No dealer shall sell, rent, trade, or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded, or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing that the original date of issue of the driver's license was more than 30 days prior to the attempted purchase.

In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any person who is not a citizen of the United States or who is not a person lawfully admitted for permanent residence.

Upon receipt of the request for a criminal history record information check, the State Police shall (a) review its criminal history record information to determine if the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number for that inquiry.

2. The State Police shall provide its response to the requesting dealer during the dealer's request or by return call without delay. A dealer who fulfills the requirements of subdivision 1 and is told by the State Police that a response will not be available by the end of the dealer's fifth business day may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer than 30 days, except for multiple handgun transactions for which records shall be maintained for 12 months, from any dealer's request for a criminal history record information check pertaining to a buyer or transferee who is not found to be prohibited from possessing and transporting a firearm under state or federal law. However, the log on requests made may be maintained for a period of 12 months, and such log shall consist of the name of the purchaser, the dealer identification number, the unique approval number, and the transaction date.

4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or deliver the written consent form required by subsection A to the Department of State Police. The State Police shall immediately initiate a search of all available criminal history record information to determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal law. If the search discloses information indicating that the buyer or transferee is so prohibited from possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in

the jurisdiction where the sale or transfer occurred and the dealer without delay.

5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by persons who are citizens of the United States or persons lawfully admitted for permanent residence but residents of other states under the terms of subsections A and B upon furnishing the dealer with one photo-identification form issued by a governmental agency of the person's state of residence and one other form of identification determined to be acceptable by the Department of Criminal Justice Services.

6. For the purposes of this subsection, the phrase "dealer's fifth business day" does not include December 25.

C. No dealer shall sell, rent, trade, or transfer from his inventory any firearm, except when the transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of subdivision B 5, to any person who is a dual resident of Virginia and another state pursuant to applicable federal law unless he has first obtained from the Department of State Police a report indicating that a search of all available criminal history record information has not disclosed that the person is prohibited from possessing or transporting a firearm under state or federal law.

To establish personal identification and dual resident eligibility for purposes of this subsection, a dealer shall require any prospective purchaser to present one photo-identification form issued by a governmental agency of the prospective purchaser's state of legal residence and other documentation of dual residence within the Commonwealth. The other documentation of dual residence in the Commonwealth may include (i) evidence of currently paid personal property tax or real estate tax or a current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f) automobile registration, or (g) hunting or fishing license; (ii) other current identification allowed as evidence of residency by 27 C.F.R. § 178.124 and ATF Ruling 2001-5; or (iii) other documentation of residence determined to be acceptable by the Department of Criminal Justice Services and that corroborates that the prospective purchaser currently resides in Virginia.

D. If any buyer or transferee is denied the right to purchase a firearm under this section, he may exercise his right of access to and review and correction of criminal history record information under § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within 30 days of such denial.

E. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history record information under false pretenses, or who willfully and intentionally disseminates or seeks to disseminate criminal history record information except as authorized in this section, shall be guilty of a Class 2 misdemeanor.

Prior to permitting an applicant to begin employment, the dealer shall obtain a written statement or affirmation from the applicant that he is not disqualified from possessing a firearm and shall submit the applicant's fingerprints and personal descriptive information to the Central Criminal Records Exchange to be forwarded to the Federal Bureau of Investigation (FBI) for the purpose of obtaining national criminal history record information regarding the applicant.

C. Prior to August 1, 2000, the dealer shall obtain written statements or affirmations from persons employed before July 1, 2000, to act as a seller under § 18.2-308.2:2 that they are not disqualified from possessing a firearm. Within five working days of the employee's next birthday, after August 1, 2000, the dealer shall submit the employee's fingerprints and personal descriptive information to the Central Criminal Records Exchange to be forwarded to the Federal Bureau of Investigation (FBI) for the purpose of obtaining national criminal history record information regarding the request.

C1. In lieu of submitting fingerprints pursuant to this section, any dealer holding a valid federal firearms license (FFL) issued by the Bureau of Alcohol, Tobacco and Firearms (ATF) may submit a sworn and notarized affidavit to the Department of State Police on a form provided by the Department, stating that the dealer has been subjected to a record check prior to the issuance and that the FFL was issued by the ATF. The affidavit may also contain the names of any employees that have been subjected to a record check and approved by the ATF. This exemption shall apply regardless of whether the FFL was issued in the name of the dealer or in the name of the business. The affidavit shall contain the valid FFL number, state the name of each person requesting the exemption, together with each person's identifying information, including their social security number and the following statement: "I hereby swear, under the penalty of perjury, that as a condition of obtaining a federal firearms license, each person requesting an exemption in this affidavit has been subjected to a fingerprint identification check by the Bureau of Alcohol, Tobacco and Firearms and the Bureau of Alcohol, Tobacco and Firearms subsequently determined that each person satisfied the requirements of 18 U.S.C. § 921 et seq. I understand that any person convicted of making a false statement in this affidavit is guilty of a Class 5 felony and that in addition to any other penalties imposed by law, a conviction under this section shall result in the forfeiture of my federal firearms license."

D. The Department of State Police, upon receipt of an individual's record or notification that no record exists, shall submit an eligibility report to the requesting dealer within 30 days of the applicant beginning his duties for new employees or within 30 days of the applicant's birthday for a person employed prior to July 1, 2000.

E. If any applicant is denied employment because of information appearing on the criminal history record and the applicant disputes the information upon which the denial was based, the Central Criminal Records Exchange shall, upon written request, furnish to the applicant the procedures for obtaining a copy of the criminal history record from the Federal Bureau of Investigation. The information provided to the dealer shall not be disseminated except as provided in this section.

F. The applicant shall bear the cost of obtaining the criminal history record unless the dealer, at his option, decides to pay such cost.

G. Upon receipt of the request for a criminal history record information check, the State Police shall establish a unique number for that firearm seller. Beginning September 1, 2001, the firearm seller's signature, firearm seller's number and the dealer's identification number shall be on all firearm transaction forms. The State Police shall void the firearm seller's number when a disqualifying record is discovered. The State Police may suspend a firearm seller's identification number upon the arrest of the firearm seller for a potentially disqualifying crime.

H. This section shall not restrict the transfer of a firearm at any place other than at a dealership or at any event required to be registered as a gun show.

I.
