§ 44-146.17. (Effective until July 1, 2023) Powers and duties of Governor.

The Governor shall be Director of Emergency Management. He shall take such action from time to time as is necessary for the adequate promotion and coordination of state and local emergency services activities relating to the safety and welfare of the Commonwealth in time of disasters.

The Governor shall have, in addition to his powers hereinafter or elsewhere prescribed by law, the following powers and duties:

(1) To proclaim and publish such rules and regulations and to issue such orders as may, in his judgment, be necessary to accomplish the purposes of this chapter including, ~~but not limited to~~ such measures as are in his judgment required to control, restrict, allocate, or regulate the use, sale, production, and distribution of food, fuel, clothing, and other commodities, materials, goods, services, and resources under any state or federal emergency services programs.

Executive orders, to include those declaring a state of emergency and directing evacuation, shall have the force and effect of law and the violation thereof shall be punishable as a civil penalty of not more than \$500 or as a Class 1 misdemeanor in every case where the executive order declares that its violation shall have such force and effect. Where an executive order declares a violation shall be punishable as a civil penalty, such violation shall be charged by summons and may be executed by a law-enforcement officer when such violation is observed by the officer. The summons used by a law-enforcement officer pursuant to this section shall be, in form, the same as the uniform summons for motor vehicle law violations as prescribed pursuant to § 46.2-388. The proceeds of such civil penalties collected pursuant to this section shall be paid and collected only in lawful money of the United States and paid into the state treasury to the credit of the Literary Fund.

Such executive orders declaring a state of emergency may address exceptional circumstances that exist relating to an order of quarantine or an order of isolation concerning a communicable disease of public health threat that is issued by the State Health Commissioner for an affected area of the Commonwealth pursuant to Article 3.02 (§ 32.1-48.05 et seq.) of Chapter 2 of Title 32.1.

~~Except as to emergency plans issued to prescribe actions to be taken in the event of disasters and emergencies, no~~ No rule, regulation, or order issued under this section shall have any effect beyond June 30 next following the next adjournment of the regular session of the General Assembly ~~but the same or a similar rule, regulation, or order may thereafter be issued again if not contrary to law~~ 45 days after the date of issuance. Unless the General Assembly takes action on the rule, regulation, or order within the 45 days during which the rule, regulation, or order is effective, the Governor shall thereafter be prohibited from issuing the same or a similar rule, regulation, or order relating to the same emergency;
