Department of Planning and Budget 2020 Fiscal Impact Statement

ı.	BIII Numbe	er: HB1310					
	House of Orig	in 🖂	Introduced		Substitute		Engrossed
	Second House		In Committee		Substitute		Enrolled
2.	Patron:	McQuinn					
3.	Committee: Public Safety						
4.	Title:	Carrying weapon into building owned or used by the Commonwealth or political subdivision thereof					

5. Summary: Makes it a Class 1 misdemeanor for a first or second offense for a person to transport any (i) gun or other weapon designed or intended to propel a missile or projectile of any kind; (ii) frame, receiver, muffler, silencer, missile, projectile, or ammunition designed for use with a dangerous weapon; or (iii) other dangerous weapon into a building owned or used by the Commonwealth or any agency or political subdivision thereof for governmental purposes. The bill provides exceptions for law-enforcement officers, conservators of the peace, magistrates, court officers, judges, city or county treasurers, commissioners or deputy commissioners of the Virginia Workers' Compensation Commission, authorized security personnel, and active military personnel while in the conduct of such individuals' official duties. The bill requires that notice of the provisions prohibiting the carrying of such weapons be posted at each public entrance to all buildings owned or leased by the Commonwealth or any agency or political subdivision thereof. A third or subsequent offense of this or certain other firearms offenses is punishable as a Class 6 felony.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary, see Item 8.

8. Fiscal Implications: Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail. According to the Virginia Criminal Sentencing Commission, not enough information is available to reliably estimate the increase in jail population as a result of this proposal. However, any increase in jail population will increase costs to the state. The Commonwealth currently pays the localities \$4.00 a day for each misdemeanant or otherwise local-responsible prisoner held in a jail. It also funds a large portion of the jails' operating costs, e.g. correctional officers. The state's share of these costs varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2019), the estimated total state support for local jails averaged \$34.07 per inmate, per day in FY 2018.

There may be some costs associated with the creation and posting of signage required by this bill, however, such costs are currently unknown.

- 9. Specific Agency or Political Subdivisions Affected: Local and regional jails.
- 10. Technical Amendment Necessary: No.
- 11. Other Comments: None.
