

## **Department of Planning and Budget**

### **2020 Fiscal Impact Statement**

**1. Bill Number:** SB903S1

<b>House of Origin</b>	<input type="checkbox"/> Introduced	<input checked="" type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
<b>Second House</b>	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input type="checkbox"/> Enrolled

**2. Patron:** Vogel

**3. Committee:** Education and Health

**4. Title:** Hospitals; emergency treatment for substance use-related emergencies; services.

**5. Summary:** Requires the Board of Health to amend regulations governing hospitals to require each hospital that provides emergency treatment to an individual experiencing a substance use-related emergency to (i) complete a comprehensive assessment to identify appropriate medical interventions necessary for the treatment of the individual; (ii) complete a comprehensive behavioral health assessment to determine whether additional treatment may be appropriate; (iii) initiate pharmacotherapy for treatment of drug or alcohol dependence, where appropriate; and (iv) provide the patient with naloxone or other opioid antagonist used for overdose reversal. Such regulations shall also require each hospital that provides emergency treatment to an individual experiencing a substance use-related emergency to establish and implement a protocol for connecting such patients receiving emergency treatment with appropriate community-based providers of behavioral health services upon discharge.

**6. Budget Amendment Necessary:** No.

**7. No Fiscal Impact.**

**8. Fiscal Implications:** This bill, as amended, would not have a fiscal impact on the Commonwealth. Any additional workload as a result of the reporting requirement can be absorbed within existing resources.

**9. Specific Agency or Political Subdivisions Affected:** Department of Health.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** None.
