## 2022 SESSION

22107294D 1 **SENATE BILL NO. 100** 2 AMENDMENT IN THE NATURE OF A SUBSTITUTE 3 (Proposed by the House Committee on Health, Welfare and Institutions 4 on March 1, 2022) 5 6 (Patron Prior to Substitute—Senator Hanger) A BILL to amend and reenact § 54.1-2901 of the Code of Virginia relating to Department of Behavioral 7 Health and Developmental Services licensed programs; cardiopulmonary resuscitation for program 8 participants. 9 Be it enacted by the General Assembly of Virginia: 1. That § 54.1-2901 of the Code of Virginia is amended and reenacted as follows: 10 § 54.1-2901. Exceptions and exemptions generally. 12 A. The provisions of this chapter shall not prevent or prohibit: 1. Any person entitled to practice his profession under any prior law on June 24, 1944, from 13 14 continuing such practice within the scope of the definition of his particular school of practice; 2. Any person licensed to practice naturopathy prior to June 30, 1980, from continuing such practice 15 in accordance with regulations promulgated by the Board; 16 17 3. Any licensed nurse practitioner from rendering care in accordance with the provisions of §§ 54.1-2957 and 54.1-2957.01, any nurse practitioner licensed by the Boards of Medicine and Nursing 18 in the category of certified nurse midwife practicing pursuant to subsection H of § 54.1-2957, or any 19 20 nurse practitioner licensed by the Boards of Medicine and Nursing in the category of clinical nurse 21 specialist practicing pursuant to subsection J of § 54.1-2957 when such services are authorized by regulations promulgated jointly by the Boards of Medicine and Nursing; 22 23 4. Any registered professional nurse, licensed nurse practitioner, graduate laboratory technician or 24 other technical personnel who have been properly trained from rendering care or services within the 25 scope of their usual professional activities which shall include the taking of blood, the giving of intravenous infusions and intravenous injections, and the insertion of tubes when performed under the 26 27 orders of a person licensed to practice medicine or osteopathy, a nurse practitioner, or a physician 28 assistant; 29 5. Any dentist, pharmacist or optometrist from rendering care or services within the scope of his usual professional activities; 30 6. Any practitioner licensed or certified by the Board from delegating to personnel supervised by 31 32 him, such activities or functions as are nondiscretionary and do not require the exercise of professional judgment for their performance and which are usually or customarily delegated to such persons by 33 34 practitioners of the healing arts, if such activities or functions are authorized by and performed for such 35 practitioners of the healing arts and responsibility for such activities or functions is assumed by such 36 practitioners of the healing arts; 37 7. The rendering of medical advice or information through telecommunications from a physician 38 licensed to practice medicine in Virginia or an adjoining state, or from a licensed nurse practitioner, to 39 emergency medical personnel acting in an emergency situation; 40 8. The domestic administration of family remedies; 9. The giving or use of massages, steam baths, dry heat rooms, infrared heat or ultraviolet lamps in 41 42 public or private health clubs and spas; 10. The manufacture or sale of proprietary medicines in this Commonwealth by licensed pharmacists 43 44 or druggists; 45 11. The advertising or sale of commercial appliances or remedies; 12. The fitting by nonitinerant persons or manufacturers of artificial eyes, limbs or other apparatus or 46 47 appliances or the fitting of plaster cast counterparts of deformed portions of the body by a nonitinerant bracemaker or prosthetist for the purpose of having a three-dimensional record of the deformity, when **48** such bracemaker or prosthetist has received a prescription from a licensed physician, licensed nurse 49 50 practitioner, or licensed physician assistant directing the fitting of such casts and such activities are 51 conducted in conformity with the laws of Virginia; 13. Any person from the rendering of first aid or medical assistance in an emergency in the absence 52 53 of a person licensed to practice medicine or osteopathy under the provisions of this chapter; 54 14. The practice of the religious tenets of any church in the ministration to the sick and suffering by 55 mental or spiritual means without the use of any drug or material remedy, whether gratuitously or for 56 compensation; 57 15. Any legally qualified out-of-state or foreign practitioner from meeting in consultation with legally licensed practitioners in this Commonwealth; 58

59 16. Any practitioner of the healing arts licensed or certified and in good standing with the applicable SB100H1

60 regulatory agency in another state or Canada when that practitioner of the healing arts is in Virginia 61 temporarily and such practitioner has been issued a temporary authorization by the Board from practicing medicine or the duties of the profession for which he is licensed or certified (i) in a summer 62 63 camp or in conjunction with patients who are participating in recreational activities, (ii) while participating in continuing educational programs prescribed by the Board, or (iii) by rendering at any 64 65 site any health care services within the limits of his license, voluntarily and without compensation, to 66 any patient of any clinic which is organized in whole or in part for the delivery of health care services without charge as provided in § 54.1-106; 67

17. The performance of the duties of any active duty health care provider in active service in the army, navy, coast guard, marine corps, air force, or public health service of the United States at any public or private health care facility while such individual is so commissioned or serving and in accordance with his official military duties;

18. Any masseur, who publicly represents himself as such, from performing services within the scope of his usual professional activities and in conformance with state law;

19. Any person from performing services in the lawful conduct of his particular profession orbusiness under state law;

20. Any person from rendering emergency care pursuant to the provisions of § 8.01-225;

21. Qualified emergency medical services personnel, when acting within the scope of their
certification, and licensed health care practitioners, when acting within their scope of practice, from
following Durable Do Not Resuscitate Orders issued in accordance with § 54.1-2987.1 and Board of
Health regulations, or licensed health care practitioners from following any other written order of a
physician not to resuscitate a patient in the event of cardiac or respiratory arrest;

