AMENDMENT IN THE NATURE OF A SUBSTITUTE
(Proposed by the Senate Committee on Commerce and Labor
on February 3, 2020)

(Patron Prior to Substitute—Senator Newman)

A *BILL to amend and reenact §§ 38.2-2204, 58.1-1735, 59.1-207.29, 59.1-207.31, and 59.1-207.32 of the Code of Virginia and to amend the Code of Virginia by adding in Chapter 14 of Title 46.2 an article numbered 2, consisting of sections numbered 46.2-1408 through 46.2-1416, and by adding in Chapter 17 of Title 58.1 an article numbered 12, consisting of sections numbered 58.1-1745 through 58.1-1748, relating to peer-to-peer vehicle sharing platforms.*

Be it enacted by the General Assembly of Virginia:

1. That §§ 38.2-2204, 58.1-1735, 59.1-207.29, 59.1-207.31, and 59.1-207.32 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Chapter 14 of Title 46.2 an article numbered 2, consisting of sections numbered 46.2-1408 through 46.2-1416, and by adding in Chapter 17 of Title 58.1 an article numbered 12, consisting of sections numbered 58.1-1745 through 58.1-1748, as follows:

§ 38.2-2204. Liability insurance on motor vehicles, aircraft and watercraft; standard provisions; "omnibus clause."

A. No policy or contract of bodily injury or property damage liability insurance, covering liability arising from the ownership, maintenance, or use of any motor vehicle, aircraft, or private pleasure watercraft, shall be issued or delivered in this Commonwealth to the owner of such vehicle, aircraft or watercraft, or shall be issued or delivered by any insurer licensed in this Commonwealth upon any motor vehicle, aircraft, or private pleasure watercraft that is principally garaged, docked, or used in this Commonwealth, unless the policy contains a provision insuring the named insured, and any other person using or responsible for the use of the motor vehicle, aircraft, or private pleasure watercraft with the expressed or implied consent of the named insured, against liability for death or injury sustained, or loss or damage incurred within the coverage of the policy or contract as a result of negligence in the operation or use of such vehicle, aircraft, or watercraft by the named insured or by any such person; however, nothing contained in this section shall be deemed to prohibit an insurer from limiting its liability under any one policy for bodily injury or property damage resulting from any one accident or occurrence to the liability limits for such coverage set forth in the policy for any such accident or occurrence or for any one person, regardless of the number of insureds under that policy. Provided that, when one accident or occurrence involves more than one defendant who is covered by the policy, the plaintiff may recover the per person limit of the policy against each such defendant, subject to the per accident or occurrence limit of the policy. Each such policy or contract of liability insurance, or endorsement to the policy or contract, insuring private passenger automobiles, aircraft, or private pleasure watercraft principally garaged, docked, or used in this Commonwealth, that has as the named insured an individual or husband and wife and that includes, with respect to any liability insurance provided by the policy, contract or endorsement for use of a nonowned automobile, aircraft or private pleasure watercraft, any provision requiring permission or consent of the owner of such automobile, aircraft, or private pleasure watercraft for the insurance to apply, shall be construed to include permission or consent of the custodian in the provision requiring permission or consent of the owner.

B. Notwithstanding any requirements in this section to the contrary, an insurer may exclude any person from coverage under a personal umbrella or excess policy, if the exclusion is requested in writing by the first named insured and is acknowledged in writing by the excluded driver.

C. For aircraft liability insurance, such policy or contract may contain the exclusions listed in § 38.2-2227. Notwithstanding the provisions of this section or any other provisions of law, no policy or contract shall require pilot experience greater than that prescribed by the Federal Aviation Administration, except for pilots operating air taxis, or pilots operating aircraft applying chemicals, seed, or fertilizer.

