8	Referred to Committee on Finance and Appropriations
9	
10	Be it enacted by the General Assembly of Virginia:
11	1. That § 51.1-155 of the Code of Virginia is amended and reenacted as follows:
12	§ 51.1-155. Service retirement allowance.
13	A. Retirement allowance. — A member shall receive an annual retirement allowance, payable for
14	life, as follows:
15	1. Normal retirement. — The allowance shall equal 1.70 percent of his average final compensation
16	multiplied by the amount of his creditable service. Notwithstanding the foregoing, for a member who (i)
17	is a person who becomes a member on or after July 1, 2010, or (ii) does not have at least 60 months of
18	creditable service as of January 1, 2013, the allowance shall equal the sum of (a) 1.65 percent of his
19	average final compensation multiplied by the amount of his creditable service performed or purchased
20	on or after January 1, 2013, and (b) 1.70 percent of his average final compensation multiplied by the
21	amount of all other creditable service.
22	2. Early retirement; applicable to teachers, state employees, and certain others. — The allowance
23	shall be determined in the same manner as for normal retirement with creditable service and average
24	final compensation being determined as of the date of actual retirement. If the member has less than 30
25	years of service at retirement, the amount of the retirement allowance shall be reduced on an actuarial
26 27	equivalent basis for the period by which the actual retirement date precedes the earlier of (i) his normal retirement date or (ii) the first date on which he would have completed a total of 30 years of creditable
28	service. The provisions of this subdivision shall apply to teachers and state employees. These provisions
29 29	shall also apply to employees of any political subdivision that participates in the retirement system if the
3 0	political subdivision makes the election provided in subdivision 3.
31	3. Early retirement; applicable to employees of certain political subdivisions, any person who
32	becomes a member on or after July 1, 2010, and any member who does not have at least 60 months of
33	creditable service as of January 1, 2013. — The allowance shall be determined in the same manner as
34	for normal retirement with creditable service and average final compensation being determined as of the
35	date of actual retirement. If the creditable service of the member equals 30 or more years but the sum of
36	his age at retirement plus his creditable service at retirement is less than 90, the amount of the
37	retirement allowance shall be reduced on an actuarial equivalent basis for the period by which the actual
38	retirement date precedes the earlier of (i) his normal retirement date or (ii) the first date on which the
39	sum of his then attained age plus his then creditable service would have been equal to 90 or more had
40	he remained in service until such date. If the member has less than 30 years of creditable service, the
41	retirement allowance shall be reduced for the period by which the actual retirement date precedes the
42	earlier of (i) his normal retirement date or (ii) the first date on which he would have completed a total
43	of at least 30 years of creditable service and his then creditable service plus his then attained age would
44 45	have been equal to 90 or more.
45 46	The provisions of this subdivision shall apply to the employees of any political subdivision that
46 47	participates in the retirement system and any other employees as provided by law. The participating political subdivision may, however, elect to provide its employees with the early retirement allowance
4 7 4 8	set forth in subdivision 2. No such election shall be made for a person who becomes a member on or
49	after July 1, 2010, or a member who does not have at least 60 months of creditable service as of
5 0	January 1, 2013. Any election pursuant to this subdivision shall be set forth in a legally adopted
51	resolution.
52	Notwithstanding the foregoing, a political subdivision by legally adopted resolution may declare to
53	the Board that, for purposes of this subdivision, subdivisions B 1 and B 3 and subsection D of
54	§ 51.1-153, any person who meets the definition of "emergency medical services personnel" in
55	§ 32.1-111.1 or is employed as a firefighter or law-enforcement officer as those terms are defined in
56	§ 15.2, 1512.2 (i) shall not be considered a nerven who becomes a member on or often July 1, 2010, and

56 § 15.2-1512.2 (i) shall not be considered a person who becomes a member on or after July 1, 2010, and
57 (ii) shall be deemed to have at least 60 months of creditable service as of January 1, 2013. Such resolution shall be irrevocable.

59 4. Additional allowance. — In addition to the allowance payable under subdivisions 1, 2, and 3, a 60 member shall receive an additional allowance which shall be the actuarial equivalent, for his attained age at the time of retirement, of the excess of his accumulated contributions transferred from the 61 62 abolished system to the retirement system, including interest credited at the rate of two percent 63 compounded annually since the transfer to the date of retirement, over the annual amounts equal to four 64 percent of his annual creditable compensation at the date of abolishment for a period equal to his period 65 of membership in the abolished system.

5. 50/10 retirement. — The allowance shall be payable in a monthly stream of payments equal to the 66 greater of (i) the actuarial equivalent of the benefit the member would have received had he terminated 67 service and deferred retirement to age 55 or (ii) the actuarially calculated present value of the member's 68 69 accumulated contributions, including accrued interest. 70

Active members of the General Assembly shall be prohibited from receiving a 86 87 service retirement allowance under this title based solely on their service as a member of the General 88 Assembly.

89 3. (Expires July 1, 2025) Any person receiving a service retirement allowance under this chapter, 90 who is hired as a local school board instructional or administrative employee required to be licensed by 91 the Board of Education, may elect to continue to receive the retirement allowance during such 92 employment, under the following conditions:
