The Board may discontinue any such store.

B. With respect to the sale of wine or cider produced by farm wineries, the Board may give preference to farm wineries that produce 2,500 cases or less of wine or cider per year.

C. The Board shall fix the wholesale and retail prices at which the various classes, varieties and brands of alcoholic beverages and other Board-approved products that are sold in government stores. Differences in the cost of operating stores, and market competition and conditions may be reflected in the sale price of alcoholic beverages sold at government stores. The Board may sell alcoholic beverages to federal instrumentalities (i) authorized and operating under the laws of the United States and regulations of the United States Department of Defense and (ii) located within the boundaries of federal enclaves or reservations over which the United States has acquired jurisdiction, at prices which may be greater or less than the wholesale price charged other authorized purchasers. Nothing in this subsection shall be construed to limit the authority of the Board to fix the retail price of alcoholic beverages sold at government stores, which retail price may include promotional, volume, or other discounts deemed appropriate by the Board.

D. Alcoholic beverages at government stores shall be sold by employees of the Authority who shall carry out the provisions of this title and Board regulations governing the operation of government stores and the sale of alcoholic beverages, except that the Board may appoint the holder of a distiller's license or its officers and employees as agents of the Board for the sale of spirits and low alcohol beverage coolers, manufactured by or for, or blended by such licensee on the licensed premises, at government stores established by the Board (i) on the distiller's licensed premises or (ii) at the site of an event licensed by the Board and conducted for the purpose of featuring and educating the consuming public about spirits products.

Such agents shall sell the spirits and low alcohol beverage coolers in accordance with the provisions of this title, Board regulations, and the terms of the agency agreement between the Authority and the licensed distiller. The Authority shall pay a licensed distiller making sales pursuant to an agreement authorized by this subsection a commission of not less than 20 percent of the retail price of the goods sold. If the licensed distiller makes application and meets certain requirements established by the Board, such agreement shall allow monthly revenue transfers from the licensed distiller to the Board to be submitted electronically and, notwithstanding the provisions of §§ 2.2-1802 and 4.1-116, to be limited to the amount due to the Board in applicable taxes and markups.

For the purposes of this subsection, "blended" means the receipt by a licensed distiller of deliveries and shipments of alcoholic beverages, other than wine and beer, in accordance with subdivision 6 of § 4.1-201 to be (a) (1) additionally aged by the receiving distillery in order to increase the quality and flavor of such alcoholic beverages or (2) used in a low alcohol beverage cooler and (b) bottled by the receiving distillery.

No sample may be consumed by any individual to whom alcoholic beverages may not lawfully be sold pursuant to § 4.1-304.

Notwithstanding the provision of this subsection to the contrary, an agent of the Board appointed pursuant to subsection D may give samples of spirits, beer, wine, or cider to persons to whom alcoholic beverages may be lawfully sold for on-premises *or off-premises* consumption, provided that (i) the spirits, beer, wine, or cider samples are manufactured within the same licensed premises or on contiguous premises of such agent licensed as a distillery, brewery, or winery; (ii) no single sample shall exceed four ounces of beer, two ounces of wine or cider, or one-half ounce of spirits, unless served as a mixed beverage, in which case a single sample of spirits may contain up to one and one-half ounces of spirits; (iii) no more than four total samples of alcoholic beverage products or, in the case of spirits samples, no more than three ounces of spirits shall be given or sold to any person per day; and (iv) in the case of spirits samples, a method is used to track the consumption of each consumer. Any case fee charged to a licensed distiller by the Board for moving spirits from the production and bailment area to the tasting area of a government store established by the Board on the distiller's licensed premises shall be waived if such spirits are moved by employees of the licensed distiller.

H. With respect to purchases by licensees at government stores, the Authority shall (i) accept in payment for any purchase or series of purchases cash, electronic fund transfer, credit or debit card, or check payable to the Authority, in the exact amount of any such purchase or series of purchases and (ii) provide notice to licensees on Board policies relating to the assignment of government stores from which licensees may purchase products and any procedure for the licensee to elect to make purchases from an alternative government store.

The Board may adopt regulations which provide for accepting a credit card or debit card as payment. Such regulations may provide for the collection, where appropriate, of related fees, penalties and service charges for the use of a credit card or debit card by any consumer.

J. Before the Authority implements any increase in the markup on distilled spirits or any change to the markup formula for distilled spirits pursuant to § 4.1-235 that would result in an increase in the retail price of distilled spirits sold to the public, the Authority shall (i) provide at least 45 days' public notice before such a price increase takes effect; (ii) provide the opportunity for submission of written comments regarding the proposed price increase; (iii) conduct a public meeting for the purpose of receiving verbal comment regarding the proposed price increase; and (iv) consider any written or verbal comments before implementing such a price increase.

Mixed beverage restaurant licenses, which shall authorize the licensee to sell and serve mixed beverages for *on-premises* consumption in dining areas and other designated areas of such restaurant *or off-premises consumption*. Such license may be granted only to persons (i) who operate a restaurant and (ii) whose gross receipts from the sale of food cooked, or prepared, and consumed on the premises and nonalcoholic beverages served on the premises, after issuance of such license, amount to at least 45 percent of the gross receipts from the sale of mixed beverages and food. For the purposes of this subdivision, other designated areas shall include outdoor dining areas, whether or not contiguous to the licensed premises, which outdoor dining areas may have more than one means of ingress and egress to an adjacent public thoroughfare, provided such areas are under the control of the licensee and approved by the Board. The club's gross receipts from the sale of nonalcoholic beverages consumed on the premises and food resold to its members and guests and consumed on the premises shall amount to at least 45 percent of its gross receipts from the sale of mixed beverages and food.
