#### Summary of Proposed Legislation:

The proposal expands several prostitution-related offenses defined in § 18.2-346 (prostitution/ commercial sexual conduct), § 18.2-348 (aiding prostitution or illicit sexual intercourse), and § 18.2-356 (receiving money for procuring a person for prostitution) to include additional types of sexual contact. Specifically, the proposal adds the touching of the unclothed genitals or anus of another person with the intent to sexually arouse or gratify or allowing another person to touch one's own unclothed genitals or anus with the intent to sexually arouse or gratify to the list of conduct that, when done for money or its equivalent, constitutes prostitution.

Prostitution and the solicitation of prostitution are Class 1 misdemeanors (§ 18.2-346); however, it is a Class 6 felony to solicit prostitution from a minor 16 years of age or older and a Class 5 felony to solicit prostitution from a minor under the age of 16. Aiding in prostitution or illicit sexual intercourse (§ 18.2-348) is also a Class 1 misdemeanor; however, if an adult aids or assists in procuring a person under the age of 18 for prostitution, it is a Class 6 felony. Receiving money for procuring a person for prostitution or a sex act (§ 18.2-356) is a Class 4 felony or, if the violation involves a minor under the age of 18, a Class 3 felony. By expanding § 18.2-346 to cover additional behaviors, the proposal potentially expands the applicability of felony offenses defined in § 18.2-357.1 (commercial sex trafficking), which is based on the definition of prostitution in § 18.2-346. Violation of § 18.2-357.1 is punishable as a Class

5 felony or, if the offender uses force, intimidation or deception, a Class 4 felony; if the offense involves a minor under the age of 18, it is a Class 3 felony.

### Analysis:

Existing data sources are insufficient to estimate the number of additional convictions that may result if § 18.2-346, § 18.2-348, and § 18.2-356 are expanded to cover additional behaviors. By expanding these provisions, the proposal could also result in additional convictions for commercial sex trafficking.

While the number of offenders who may be affected by the proposal cannot be determined, such individuals may be sentenced similarly to those who are currently convicted under existing provisions (see table below).
