6 **Be it enacted by the General Assembly of Virginia:**

7 **1. That § 24.2-412 of the Code of Virginia is amended and reenacted as follows:**

8 **§ 24.2-412. Other locations and times for voter registration.**

9 A. In addition to voter registration locations provided for in §§ 24.2-411, 24.2-411.1, and 24.2-411.2,
10 opportunities for voter registration may be provided at other agency offices, business offices,
11 establishments and occasional sites open to the general public, and shall be provided as required by this
12 section. Voter registration shall be conducted only in public places open to the general public and at
13 preannounced hours. Assistant registrars should serve during such hours and at such places. The conduct
14 of voter registration by the general registrar or an assistant registrar in public places at preannounced
15 hours shall not be deemed solicitation of registration.

16 B. The general registrar is authorized to set within his jurisdiction ongoing locations and times for
17 registration in local or state government agency offices or in businesses or other establishments open to
18 the general public, subject to the approval of, and pursuant to an agreement with, the head of the
19 government agency, the owner or manager of the business or establishment, or the designee of either.
20 The agreement shall provide for the appointment of employees of the agency, business, or establishment
21 to serve as assistant registrars and shall be in writing and approved by the local electoral board prior to
22 implementation.

23 Employees of the agency, business, or establishment who are appointed to serve as assistant registrars
24 may be nonresidents of the jurisdiction they are appointed to serve, provided that (i) they are qualified
25 voters of the Commonwealth and (ii) they serve only at their place of employment within the
26 jurisdiction they are appointed to serve.

27 C. The general registrar or electoral board may set additional occasional sites and times for
28 registration within the jurisdiction. A multi-family residential building not usually open to the public
29 may be used as an occasional registration site so long as the public has free access to the site during the
30 time for registering voters. *Voter registration conducted in a high school or at the location of a*
31 *naturalization ceremony shall not be required to be open to the public.*
