for  
 152 whom glucagon has been prescribed for the emergency treatment of hypoglycemia in accordance with  
 153 § 54.1-3408 shall not be liable for any civil damages for ordinary negligence in acts or omissions  
 154 resulting from the rendering of such treatment if the insulin is administered in accordance with the  
 155 prescriber's instructions or such person has reason to believe that the individual receiving the glucagon is  
 156 suffering or is about to suffer life-threatening hypoglycemia. Whenever any employee of a provider  
 157 licensed by the Department of Behavioral Health and Developmental Services or a person who provides  
 158 services pursuant to a contract with a provider licensed by the Department of Behavioral Health and  
 159 Developmental Services is covered by the immunity granted herein, the provider shall not be liable for  
 160 any civil damages for ordinary negligence in acts or omissions resulting from the rendering of such  
 161 insulin or glucagon treatment.

162 18. Is an employee of a provider licensed by the Department of Behavioral Health and  
 163 Developmental Services, or provides services pursuant to a contract with a provider licensed by the  
 164 Department of Behavioral Health and Developmental Services, who has been trained in the  
 165 administration of epinephrine and who administers or assists in the administration of epinephrine to a  
 166 person believed in good faith to be having an anaphylactic reaction in accordance with the prescriber's  
 167 instructions shall not be liable for any civil damages for ordinary negligence in acts or omissions  
 168 resulting from the rendering of such treatment.

169 19. In good faith prescribes, dispenses, or administers naloxone or other opioid antagonist used for  
 170 overdose reversal in an emergency to an individual who is believed to be experiencing or about to  
 171 experience a life-threatening opiate overdose shall not be liable for any civil damages for ordinary  
 172 negligence in acts or omissions resulting from the rendering of such treatment if acting in accordance  
 173 with the provisions of subsection X or Y of § 54.1-3408 or in his role as a member of an emergency  
 174 medical services agency.

175 20. Is an employee of a school board, school for students with disabilities as defined in § 22.1-319  
 176 licensed by the Board of Education, or private school accredited pursuant to § 22.1-19 as administered  
 177 by the Virginia Council for Private Education who is trained in the administration of injected  
 178 medications for the treatment of adrenal crisis resulting from a condition causing adrenal insufficiency  
 179 and who administers or assists in the administration of such medications to a student diagnosed with a  
 180 condition causing adrenal insufficiency when the student is believed to be experiencing or about to  
 181 experience an adrenal crisis pursuant to a written order or standing protocol issued by a prescriber  
 182 within the course of his professional practice and in accordance with the prescriber's instructions shall

183 not be liable for any civil damages for ordinary negligence in acts or omissions resulting from the  
184 rendering of such treatment.

185 B. Any licensed physician serving without compensation as the operational medical director for an  
186 emergency medical services agency that holds a valid license as an emergency medical services agency  
187 issued by the Commissioner of Health shall not be liable for any civil damages for any act or omission  
188 resulting from the rendering of emergency medical services in good faith by the personnel of such  
189 licensed agency unless such act or omission was the result of such physician's gross negligence or  
190 willful misconduct.

191 Any person serving without compensation as a dispatcher for any licensed public or nonprofit  
192 emergency medical services agency in the Commonwealth shall not be liable for any civil damages for  
193 any act or omission resulting from the rendering of emergency services in good faith by the personnel  
194 of such licensed agency unless such act or omission was the result of such dispatcher's gross negligence  
195 or willful misconduct.

196 Any individual, certified by the State Office of Emergency Medical Services as an emergency  
197 medical services instructor and pursuant to a written agreement with such office, who, in good faith and  
198 in the performance of his duties, provides instruction to persons for certification or recertification as a  
199 certified basic life support or advanced life support emergency medical services provider shall not be  
200 liable for any civil damages for acts or omissions on his part directly relating to his activities on behalf  
201 of such office unless such act or omission was the result of such emergency medical services instructor's  
202 gross negligence or willful misconduct.

203 Any licensed physician serving without compensation as a medical advisor to an E-911 system in the  
204 Commonwealth shall not be liable for any civil damages for any act or omission resulting from  
205 rendering medical advice in good faith to establish protocols to be used by the personnel of the E-911  
206 service, as defined in § 58.1-1730, when answering emergency calls unless such act or omission was the  
207 result of such physician's gross negligence or willful misconduct.

208 Any licensed physician who directs the provision of emergency medical services, as authorized by  
209 the State Board of Health, through a communications device shall not be liable for any civil damages  
210 for any act or omission resulting from the rendering of such emergency medical services unless such act  
211 or omission was the result of such physician's gross negligence or willful misconduct.

