Such notice of the opportunity for the student and/or his parent to participate in a hearing conducted by the division superintendent or his designee regarding such placement shall be issued and the assignment shall be final unless altered by the school board, upon timely written petition, in accordance with regulations of the school board, by the student or his parent, for a review of the record by the school board. However, no child shall be assigned to any regional alternative education program described in this section for more than one school year without an annual assessment of the placement to determine the appropriateness of transitioning the child into the school division's regular program.
