§ 24.2-411.3. Registration of Department of Motor Vehicles customers.

A. Each person coming into an office of the Department of Motor Vehicles or accessing its website in order to (i) apply for, replace, or renew a driver's license or other document issued under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 except driver privilege cards or permits issued pursuant to § 46.2-328.3 or identification privilege cards issued pursuant to § 46.2-345.3; or (ii) change an address on an existing driver's license or other document issued under Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 except driver privilege cards or permits issued pursuant to § 46.2-328.3 or identification privilege cards issued pursuant to § 46.2-345.3 shall be presented with (a) a question asking whether or not the person is a United States citizen and (b) the option to decline to have his information transmitted to the Department of Elections for voter registration purposes. The citizenship question and option to decline shall be accompanied by a statement that intentionally making a materially false statement during the transaction constitutes election fraud and is punishable under Virginia law as a felony.

The Department of Motor Vehicles may not transmit the information of any person who so declines. The Department of Motor Vehicles may not transmit the information of any person who indicates that he is not a United States citizen, nor may such person be asked any additional questions relevant to voter registration but not relevant to the purpose for which the person came to an office of the Department of Motor Vehicles or accessed its website.

B. For each person who does not select the option to decline to have his information transmitted to the Department of Elections for voter registration purposes and who has identified himself as a United States citizen, the Department of Motor Vehicles shall request any information as may be required by the State Board to ensure that the person meets all voter registration eligibility requirements.

C. The Department of Motor Vehicles shall electronically transmit to the Department of Elections, in accordance with the standards set by the State Board, the information collected pursuant to subsection B for any person who (i) has indicated that he is a United States citizen, (ii) has indicated that he is 17 years of age or older, and (iii) at the time of such transaction did not decline to have his information transmitted to the Department of Elections for voter registration purposes.

D. The Department of Elections shall use the information transmitted to determine whether a person already has a registration record in the voter registration system.

1. For any person who does not yet have a registration record in the voter registration system, the Department of Elections shall transmit the information to the appropriate general registrar. The general registrar shall accept or reject the registration of such person in accordance with the provisions of this chapter.

2. For any person who already has a registration record in the voter registration system, if the information indicates that the voter has moved within the Commonwealth, the Department of Elections shall transmit the information and the registration record to the appropriate general registrar, who shall treat such transmittal as a request for transfer and process it in accordance with the provisions of this chapter.

3. General registrars shall not register any person who does not satisfy all voter eligibility requirements.

§ 24.2-643. Qualified voter permitted to vote; procedures at polling place; voter identification.

A. After the polls are open, each qualified voter at a precinct shall be permitted to vote. The officers of election shall ascertain that a person offering to vote is a qualified voter before admitting him to the voting booth and furnishing an official ballot to him.

B. An officer of election shall ask the voter for his full name and current residence address and the

57 voter may give such information orally or in writing. The officer of election shall verify with the voter  
 58 his full name and address and shall repeat, in a voice audible to party and candidate representatives  
 59 present, the full name provided by the voter. The officer shall ask the voter to present any one of the  
 60 following forms of identification: (i) his voter confirmation documents; (ii) his valid Virginia driver's  
 61 license, his valid United States passport, or any other identification issued by the Commonwealth, one of  
 62 its political subdivisions, or the United States, other than a driver privilege card issued under  
 63 § 46.2-328.3 *or an identification privilege card issued under § 46.2-345.3*; (iii) any valid student  
 64 identification card issued by any institution of higher education located in the Commonwealth or any  
 65 private school located in the Commonwealth; (iv) any valid student identification card containing a  
 66 photograph of the voter and issued by any institution of higher education located in any other state or  
 67 territory of the United States; (v) any valid employee identification card containing a photograph of the  
 68 voter and issued by an employer of the voter in the ordinary course of the employer's business; or (vi) a  
 69 copy of a current utility bill, bank statement, government check, paycheck, or other government  
 70 document containing the name and address of the voter. The expiration date on a Virginia driver's  
 71 license shall not be considered when determining the validity of the driver's license offered for purposes  
 72 of this section.

