HB565

59 A. In order to support the goal of the creation of at least 25,000 new eligible credentials by 2042,
60 the amount of grants available under this chapter shall be calculated in accordance with a
61 memorandum of understanding negotiated with each qualified institution. Each memorandum of
62 understanding shall contain criteria for eligible credentials, eligible expenses, and credential production
63 goals for the institution to reach by 2042.

64 B. Each memorandum of understanding shall be structured in accordance with and be consistent
65 with the objectives and purposes of this chapter and the criteria and requirements developed by, and in
66 the form and manner prescribed by, the Secretary of Finance in consultation with the other designated
67 reviewers. Such criteria and requirements shall include:

68 1. The submission of an enrollment plan by the qualified institution detailing the number of eligible
69 credentials produced between July 1, 2016, and June 30, 2021;

70 2. A detailed plan of (i) how the qualified institution proposes to materially increase the enrollment,
71 retention, and completion of students pursuing eligible credentials, (ii) the resources necessary to
72 accomplish such increase in enrollment, retention, and completion, and (iii) how the qualified institution
73 plans to track new enrollment;

74 3. An accounting of the anticipated number of students enrolling in eligible credential programs;

75 4. The existing capacity of current eligible credential programs, and an estimate of the amount of
76 funding necessary to grow the qualified institution's enrollment capacity pursuant to the plan submitted
77 pursuant to subdivision 2;

78 5. Where applicable, proposed plans to partner with other qualified institutions to provide courses or
79 programs that will lead to the completion of an eligible credential;

80 6. A proposed reallocation of existing funds held by or appropriated to the qualified institution to
81 meet increased enrollment, retention, and completion goals in eligible credential programs; and

82 7. Any other information deemed relevant.

83 C. The designated reviewers shall review each qualified institution's proposed memorandum of
84 understanding, or amendments thereto, provide comments or affirmation to the qualified institution by
85 September 1 of the applicable year, and forward the proposed memorandum of understanding and any
86 comments or affirmations to the Governor for approval of specific funding recommendations.

87 D. The Secretary of Finance, in consultation with the other designated reviewers, shall make a
88 recommendation regarding the amount of annual grant payments for which a qualified institution may
89 be eligible pursuant to its memorandum of understanding. In determining the appropriate amount of
90 such grants, the Secretary and the designated reviewers shall consider (i) the actual cost of eligible
91 credentials at the qualified institution, (ii) the number of students enrolled in qualified credential
92 programs adjusted for actual completion rates at the qualified institution, (iii) tuition revenues generated
93 by students in eligible credential programs at the qualified institution, and (iv) the reallocation of other
94 funds held by or appropriated to the qualified institution for eligible new credential programs. A
95 qualified institution shall be eligible to receive grants pursuant to this chapter, and subject to
96 appropriation, upon signature of the memorandum of understanding by the Governor.

97 E. A qualified institution with an approved memorandum of understanding may request an update to
98 its memorandum of understanding no more than once annually and no later than July 1 of each year.
99 The designated reviewers shall review the request and determine if an update is warranted. The
100 Secretary of Finance, in consultation with the other designated reviewers, may request that a qualified
101 institution update its agreement at any point during the year. No amendment to a memorandum of
102 understanding shall be final until signed by the Governor.

103 F. A new or amended memorandum of understanding shall be approved and signed pursuant to
104 subsection D no later than November 1 in order for a qualified institution to apply for a grant in the
105 next fiscal year.

106 **§ 23.1-1247. Eligibility for grant payments.**

107 A. A qualified institution with a memorandum of understanding approved and signed in accordance
108 with the provisions of § 23.1-1246 shall be eligible to apply for a grant each fiscal year beginning with
109 the Commonwealth's fiscal year beginning July 1, 2022, through the Commonwealth's fiscal year
110 beginning on July 1, 2041. Grants available under this chapter shall be paid to the qualified institution
111 from the Fund, subject to appropriation by the General Assembly, during each such fiscal year,
112 contingent upon the qualified institution's meeting the requirements set forth in its memorandum of
113 understanding. If the total amount of moneys appropriated to the Fund in a fiscal year is less than
114 anticipated, grants to all qualified institutions under this chapter may be prorated to reflect the actual
115 amount appropriated.

116 B. To apply for a grant each year, a qualified institution shall report to the Secretary of Finance
117 regarding the qualified institution's progress on increasing the number of eligible credentials and
118 meeting the requirements pursuant to its memorandum of understanding. Such report shall include, at a
119 minimum: (i) progress on increasing the number of eligible credentials, as set forth in the memorandum
120 of understanding, including actual enrollment in qualified credential programs; (ii) the aggregate

number of new eligible credentials created and maintained as of the last day of the calendar year that immediately precedes the date of the application, including information related to the retention of students who enrolled in the calendar year immediately preceding the application; and (iii) the average annual cost incurred in the production of the new eligible credentials described in clause (ii). For applications filed four years or more after the date of a qualified institution's original memorandum of understanding, the qualified institution shall also include actual completion rates from qualified credential programs. The report shall be filed with the Secretary no later than May 1 of the year following the calendar year upon which the report is based, as an application for a grant in the fiscal year beginning on the immediately following July 1. Failure to meet the reporting deadline shall result in a deferral of a payment in the upcoming fiscal year.

C. A report received pursuant to subsection B shall be reviewed by the designated reviewers. Within 60 days of receipt of the report, the Secretary of Finance, in consultation with the other designated reviewers, shall certify to the Comptroller and the qualified institution the amount of the grant payment to be paid to the qualified institution, subject to appropriation. Payment of such grant shall be made by check issued by the State Treasurer on warrant of the Comptroller in the fiscal year immediately following the submission of such application, as provided in the memorandum of understanding. The Comptroller shall not draw any warrants to issue checks for the grant installments under this section without a specific appropriation for the same.

D. As a condition of receipt of grant payments, a qualified institution shall make available for inspection to the designated reviewers all documents relevant and applicable to determining whether the qualified institution has met the requirements for the receipt of a grant as set forth in this chapter and subject to the memorandum of understanding.

E. Failure of a qualified institution to meet the goals, metrics, and requirements set forth in its memorandum of understanding shall result in the adjustment of any future awards to the qualified institution to reflect such discrepancy.

§ 23.1-1248. Annual report.

The Secretary of Finance, in consultation with the other designated reviewers, shall submit a report by December 1 of each year to the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance and Appropriations. Such report shall provide an update as to the progress of each qualified institution in meeting the goals set forth in its memorandum of understanding and the aggregate amount of grants awarded to the qualified institution pursuant to this chapter.
