2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health; however, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child;

224 A. In the case of a child who was the subject of a foster care plan filed with the court pursuant to
 225 § 16.1-281, a permanency planning hearing shall be held within 10 months of the dispositional hearing
 226 at which the foster care plan pursuant to § 16.1-281 was reviewed if the child (a) was placed through an
 227 agreement between the parents or guardians and the local board of social services where legal custody
 228 remains with the parents or guardians and such agreement has not been dissolved by court order; or (b)
 229 is under the legal custody of a local board of social services or a child welfare agency and has not had
 230 a petition to terminate parental rights filed on the child's behalf, has not been placed in permanent foster
 231 care, or is age 16 or over and the plan for the child is not independent living. The board or child
 232 welfare agency shall file a petition for a permanency planning hearing 30 days prior to the date of the
 233 permanency planning hearing scheduled by the court. The purpose of this hearing is to establish a
 234 permanent goal for the child and either to achieve the permanent goal or to defer such action through
 235 the approval of an interim plan for the child.

236 To achieve the permanent goal, the petition for a permanency planning hearing shall seek to (i)
 237 transfer the custody of the child to his prior family, or dissolve the board's placement agreement and
 238 return the child to his prior family; (ii) transfer custody of the child to a relative other than the child's
 239 prior family or to fictive kin for the purpose of establishing eligibility for the *Federal-Funded Kinship*

If the child has been in the custody of a local board or child welfare agency for 15 of the most recent 22 months and no petition for termination of parental rights has been filed with the court, the local board or child welfare agency shall state in its petition for a permanency planning hearing (a) the reasons, pursuant to subdivision A 1, 2, or 3 of § 63.2-910.2, why a petition for termination of parental rights has not been filed and (b) the reasonable efforts made regarding reunification or transfer of custody to a relative and the timeline of such efforts. In cases in which a foster care plan approved prior to July 1, 2011, includes independent living as the goal for a child who is not admitted to the United States as an asylee or refugee, the petition shall direct the board or agency to provide the child with services to transition from foster care.

For approval of an interim plan, the petition for a permanency planning hearing shall seek to continue custody with the board or agency, or continue placement with the board through a parental agreement; or transfer custody to the board or child welfare agency from the parents or guardian of a child who has been in foster care through an agreement where the parents or guardian retains custody.

Upon receipt of the petition, if a permanency planning hearing has not already been scheduled, the court shall schedule such a hearing to be held within 30 days. The permanency planning hearing shall be held within 10 months of the dispositional hearing at which the foster care plan was reviewed pursuant to § 16.1-281. The provisions of subsection B of § 16.1-282 shall apply to this petition. The procedures of subsection C of § 16.1-282 and the provisions of subsection G of § 16.1-282 shall apply to the scheduling and notice of proceedings under this section.

A1. The following requirements shall apply to the transfer of custody of the child to a relative other than the child's prior family or to fictive kin for the purpose of establishing eligibility for the Federal-Funded Kinship Guardianship Assistance program pursuant to § 63.2-1305 or the State-Funded Kinship Guardianship Assistance program pursuant to § 63.2-1306 in accordance with the provisions of clause (ii) of subsection A. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide, as appropriate, for any terms or conditions which would promote the child's interest and welfare.

A2. The following requirements shall apply to the selection and approval of placement in another planned permanent living arrangement as the permanent goal for the child in accordance with clause (vi) of subsection A:

1. The board or child welfare agency shall petition for alternative (vi) of subsection A only if the child has a severe and chronic emotional, physical or neurological disabling condition for which the child requires long-term residential treatment; and the board or child welfare agency has thoroughly investigated the feasibility of the alternatives listed in clauses (i) through (v) of subsection A and determined that none of those alternatives is in the best interests of the child. In a foster care plan filed with the petition pursuant to this section, the board or agency shall document the following: (i) the investigation conducted of the placement alternatives listed in clauses (i) through (v) of subsection A and why each of these is not currently in the best interest of the child; (ii) at least one compelling reason why none of the alternatives listed in clauses (i) through (v) is achievable for the child at the time placement in another planned permanent living arrangement is selected as the permanent goal for the child; (iii) the identity of the long-term residential treatment service provider; (iv) the nature of the child's disability; (v) the anticipated length of time required for the child's treatment; and (vi) the status of the child's eligibility for admission and long-term treatment. The court shall ensure that the local department has documentation of the intensive, ongoing, and, as of the date of the hearing, unsuccessful efforts made to return the child home or secure a placement for the child with a fit and willing relative, including adult siblings, or an adoptive parent, including through efforts that utilize search technology, including social media, to find the child's biological family members. The court shall ask the child about the child's desired permanency outcome and make a judicial determination, accompanied by an explanation of the reasons that the alternatives listed in clauses (i) through (iii) of subsection A continue to not be in the best interest of the child.