D. No policy or contract of bodily injury or property damage liability insurance relating to the ownership, maintenance, or use of a motor vehicle shall be issued or delivered in this Commonwealth to the owner of such vehicle or shall be issued or delivered by an insurer licensed in this Commonwealth upon any motor vehicle principally garaged or used in this Commonwealth without an endorsement or provision insuring the named insured, and any other person using or responsible for the use of the motor vehicle with the expressed or implied consent of the named insured, against liability for death or injury sustained, or loss or damage incurred within the coverage of the policy or contract as a result of negligence in the operation or use of the motor vehicle by the named insured or by any other such person; however, nothing contained in this section shall be deemed to prohibit an insurer from limiting

its liability under any one policy for bodily injury or property damage resulting from any one accident or occurrence to the liability limits for such coverage set forth in the policy for any such accident or occurrence or for any one person regardless of the number of insureds under that policy. Provided that, when one accident or occurrence involves more than one defendant who is covered by the policy, the plaintiff may recover the per person limit of the policy against each such defendant, subject to the per accident or occurrence limit of the policy. This provision shall apply notwithstanding the failure or refusal of the named insured or such other person to cooperate with the insurer under the terms of the policy. If the failure or refusal to cooperate prejudices the insurer in the defense of an action for damages arising from the operation or use of such insured motor vehicle, then the endorsement or provision shall be void. If an insurer has actual notice of a motion for judgment or complaint having been served on an insured, the mere failure of the insured to turn the motion or complaint over to the insurer shall not be a defense to the insurer, nor void the endorsement or provision, nor in any way relieve the insurer of its obligations to the insured, provided the insured otherwise cooperates and in no way prejudices the insurer.

Where the insurer has elected to provide a defense to its insured under such circumstances and files responsive pleadings in the name of its insured, the insured shall not be subject to sanctions for failure to comply with discovery pursuant to Part Four of the Rules of the Supreme Court of Virginia unless it can be shown that the suit papers actually reached the insured, and that the insurer has failed after exercising due diligence to locate its insured, and as long as the insurer provides such information in response to discovery as it can without the assistance of the insured.

E. Any endorsement, provision or rider attached to or included in any such policy of insurance which purports or seeks to limit or reduce the coverage afforded by the provisions required by this section shall be void, except an insurer may exclude such coverage as is afforded by this section, where such coverage would inure to the benefit of the United States Government or any agency or subdivision thereof under the provisions of the Federal Tort Claims Act, the Federal Drivers Act and Public Law 86-654 District of Columbia Employee Non-Liability Act, or to the benefit of the Commonwealth under the provisions of the Virginia Tort Claims Act (§ 8.01-195.1 et seq.) and the self-insurance plan established by the Department of General Services pursuant to § 2.2-1837 for any state employee who, in the regular course of his employment, transports patients in his own personal vehicle.

F. An insurer writing a policy of bodily injury or property damage liability motor vehicle insurance, or an endorsement to such policy, may exclude coverage under a motor vehicle policy issued to the owner of a shared vehicle for use of such vehicle on a peer-to-peer vehicle sharing platform during the vehicle sharing period for (i) liability coverage for bodily injury and property damage, (ii) uninsured and underinsured motorist coverage, (iii) medical expense and loss of income benefits coverage, and (iv) collision and other than collision physical damage coverage. Nothing in this article invalidates or limits an exclusion contained in a motor vehicle liability insurance policy, including any insurance policy in use or approved for use, that excludes coverage for motor vehicles used as a public or livery conveyance. For purposes of this subsection, "peer-to-peer vehicle sharing platform," "shared vehicle," and "vehicle sharing period" have the meanings ascribed to those terms in § 46.2-1408.

CHAPTER 14.

Article 2.

Peer-to-Peer Vehicle Sharing.

§ 46.2-1408. Definitions.

As used in this article, unless the context requires a different meaning:

"Peer-to-peer vehicle sharing" means the authorized use of a shared vehicle by a shared vehicle driver through a peer-to-peer vehicle sharing platform.

"Peer-to-peer vehicle sharing platform" means an online-enabled application, website, or system that connects vehicle owners with drivers to enable the sharing of peer-to-peer shared vehicles for financial consideration.

"Shared vehicle" means a motor vehicle that has been made available for sharing through a peer-to-peer vehicle sharing platform. "Shared vehicle" does not include a daily rental vehicle as defined in § 58.1-1735.

"Shared vehicle driver" means an individual who has been authorized to operate a shared vehicle by the shared vehicle owner under a vehicle sharing platform agreement.

"Shared vehicle owner" means the registered owner, or a person or entity designated by the registered owner, of a vehicle made available for sharing to shared vehicle drivers through a peer-to-peer vehicle sharing platform.

"Vehicle sharing delivery period" means the period of time beginning when the agent of a peer-to-peer platform takes custody of the shared vehicle and ending when the shared vehicle arrives at the location agreed upon in the governing vehicle sharing platform agreement.