82 22. Any commissioned or contract medical officer of the army, navy, coast guard or air force
 83 rendering services voluntarily and without compensation while deemed to be licensed pursuant to
 84 § 54.1-106;

85 23. Any provider of a chemical dependency treatment program who is certified as an "acupuncture detoxification specialist" by the National Acupuncture Detoxification Association or an equivalent certifying body, from administering auricular acupuncture treatment under the appropriate supervision of a National Acupuncture Detoxification Association certified licensed physician or licensed acupuncturist;

89 24. Any employee of any assisted living facility who is certified in cardiopulmonary resuscitation
90 (CPR) acting in compliance with the patient's individualized service plan and with the written order of
91 the attending physician not to resuscitate a patient in the event of cardiac or respiratory arrest;

92 25. Any person working as a health assistant under the direction of a licensed medical or osteopathic
 93 doctor within the Department of Corrections, the Department of Juvenile Justice or local correctional
 94 facilities;

26. Any employee of a school board, authorized by a prescriber and trained in the administration of
insulin and glucagon, when, upon the authorization of a prescriber and the written request of the parents
as defined in § 22.1-1, assisting with the administration of insulin or administrating glucagon to a
student diagnosed as having diabetes and who requires insulin injections during the school day or for
whom glucagon has been prescribed for the emergency treatment of hypoglycemia;

27. Any practitioner of the healing arts or other profession regulated by the Board from rendering 100 free health care to an underserved population of Virginia who (i) does not regularly practice his 101 102 profession in Virginia, (ii) holds a current valid license or certificate to practice his profession in another state, territory, district or possession of the United States, (iii) volunteers to provide free health care to 103 104 an underserved area of the Commonwealth under the auspices of a publicly supported all volunteer, nonprofit organization that sponsors the provision of health care to populations of underserved people, 105 106 (iv) files a copy of the license or certification issued in such other jurisdiction with the Board, (v) notifies the Board at least five business days prior to the voluntary provision of services of the dates and 107 108 location of such service, and (vi) acknowledges, in writing, that such licensure exemption shall only be 109 valid, in compliance with the Board's regulations, during the limited period that such free health care is made available through the volunteer, nonprofit organization on the dates and at the location filed with 110 111 the Board. The Board may deny the right to practice in Virginia to any practitioner of the healing arts 112 whose license or certificate has been previously suspended or revoked, who has been convicted of a felony or who is otherwise found to be in violation of applicable laws or regulations. However, the 113 114 Board shall allow a practitioner of the healing arts who meets the above criteria to provide volunteer services without prior notice for a period of up to three days, provided the nonprofit organization 115 116 verifies that the practitioner has a valid, unrestricted license in another state;

28. Any registered nurse, acting as an agent of the Department of Health, from obtaining specimens
of sputum or other bodily fluid from persons in whom the diagnosis of active tuberculosis disease, as
defined in § 32.1-49.1, is suspected and submitting orders for testing of such specimens to the Division
of Consolidated Laboratories or other public health laboratories, designated by the State Health
Commissioner, for the purpose of determining the presence or absence of tubercle bacilli as defined in

**122** § 32.1-49.1;

123 29. Any physician of medicine or osteopathy or nurse practitioner from delegating to a registered
124 nurse under his supervision the screening and testing of children for elevated blood-lead levels when
125 such testing is conducted (i) in accordance with a written protocol between the physician or nurse
126 practitioner and the registered nurse and (ii) in compliance with the Board of Health's regulations
127 promulgated pursuant to §§ 32.1-46.1 and 32.1-46.2. Any follow-up testing or treatment shall be
128 conducted at the direction of a physician or nurse practitioner;

30. Any practitioner of one of the professions regulated by the Board of Medicine who is in good standing with the applicable regulatory agency in another state or Canada from engaging in the practice of that profession when the practitioner is in Virginia temporarily with an out-of-state athletic team or athlete for the duration of the athletic tournament, game, or event in which the team or athlete is competing;

134 31. Any person from performing state or federally funded health care tasks directed by the consumer,
135 which are typically self-performed, for an individual who lives in a private residence and who, by
136 reason of disability, is unable to perform such tasks but who is capable of directing the appropriate
137 performance of such tasks; or

32. Any practitioner of one of the professions regulated by the Board of Medicine who is in good standing with the applicable regulatory agency in another state from engaging in the practice of that profession in Virginia with a patient who is being transported to or from a Virginia hospital for care;
and

33. Any employee of a program licensed by the Department of Behavioral Health and Developmental
Services who is certified in cardiopulmonary resuscitation from acting in compliance with a program
participant's valid written order not to resuscitate if the valid written order not to resuscitate is included
in the program participant's individualized service plan.

B. Notwithstanding any provision of law or regulation to the contrary, military medical personnel, as
defined in § 2.2-2001.4, while participating in a program established by the Department of Veterans
Services pursuant to § 2.2-2001.4, may practice under the supervision of a licensed physician or
podiatrist or the chief medical officer of an organization participating in such program, or his designee
who is a licensee of the Board and supervising within his scope of practice.

151 2. That the Department of Behavioral Health and Developmental Services shall develop and 152 distribute to providers guidance regarding compliance with a program participant's valid written 153 order not to resuscitate, in accordance with this act, by program employees certified in 154 cardiopulmonary resuscitation.