212 Any licensed physician serving without compensation as a supervisor of an AED in the  
213 Commonwealth shall not be liable for any civil damages for any act or omission resulting from  
214 rendering medical advice in good faith to the owner of the AED relating to personnel training, local  
215 emergency medical services coordination, protocol approval, AED deployment strategies, and equipment  
216 maintenance plans and records unless such act or omission was the result of such physician's gross  
217 negligence or willful misconduct.

218 C. Any communications services provider, as defined in § 58.1-647, including mobile service, and  
219 any provider of Voice-over-Internet Protocol service, in the Commonwealth shall not be liable for any  
220 civil damages for any act or omission resulting from rendering such service with or without charge  
221 related to emergency calls unless such act or omission was the result of such service provider's gross  
222 negligence or willful misconduct.

223 Any volunteer engaging in rescue or recovery work at a mine, or any mine operator voluntarily  
224 providing personnel to engage in rescue or recovery work at a mine not owned or operated by such  
225 operator, shall not be liable for civil damages for acts or omissions resulting from the rendering of such  
226 rescue or recovery work in good faith unless such act or omission was the result of gross negligence or  
227 willful misconduct. For purposes of this subsection, "Voice-over-Internet Protocol service" or "VoIP  
228 service" means any Internet protocol-enabled services utilizing a broadband connection, actually  
229 originating or terminating in Internet Protocol from either or both ends of a channel of communication  
230 offering real time, multidirectional voice functionality, including, but not limited to, services similar to  
231 traditional telephone service.

232 D. Nothing contained in this section shall be construed to provide immunity from liability arising out  
233 of the operation of a motor vehicle.

234 E. For the purposes of this section, "compensation" shall not be construed to include (i) the salaries  
235 of police, fire, or other public officials or personnel who render such emergency assistance; (ii) the  
236 salaries or wages of employees of a coal producer engaging in emergency medical services or first aid  
237 services pursuant to the provisions of § 45.1-161.38, 45.1-161.101, 45.1-161.199, or 45.1-161.263; (iii)  
238 complimentary lift tickets, food, lodging, or other gifts provided as a gratuity to volunteer members of  
239 the National Ski Patrol System, Inc., by any resort, group, or agency; (iv) the salary of any person who  
240 (a) owns an AED for the use at the scene of an emergency, (b) trains individuals, in courses approved  
241 by the Board of Health, to operate AEDs at the scene of emergencies, (c) orders AEDs for use at the  
242 scene of emergencies, or (d) operates an AED at the scene of an emergency; or (v) expenses reimbursed  
243 to any person providing care or assistance pursuant to this section.

244 For the purposes of this section, "emergency medical services provider" shall include a person

245 licensed or certified as such or its equivalent by any other state when he is performing services that he  
246 is licensed or certified to perform by such other state in caring for a patient in transit in the  
247 Commonwealth, which care originated in such other state.

248 Further, the public shall be urged to receive training on how to use CPR and an AED in order to  
249 acquire the skills and confidence to respond to emergencies using both CPR and an AED.

250 **§ 22.1-274.5. Seizure management and action plan; training.**

251 *A. The parent or guardian of a student with a seizure disorder may submit to the local school*  
252 *division a seizure management and action plan developed by the student's parent or guardian and*  
253 *treating physician for review and utilization by school division employees with whom the student has*  
254 *regular contact. The seizure management and action plan shall (i) identify the health care services the*  
255 *student may receive at school or while participating in a school activity, (ii) identify seizure related*  
256 *medication prescribed to the student that must be administered in the event of a seizure, (iii) evaluate*  
257 *the student's ability to manage and understand his seizure disorder, and (iv) be signed by the student's*  
258 *(a) parent or guardian and (b) treating physician.*

259 *B. Each local school division shall require all school nurses employed by the division to complete,*  
260 *on a biennial basis, a Board of Education-approved online course of instruction for school nurses*  
261 *regarding treating students with seizures and seizure disorders that includes information about seizure*  
262 *recognition and related first aid. Approved training programs shall be fully consistent with training*  
263 *programs and guidelines developed by the Epilepsy Foundation of America and any successor*  
264 *organization.*

265 *C. Each local school division shall require all employees whose duties include regular contact with*  
266 *students to complete, on a biennial basis, a Board of Education-approved online course of instruction*  
267 *for school employees regarding treating students with seizures and seizure disorders that includes*  
268 *information about seizure recognition and related first aid. Approved training programs shall be fully*  
269 *consistent with training programs and guidelines developed by the Epilepsy Foundation of America and*  
270 *any successor organization.*
