55 *A. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and*
 56 *address of each registered applicant on an absentee voter applicant list that shall be maintained in the*

office of the general registrar with a file of the applications received. The list shall be available for inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. Upon request and for a reasonable fee, the Department of Elections shall provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such list shall be used only for campaign and political purposes. Any list made available for inspection and copying under this section shall contain the post office box address in lieu of the residence street address for any individual who has furnished at the time of registration or subsequently, in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The Department of Elections shall prescribe procedures for general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

B. The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other evidence of either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except in presence of a witness."

2. An envelope, with printing only on the flap side, for resealing the marked ballot, on which envelope is printed the following:

"Statement of Voter."

"I do hereby state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that my FULL NAME is _____ (last, first, middle); that I am now or have been at some time since last November's general election a legal resident of _____ (STATE YOUR LEGAL RESIDENCE IN VIRGINIA including the house number, street name or rural route address, city, zip code); that I received the enclosed ballot(s) upon application to the registrar of such county or city; that I opened the envelope marked 'ballot within' and marked the ballot(s) in the presence of the witness, without assistance or knowledge on the part of anyone as to the manner in which I marked it (or I am returning the form required to report how I was assisted); that I then sealed the ballot(s) in this envelope; and that I have not voted and will not vote in this election at any other time or place.

Signature of Voter _____

Date _____

Signature of witness _____ "

For elections held after January 1, 2004, instead of the envelope containing the above oath, an envelope containing the standard oath prescribed by the presidential designee under § 101(b)(7) of the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to voters who are qualified to vote absentee under that Act.

When this statement has been properly completed and signed by the registered voter and witnessed, his ballot shall not be subject to challenge pursuant to § 24.2-651.

3. A properly addressed envelope for the return of the ballot to the general registrar by mail or by the applicant in person, *or to a drop-off location*.

4. Printed instructions for completing the ballot and statement on the envelope and returning the ballot. *Such instructions shall include information on the sites of all drop-off locations in the county or city.*

For federal elections held after January 1, 2004, for any voter who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time the voter votes in a federal election in the state, the printed instructions shall direct the voter to submit with his ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as

a provisional ballot under the provisions of § 24.2-653.01. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

5. For any voter entitled to vote absentee under the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.), information provided by the Department of Elections specific to the voting rights and responsibilities for such citizens, or information provided by the registrar specific to the status of the voter registration and absentee ballot application of such voter, may be included.

The envelopes and instructions shall be in the form prescribed by the Department of Elections.

C. If the applicant completes his application in person under § 24.2-701 at a time when the printed ballots for the election are available, he may request that the general registrar send to him by mail the items set forth in subdivisions B 1 through 4, instead of casting the ballot in person. Such request shall be made no later than 5:00 p.m. on the eleventh day prior to the election in which the applicant offers to vote, and the general registrar shall send those items to the applicant by mail, obtaining a certificate or other evidence of mailing.

D. If the applicant is a covered voter, as defined in § 24.2-452, the general registrar, at the time when the printed ballots for the election are available, shall mail by the deadline set forth in § 24.2-612 or deliver in person to the applicant in the office of the general registrar the items as set forth in subdivisions B 1 through 4 and, if necessary, an application for registration. A certificate or other evidence of mailing shall not be required. If the applicant requests that such items be sent by electronic transmission, the general registrar, at the time when the printed ballots for the election are available but not later than the deadline set forth in § 24.2-612, shall send by electronic transmission the blank ballot, the form for the envelope for returning the marked ballot, and instructions to the voter. Such materials shall be sent using the official email address or fax number of the office of the general registrar published on the Department of Elections website. The State Board of Elections may prescribe by regulation the format of the email address used for transmitting ballots to eligible voters. A general registrar may also use electronic transmission facilities provided by the Federal Voting Assistance Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.

E. The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur, or (iii) the campaign committee or the appropriate district political party chairman of such candidate. Any person who fails to discharge his duty as provided in this section through willful neglect of duty and with malicious intent shall be guilty of a Class 1 misdemeanor as provided in subsection A of § 24.2-1001.

§ 24.2-707. How ballots marked and returned.