2. Before approving alternative (vi) of subsection A as the plan for the child, the court shall find (i) that the child has a severe and chronic emotional, physical or neurological disabling condition; (ii) that the child requires long-term residential treatment for the disabling condition; and (iii) that none of the alternatives listed in clauses (i) through (v) of subsection A is achievable for the child at the time placement in another planned permanent living arrangement is approved as the permanent goal for the child. If the board or agency petitions for alternative (vi), alternative (vi) may be approved by the court for a period of six months at a time.

3. At the conclusion of the permanency planning hearing, if alternative (vi) of subsection A is the permanent plan, the court shall schedule a hearing to be held within six months to review the child's placement in another planned permanent living arrangement in accordance with subdivision A2 4. All parties present at the hearing at which clause (vi) of subsection A is approved as the permanent plan for the child shall be given notice of the date scheduled for the foster care review hearing. Parties not present shall be summoned to appear as provided in § 16.1-263. Otherwise, this subsection A2 shall govern the scheduling and notice for such hearings.

4. The court shall review a foster care plan for any child who is placed in another planned permanent living arrangement every six months from the date of the permanency planning hearing held pursuant to this subsection, so long as the child remains in the legal custody of the board or child welfare agency. The board or child welfare agency shall file such petitions for review pursuant to the provisions of § 16.1-282 and shall, in addition, include in the petition the information required by subdivision A2 1. The petition for foster care review shall be filed no later than 30 days prior to the hearing scheduled in accordance with subdivision A2 3. At the conclusion of the foster care review hearing, if alternative (vi) of subsection A remains the permanent plan, the court shall enter an order that states whether reasonable efforts have been made to place the child in a timely manner in accordance with the permanency plan and to monitor the child's status in another planned permanent living arrangement.

However, if at any time during the six-month approval periods permitted by this subsection, a determination is made by treatment providers that the child's need for long-term residential treatment for the child's disabling condition is eliminated, the board or agency shall immediately begin to plan for post-discharge services and shall, within 30 days of making such a determination, file a petition for a permanency planning hearing pursuant to subsection A. Upon receipt of the petition, the court shall schedule a permanency planning hearing to be held within 30 days. The provisions of subsection B of § 16.1-282 shall apply to this petition. The procedures of subsection C of § 16.1-282 and the provisions of subsection G of § 16.1-282 shall apply to proceedings under this section.

A3. The following requirements shall apply to the selection and approval of permanent foster care pursuant to clause (iv) of subsection A:

1. The court shall ensure that the local department has documentation of the intensive, ongoing, and, as of the date of the hearing, unsuccessful efforts made to return the child home or secure a placement for the child with a fit and willing relative, including adult siblings, or an adoptive parent, including through efforts that utilize search technology, including social media, to find the child's biological family members.

2. The court shall ask the child about the child's desired permanency outcome and make a judicial determination, accompanied by an explanation of the reasons that the alternatives listed in clauses (i) through (iii) of subsection A continue to not be in the best interest of the child.

B. The following requirements shall apply to the selection and approval of an interim plan for the child in accordance with subsection A:

1. The board or child welfare agency shall petition for approval of an interim plan only if the board or child welfare agency has thoroughly investigated the feasibility of the alternatives listed in clauses (i) through (v) of subsection A and determined that none of those alternatives is in the best interest of the child. If the board or agency petitions for approval of an interim plan, such plan may be approved by the court for a maximum period of six months. The board or agency shall also file a foster care plan that (i) identifies a permanent goal for the child that corresponds with one of the alternatives specified in clauses (i) through (v) of subsection A; (ii) includes provisions for accomplishing the permanent goal within six months; and (iii) summarizes the investigation conducted of the alternatives listed in clauses (i) through (v) of subsection A and why achieving each of these is not in the best interest of the child at this time. The foster care plan shall describe the child's placement, including the in-state and out-of-state placement options and whether the child's placement is in state or out of state. If the child's placement is out of state, the foster care plan shall provide the reason why the out-of-state placement is appropriate and in the best interests of the child.

2. Before approving an interim plan for the child, the court shall find:

a. When returning home remains the plan for the child, that the parent has made marked progress toward reunification with the child, the parent has maintained a close and positive relationship with the

child, and the child is likely to return home within the near future, although it is premature to set an exact date for return at the time of this hearing; or

b. When returning home is not the plan for the child, that marked progress is being made to achieve the permanent goal identified by the board or child welfare agency and that it is premature to set an exact date for accomplishing the goal at the time of this hearing. The court shall consider the in-state and out-of-state placement options, and if the child has been placed out of state, determine whether the out-of-state placement is appropriate and in the best interests of the child.

