2. Patron: Gooditis

3. Committee: Health, Welfare and Institutions

4. Title: Secretary of Health and Human Resources; work group; information about opioid overdose

5. Summary: The proposed legislation directs the Secretary of Health and Human Resources to convene a work group to (i) study the role of public safety answering points and regional Poison Control Centers in providing information and assistance to the public regarding opioid overdose and administration of naloxone or other opioid antagonist in emergency and nonemergency situations and (ii) develop recommendations for legislative or budget actions necessary to enhance the role of public safety answering points and regional Poison Control Centers in providing such information and assistance. The work group shall report its findings and recommendations to the Governor and the General Assembly by November 1, 2020.

6. Budget Amendment Necessary: No

7. Minimal Fiscal Impact

8. Fiscal Implications: It is expected that the Office of the Secretary of Health and Human Resources can meet the provisions of this bill with existing resources.

9. Specific Agency or Political Subdivisions Affected:
Office of the Secretary of Health and Human Resources

10. Technical Amendment Necessary: No

11. Other Comments: None