A. On receipt of a mailed absentee ballot, the voter shall, in the presence of a witness, (i) open the sealed envelope marked "ballot within" and (ii) mark and refold the ballot, as provided in §§ 24.2-644 and 24.2-646 without assistance and without making known how he marked the ballot, except as provided by § 24.2-704.

After the voter has marked his absentee ballot, he shall (a) enclose the ballot in the envelope provided for that purpose, (b) seal the envelope, (c) fill in and sign the statement printed on the back of the envelope in the presence of a witness, who shall sign the same envelope, (d) enclose the ballot envelope and any required assistance form within the envelope directed to the general registrar, and (e) seal that envelope and mail it to the office of the general registrar or deliver it personally to the general registrar. A voter's failure to provide in the statement on the back of the envelope his full middle name or his middle initial shall not be a material omission, rendering his ballot void, unless the voter failed to provide in the statement on the back of the envelope his full first and last name. A voter's failure to provide the date, or any part of the date, including the year, on which he signed the statement printed on the back of the envelope shall not be considered a material omission and shall not render his ballot void. For purposes of this chapter, "mail" shall include delivery by a commercial delivery service, but shall not include delivery by a personal courier service or another individual except as provided by §§ 24.2-703.2 and 24.2-705.

B. A mailed absentee ballot shall be returned (i) by mail to the office of the general registrar, (ii) by the voter in person to the general registrar, or (iii) to a drop-off location established pursuant to § 24.2-707.1. For purposes of this subsection, "mail" includes a delivery by a commercial delivery service but does not include delivery by a personal courier service or other individual except as provided by §§ 24.2-703.2 and 24.2-705.

C. Failure to follow the procedures set forth in this section shall render the applicant's ballot void.

§ 24.2-707.1. Drop-off locations for return of absentee ballots.

A. The general registrar of each county or city shall establish at the office of the general registrar and each voter satellite office in operation for an election a drop-off location for the purpose of

allowing the deposit of completed absentee ballots for such election. On the day of the election, there shall also be a drop-off location at each polling place in operation for the election. The general registrar may establish additional drop-off locations within the county or city as he deems necessary. All drop-off locations shall be accessible; be on public property, unless located at a polling place; and otherwise comply with any criteria for drop-off locations set by the Department.

B. The Department shall set standards for the establishment and operation of drop-off locations, including necessary security requirements. The Department shall submit such standards annually by October 1 to the Chairmen of the House and Senate Committees on Privileges and Elections, the Senate Committee on Finance and Appropriations, and the House Committee on Appropriations.

C. Not later than 55 days prior to any election, the general registrar shall post notice of the sites of the drop-off locations in the locality in the office of the general registrar and on the official website of the county or city. Such notice shall remain in the office of the general registrar and on the official website of the county or city for the duration of the period during which absentee ballots may be returned.

D. Absentee ballots shall be collected from drop-off locations in accordance with the instructions provided by the Department. Such instructions shall include chain of custody requirements and recordkeeping requirements. Absentee ballots shall be collected at least daily by (i) two officers of election or electoral board members representing the two major political parties where practicable or (ii) two employees from the office of the general registrar, unless the drop-off location is in the office of the general registrar, in which case the general registrar or an assistant general registrar may collect the absentee ballots.

§ 24.2-709. Ballot to be returned in manner prescribed by law.

A. Any ballot returned to the office of the general registrar or to a drop-off location in any manner except as prescribed by law shall be void. Absentee ballots shall be returned to the general registrar or to a drop-off location before the closing of the polls. Any voter who is in line to return an absentee ballot at a drop-off location by 7:00 p.m. on the day of the election shall be permitted to deposit his absentee ballot. The registrar receiving the ballot shall (i) seal the ballot in an envelope with the statement or declaration of the voter, or both, attached to the outside and (ii) mark on each envelope the date, time, and manner of delivery. No returned absentee ballot shall be deemed void because (a) the inner envelope containing the voted ballot is imperfectly sealed so long as the outside envelope containing the ballot envelope is sealed or (b) it is not returned sealed in the outside envelope so long as it is returned sealed in the inner envelope.

