Funds shall be awarded proportionally based on total arrearages of residential utility customer accounts over 60 days in arrears as of August 31, 2021. The Director, Department of Planning and Budget shall distribute funds to the State Corporation Commission within 30 days of the passage of this act. Utilities shall reflect the direct assistance payment on an eligible customer's monthly bill, after the funds are applied to the customer's account. Should the application of any assistance render a customer due a balance necessitating a cash refund payable to the customer, such assistance shall be proportionally reduced as to achieve a zero balance.

d) For the purposes of this appropriation, utilities include electric companies subject to regulation of the State Corporation Commission, natural gas suppliers subject to the regulation of the Commission, electric and gas municipal utilities, and water suppliers and wastewater service providers, subject to the regulation of Commission or constituting a municipal utility. Notwithstanding the provisions of this paragraph, a utility does not include any Phase II utility subject to the regulation of the State Corporation Commission.

e) The Department of Housing and Community Development shall survey municipal utilities to determine the amount of unspent utility assistance funds previously provided under the Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136), as well as the level of outstanding customer arrearages as of August 31, 2021, from March 12, 2020. The information collected shall include the number and value of accounts that are at least 60 days in arrears disaggregated by residential, business, and industrial users. Utilities not subject to the regulation of the State Corporation Commission shall submit the required information to the Department in a timely manner. The Department shall submit a report on its findings to the Governor and the Chairs of the House Appropriations Committee and Senate Finance and Appropriations Committee by November 1, 2021.

f) The State Corporation Commission shall survey jurisdictional utilities to determine the amount of unspent utility assistance funds previously provided under the Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136), as well as the level of outstanding customer arrearages as of August 31, 2021, from March 12, 2020. The information collected shall include the number and value of accounts that are at least 60 days in arrears disaggregated by residential, business, and industrial users. Utilities subject to the regulation of the State Corporation Commission shall submit the required information to the Commission in a timely manner. The Commission shall submit a report on its findings to the Governor and the Chairs of the House Appropriations Committee and Senate Finance and Appropriations Committee by November 1, 2021.

864 by the 2022 General Assembly, to re-invest general fund dollars freed-up by the enhanced federal match
865 on home and community based services (HCBS). These strategies should enhance the Commonwealth's
866 HCBS by creating capacity to meet the growing demand for HCBS and support structural changes
867 needed to strengthen the HCBS systems. In addition, DMAS shall work with the Department of
868 Behavioral Health and Developmental Services and the Centers for Medicaid and Medicare Services to
869 identify any opportunities to use HCBS reinvestment dollars to divert individuals who are at risk of
870 institutionalization in state facilities. DMAS shall prioritize those strategies that do not require

significant on-going obligations or rely on rate increases. § 3-5.23 CORPORATE INCOME TAX INFORMATIONAL REPORTING

A.1. Corporations that are members of a unitary business must file a report, in a manner prescribed by the Tax Commissioner, for the unitary combined group containing the unitary combined net income of such group. The report shall be based on taxable year 2019 computations and include, at a minimum the difference in tax owed as a result of filing a unitary combined report, computed according to the method or methods specified by the Tax Commissioner, compared to the tax owed under the current filing requirements.

2. "Unitary business" means a single economic enterprise made up either of separate parts of a single business entity or of a commonly controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide a synergy and mutual benefit that produces a sharing or exchange of value among them and a significant flow of value to the separate parts. A "unitary business" includes that part of the business that meets the definition in this section and is conducted by a taxpayer through the taxpayer's interest in a partnership, whether the interest in that partnership is held directly or indirectly through a series of partnerships or other pass-through entities. A "unitary business" shall not include persons subject to, or that would be subject to if doing business in the Commonwealth, the insurance premiums license tax under Chapter 25 (§ 58.1-2500 et seq.), Code of Virginia, or the bank franchise tax under Chapter 12 (§ 58.1-1200 et seq.)

If a foreign corporation is includible as a member in the unitary combined group, to the extent that such foreign corporation's income is subject to the provisions of a federal income tax treaty, such

932 income is not includible in the unitary combined group net income. Such member shall also not include
933 in the unitary combined report any expenses or apportionment factors attributable to income that is
934 subject to the provisions of a federal income tax treaty. For purposes of this paragraph, "federal income
935 tax treaty" means a comprehensive income tax treaty between the United States and a foreign
936 jurisdiction, other than a foreign jurisdiction which the organization for economic co-operation and
937 development has determined has not committed to the internationally agreed tax standard, or has
938 committed to the international agreed tax standard but has not yet substantially implemented that
939 standard, as identified in the then-current organization for economic co-operation and development
940 progress report.

941 B. Any corporation required to submit such report to the Department of Taxation that fails to do so
942 on or before July 1, 2021, or that makes a material omission or misstatement in connection with such a
943 report shall be subject to a penalty of \$10,000. The Tax Commissioner shall have the authority to waive
944 such penalty upon a determination that the requirement would cause an undue hardship. All requests for
945 a waiver shall be transmitted to the Tax Commissioner in writing.

946 C. *The Tax Commissioner shall on or before December 1, 2021, based on the information provided*
947 *in income tax returns and the data submitted under this section, submit a report to the Chair of the*

952 15. That the provisions of § 18.2-422 of the Code of Virginia shall not apply to a person wearing a
953 mask to prevent the spread of COVID-19.