73 Except as provided in subsection E, any voter who does not show one of the forms of identification  
 74 specified in this subsection shall be allowed to vote after signing a statement, subject to felony penalties  
 75 for false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. A  
 76 voter who requires assistance in voting by reason of a physical disability or an inability to read or write,  
 77 and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in  
 78 accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall  
 79 be followed when assisting a voter in completing this statement. A voter who does not show one of the  
 80 forms of identification specified in this subsection and does not sign this statement shall be offered a  
 81 provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall provide an  
 82 ID-ONLY provisional ballot envelope that requires no follow-up action by the registrar or electoral  
 83 board other than matching submitted identification documents from the voter for the electoral board to  
 84 make a determination on whether to count the ballot.

85 If the voter presents one of the forms of identification listed above, if his name is found on the  
 86 pollbook in a form identical to or substantially similar to the name on the presented form of  
 87 identification and the name provided by the voter, if he is qualified to vote in the election, and if no  
 88 objection is made, an officer shall enter, opposite the voter's name on the pollbook, the first or next  
 89 consecutive number from the voter count form provided by the State Board, or shall enter that the voter  
 90 has voted if the pollbook is in electronic form; an officer shall provide the voter with the official ballot;  
 91 and another officer shall admit him to the voting booth. Each voter whose name has been marked on the  
 92 pollbooks as present to vote and entitled to a ballot shall remain in the presence of the officers of  
 93 election in the polling place until he has voted. If a line of voters who have been marked on the  
 94 pollbooks as present to vote forms to await entry to the voting booths, the line shall not be permitted to  
 95 extend outside of the room containing the voting booths and shall remain under observation by the  
 96 officers of election.

97 A voter may be accompanied into the voting booth by his child age 15 or younger.

98 C. If the current residence address provided by the voter is different from the address shown on the  
 99 pollbook, the officer of election shall furnish the voter with a change of address form prescribed by the  
 100 State Board. Upon its completion, the voter shall sign the prescribed form, subject to felony penalties  
 101 for making false statements pursuant to § 24.2-1016, which the officer of election shall then place in an  
 102 envelope provided for such forms for transmission to the general registrar who shall then transfer or  
 103 cancel the registration of such voter pursuant to Chapter 4 (§ 24.2-400 et seq.).

104 D. At the time the voter is asked his full name and current residence address, the officer of election  
 105 shall ask any voter for whom the pollbook indicates that an identification number other than a social  
 106 security number is recorded on the Virginia voter registration system if he presently has a social security  
 107 number. If the voter is able to provide his social security number, he shall be furnished with a voter  
 108 registration form prescribed by the State Board to update his registration information. Upon its  
 109 completion, the form shall be placed by the officer of election in an envelope provided for such forms  
 110 for transmission to the general registrar. Any social security numbers so provided shall be entered by the  
 111 general registrar in the voter's record on the voter registration system.

112 E. This subsection shall apply in the case of any individual who is required by subparagraph (b) of  
 113 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes  
 114 in a federal election in the state. At such election, such individual shall present (i) a current and valid  
 115 photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck,  
 116 or other government document that shows the name and address of the voter. Such individual who  
 117 desires to vote in person but does not show one of the forms of identification specified in this

118 subsection shall be offered a provisional ballot under the provisions of § 24.2-653. The identification  
 119 requirements of subsection B of this section and subsection A of § 24.2-653 shall not apply to such  
 120 voter at such election. The Department of Elections shall provide instructions to the electoral boards for  
 121 the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this  
 122 section.

123 **§ 46.2-203.2. Emergency contact information program.**

124 A. As used in this section, "emergency contact" means a person 18 years of age or older whom the  
 125 customer may designate to be contacted by a law-enforcement officer in an emergency situation.

126 B. The Department may establish an emergency contact information program to assist  
 127 law-enforcement personnel in emergency situations. To establish such a program, a person who currently  
 128 holds a learner's permit, temporary driver's license, driver's license, commercial driver's license, or  
 129 special identification card issued by the Department *credential issued by the Department under Chapter*  
 130 *3 (§ 46.2-300 et seq.)* or completes an application for the same may voluntarily submit emergency  
 131 contact information for inclusion in his customer record with the Department. Such emergency contact  
 132 information may include the name, relationship to the customer, address, and telephone number for an  
 133 individual the customer designates as a contact in the event of an emergency situation.

134 C. Any person voluntarily submitting emergency contact information to the Department for inclusion  
 135 in the applicant's customer record is responsible for maintaining current emergency contact information  
 136 with the Department. Each applicant submitting emergency contact information to the Department shall  
 137 certify in his application that he has notified the person he has designated as an emergency contact that  
 138 such information will be supplied to the Department. The Department shall provide a method by which  
 139 applicants submitting emergency contact information to the Department may submit such information  
 140 electronically pursuant to § 46.2-216.1. Customers may add, modify, or delete information at any time.  
 141 Such modifications or deletions will overwrite all previously provided information.

