The Fund shall be established on the books of the Comptroller. All funds appropriated for such purpose and any gifts, donations, grants, bequests, and other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of:

§ 2.2-2818. Health and related insurance for state employees.

A. The Department of Human Resource Management shall establish a plan, subject to the approval

306 of the Governor, for providing health insurance coverage, including chiropractic treatment,
307 hospitalization, medical, surgical and major medical coverage, for state employees and retired state
308 employees with the Commonwealth paying the cost thereof to the extent of the coverage included in
309 such plan. The same plan shall be offered to all part-time state employees, but the total cost shall be
310 paid by such part-time employees. The Department of Human Resource Management shall administer
311 this section. The plan chosen shall provide means whereby coverage for the families or dependents of
312 state employees may be purchased. Except for part-time employees, the Commonwealth may pay all or a
313 portion of the cost thereof, and for such portion as the Commonwealth does not pay, the employee,
314 including a part-time employee, may purchase the coverage by paying the additional cost over the cost
315 of coverage for an employee.

316 Such contribution shall be financed through appropriations provided by law.

317 B. The plan shall:

318 1. Include coverage for low-dose screening mammograms for determining the presence of occult
319 breast cancer. Such coverage shall make available one screening mammogram to persons age 35 through
320 39, one such mammogram biennially to persons age 40 through 49, and one such mammogram annually
321 to persons age 50 and over and may be limited to a benefit of \$50 per mammogram subject to such
322 dollar limits, deductibles, and coinsurance factors as are no less favorable than for physical illness
323 generally.

324 The term "mammogram" shall mean an X-ray examination of the breast using equipment dedicated
325 specifically for mammography, including but not limited to the X-ray tube, filter, compression device,
326 screens, film, and cassettes, with an average radiation exposure of less than one rad mid-breast, two
327 views of each breast.

328 In order to be considered a screening mammogram for which coverage shall be made available under
329 this section:

330 a. The mammogram shall be (i) ordered by a health care practitioner acting within the scope of his
331 licensure and, in the case of an enrollee of a health maintenance organization, by the health maintenance
332 organization provider; (ii) performed by a registered technologist; (iii) interpreted by a qualified
333 radiologist; and (iv) performed under the direction of a person licensed to practice medicine and surgery
334 and certified by the American Board of Radiology or an equivalent examining body. A copy of the
335 mammogram report shall be sent or delivered to the health care practitioner who ordered it;

336 b. The equipment used to perform the mammogram shall meet the standards set forth by the Virginia
337 Department of Health in its radiation protection regulations; and

338 c. The mammography film shall be retained by the radiologic facility performing the examination in
339 accordance with the American College of Radiology guidelines or state law.

340 2. Include coverage for postpartum services providing inpatient care and a home visit or visits that
341 shall be in accordance with the medical criteria, outlined in the most current version of or an official
342 update to the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the
343 American College of Obstetricians and Gynecologists or the "Standards for Obstetric-Gynecologic
344 Services" prepared by the American College of Obstetricians and Gynecologists. Such coverage shall be
345 provided incorporating any changes in such Guidelines or Standards within six months of the publication
346 of such Guidelines or Standards or any official amendment thereto.

347 3. Include an appeals process for resolution of complaints that shall provide reasonable procedures
348 for the resolution of such complaints and shall be published and disseminated to all covered state
349 employees. The appeals process shall be compliant with federal rules and regulations governing
350 nonfederal, self-insured governmental health plans. The appeals process shall include a separate
351 expedited emergency appeals procedure that shall provide resolution within time frames established by
352 federal law. For appeals involving adverse decisions as defined in § 32.1-137.7, the Department shall
353 contract with one or more independent review organizations to review such decisions. Independent
354 review organizations are entities that conduct independent external review of adverse benefit
355 determinations. The Department shall adopt regulations to assure that the independent review
356 organization conducting the reviews has adequate standards, credentials and experience for such review.
357 The independent review organization shall examine the final denial of claims to determine whether the
358 decision is objective, clinically valid, and compatible with established principles of health care. The
359 decision of the independent review organization shall (i) be in writing, (ii) contain findings of fact as to
360 the material issues in the case and the basis for those findings, and (iii) be final and binding if
361 consistent with law and policy.

