The bill also provides that a participating locality shall require the bidder or offeror to provide written or electronic submissions to allow the locality to ascertain (i) whether the bidder or offeror requires persons with whom it is in a work relationship or prospective work relationship to sign or otherwise enter into a contract containing a pre-dispute arbitration clause that would cover an employment or civil rights dispute and (ii) whether the bidder or offeror requires consumers to sign or otherwise enter into a contract containing a pre-dispute arbitration clause that would cover a consumer or civil rights dispute as a condition of purchasing products or services, downloading mobile applications, or using websites. The bill authorizes a participating locality to cancel, terminate, or suspend, in whole or in part, the contract of any contractor that has violated a provision of the bill and to declare the contractor ineligible for further contracts with such locality for up to five years.