142 D. In the event of an emergency situation, the Department shall make emergency contact information  
 143 in customer records electronically available to a law-enforcement officer who in the exercise of his  
 144 official duties requires assistance in reaching a customer's emergency contact. Emergency contact  
 145 information provided to the Department by the customer shall only be disclosed as permitted in this  
 146 section and shall not be considered a public record subject to disclosure under the Freedom of  
 147 Information Act and shall not be subject to disclosure by court order or other means of discovery.

148 E. In the absence of gross negligence or willful misconduct, the Department, its employees, and  
 149 law-enforcement officers shall be immune from any civil or criminal liability in connection with the  
 150 maintenance and use of emergency contact information voluntarily provided by customers for use in an  
 151 emergency situation.

152 **§ 46.2-216.1. Electronic filings or submissions to Department; provision of electronic documents**  
 153 **by Department.**

154 A. Whenever this title or Title 58.1 provides that applications, certificates, fees, letters of credit,  
 155 notices, penalties, records, reports, surety bonds, tariffs, taxes, time schedules, or any other documents or  
 156 payments be filed or submitted to the Department in written form or otherwise, the Commissioner may,  
 157 after providing 12-months' written notification to impacted applicants, licensees, or any other person or  
 158 entity, require that all or certain applicants, licensees, or any other person or entity engaged in business  
 159 with the Department, make such filings or submissions electronically in a format prescribed by the  
 160 Commissioner. Any such requirement shall not apply to an individual application for a ~~driver's license,~~  
 161 ~~commercial driver's license, special identification card~~ *credential issued under Chapter 3 (§ 46.2-300 et*  
 162 *seq.)*, or the titling or registration of 12 or fewer vehicles during a period of one year. The  
 163 Commissioner shall develop a method to ensure that the electronic filing is received and stored  
 164 accurately and that it is readily available to satisfy the requirements of the statutes ~~which~~ *that* call for a  
 165 written document. Notwithstanding the provisions of this section, the Commissioner may accept, in lieu  
 166 of paper documents, a filing or submission made by electronic means for any document not required to  
 167 be filed or submitted electronically pursuant to the provisions of this title or Title 58.1.

168 B. Whenever this title or Title 58.1 provides that a written certificate or other document is to be  
 169 delivered to an owner, registrant, licensee, lien holder, or any other person or entity by the Department  
 170 or the Commissioner, the Commissioner may provide the written certificate or other document by  
 171 electronic means. The electronic document may consist of all of the information included in the paper  
 172 certificate or document or it may be an abstract or listing of the information held in electronic form by  
 173 the Department. Whenever a certificate or other document is provided by electronic means, the  
 174 Department will not be required to produce a written certificate or document until requested to do so by  
 175 the owner, registrant, licensee, lien holder, or other party.

176 C. The Commissioner is authorized to establish, where feasible and cost efficient, contracts with  
 177 public-private partnerships with commercial operations to provide for simplification and streamlining of  
 178 services to citizens through electronic means. Such electronic services shall include (i) an electronic lien

179 and titling program, (ii) an online dealer program, and (iii) a print-on-demand license plate program.

180 1. Notwithstanding the provisions of § 46.2-208, to conduct customer-initiated transactions through  
 181 electronic means the Commissioner may provide a customer's personal, driver, or vehicle information  
 182 relating to the operation or theft of a motor vehicle or to public safety to the following entities: (i)  
 183 lending institutions; (ii) motor vehicle dealers; or (iii) third-party vendors that enter into contracts with  
 184 the Department. Pursuant to subsection A, the Commissioner may require such entities engaged in  
 185 business with the Department to submit electronic filings using the third-party vendors that have  
 186 contracts with the Department. Customer information obtained by such entities conducting  
 187 customer-initiated transactions, including third-party vendors that enter into contracts with the  
 188 Department, is subject to the restrictions upon use and dissemination imposed by (a) the federal Drivers  
 189 Privacy Protection Act at 18 U.S.C. § 2721 et seq., (b) the Government Data Collection and  
 190 Dissemination Practices Act (§ 2.2-3800 et seq.) and §§ 46.2-208 and 58.1-3, and (c) any rules,  
 191 regulations, or guidelines adopted by the Department with regard to disclosure or dissemination of any  
 192 information obtained from the Department.