"Vehicle sharing period" means the period of time that commences with the vehicle sharing delivery period or, if there is no vehicle sharing delivery period, that commences when the vehicle sharing start

time occurs and ends at the vehicle sharing termination time.

"Vehicle sharing platform agreement" means the terms and conditions applicable to a shared vehicle owner and a shared vehicle driver that govern the use of a shared vehicle through a peer-to-peer vehicle sharing platform.

"Vehicle sharing start time" means the time when the shared vehicle becomes subject to the control of the shared vehicle driver at or after the sharing of a shared vehicle is scheduled to begin as documented in the records of a peer-to-peer vehicle sharing platform.

"Vehicle sharing termination time" means the earliest of the following events:

1. When the shared vehicle is delivered to the location agreed upon in the vehicle sharing platform agreement on or after the expiration of the agreed upon period of time established for the use of a shared vehicle according to the terms of the vehicle sharing platform agreement;

2. When the shared vehicle is returned to a location as alternatively agreed upon by the shared vehicle owner and shared vehicle driver within the agreed upon period of time as communicated through a peer-to-peer vehicle sharing platform; or

3. When the shared vehicle owner, or the shared vehicle owner's authorized designee, takes possession and control of the shared vehicle.

§ 46.2-1409. Peer-to-peer insurance coverage.

A. A peer-to-peer vehicle sharing platform shall ensure that at all times during each vehicle sharing period the shared vehicle owner and the shared vehicle driver are insured under a motor vehicle liability insurance policy that provides uninsured motorist coverage and bodily injury and property damage liability coverage and that provides primary insurance coverage in an amount not less than the applicable financial responsibility limits set forth in this title and in § 38.2-2206 and:

1. Contains written recognition that the shared vehicle insured under the policy is made available and used through a peer-to-peer vehicle sharing platform; or

2. Does not exclude use of a shared vehicle by a shared vehicle driver.

B. A peer-to-peer vehicle sharing platform shall assume primary liability, except as provided in subsection C, of a shared vehicle owner for bodily injury and property damage to third parties and uninsured motorist losses during the vehicle sharing period in an amount stated in the vehicle sharing platform agreement, which amount may not be less than the applicable financial responsibility limits set forth in this title and in § 38.2-2206.

C. Notwithstanding the definition of vehicle sharing termination time, the assumption of liability under subsection B does not apply to any shared vehicle owner when such shared vehicle owner:

1. Performs an act, practice, or omission that constitutes fraud or makes an intentional misrepresentation of material fact to the peer-to-peer vehicle sharing platform before the vehicle sharing period in which the loss occurred; or

2. Acts in concert with a shared vehicle driver who fails to return the shared vehicle pursuant to the terms of the vehicle sharing platform agreement.

D. The insurance described under subsection A may be satisfied by motor vehicle liability insurance maintained by:

1. A shared vehicle owner;

2. A shared vehicle driver;

3. A peer-to-peer vehicle sharing platform; or

4. Any combination of a shared vehicle owner, a shared vehicle driver, and a peer-to-peer vehicle sharing platform.

E. The peer-to-peer vehicle sharing platform shall assume primary liability for a claim when it is in whole or in part providing the insurance required pursuant to subsections A and D and:

1. A dispute exists as to who was in control of the shared vehicle at the time of the loss; and

2. The peer-to-peer vehicle sharing platform does not have available, did not retain, or fails to provide the information required by § 46.2-1413.

F. The vehicle owner's insurer shall indemnify the vehicle sharing platform to the extent of its obligation under the applicable insurance policy, if it is determined that the shared vehicle's owner or his designee was in control of the shared vehicle at the time of the loss.

If any insurer providing insurance coverage under subsection D pays a claim that it was not obligated to pay, such insurer shall be entitled to indemnification from the insurer of the party that had the obligation to pay the claim.

G. If insurance maintained by a shared vehicle owner or shared vehicle driver in accordance with subsection D has lapsed, been canceled, or does not provide the required coverage, the insurer providing the insurance maintained by a peer-to-peer vehicle sharing platform shall provide coverage pursuant to subsection A beginning with the first dollar of a claim and shall have the duty to defend such claim except under circumstances set forth in subsection C.

H. Coverage under a motor vehicle liability insurance policy maintained by the peer-to-peer vehicle

183 sharing platform shall not be dependent on another automobile insurer's first denying a claim, nor shall
184 another motor vehicle insurance policy be required to first deny a claim.

