

# VIRGINIA ACTS OF ASSEMBLY -- 2021 SPECIAL SESSION I

## CHAPTER 359

*An Act to amend and reenact § 46.2-600.1 of the Code of Virginia, relating to vehicle registration; special communication needs indicator.*

[S 1470]

Approved March 25, 2021

**Be it enacted by the General Assembly of Virginia:**

**1. That § 46.2-600.1 of the Code of Virginia is amended and reenacted as follows:**

**§ 46.2-600.1. Indication of special communication needs.**

A. As used in this section, "disability that can impair communication" means a condition with symptoms that can impair the ability of a person with such condition to receive, send, process, or comprehend concepts or verbal, nonverbal, or graphic symbol systems, including autism spectrum disorders as defined in § 38.2-3418.17 and hearing loss.

B. The Department shall include on the application for registration of a motor vehicle an option for the vehicle owner to, if applicable, voluntarily indicate that he *or a person who will regularly occupy his vehicle* has a disability that can impair communication. ~~Any application on which the applicant indicates that he has such a disability shall be accompanied by a certification signed by a licensed physician that such individual has a disability that can impair communication~~ *On any application on which the applicant indicates that a person who will regularly occupy his vehicle has such a disability, the Department may require the applicant to certify that he has the consent of the regular occupant of the vehicle to release information pursuant to subsection D.*

C. Any vehicle owner with a driver's license indicator authorized pursuant to subsection K of § 46.2-342 or special identification card indicator authorized pursuant to subsection L of § 46.2-345 *or whose vehicle is regularly occupied by an individual with such an indicator* shall be eligible for the registration indicator. Vehicle owners with a driver's license indicator or special identification card indicator *and vehicle owners whose vehicle is regularly occupied by an individual with a driver's license indicator or special identification card indicator* may apply to the Department for a registration indicator in a manner prescribed by the Commissioner.

D. Notwithstanding the provisions of § 46.2-208, the Department shall provide information regarding vehicle registrants who have indicated, pursuant to subsection B or C, that they *or individuals who will regularly occupy their vehicles* have a disability that can impair communication with employees and agents of criminal justice agencies as defined in § 9.1-101. The Department shall confirm the presence or absence of a registration indicator indicating that the registrant *or a person regularly occupying the vehicle of a registrant* has a disability that can impair communication, but it shall not provide information about the type of health condition or disability that the registrant *or a person regularly occupying the vehicle of a registrant* has.

E. *Any vehicle owner who has a registration indicator indicating that the registrant or a person regularly occupying the vehicle of a registrant has a disability that can impair communication may have such indicator removed by requesting such removal, in writing, to the Department.*
