A. Any person registered and otherwise qualified to vote may request at any time prior to 2:00 p.m. on the day preceding the election that he be permitted to vote by emergency absentee ballot with the assistance of his designated representative. The Department shall prescribe a form and the instructions for submitting such a request to the general registrar that shows that the voter requesting an emergency absentee ballot (i) was unable to apply for an absentee ballot by the deadline due to his hospitalization or illness, or the hospitalization, illness, or death of a spouse, child, or parent, or other emergency found to justify receipt of an emergency absentee ballot or (ii) *will be unable to vote on election day due to his hospitalization or illness, the hospitalization, illness, or death of a spouse, child, or parent, or other emergency found to justify receipt of an emergency absentee ballot that occurred after the deadline for applying for an absentee ballot.*

The requesting voter shall sign the form and state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the form are true and correct. His signature shall be witnessed by the designated representative, who shall sign and return the completed form to the office of the general registrar no later than 5:00 p.m. on the day preceding the election. If the requesting voter is blind or physically unable to sign the form, his designated representative shall write on the signature line that the voter is blind or unable to sign his form.

On receipt of the completed form and a determination of the qualification of the requesting voter to vote, the general registrar shall provide, in accordance with the applicable provisions of this chapter, an absentee ballot to the designated representative for delivery to the requesting voter.

The requesting voter shall vote the absentee ballot as provided by law and mark it in the presence of the designated representative. The designated representative shall complete a statement, subject to felony penalties for making false statements pursuant to § 24.2-1016, that (i) he is the designated representative of the requesting voter; (ii) he personally delivered the ballot to the voter who applied for it; (iii) in his presence, the voter marked the ballot, the ballot was placed in the envelope provided, the envelope was sealed, and the statement on its reverse side was signed by the requesting voter; and (iv) the ballot was returned, under seal, to the general registrar at the registrar's office.

B. A qualified voter may vote absentee in person in the office of the general registrar through 2:00 p.m. on the day immediately preceding the election by complying with the requirements of § 24.2-643 and affirming that one of the following emergency circumstances will prevent him from voting on election day:

1. After 12:00 p.m. on the Saturday before the election, an obligation arose that requires the voter be absent from his county or city on election day for (i) his business, profession, or occupation; (ii) the hospitalization of the voter or a member of his immediate family; or (iii) the death of a member of his immediate family. For purposes of this subdivision, "immediate family" means the child, grandchild, parent, grandparent, legal guardian, sibling, or spouse of the voter.

2. The voter is an officer of election who was assigned after 12:00 p.m. on the Saturday before the election to work in a precinct other than his own on election day.

C. These administrative actions may include central issuance and acceptance of absentee ballots for federal and state elections using the systems and procedures developed for voters who are members of a uniformed service.

§ 24.2-706. Duty of general registrar on receipt of application; statement of voter.

A. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications received. The list shall be available for

inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. Upon request and for a reasonable fee, the Department of Elections shall provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such list shall be used only for campaign and political purposes. Any list made available for inspection and copying under this section shall contain the post office box address in lieu of the residence street address for any individual who has furnished at the time of registration or subsequently, in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The Department of Elections shall prescribe procedures for general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

B. The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other evidence of either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

The Department of Elections shall provide

instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

Such materials shall be sent using the official email address or fax number of the office of the general registrar published on the Department of Elections website. The State Board of Elections may prescribe by regulation the format of the email address used for transmitting ballots to eligible voters. A general registrar may also use electronic transmission facilities provided by the Federal Voting Assistance Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.

E. The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur, or (iii) the campaign committee or the appropriate district political party chairman of such candidate. A voter's failure to provide in the statement on the back of the envelope his full middle name or his middle initial shall not be a material omission, rendering his ballot void, unless the voter failed to provide in the statement on the back of the envelope his full first and last name. A voter's failure to provide the date, or any part of the date, including the year, on which he signed the statement printed on the back of the envelope shall not be considered a material omission and shall not render his ballot void. For any absentee ballot received by the Friday immediately preceding the day of the election, if the general registrar finds during the examination of the ballot envelope that the required voter affirmation was not correctly or completely filled out or that a procedure required by § 24.2-707 was not properly followed, and such error or failure shall render the ballot void by law, the general registrar shall enter into the voter's record in the voter registration system that the absentee ballot has an issue requiring correction in order for it to be counted. This information shall be included on any absentee voter applicant list provided pursuant to subsection C of § 24.2-710.
