Patron—Davis

Referred to Committee on Communications, Technology and Innovation

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-1115.1, 2.2-2022, 2.2-2023, 2.2-2101, 2.2-2699.5, and 2.2-2699.6 of the Code of Virginia are amended and reenacted as follows:

§ 2.2-1115.1. Standard vendor accounting information.

A. The Division, the Virginia Information Technologies Agency, and the State Comptroller shall develop and maintain data standards for use by all agencies and institutions for payments and purchases of goods and services pursuant to §§ 2.2-1115 and 2.2-2012. Such standards shall include at a minimum the vendor number, name, address, and tax identification number; commodity code, order number, invoice number, and receipt information; and other information necessary to appropriately and consistently identify all suppliers of goods, commodities, and other services to the Commonwealth. The Division, the Virginia Information Technologies Agency, and the State Comptroller shall annually review and update these standards to provide the Commonwealth information to monitor all procurement of goods and services and to implement adequate controls to pay only authorized providers of goods and services to the Commonwealth.

B. The Division and the Virginia Information Technologies Agency shall submit these standards to the Information Technology Advisory Council in accordance with § 2.2-2699.6 for review as statewide technical and data standards for information technology.

C. The Division and the State Comptroller shall adhere to the adopted data standards and match all purchases of goods, commodities, and other services to the related payment activity and make the matched information available on the Auditor of Public Accounts' Commonwealth Data Point website pursuant to subdivision H 3 a of § 30-133. This information shall be available at a transactional level and be in sufficient detail to make clear what an agency has purchased; when the purchase was made; the vendor from whom the purchase was made; the amount purchased, if applicable; and how much was paid. To the extent the purchase is made for professional services as defined in § 2.2-4301, other than for accounting or legal services, from an entity of the Commonwealth, the name of the buyer in the selling Department or agency shall be specified. Purchases made using credit card or other financing arrangements shall specify the vendor.

§ 2.2-2022. Definitions; purpose.

A. As used in this article, unless the context requires a different meaning,
"Costs" "costs" means the reasonable and customary charges for goods and services incurred or to be incurred in major information technology projects.

"Technology infrastructure" means telecommunications, automated data processing, word processing and management information systems, and related information, equipment, goods and services.

B. In order for the Commonwealth to take advantage of technological applications in providing services and solving problems of Virginia's citizens, there is a need to reinvest savings that accrue from increased usage of technology into invest in new and emerging technologies that will provide for both greater efficiencies and, better responsiveness, and improved cybersecurity. The purpose of this article is to create the Virginia Technology Infrastructure Fund (the Fund). The Fund shall make moneys available to state agencies and institutions of higher education for major information technology projects and services.

§ 2.2-2023. Virginia Technology Infrastructure Fund created; contributions.

A. The Virginia Technology Infrastructure Fund (the Fund) is created in the state treasury. The Fund is to be used to fund major information technology projects and services or to pay private partners as authorized in subsection C of § 2.2-2007.

B. The Fund shall consist of: (i) the transfer of general and nongeneral fund appropriations from executive branch agencies which represent savings that accrue from reductions in the cost of information technology and communication services; (ii) the transfer of general and nongeneral fund appropriations from executive branch agencies which represent savings from the implementation of information technology enterprise projects; (iii) funds identified pursuant to subsection C of § 2.2-2007; (iv) such

59 general and nongeneral fund fees or surcharges as may be assessed to executive branch agencies for
60 enterprise technology projects; (v) gifts, grants, or donations from public or private sources; and (vi)