954 16.a. That upon enactment of this act and through June 30, 2022, no landlord shall terminate a
955 residential tenancy, or take any action to obtain possession of a dwelling unit, for nonpayment of
956 rent, if the eligible tenant has qualified for unemployment benefits or experienced a reduction in
957 household income, incurred significant costs, or experienced other financial hardship during or
958 due, directly or indirectly, to the coronavirus pandemic, except as follows:

959 1. If rent is unpaid when due, or if a payment under the terms of a payment plan is unpaid when
960 due, the landlord shall, pursuant to § 55.1-1202, Code of Virginia, serve a written notice on the
961 tenant that informs the tenant of the Virginia Rent Relief Program and provides the website
962 address and statewide telephone number for that program. The written notice shall also provide
963 information on how to reach 2-1-1 Virginia to determine whether there are any other available
964 federal, state and local rent relief programs.

965 2. The written notice shall also inform the tenant that the owner, landlord, or owner's licensed
966 agent shall apply for rental assistance on the tenant's behalf within 14 days of serving the notice
967 on the tenant, unless the tenant pays in full, enters into a payment plan pursuant to subsection F
968 of § 55.1-1245 of the Code of Virginia or informs the landlord that they have already applied for
969 rental assistance. The landlord shall apply for rental assistance on behalf of the tenant no later
970 than 14 days after serving the written notice on the tenant, unless they receive the full amount
971 owed by the tenant or confirmation from the tenant that the tenant has applied for rental
972 assistance before the 14th day, or they have entered into a payment plan pursuant to subsection F
973 of § 55.1-1245 of the Code of Virginia with the tenant. If the tenant has applied for rental
974 assistance, the landlord shall cooperate with the tenant's application, by providing all information
975 and documentation required to complete the application, including but not limited to the W-9
976 form and any supporting affidavits. In an initial application, if the landlord or the tenant does not
977 receive written approval from the Virginia Rent Relief Program or any other federal, state, or
978 local rent relief program within forty-five days of when a completed application for assistance is
979 made by the tenant or the landlord, the landlord may proceed to obtain possession of the premise
980 as provided in § 55.1-1251. For any subsequent application, if the landlord or tenant does not
981 receive written approval from the Virginia Rent Relief Program or any other federal, state, or
982 local rent relief program within fourteen days of submission of the subsequent completed
983 application, the landlord may proceed to obtain possession of the premises as provided in
984 § 55.1-1251. If a tenant who has not paid in full or entered into a payment plan pursuant to
985 subsection F of § 55.1-1245 of the Code of Virginia with the landlord within 14 days after the
986 written notice is served refuses to apply for rental assistance and also refuses to cooperate with the
987 landlord in providing information and documentation required to complete the application made
988 by the landlord, or if such tenant is determined ineligible for rental assistance, or there are no
989 longer funds available through the Coronavirus Aid, Relief, and Economic Security (CARES) Act
990 (P.L. 116-136) and from the American Rescue Plan Act of 2021 (ARPA) (P.L. 117-2) for rental
991 assistance through the Virginia Rent Relief program, the landlord may take action to obtain
992 possession of the tenant's dwelling unit as provided in § 55.1-1251, Code of Virginia.

993 b. If a landlord reports to a consumer reporting agency or debt collector regarding a tenant who

994 is participating in the repayment plan or receiving assistance from a federal, state, or local rent
 995 relief program, the landlord shall report the account as "current" in accordance with the Public
 996 Law 116-136: Coronavirus Aid, Relief, and Economic Security Act.
 997 c. If a tenant is complying with a written payment plan with the landlord or has resolved any
 998 non-payment of rent, the landlord cannot take any action to obtain possession of a dwelling unit
 999 for non-payment of rent.
 1000 d. Nothing in this section relieves either the landlord or the tenant from their obligations to
 1001 maintain the dwelling as those obligations are set forth in Article 2 and Article 3 of Chapter 12 of
 1002 Title 55.1.
 1003 e. Nothing in this section shall void any judgment for possession validly obtained by a landlord
 1004 prior to the effective date of this act; however, a landlord shall not initiate, maintain, or advance
 1005 any legal process to obtain possession of a dwelling unit for non-payment of the rent unless the
 1006 landlord complies with the provisions of this section.
 1007 f. Notwithstanding any other language to the contrary, should the Governor declare a state of
 1008 emergency pursuant to § 44-146.17 of the Code of Virginia in response to a communicable disease
 1009 of public health threat as defined in § 44-146.16 of the Code of Virginia, and if that declaration
 1010 specifically provides that the eighth enactment of Chapter 552 of the Acts of Assembly Special
 1011 Session I shall supersede the language set forth in enactment sixteen of this act then this sixteenth
 1012 enactment shall not be effective so long as such a declared state of emergency remains in effect.
 1013 17.a. That notwithstanding any other provision of law, any permanent or interim legislative study
 1014 or advisory commission, committee, or subcommittee, other than a standing committee of the
 1015 General Assembly to which bills and resolutions are referred during a legislative session pursuant
 1016 to Article IV, Section 11 of the Constitution of Virginia, or any executive advisory board or
 1017 council may conduct a meeting by electronic communications means without a quorum of the
 1018 public body physically assembled at one location if the meeting is being held solely to receive
 1019 presentations, updates, public comment, or conduct other forms of information gathering. If a
 1020 quorum is not physically assembled, the commission, committee, subcommittee, board, or council
 1021 shall not take any votes or make any formal recommendations at such meeting.
 1022 b. Any entity meeting in accordance with this enactment shall comply with all other requirements

 1027 the Code of Virginia, the provisions of item 4-0.01.g. of Chapter 552 of the 2021 Special Session I
 1028 shall govern the conduct of meetings.
