2022 SESSION

22104894D 1 HOUSE BILL NO. 1207 2 AMENDMENT IN THE NATURE OF A SUBSTITUTE 3 (Proposed by the House Committee on Health, Welfare and Institutions 4 on February 8, 2022) 5 (Patron Prior to Substitute—Delegate Roem) 6 A BILL to amend and reenact §§ 51.5-150, 64.2-2019, and 64.2-2020 of the Code of Virginia, relating 7 to Department for Aging and Rehabilitative Services; training; powers and duties of guardian; 8 annual reports by guardians; information required. Q Be it enacted by the General Assembly of Virginia: 1. That §§ 51.5-150, 64.2-2019, and 64.2-2020 of the Code of Virginia are amended and reenacted 10 11 as follows: § 51.5-150. Powers and duties of the Department with respect to public guardian and 12 conservator program and court-appointed guardians for incapacitated adults. 13 14 A. The Department shall fund from appropriations received for such purpose a statewide system of 15 local or regional public guardian and conservator programs. 16 B. The Department shall, with respect to the public guardian and conservator programs: 17 1. Make and enter into all contracts necessary or incidental to the performance of its duties and in furtherance of the purposes as specified in this article in conformance with the Public Procurement Act 18 19 (§ 2.2-4300 et seq.); 20 2. Contract with local or regional public or private entities to provide services as guardians and conservators operating as local or regional Virginia public guardian and conservator programs in those cases in which a court, pursuant to §§ 64.2-2010 and 64.2-2015, determines that a person is eligible to 21 22 23 have a public guardian or conservator appointed; 24 3. Adopt reasonable regulations in accordance with the Administrative Process Act (§ 2.2-4000 et seq.) as appropriate to implement, administer, and manage the state and local or regional programs 25 26 authorized by this article, including, but not limited to, the adoption of: 27 a. Minimum training and experience requirements for volunteers and professional staff of the local 28 and regional programs; 29 b. An ideal range of staff to client ratios for the programs, and adoption of procedures to be 30 followed whenever a local or regional program falls below or exceeds the ideal range of staff to client 31 ratios, which shall include, but not be limited to, procedures to ensure that services shall continue to be 32 available to those in need and that appropriate notice is given to the courts, sheriffs, where appropriate, 33 and the Department; 34 c. Procedures governing disgualification of any program falling below or exceeding the ideal range of 35 staff to client ratios, which shall include a process for evaluating any program that has exceeded the 36 ratio to assess the effects falling below or exceeding the ideal range of ratios has, had, or is having upon 37 the program and upon the incapacitated persons served by the program. 38 The regulations shall require that evaluations occur no less frequently than every six months and 39 shall continue until the staff to client ratio returns to within the ideal range; and 40 d. Person-centered practice procedures that shall: 41 (1) Focus on the preferences and needs of the individual receiving public guardianship services; and 42 (2) Empower and support the individual receiving public guardianship services, to the extent feasible, in defining the direction for his life and promoting self-determination and community involvement. 43 44 4. Establish procedures and administrative guidelines to ensure the separation of local or regional 45 Virginia public guardian and conservator programs from any other guardian or conservator program operated by the entity with whom the Department contracts, specifically addressing the need for 46 47 separation in programs that may be fee-generating; **48** 5. Establish recordkeeping and accounting procedures to ensure that each local or regional program 49 (i) maintains confidential, accurate, and up-to-date records of the personal and property matters over 50 which it has control for each incapacitated person for whom it is appointed guardian or conservator and 51 (ii) files with the Department an account of all public and private funds received; 6. Establish criteria for the conduct of and filing with the Department and as otherwise required by 52 53 law: values history surveys, annual decisional accounting and assessment reports, the care plan designed 54 for the incapacitated person, and such other information as the Department may by regulation require; 55 7. Establish criteria to be used by the local and regional programs in setting priorities with regard to 56 services to be provided; 57 8. Take such other actions as are necessary to ensure coordinated services and a reasonable review of all local and regional programs; 58 59 9. Maintain statistical data on the operation of the programs and report such data to the General

60 Assembly on or before January 1 of each even-numbered year as provided in the procedures of the 61 Division of Legislative Automated Systems for the processing of legislative documents regarding the status of the Virginia Public Guardian and Conservator Program and the identified operational needs of 62 63 the program. Such report shall be posted on the Department's website. In addition, the Department shall 64 enter into a contract with an appropriate research entity with expertise in gerontology, disabilities, and 65 public administration to conduct an evaluation of local public guardian and conservator programs from 66 funds specifically appropriated and allocated for this purpose, and the evaluator shall provide a report with recommendations to the Department and to the Public Guardian and Conservator Advisory Board 67 established pursuant to § 51.5-149.1. Trends identified in the report, including the need for public 68 69 guardians, conservators, and other types of surrogate decision-making services, shall be presented to the 70 General Assembly. The Department shall request such a report from an appropriate research entity every 71 four years, provided the General Assembly appropriates funds for that purpose; and

10. Recommend appropriate legislative or executive actions.

73 C. Nothing in this article shall prohibit the Department from contracting pursuant to subdivision B 2 74 with an entity that may also provide privately funded surrogate decision-making services, including 75 guardian and conservator services funded with fees generated by the estates of incapacitated persons, provided such private programs are administered by the contracting entity entirely separately from the 76 local or regional Virginia public guardian and conservator programs, in conformity with regulations 77 78 established by the Department in that respect.