362 Prior to assigning an appeal to an independent review organization, the Department shall verify that
363 the independent review organization conducting the review of a denial of claims has no relationship or
364 association with ~~(i)~~ (a) the covered person or the covered person's authorized representative; ~~(ii)~~ (b) the
365 treating health care provider, or any of its employees or affiliates; ~~(iii)~~ (c) the medical care facility at
366 which the covered service would be provided, or any of its employees or affiliates; or ~~(iv)~~ (d) the
367 development or manufacture of the drug, device, procedure or other therapy that is the subject of the

final denial of a claim. The independent review organization shall not be a subsidiary of, nor owned or controlled by, a health plan, a trade association of health plans, or a professional association of health care providers. There shall be no liability on the part of and no cause of action shall arise against any officer or employee of an independent review organization for any actions taken or not taken or statements made by such officer or employee in good faith in the performance of his powers and duties.

4. Include coverage for early intervention services. For purposes of this section, "early intervention services" means medically necessary speech and language therapy, occupational therapy, physical therapy and assistive technology services and devices for dependents from birth to age three who are certified by the Department of Behavioral Health and Developmental Services as eligible for services under Part H of the Individuals with Disabilities Education Act (20 U.S.C. § 1471 et seq.). Medically necessary early intervention services for the population certified by the Department of Behavioral Health and Developmental Services shall mean those services designed to help an individual attain or retain the capability to function age-appropriately within his environment, and shall include services that enhance functional ability without effecting a cure.

For persons previously covered under the plan, there shall be no denial of coverage due to the existence of a preexisting condition. The cost of early intervention services shall not be applied to any contractual provision limiting the total amount of coverage paid by the insurer to or on behalf of the insured during the insured's lifetime.

5. Include coverage for prescription drugs and devices approved by the United States Food and Drug Administration for use as contraceptives.

6. Not deny coverage for any drug approved by the United States Food and Drug Administration for use in the treatment of cancer on the basis that the drug has not been approved by the United States Food and Drug Administration for the treatment of the specific type of cancer for which the drug has been prescribed, if the drug has been recognized as safe and effective for treatment of that specific type of cancer in one of the standard reference compendia.

7. Not deny coverage for any drug prescribed to treat a covered indication so long as the drug has been approved by the United States Food and Drug Administration for at least one indication and the drug is recognized for treatment of the covered indication in one of the standard reference compendia or in substantially accepted peer-reviewed medical literature.

8. Include coverage for equipment, supplies and outpatient self-management training and education, including medical nutrition therapy, for the treatment of insulin-dependent diabetes, insulin-using diabetes, gestational diabetes and noninsulin-using diabetes if prescribed by a health care professional legally authorized to prescribe such items under law. To qualify for coverage under this subdivision, diabetes outpatient self-management training and education shall be provided by a certified, registered or licensed health care professional.

9. Include coverage for reconstructive breast surgery. For purposes of this section, "reconstructive breast surgery" means surgery performed on and after July 1, 1998, (i) coincident with a mastectomy performed for breast cancer or (ii) following a mastectomy performed for breast cancer to reestablish symmetry between the two breasts. For persons previously covered under the plan, there shall be no denial of coverage due to preexisting conditions.

10. Include coverage for annual pap smears, including coverage, on and after July 1, 1999, for annual testing performed by any FDA-approved gynecologic cytology screening technologies.

11. Include coverage providing a minimum stay in the hospital of not less than 48 hours for a patient following a radical or modified radical mastectomy and 24 hours of inpatient care following a total mastectomy or a partial mastectomy with lymph node dissection for treatment of breast cancer. Nothing in this subdivision shall be construed as requiring the provision of inpatient coverage where the attending physician in consultation with the patient determines that a shorter period of hospital stay is appropriate.

12. Include coverage (i) to persons age 50 and over and (ii) to persons age 40 and over who are at high risk for prostate cancer, according to the most recent published guidelines of the American Cancer Society, for one PSA test in a 12-month period and digital rectal examinations, all in accordance with American Cancer Society guidelines. For the purpose of this subdivision, "PSA testing" means the analysis of a blood sample to determine the level of prostate specific antigen.

