6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary, see item 8.

8. Fiscal Implications: The Department of Small Business and Supplier Diversity indicates that it will be able to absorb the cost associated with altering its certification system to add the new LGBT designation and additional documentation field that would be required.

The Department of General Services anticipates that it will be able to absorb the cost associated with updating eVA to show the vendor certification in the system and update all the reports.

According to the Department of Accounts, changes to the definition of small business are expected to require minor reconfigurations in the Cardinal Financial System. However, such changes are expected to be able to be absorbed within existing funding and appropriation levels and do not require an amendment.
