**2. Patron:** Robinson

**3. Committee:** Transportation

**4. Title:** License restrictions for minors; use of handheld personal communications devices.

**5. Summary:** Clarifies that the prohibition on the use of a wireless communications device by the holder of a provisional driver's license applies whether or not the device is being used for communication purposes. The bill exempts the use of applications for solely navigation purposes and global positioning systems provided that the driver does not enter information into or manually manipulate the device or system while operating the vehicle.

**6. Budget Amendment Necessary:** No.

**7. Fiscal Impact Estimates:** Preliminary. See Item 8.

**8. Fiscal Implications:** The implementation provisions of this bill could result in fewer individuals with provisional licenses being fined for improper use of a navigation system while driving. All such fines are deposited into the state's literary fund. At this time, it is not feasible to determine the potential impact to the revenue that would be deposited into the Literary Fund as a result of the provisions of this bill.

**9. Specific Agency or Political Subdivisions Affected:** Law enforcement agencies

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** None.
