3. Committee: Passed Both Houses

4. Title: Polling places; prohibited activities; unlawful possession of a firearm; penalty.

5. Summary: Prohibits any person from knowingly possessing a firearm within 40 feet of any building, or part thereof, used as a polling place, including one hour before and one hour after its use as a polling place, except for (i) a qualified law-enforcement officer or retired law-enforcement officer, (ii) any person occupying his own private property that falls within 40 feet of the polling place, or (iii) a licensed armed security officer whose employment or performance of his duties occurs within 40 feet of the polling place. The bill further provides that no person shall knowingly possess a firearm within 40 feet of a meeting place for the local electoral board while the electoral board meets to ascertain the results of an election or any place used as the setting for a recount. A violation of the provisions of the bill is a Class 1 misdemeanor.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: See Item 8.

8. Fiscal Implications: The Department of Elections indicates that the proposed legislation is not expected to have a state fiscal impact.

The bill modifies current law associated with actions that are punishable with Class 1 misdemeanors. Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail and a fine of not more than \$2,500, either or both.

There is not enough information available to reliably estimate the increase in jail population as a result of this proposal. However, any increase in jail population will increase costs to the state. The Commonwealth currently pays the localities \$4.00 a day for each misdemeanant or otherwise local-responsible prisoner held in a jail. It also funds a large portion of the jails' operating costs, e.g. correctional officers. The state's share of these costs varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2020), the estimated total state support for local jails averaged \$34.59 per inmate, per day in FY 2019.

9. Specific Agency or Political Subdivisions Affected: Virginia Department of Elections, State Board of Elections, General Registrars, and localities.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