185 1. Nothing in this article:

186 1. Limits the liability of the peer-to-peer vehicle sharing platform for any act or omission of the
187 peer-to-peer vehicle sharing platform itself that results in injury to any person as a result of the use of
188 a shared vehicle through a peer-to-peer vehicle sharing platform; or

189 2. Limits the ability of the peer-to-peer vehicle sharing platform to, by contract, seek indemnification
190 from the shared vehicle owner or the shared vehicle driver for economic loss sustained by the
191 peer-to-peer vehicle sharing platform resulting from a breach of the terms and conditions of the vehicle
192 sharing platform agreement.

193 J. A peer-to-peer vehicle sharing platform shall either provide or offer for sale to the shared vehicle
194 owner or shared vehicle driver collision and other than collision coverage for physical loss to the
195 shared vehicle during the vehicle sharing period. Such coverage shall be in an amount not less than the
196 actual cash value of the shared vehicle.

197 K. Any insurer providing coverage under subsection D, or an individual who suffers a loss arising
198 from the use of a shared vehicle or their attorney, or a personal representative of the estate of a
199 decedent who died as a result of a motor vehicle accident involving a shared vehicle if not represented
200 by counsel, and who provides the peer-to-peer vehicle sharing platform with the date, approximate time,
201 and location of the accident, and, if available, the name of the shared vehicle owner, and, if available,
202 the accident report, may request in writing from the peer-to-peer sharing platform the identity of any
203 insurer that may have provided coverage and the limits of liability, regardless of whether the insurer
204 contests the applicability of the policy to the claim, and whether, at the approximate time of the
205 accident, the shared vehicle was in a vehicle sharing period. The peer-to-peer vehicle sharing platform
206 shall respond within 30 days with the requested information if such information is in the peer-to-peer
207 sharing platform's possession. Any further exchange of information shall be covered pursuant to
208 § 8.01-417.

209 **§ 46.2-1410. Exemption: vicarious liability**

210 A peer-to-peer vehicle sharing platform and a shared vehicle owner shall be exempt from vicarious
211 liability under any law that imposes liability solely based on vehicle ownership for any offense that
212 occurs during a vehicle sharing period.

213 **§ 46.2-1411. Notification of implications of lien**

214 At the time when a vehicle owner registers as a shared vehicle owner on a peer-to-peer vehicle
215 sharing platform and prior to when the shared vehicle owner makes a shared vehicle available for
216 vehicle sharing on the peer-to-peer vehicle sharing platform, the peer-to-peer vehicle sharing platform
217 shall notify the shared vehicle owner that, if the shared vehicle has a lien against it, the use of the
218 shared vehicle through a peer-to-peer sharing platform, including use without physical damage
219 coverage, may violate the terms of the contract with the lienholder.

220 **§ 46.2-1412. Insurable interest**

221 A. Notwithstanding any provision of law to the contrary, a peer-to-peer vehicle sharing platform
222 shall have an insurable interest in a shared vehicle during the vehicle sharing period.

223 B. A peer-to-peer vehicle sharing platform may own and maintain as the named insured one or more
224 policies of motor vehicle liability insurance that provides coverage for:

225 1. Liabilities assumed by the peer-to-peer vehicle sharing platform under a vehicle sharing platform
226 agreement;

227 2. Any liability of the shared vehicle owner;

228 3. Damage or loss to the shared vehicle; or

229 4. Any liability of the shared vehicle driver.

230 **§ 46.2-1413. Recordkeeping: use of vehicle in vehicle sharing.**

231 A peer-to-peer vehicle sharing platform shall collect and verify records pertaining to the use of a
232 vehicle, including a record of the identity of the shared vehicle driver, times used, locations established
233 pursuant to the vehicle sharing platform agreement, fees paid by the shared vehicle driver, and revenues
234 received by the shared vehicle owner, and provide such records upon request to the shared vehicle
235 owner, the shared vehicle owner's insurer, or the shared vehicle driver's insurer to facilitate a claim
236 coverage investigation, settlement, negotiation, or litigation. The peer-to-peer vehicle sharing platform
237 shall retain the records for at least five years.