D. In accordance with the Public Procurement Act (§ 2.2-4300 et seq.) and recommendations of the 79 80 Public Guardian and Conservator Advisory Board, the Department may contract with a not-for-profit 81 private entity that does not provide services to incapacitated persons as guardian or conservator to administer the program, and, if it does, the term "Department" when used in this article shall refer to the 82 83 contract administrator.

84 E. The Department shall develop and provide training for guardians pursuant to Chapter 20 85 (§ 64.2-2000 et seq.) of Title 64.2, which shall include training on the responsibilities and duties of 86 guardians, how to complete annual guardianship reports, how to involve and encourage participation of 87 incapacitated adults in decisions made by such guardians, medical advocacy, and decision-making on 88 behalf of other persons. 89

§ 64.2-2019. Duties and powers of guardian.

90 A. A guardian stands in a fiduciary relationship to the incapacitated person for whom he was 91 appointed guardian and may be held personally liable for a breach of any fiduciary duty to the 92 incapacitated person. A guardian shall not be liable for the acts of the incapacitated person unless the 93 guardian is personally negligent. A guardian shall not be required to expend personal funds on behalf of 94 the incapacitated person.

95 B. A guardian's duties and authority shall not extend to decisions addressed in a valid advance 96 directive or durable power of attorney previously executed by the incapacitated person. A guardian may 97 seek court authorization to revoke, suspend, or otherwise modify a durable power of attorney, as 98 provided by the Uniform Power of Attorney Act (§ 64.2-1600 et seq.). Notwithstanding the provisions of 99 the Health Care Decisions Act (§ 54.1-2981 et seq.) and in accordance with the procedures of 100 § 64.2-2012, a guardian may seek court authorization to modify the designation of an agent under an 101 advance directive, but the modification shall not in any way affect the incapacitated person's directives 102 concerning the provision or refusal of specific medical treatments or procedures.

C. A guardian shall maintain sufficient contact with the incapacitated person to know of his 103 104 capabilities, limitations, needs, and opportunities. The guardian shall visit the incapacitated person as 105 often as necessary.

106 D. A guardian shall be required to seek prior court authorization to change the incapacitated person's 107 residence to another state, to terminate or consent to a termination of the person's parental rights, or to 108 initiate a change in the person's marital status.

109 E. A guardian shall, to the extent feasible, encourage the incapacitated person to participate in 110 decisions, to act on his own behalf, and to develop or regain the capacity to manage personal affairs. A 111 guardian, in making decisions, shall consider the expressed desires and personal values of the 112 incapacitated person to the extent known and shall otherwise act in the incapacitated person's best 113 interest and exercise reasonable care, diligence, and prudence. A guardian shall not unreasonably restrict 114 an incapacitated person's ability to communicate with, visit, or interact with other persons with whom 115 the incapacitated person has an established relationship.

116 E1. A guardian and any staff employed or contracted by such guardian to perform guardianship duties on behalf of the guardian shall complete the training developed by the Department for Aging and 117 Rehabilitative Services pursuant to subsection E of § 51.5-150 within four months of the date of entry of the initial order of appointment pursuant to § 64.2-2009, unless such training was completed within the 118 119 120 past 12 months in conjunction with another guardianship appointment made pursuant to § 64.2-2009.

No guardian shall be required to complete such training more frequently than once every 36 months. 121

HB1207H1

3 of 4

122 F. A guardian shall have authority to make arrangements for the funeral and disposition of remains, 123 including cremation, interment, entombment, memorialization, inurnment, or scattering of the cremains, 124 or some combination thereof, if the guardian is not aware of any person that has been otherwise 125 designated to make such arrangements as set forth in § 54.1-2825. A guardian shall have authority to 126 make arrangements for the funeral and disposition of remains after the death of an incapacitated person 127 if, after the guardian has made a good faith effort to locate the next of kin of the incapacitated person to 128 determine if the next of kin wishes to make such arrangements, the next of kin does not wish to make 129 the arrangements or the next of kin cannot be located. Good faith effort shall include contacting the next 130 of kin identified in the petition for appointment of a guardian. The funeral service licensee, funeral 131 service establishment, registered crematory, cemetery, cemetery operator, or guardian shall be immune 132 from civil liability for any act, decision, or omission resulting from acceptance of any dead body for 133 burial, cremation, or other disposition when the provisions of this section are met, unless such acts, 134 decisions, or omissions resulted from bad faith or malicious intent.

§ 64.2-2020. Annual reports by guardians.