B. Notwithstanding the provisions of subsection A, any absentee ballot (i) returned to the general registrar after the closing of the polls on election day but before noon on the third day after the election and (ii) postmarked on or before the date of the election shall be counted pursuant to the procedures set forth in this chapter if the voter is found entitled to vote. For purposes of this subsection, a postmark shall include any other official indicia of confirmation of mailing by the United States Postal Service or other postal or delivery service.

C. Notwithstanding the provisions of subsection A, any absentee ballot (i) received after the close of the polls on any election day, (ii) received before 5:00 p.m. on the second business day before the State Board meets to ascertain the results of the election pursuant to this title, (iii) requested on or before but not sent by the deadline for making absentee ballots available under § 24.2-612, and (iv) cast by a covered voter, as defined in § 24.2-452, shall be counted pursuant to the procedures set forth in this chapter if the voter is found entitled to vote. The electoral board shall prepare an amended certified abstract, which shall include the results of such ballots, and shall deliver such abstract to the State Board by the business day prior to its meeting pursuant to this title, and shall deliver a copy of such abstract to the general registrar to be available for inspection when his office is open for business.

D. Notwithstanding the provisions of clause (i) of subsection B of § 24.2-427, an absentee ballot returned by a voter in compliance with § 24.2-707 and this section who dies prior to the counting of absentee ballots on election day shall be counted pursuant to the procedures set forth in this chapter if the voter is found to have been entitled to vote at the time that he returned the ballot.

§ 24.2-709.1. Processing returned absentee ballots before election day; cure process.

Each general registrar shall take one or more of the following measures as needed to expedite counting absentee ballots returned by mail before election day: (i) A. On receipt of an absentee ballot returned in person or by mail to the office of the general registrar or to a drop-off location before election day, the general registrar shall mark the date of receipt in the voter's record and shall examine the ballot envelopes envelope to verify completion of the required voter affirmation; (ii) mark the pollbook, or the absentee voter applicant list if the pollbook is not available, that the voter has voted; or (iii) open the sealed ballot envelopes and insert the ballots in optical scan counting equipment or other secure ballot container without initiating any ballot count totals. If the general registrar proceeds to open sealed ballot envelopes as provided in clause (iii), at A voter affirmation statement shall not be deemed

to be incomplete on the sole basis of the voter's failure to provide (i) his full name or his middle initial, as long as the voter provided his full first and last name, or (ii) the date, or any part of the date, including the year, on which he signed the statement.

B. If the voter affirmation has been completed as required, the general registrar may open the sealed ballot envelope and insert the ballot in optical scan counting equipment or other secure ballot container without initiating any ballot count totals. If a general registrar does not choose to do so, the sealed ballot envelope shall be deposited into a secure container provided for such purpose, in which it shall remain until the general registrar initiates the process of opening the sealed ballot envelopes deposited into the secure container and inserting such ballots into optical scan counting equipment without initiating any ballot count totals. Such process shall be at the general registrar's discretion at any time prior to the seventh day immediately preceding the election but shall be mandatory beginning on the seventh day immediately preceding the election.

At least two officers of election, one representing each political party, shall be present during all hours when a general registrar uses the expedited procedures sealed ballot envelopes are opened as authorized in or required by this section subsection. No person present while sealed ballot envelopes are opened and ballots are inserted into counting equipment or other secure ballot container pursuant to clause (iii) shall disclose any information concerning the ballots.

In the event that circumstances prevent a general registrar from complying with the provisions of this subsection, such failure shall not be grounds for contesting the election pursuant to Article 2 (§ 24.2-803 et seq.) of Chapter 8 and shall not invalidate the absentee ballots.

C. For any absentee ballot received by the Friday immediately preceding the day of the election, if the general registrar finds during the examination of the ballot envelope that the required voter affirmation was not correctly or completely filled out or that a procedure required by § 24.2-707 was not properly followed, and such error or failure would render the ballot void by law, the general registrar shall enter into the voter's record in the voter registration system that the absentee ballot has an issue requiring correction in order for it to be counted. This information shall be included on any absentee voter applicant list provided pursuant to subsection C of § 24.2-710.