238 **§ 46.2-1414. Consumer protections; disclosures.**

239 Each vehicle sharing platform agreement shall disclose to the shared vehicle owner and the shared
240 vehicle driver:

241 1. Any right of the peer-to-peer vehicle sharing platform to seek indemnification from the shared
242 vehicle owner or the shared vehicle driver for economic loss sustained by the peer-to-peer vehicle
243 sharing platform resulting from a breach of terms and conditions of the vehicle sharing platform
244 agreement;

2. That a motor vehicle liability insurance policy provided by the platform to the shared vehicle owner for the shared vehicle or to the shared vehicle driver does not provide a defense or indemnification for any claim asserted by the peer-to-peer vehicle sharing platform;

3. That the peer-to-peer vehicle sharing platform's insurance coverage on the shared vehicle owner and the shared vehicle driver is in effect only during each vehicle sharing period and that for any use of the shared vehicle by the shared vehicle driver after the vehicle sharing termination time, the shared vehicle driver and the shared vehicle owner may not have insurance coverage;

4. The daily rate, fees, taxes, and, if applicable, any insurance or protection package costs that are charged to the shared vehicle owner or the shared vehicle driver;

5. That the shared vehicle owner's motor vehicle liability insurance may not provide coverage for a shared vehicle;

6. An emergency telephone number to personnel capable of fielding roadside assistance and other customer service inquiries;

7. That any financial responsibility requirements imposed on the shared vehicle driver as a condition of maintaining a driver's license remain in effect during the use of a shared vehicle;

8. That the use of the shared vehicle through a peer-to-peer vehicle sharing platform without physical damage coverage may violate the terms of the contract with the lienholder; and

9. That there may not be physical damage coverage under the shared vehicle owner's policy. However, if the physical damage coverage is purchased from or provided by the peer-to-peer vehicle sharing platform, no such disclosure is required.

§ 46.2-1415. Automobile safety recalls.

A. When a vehicle owner registers as a shared vehicle owner on a peer-to-peer vehicle sharing platform and prior to when the shared vehicle owner makes a shared vehicle available for vehicle sharing on the peer-to-peer vehicle sharing platform, the peer-to-peer vehicle sharing platform shall:

1. Verify that the shared vehicle does not have any safety recalls on the vehicle for which the repairs have not been made; and

2. Notify the shared vehicle owner of the requirements under subsection B.

B. 1. If the shared vehicle owner has received an actual notice of a safety recall on the vehicle, a shared vehicle owner may not make a vehicle available as a shared vehicle on a peer-to-peer vehicle sharing platform until the safety recall repair has been made.

2. If a shared vehicle owner receives an actual notice of a safety recall on a peer-to-peer shared vehicle while the shared vehicle is available on the peer-to-peer vehicle sharing platform, the shared vehicle owner shall remove the shared vehicle from the peer-to-peer vehicle sharing platform as soon as practicably possible after receiving the notice of the safety recall, and such vehicle shall remain off of the peer-to-peer vehicle sharing platform until the safety recall repair has been made.

3. If a shared vehicle owner receives an actual notice of a safety recall during a vehicle sharing period, such owner shall, as soon as practicably possible after receiving the notice of the safety recall, notify the peer-to-peer vehicle sharing platform about the safety recall so that the shared vehicle owner may address the safety recall repair.

§ 46.2-1416. Operation at airports.

No peer-to-peer vehicle sharing platform or partner shall conduct any operation on the property of or into any airport unless such operation is authorized by the airport owner and operator and is in compliance with the rules and regulations of that airport. The Department may take action against a peer-to-peer vehicle sharing platform that violates any regulation of an airport owner and operator, including the suspension or revocation of the peer-to-peer vehicle sharing platform's certificate.

341 A. The definitions in § 46.2-1408 shall apply, *mutatis mutandis*, to this article.

342 B. There is hereby levied a tax upon peer-to-peer vehicle sharing, without regard to whether a
343 shared vehicle is required to be licensed by the Commonwealth. The tax shall be imposed at a rate of
344 six percent on the shared vehicle owner's gross proceeds from the peer-to-peer vehicle sharing in the
345 Commonwealth of any motor vehicle.

346 § 58.1-1746. Administration of the peer-to-peer vehicle sharing tax.

347 The tax on the sharing of a motor vehicle shall be paid by the shared vehicle driver. The tax levied
348 by § 58.1-1745 shall be collectible from all persons, including peer-to-peer vehicle sharing platforms
349 that have sufficient contact with the Commonwealth. A person shall be deemed to have sufficient contact
350 with the Commonwealth by meeting any of the requirements of subsection C of § 58.1-612, *mutatis*
351 *mutandis*.

