4. Title: Aging services; social need.

5. Summary: The enrolled bill requires the Department for Aging and Rehabilitative Services to use available resources to provide services to older persons with the greatest economic needs and those with the greatest social needs. The proposal defines "economic need" as the need resulting from an income level at or below the poverty line. Further, "social need" is defined as the need caused by noneconomic factors, including (i) physical and mental disabilities, which include developmental disabilities and human immunodeficiency virus; (ii) language barriers; and (iii) cultural, social, or geographic isolation, including that which is related to a history of discrimination for factors such as racial or ethnic status, gender identity, gender expression, or sexual orientation that can affect an individual's ability to perform normal daily tasks or threatens such individual's capacity to live independently.
