60 § 3. A tax of 21 percent shall be levied on the sale of cannabis products pursuant to this act, which
61 shall be in addition to any tax imposed under Chapter 6 (§ 58.1-600 et seq.) of Title 58.1 of the Code
62 of Virginia or any other provision of federal, state, or local law. Pharmaceutical processors shall remit
63 such tax to the Department of Taxation. The Department of Taxation shall deposit tax revenues from the
64 21 percent excise tax, as well as the fees received from pharmaceutical processors pursuant to § 1, into
65 the account of the Virginia Cannabis Control Authority to be used to provide loans to qualified social
66 equity applicants who are in need of capital for the start-up of a licensed cannabis business.

67 Any locality may by ordinance levy a three percent tax on the sale of cannabis products pursuant to
68 this act. Such local tax shall be in addition to any local sales tax imposed under Chapter 6 (§ 58.1-600
69 et seq.) of Title 58.1, any food and beverage tax imposed under Article 7.1 (§ 58.1-3833 et seq.) of
70 Chapter 38 of Title 58.1, and any excise tax imposed on meals under § 58.1-3840. If a town imposes a
71 tax under this section, any tax imposed by its surrounding county under this section shall not apply
72 within the limits of the town. Nothing in this section shall be construed to prohibit a locality from
73 imposing any tax authorized by law on a person or property regulated under this act. Any locality that
74 enacts an ordinance pursuant to this section shall, within 30 days, notify the Virginia Cannabis Control
75 Authority and any pharmaceutical processor in such locality of the ordinance's enactment. The
76 ordinance shall take effect on the first day of the second month following its enactment. Any local tax
77 levied under this section shall be remitted and disbursed to the Virginia Cannabis Control Authority in
78 the same manner as the 21 percent state excise tax and, thereafter, disbursed to the applicable locality.

79 § 4. The Board of Directors of the Virginia Cannabis Control Authority and the Department of
80 Taxation may assess and collect fees from each pharmaceutical processor that sells cannabis products
81 pursuant to this act in an amount sufficient to recover the costs associated with the implementation of
82 the provisions of this act.

83 § 5. The provisions of this act shall not apply to or otherwise affect the sale of cannabis products to
84 registered patients with written certifications by pharmaceutical processors pursuant to Article 4.2
85 (§ 54.1-3442.5 et seq. of the Code of Virginia) of the Drug Control Act.

86 § 6. No agent or employee of a pharmaceutical processor or cannabis dispensing facility shall be
87 prosecuted under Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1 or § 18.2-248, 18.2-248.1, or 18.2-250 of
88 the Code of Virginia for possession or manufacture of marijuana or for possession, manufacture, or
89 distribution of cannabis products, subject to any civil penalty, denied any right or privilege, or subject
90 to any disciplinary action by a professional licensing board if such agent or employee (i) possessed or
91 manufactured such marijuana for the purposes of producing cannabis products in accordance with the
92 provisions of this act or (ii) possessed, manufactured, or distributed such cannabis products that are
93 consistent with generally accepted cannabis industry standards in accordance with the provisions of this
94 act.

95 § 7. The Board of Directors of the Virginia Cannabis Control Authority's (the Board) initial adoption
96 of regulations necessary to implement the provisions of this act shall be exempt from the Administrative
97 Process Act (§ 2.2-4000 et seq. of the Code of Virginia), except that the Board shall provide an
98 opportunity for public comment on the regulations prior to adoption.

99 § 8. That the provisions of this act shall become effective on January 1, 2023.

100 § 9. That the provisions of this act shall expire when the Virginia Cannabis Control Authority
101 provides written notice to the Division of Legislative Services that pharmaceutical processors engaging
102 in the sale of cannabis products pursuant to the provisions of this act are authorized by the Virginia
103 Cannabis Control Authority to apply for and be granted licenses to cultivate, manufacture, wholesale,
104 and sell at retail to consumers 21 years of age or older retail marijuana and retail marijuana products
105 at the pharmaceutical processor and cannabis dispensing facilities for which the pharmaceutical
106 processor holds a permit pursuant to § 54.1-3442.6 of the Code of Virginia.