352 The tax shall be remitted to the Tax Commissioner on or before the twentieth day of the month
353 following the month in which the gross proceeds from such sharing were due. The tax on peer-to-peer
354 vehicle sharing in the Commonwealth shall apply regardless of the state for which a certificate of title
355 for a shared vehicle is required.

356 The provisions of Chapter 6 (§ 58.1-600 et seq.) shall apply to this article, *mutatis mutandis*, except
357 as herein provided.

358 § 58.1-1747. Forwarding of tax information to law-enforcement officials.

359 The Tax Commissioner may, in his discretion, upon request duly received from the official charged
360 with the duty of enforcement of motor vehicle tax laws of any other state, forward to such official any
361 information that he may have in his possession relative to the registration and payment of any tax
362 collected pursuant to this article.

363 § 58.1-1748. Disposition of revenues.

364 After the direct costs of administering this article are recovered by the Department of Taxation, the
365 remaining revenues collected hereunder by the Tax Commissioner shall be distributed as follows:

366 1. An amount equal to a two percent tax on the gross proceeds on peer-to-peer vehicle sharing shall
367 be distributed quarterly to the county, city, or town wherein the vehicle sharing period began pursuant

to the vehicle sharing platform agreement; and

2. An amount equal to a four percent tax on the gross proceeds on peer-to-peer vehicle sharing shall be distributed to and paid into the state treasury, two-thirds of which shall be paid into the Rail Enhancement Fund established by § 33.2-1601 and one-third of which shall be deposited into the Washington Metropolitan Area Transit Authority Capital Fund pursuant to § 33.2-3401.

§ 59.1-207.29. Scope.

This chapter shall apply to all (i) persons in the business of leasing rental motor vehicles from locations in the Commonwealth under an agreement ~~which~~ that imposes upon the lessee an obligation to pay for any damages caused to the leased vehicle and (ii) to all peer-to-peer vehicle sharing platforms in the Commonwealth facilitating peer-to-peer vehicle sharing under a vehicle sharing platform agreement that imposes upon the shared vehicle driver an obligation to pay for any damages caused to the shared vehicle. The provisions of this chapter apply solely to the collision damage waiver portion of the rental agreement or vehicle sharing platform agreement. The definitions in § 46.2-1408 apply, *mutatis mutandis*, to this section.

§ 59.1-207.31. Required notice.

A. The definitions in § 46.2-1408 apply, *mutatis mutandis*, to this section.

B. No lessor or peer-to-peer vehicle sharing platform shall sell or offer to sell to a lessee a collision damage waiver as a part of a rental agreement or vehicle sharing platform agreement unless the lessor or peer-to-peer vehicle platform first provides the lessee or shared vehicle driver the following written notice:

NOTICE: THIS CONTRACT OFFERS, FOR AN ADDITIONAL CHARGE, A COLLISION DAMAGE WAIVER TO COVER YOUR RESPONSIBILITY FOR DAMAGE TO THE VEHICLE. BEFORE DECIDING WHETHER TO PURCHASE THE COLLISION DAMAGE WAIVER, YOU MAY WISH TO DETERMINE WHETHER YOUR OWN VEHICLE INSURANCE AFFORDS YOU COVERAGE FOR DAMAGE TO THE RENTAL VEHICLE AND THE AMOUNT OF THE DEDUCTIBLE UNDER YOUR OWN INSURANCE COVERAGE. THE PURCHASE OF THIS COLLISION DAMAGE WAIVER IS NOT MANDATORY AND MAY BE WAIVED.

C. Such notice shall be made on the face of the rental agreement or vehicle sharing platform agreement either by stamp, label, or as part of the written contract, shall be set apart in boldface type and in no smaller print than ~~ten-point~~ 10-point type, and shall include a space for the lessee to acknowledge his receipt of the notice.

§ 59.1-207.32. Prohibited exclusion.

No collision damage waiver subject to this chapter shall contain an exclusion from the waiver for damages caused by the ordinary negligence of the lessee or shared vehicle driver, as defined in § 46.2-1408. Any such exclusion in violation of this section shall be void. This section shall not be deemed to prohibit an exclusion from the waiver for damages caused intentionally by the lessee or shared vehicle driver or as a result of his willful or wanton misconduct or gross negligence, driving while intoxicated or under the influence of any drug or alcohol, or damages caused while engaging in any speed contest.