136 A. A guardian shall file an annual report in compliance with the filing deadlines in § 64.2-1305 with 137 the local department of social services for the jurisdiction where the incapacitated person then resides. 138 The annual report shall be on a form prepared by the Office of the Executive Secretary of the Supreme 139 Court and shall be accompanied by a filing fee of \$5. To the extent practicable, the annual report shall 140 be formatted in a manner to encourage standardized and detailed responses from guardians. The local 141 department shall retain the fee in the jurisdiction where the fee is collected for use in the provision of 142 services to adults in need of protection. Within 60 days of receipt of the annual report, the local 143 department shall file a copy of the annual report with the clerk of the circuit court that appointed the 144 guardian, to be placed with the court papers pertaining to the guardianship case. Twice each year the 145 local department shall file with the clerk of the circuit court a list of all guardians who are more than 90 146 days delinquent in filing an annual report as required by this section. If the guardian is also a 147 conservator, a settlement of accounts shall also be filed with the commissioner of accounts as provided 148 in § 64.2-1305.

B. The annual report to the local department of social services shall include:

150 1. A description of the current mental, physical, and social condition of the incapacitated person, 151 including any change in diagnosis or assessment of any such condition of such incapacitated person by 152 any medical provider since the last report;

153 2. A description of the incapacitated person's living arrangements during the reported period, 154 including a specific assessment of the adequacy of such living arrangement;

155 3. The medical, educational, vocational, social, recreational, and any other professional services and 156 activities provided to the incapacitated person and the guardian's opinion as to the adequacy of the 157 incapacitated person's care. The information required by this subdivision shall include (i) the specific 158 names of the medical providers that have treated the incapacitated person and a description of the frequency or number of times the incapacitated person was seen by such providers; (ii) the date and 159 160 location of and reason for any hospitalization of such incapacitated person; and (iii) a description of 161 the educational, vocational, social, and recreational activities in which such incapacitated person 162 *participated*;

163 4. A statement of the frequency and nature of the guardian's visits with and activities on behalf of 164 the incapacitated person; 165

5. A statement of whether the guardian agrees with the current treatment or habilitation plan;

166 6.5. Whether the incapacitated person has been an alleged victim in a report of abuse, neglect, or exploitation made pursuant to Article 2 (§ 63.2-1603 et seq.) of Chapter 16 of Title 63.2, to the extent 167 168 known, and any other indications of abuse, neglect, or exploitation of such incapacitated person;

169 6. A recommendation as to the need for continued guardianship, and any recommended changes in 170 the scope of the guardianship, and any other information useful in the opinion of the guardian; and

171 7. The names of any persons whose access to communicate, visit, or interact with the incapacitated 172 person has been restricted, the reasons for such restriction, and a statement of whether the 173 incapacitated person has been informed of the restriction;

174 8. A self-assessment by the guardian as to whether he feels able to continue to carry out the powers 175 and duties imposed upon him by § 64.2-2019 and as specified in the court's order of appointment 176 pursuant to § 64.2-2009;

177 9. A statement as to whether the guardian has completed the training required by subsection E1 of § 64.2-2019: 178

179 10. Unless the incapacitated person resides with the guardian, a statement of the frequency and 180 nature of any (i) in-person visits from the guardian with the incapacitated person over the course of the 181 previous year and (ii) visits over the course of the previous year from a designee who is directly supervised or contracted by the guardian, including the name of the designee performing such visit. If 182

183 any visit described in this section is made virtually, the guardian shall include such information in the 184 annual report.

185 11. A general description of the activities taken on by the guardian for the benefit of the 186 incapacitated person during the past year;

187 12. Any other information deemed necessary by the Office of the Executive Secretary of the Supreme Court of Virginia or the Department for Aging and Rehabilitative Services to understand the condition, 188 189 treatment, and well-being of the incapacitated person;

190 13. Any other information useful in the opinion of the guardian; and 191

14. The compensation requested and the reasonable and necessary expenses incurred by the guardian.

192 The guardian shall certify by signing under oath that the information contained in the annual report is true and correct to the best of his knowledge. If a guardian makes a false entry or statement in the 193 annual report, he shall be subject to a civil penalty of not more than \$500. Such penalty shall be 194 collected by the attorney for the Commonwealth or the county or city attorney, and the proceeds shall 195 be deposited into the general fund. 196

197 C. If the local department of social services files notice that the annual report has not been timely 198 filed in accordance with subsection A with the clerk of the circuit court, the court may issue a summons 199 or rule to show cause why the guardian has failed to file such annual report.

2. That the Department for Aging and Rehabilitative Services shall develop and implement the 200 201 training specified by § 51.5-150 of the Code of Virginia, as amended by this act, by July 1, 2023.

202 3. That guardians appointed pursuant to § 64.2-2009 of the Code of Virginia prior to July 1, 2023,

shall complete the training required by § 64.2-2019 of the Code of Virginia, as amended by this 203 204 act, by January 1, 2025.