Within three days of such finding, the registrar shall notify the voter in writing or by email of the error or failure and shall provide information to the voter on how to correct the issue so his ballot may be counted. The voter shall be entitled to make such necessary corrections before noon on the third day after the election, and his ballot shall then be counted pursuant to the procedures set forth in this chapter if he is found to be entitled to vote. No absentee ballot needing correction shall be delivered to the officers of election at the appropriate precinct until the voter is provided the opportunity to make the necessary corrections pursuant to this subsection.

The general registrar may issue a new absentee ballot to the voter if necessary and shall preserve the first ballot with other spoiled ballots.

§ 24.2-710. Absentee voter applicant lists.

On receipt of an absentee ballot, the electoral board or general registrar shall mark the date of receipt in the appropriate column opposite the name and address of the voter on the absentee voter applicant list maintained in the general registrar's office. A board member or registrar shall deposit the return envelope and the unopened ballot envelope in an appropriate container provided for the purpose, in which they shall remain until the day of the election, unless the registrar opts to open sealed ballot envelopes in order to expedite the counting of absentee ballots in accordance with § 24.2-709.1.

A. The provisions of this subsection shall apply only to those localities not using an electronic pollbook. On the day before the election, the general registrar shall (i) make out in triplicate on a form prescribed by the State Board the absentee voter applicant list containing the names of all persons who applied for an absentee ballot through the third day before the election and (ii) by noon on the day before the election, deliver two copies of the list to the electoral board. The general registrar shall make out a supplementary list containing the names of all persons voting absentee in person or applying to vote absentee pursuant to § 24.2-705 for delivery by 5:00 p.m. on the day before the election. The supplementary list shall be deemed part of the absentee voter applicant list and shall be prepared and delivered in accordance with the instructions of the State Board. The general registrar shall maintain one copy of the list in his office for two years as a public record open for inspection upon request during regular office hours.

B. On the day before the election, the electoral board shall deliver one copy of the list provided to it by the general registrar to the chief officer of election for each precinct. The list shall be attested by the secretary of the electoral board who shall be responsible for the delivery of the attested lists to the chief officer of election for each precinct.

Absentee ballots shall be accepted only from voters whose names appear on the attested list.

Before the polls close on the day of the election, the electoral board shall deliver the absentee ballot containers to, and obtain a receipt from, the officers of election at each appropriate precinct. Any ballot

returned to the electoral board or general registrar prior to the closing of the polls, but after the ballot container has been delivered, shall be delivered in an appropriate container to the officers of election at each appropriate precinct. The containers shall be sealed prior to delivery to the officers and shall contain the sealed absentee ballots, the accompanying return envelopes, and a copy of the absentee voter applicant list for each precinct.

If the county or city uses a central absentee voter precinct pursuant to ~~§ 24.2-712~~, the lists and containers shall be delivered, as provided in this section, to the officers of election for the absentee precinct.

Before noon on the day following the election, the general registrar shall deliver all applications for absentee ballots for the election, under seal, to the clerk of the circuit court for the county or city, except that the general registrar may retain all applications for absentee ballots until the electoral board has ascertained the results of the election pursuant to ~~§ 24.2-671~~, and has determined the validity of and counted all provisional ballots pursuant to ~~§ 24.2-653.01~~, at which point all applications shall then be delivered, under seal, to the clerk of the circuit court for the county or city. The clerk shall retain the sealed applications with the counted ballots.

The secretary of the electoral board shall deliver all absentee ballots received after the election to the clerk of the circuit court.

C. Upon request, the State Board shall provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such lists shall be used only for campaign and political purposes. In no event shall any list furnished under this section contain (a) any voter's social security number or any part thereof, (b) any voter's day and month of birth, or (c) the residence address of any voter who has provided a post office box address to be used on public lists pursuant to § 24.2-418.

§ 24.2-711. Duties of electoral board, general registrar, and officers of election.

A. Before the polls open, the officers of election at each precinct shall mark, for each person on the absentee voter applicant list, the letters "AB" (meaning absentee ballot) in the voting record column on the pollbook. The pollbook may be so marked prior to election day by the general registrar, the secretary of the electoral board, or staff under the direction of the general registrar or the secretary, or when the pollbook is produced by the State Board pursuant to § 24.2-404. If the pollbook has been marked prior to election day, before the polls open the officers of election at each precinct shall check the marks for accuracy and make any additions or corrections required.

