Currently, there are approximately 300 licensed bingo operators and approximately 10,300 registered charities in Virginia that could expand game offerings as a result of this bill. It is estimated that the inspection requirement for the Department of Agriculture and Consumer Services (VDACS) will increase in order to adequately monitor the additional days of the week during which bingo can be conducted. To manage the increased workload, the

department estimates the need of one position at an annual cost for salary and fringes of \$75,000 with an additional \$6,500 to lease a vehicle.