3. Upon approval of an interim plan, the court shall schedule a hearing to be held within six months to determine that the permanent goal is accomplished and to enter an order consistent with alternative (i), (ii), (iii), (iv), or (v) of subsection A. All parties present at the initial permanency planning hearing shall be given notice of the date scheduled for the second permanency planning hearing. Parties not present shall be summoned to appear as provided in § 16.1-263. Otherwise, subsection A shall govern the scheduling and notice for such hearings.

C. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

However, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child. Further, a decision by parents who have legal authority for the child or, in the absence of parents with legal authority for the child, any person with legal authority for the child, who refuses a particular medical treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child; (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the subject of his medical treatment; (iii) the parents or other person with legal authority and the child have considered alternative treatment options; and (iv) the parents or other person with legal authority and the child believe in good faith that such decision is in the child's best interest. Nothing in this subdivision shall be construed to limit the provisions of § 16.1-278.4;

3. Whose parents or other person responsible for his care abandons such child;

4. Whose parents or other person responsible for his care commits or allows to be committed any act of sexual exploitation or any sexual act upon a child in violation of the law;

defined in § 55.1-2000, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a Tier III offender pursuant to § 9.1-902; or

5. Assurance that the agreement shall remain in effect without regard to the state of residency of the kinship guardian.

E. A kinship guardianship assistance payment on behalf of a child pursuant to this section shall not exceed the foster care maintenance payment that would have been paid on behalf of the child had the child remained in a foster family home.

F. The Board shall promulgate regulations for the *Federal-Funded Kinship Guardianship Assistance* program that are necessary to comply with Title IV-E requirements, including those set forth in 42 U.S.C. § 673. The regulations may set forth qualifications for kinship guardians, the conditions under which a kinship guardianship may be established, the requirements for the development and amendment of a kinship guardianship assistance agreement, and the manner of payments on behalf of siblings placed in the same household.

§ 63.2-1306. State-Funded Kinship Guardianship Assistance program.

A. The State-Funded Kinship Guardianship Assistance program is established to facilitate placements with relatives and ensure permanency for children in foster care. Kinship guardianship assistance payments may include state-funded maintenance payments made pursuant to this section.

B. A child is eligible for kinship guardianship assistance under the program if:

1. The child has been removed from his home pursuant to a voluntary placement agreement or as a result of a judicial determination that continuation in the home would be contrary to the welfare of the child;

2. The child has been in the custody of the local department for at least 90 days;

3. The child demonstrates a strong attachment to the prospective kinship guardian, and the prospective kinship guardian has a strong commitment to caring permanently for the child;

4. The child has been consulted regarding the kinship guardianship if the child is 14 years of age or older;

5. The requirements for a transfer of custody of the child to the prospective kinship guardian for the purpose of establishing eligibility for the State-Funded Kinship Guardianship program set forth in subsection A1 of § 16.1-282.1 have been met; and

6. The child is not eligible for the Federal-Funded Kinship Guardianship Assistance program set forth in § 63.2-1305.

C. If a child does not meet the eligibility criteria set forth in subsection B but has a sibling who meets such criteria, the child may be placed in the same kinship guardianship with his eligible sibling if the local department and kinship guardian agree that such placement is appropriate. In such cases, kinship guardianship assistance may be paid on behalf of each sibling so placed.

D. A prospective kinship guardian is eligible for kinship guardianship assistance under the program if he:

1. Completes the relative foster home approval process; or

2. Qualifies for a waiver from one or more components of such process pursuant to Board regulations, completes a background check and has not been convicted of any barrier crime as outlined in 42 U.S.C. § 671(a)(20), and completes a home study in accordance with § 63.2-904.

E. In order to receive payments pursuant to the Children's Services Act (§ 2.2-5200 et seq.), the local department and the prospective kinship guardian of a child who meets the requirements of subsection B shall enter into a written kinship guardianship assistance agreement with the Department and containing terms providing for the following:

1. The amount of each kinship guardianship assistance payment, the manner in which such payments will be provided, and the manner in which such payments may be adjusted periodically, in consultation with the kinship guardian, on the basis of the circumstances of the kinship guardian and the needs of the child; and

2. Assurance that the agreement shall remain in effect without regard to the state of residency of the kinship guardian.

F. For purposes of this section, "relative" means an adult who is (i) related to the child by blood, marriage, or adoption or (ii) fictive kin of the child.

2. The Board of Social Services (the Board) shall promulgate regulations to implement the provisions of this act. Such regulations shall include conditions for establishing a kinship guardianship, requirements for the development and amendment of a kinship guardianship assistance agreement, and circumstances that qualify a prospective kinship guardian for exemption from the relative foster home approval process. The Board's initial adoption of regulations necessary to implement the provisions of this act shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq. of the Code of Virginia), except that the Board shall provide an opportunity for public comment on the regulations prior to adoption.