The chief officer of election shall keep the copy of the absentee voter applicant list in the polling place as a public record open for inspection upon request at all times while the polls are open.

If a voter, whose name appears on the absentee voter applicant list, has not returned an unused ballot and offers to vote in his precinct, the officers of election in the precinct shall determine the matter pursuant to §§ 24.2-653.1 and 24.2-708.

Immediately after the close of the polls, the container of absentee ballots shall be opened by the officers of election. As each ballot envelope is removed from the container, the name of the voter shall be called and checked as if the voter were voting in person. If the voter is found entitled to vote, an officer shall mark the voter's name on the pollbook with the first or next consecutive number from the voter count form, or shall enter that the voter has voted if the pollbook is in electronic form. The ballot envelope shall then be opened, and the ballot deposited in the ballot container without being unfolded or examined. If the voter is found not entitled to vote, the unopened envelope shall be rejected. An unopened envelope shall not be rejected on the sole basis of a voter's failure to provide in the statement on the back of the unopened envelope his full middle name or his middle initial, unless the voter also failed to provide his full first and last name. An unopened envelope shall not be rejected on the sole basis of a voter's failure to provide the date, or any part of the date, including the year, on which he signed the statement printed on the back of the envelope. At least two officers of election, one representing each political party, shall write and sign a statement of the cause for rejection on the envelope or on an attachment to the envelope.

When all ballots have been accounted for and either voted or rejected, the officers shall place the empty ballot envelopes, the return envelopes, and any rejected ballot envelopes, in one envelope provided for the purpose and seal and deliver it with the ballots cast at the election as provided in this title.

B. Before noon on the day following the election, the general registrar shall deliver all applications for absentee ballots for the election, under seal, to the clerk of the circuit court for the county or city, except that the general registrar may retain all applications for absentee ballots until the electoral board has ascertained the results of the election pursuant to § 24.2-671, and has determined the validity of and counted all provisional ballots pursuant to § 24.2-653.01, at which point all applications shall then be delivered, under seal, to the clerk of the circuit court for the county or city. The clerk shall retain the sealed applications with the counted ballots.

C. The secretary of the electoral board shall deliver all absentee ballots received after the election to

the clerk of the circuit court.

§ 24.2-712. Central absentee voter precincts; counting ballots.

A. Notwithstanding any other provision of law, the governing body of each county or city ~~may shall~~ establish one or more central absentee voter precincts in the courthouse or other public buildings for the purpose of receiving, counting, and recording absentee ballots cast in the county or city. ~~The decision to establish any~~ A central absentee voter precinct shall be made by the governing body by ordinance; the ordinance shall state for which elections the precinct shall be used. The decision to abolish any absentee voter precinct shall be made by the governing body by ordinance. Immediate notification of either decision shall be sent to the Department of Elections and the electoral board.

B. Each central absentee voter precinct shall have at least three officers of election as provided for other precincts. The number of officers shall be determined by the electoral board and general registrar.

C. If any voter brings an unmarked ballot to the central absentee voter precinct on the day of the election, he shall be allowed to vote it. If any voter brings an unmarked ballot to the general registrar on or before the day of the election, he shall be allowed to vote it, and his ballot shall be delivered to the absentee voter precinct pursuant to § 24.2-710.

The officers at the absentee voter precinct shall determine any appeal by any other voter whose name appears on the absentee voter applicant list and who offers to vote in person. If the officers at the absentee voter precinct produce records showing the receipt of his application and the certificate or other evidence of mailing for the ballot, they shall deny his appeal. If the officers cannot produce such records, the voter shall be allowed to vote in person at the absentee voter precinct and have his vote counted with other absentee votes. If the voter's appeal is denied, the provisions of § 24.2-708 shall be applicable, and the officers shall advise the voter that he may vote on presentation of a statement signed by him that he has not received an absentee ballot and subject to felony penalties for making false statements pursuant to § 24.2-1016.

D. Absentee ballots ~~may shall~~ be processed as required by § ~~24.2-711~~ 24.2-709.1 by the officers of election at the central absentee voter precinct prior to the closing of the polls.
