A. 1. *For the general election and special elections to be held November 3, 2020, upon receipt of an absentee ballot returned the Friday before Election Day, each general registrar shall examine the ballot envelopes to verify completion of the required voter affirmation.*

2. *If the general registrar finds during the examination of a returned absentee ballot envelope that the required voter affirmation was not correctly or completely filled out or that a procedure required by § 24.2-707 was not properly followed, and such error or failure shall render the ballot void by law, the general registrar shall, within three days of such finding, notify the voter of the error or failure. However, notwithstanding the provisions of §§ 24.2-706 and 24.2-707 of the Code of Virginia, the failure of an absentee voter marking and returning a mail absentee ballot for the November 3, 2020, general election, and any special election or ballot measure held on that date, to have a witness sign the statement on the back of the absentee ballot return envelope shall not be considered a material omission and shall not render his ballot void. Such notice shall be made by phone, email, or in writing and shall provide information to the voter as to how to correct the issue so his ballot may be counted. The voter shall be entitled to make such necessary corrections before noon on the third day after the election, and his ballot shall then be counted pursuant to the procedures set forth in § 24.2-709.1 if he is found to be entitled to vote.*

3. *The general registrar may issue a new absentee ballot to the voter if necessary and shall preserve the first ballot with other spoiled ballots.*

B. 1. *Notwithstanding any other provision of law, for the general election and special elections to be held on November 3, 2020, mailed absentee ballots shall be returned (i) by mail to the office of the general registrar; (ii) by the voter in person to the general registrar; or (iii) to a drop-off location.*

2. *Mailed absentee ballots shall include instructions that include information on the locations of all drop-off locations in the locality.*

3. *The general registrar of each county or city shall establish at the office of the general registrar and each voter satellite office in operation for an election a drop-off location for the purpose of allowing voters to deposit completed absentee ballots for such election. On the day of the election, there shall also be a drop-off location at each polling place in operation for the election. The general registrar may establish additional drop-off locations within the county or city as he deems necessary. All drop-off locations shall be accessible, be on public property, and otherwise comply with any criteria for drop-off locations set by the Department.*

4. *The State Board shall promulgate emergency regulations for the establishment and operation of drop-off locations, including necessary security requirements.*

5. *The general registrar of a county or city utilizing drop-off locations shall post notice of the locations of the drop-off locations in the locality in the office of the general registrar and on the official website for the county or city. Such notice shall remain in the office of the general registrar and on the official website for the county or city for the duration of the period during which absentee ballots may*