193 2. The Department may impose a reasonable fee in accordance with fair market prices on such  
 194 entities, including third-party vendors that enter into contracts with the Department, for  
 195 customer-initiated transactions conducted through electronic means. Such fees shall be used to defray the  
 196 costs of the transaction to the Department. Any transaction fees imposed and collected by the  
 197 Department shall be paid into the state treasury and set aside as a special fund to be used to meet the  
 198 expenses of the Department.

199 **§ 46.2-323.01. Issuance of credentials; relationship with federal law.**

200 A. The Department shall establish a process for persons who, for reasons beyond their control, are  
 201 unable to provide all necessary documents required for ~~driver's licenses, permits, and special~~  
 202 ~~identification cards~~ *credentials issued under this chapter* and must rely on alternate documents to  
 203 establish identity or date of birth. Alternative documents to demonstrate legal presence will only be  
 204 allowed to demonstrate United States citizenship.

205 B. The Department shall not comply with any federal law or regulation that would require the  
 206 Department to use any type of computer chip or radio-frequency identification tag or other similar  
 207 device on or in a ~~driver's license or special identification card~~ *any credential issued under this chapter*.

 214 ~~special identification card~~ *credential issued under this chapter* shall execute and furnish to the  
 215 Commissioner his certificate that he is a resident of Virginia. The Commissioner or his duly authorized  
 216 agent may require any such applicant to supply, along with his application, such evidence of his  
 217 Virginia residency as the Commissioner may deem appropriate and adequate, provided that neither an  
 218 immigration visa nor a signed written statement, whether or not such statement is notarized, wherein the  
 219 maker of the statement vouches for the Virginia residency of the applicant, shall be acceptable proof of  
 220 Virginia residency. If the applicant is less than ~~nineteen~~ 19 years old and cannot otherwise provide proof  
 221 of Virginia residency, the Commissioner may accept proof of the applicant's parent's or guardian's  
 222 Virginia residency. Any minor providing proper evidence of the solemnization of his marriage or a

238 4. *The applicant does not hold a credential issued under this chapter.*

239 *Persons 70 years of age or older may exchange a valid Virginia driver privilege card for an*

240 identification privilege card at no fee. Identification privilege cards subsequently issued to such persons  
241 shall be subject to the regular fees for identification privilege cards.

242 B. The fee for the issuance of an original, duplicate, reissue, or renewal identification privilege card

249 cards issued to children under the age of 15 shall expire on the child's sixteenth birthday.

250 Notwithstanding the provisions of this subsection, the Commissioner may extend the validity period of  
251 an expiring card if (i) the Department is unable to process an application for renewal due to  
252 circumstances beyond its control and (ii) the extension has been authorized under a directive from the  
253 Governor. However, in no event shall the validity period be extended more than 90 days per occurrence  
254 of such conditions.

255 D. An identification privilege card issued under this section may be similar in size, shape, and

257 distinguishable from a driving credential and shall clearly state that it does not authorize the person to  
258 whom it is issued to drive a motor vehicle. Every applicant for an identification privilege card shall

273 G. Any information collected pursuant to this section that is not otherwise collected by the  
274 Department or required for the issuance of any other special identification card issued pursuant to the  
275 provisions of this chapter and any information regarding restrictions in the Department's records related  
276 to the issuance of a credential issued pursuant to this section shall be considered privileged.

278 by the subject of the information, the parent of a minor who is the subject of the information, the  
279 guardian of the subject of the information, or the authorized representative of the subject of the  
280 information or pursuant to a court order.

281 The Department shall release to any federal, state, or local governmental entity, local government  
282 group self-insurance pool, law-enforcement officer, attorney for the Commonwealth, or court, or the

284 privilege card, the release of which is not otherwise prohibited by this section, that is required for a

292 committed, for the purpose of committing any offense punishable as a felony, a violation of this section  
293 shall constitute a Class 4 felony.

294 I. When requested by the applicant, the applicant's parent if the applicant is a minor, or the  
295 applicant's guardian, and upon presentation of a signed statement by a licensed physician confirming  
296 the applicant's condition, the Department shall indicate on the applicant's identification privilege card  
297 that the applicant has any condition listed in subsection K of § 46.2-342 or that the applicant is blind