13. Permit any individual covered under the plan direct access to the health care services of a participating specialist (i) authorized to provide services under the plan and (ii) selected by the covered individual. The plan shall have a procedure by which an individual who has an ongoing special condition may, after consultation with the primary care physician, receive a referral to a specialist for such condition who shall be responsible for and capable of providing and coordinating the individual's primary and specialty care related to the initial specialty care referral. If such an individual's care would most appropriately be coordinated by such a specialist, the plan shall refer the individual to a specialist. For the purposes of this subdivision, "special condition" means a condition or disease that is (a)

life-threatening, degenerative, or disabling and (ii) (b) requires specialized medical care over a prolonged period of time. Within the treatment period authorized by the referral, such specialist shall be permitted to treat the individual without a further referral from the individual's primary care provider and may authorize such referrals, procedures, tests, and other medical services related to the initial referral as the individual's primary care provider would otherwise be permitted to provide or authorize. The plan shall have a procedure by which an individual who has an ongoing special condition that requires ongoing care from a specialist may receive a standing referral to such specialist for the treatment of the special condition. If the primary care provider, in consultation with the plan and the specialist, if any, determines that such a standing referral is appropriate, the plan or issuer shall make such a referral to a specialist. Nothing contained herein shall prohibit the plan from requiring a participating specialist to provide written notification to the covered individual's primary care physician of any visit to such specialist. Such notification may include a description of the health care services rendered at the time of the visit.

14. Include provisions allowing employees to continue receiving health care services for a period of up to 90 days from the date of the primary care physician's notice of termination from any of the plan's provider panels. The plan shall notify any provider at least 90 days prior to the date of termination of the provider, except when the provider is terminated for cause.

For a period of at least 90 days from the date of the notice of a provider's termination from any of the plan's provider panels, except when a provider is terminated for cause, a provider shall be permitted by the plan to render health care services to any of the covered employees who (i) were in an active course of treatment from the provider prior to the notice of termination and (ii) request to continue receiving health care services from the provider.

Notwithstanding the provisions of this subdivision, any provider shall be permitted by the plan to continue rendering health services to any covered employee who has entered the second trimester of pregnancy at the time of the provider's termination of participation, except when a provider is terminated for cause. Such treatment shall, at the covered employee's option, continue through the provision of postpartum care directly related to the delivery.

Notwithstanding the provisions of this subdivision, any provider shall be permitted to continue rendering health services to any covered employee who is determined to be terminally ill (as defined under § 1861(dd)(3)(A) of the Social Security Act) at the time of a provider's termination of participation, except when a provider is terminated for cause. Such treatment shall, at the covered employee's option, continue for the remainder of the employee's life for care directly related to the treatment of the terminal illness.

A provider who continues to render health care services pursuant to this subdivision shall be reimbursed in accordance with the carrier's agreement with such provider existing immediately before the provider's termination of participation.

15. Include coverage for patient costs incurred during participation in clinical trials for treatment studies on cancer, including ovarian cancer trials.

The reimbursement for patient costs incurred during participation in clinical trials for treatment studies on cancer shall be determined in the same manner as reimbursement is determined for other medical and surgical procedures. Such coverage shall have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less favorable than for physical illness generally.

Coverage for patient costs incurred during clinical trials for treatment studies on cancer shall be provided if the treatment is being conducted in a Phase II, Phase III, or Phase IV clinical trial. Such

treatment may, however, be provided on a case-by-case basis if the treatment is being provided in a Phase I clinical trial.

The treatment described in the previous paragraph shall be provided by a clinical trial approved by:

- a. The National Cancer Institute;

The facility and personnel providing the treatment shall be capable of doing so by virtue of their experience, training, and expertise.

Coverage under this subdivision shall apply only if:

- (1) There is no clearly superior, noninvestigational treatment alternative;
- (2) The available clinical or preclinical data provide a reasonable expectation that the treatment will be at least as effective as the noninvestigational alternative; and
- (3) The patient and the physician or health care provider who provides services to the patient under the plan conclude that the patient's participation in the clinical trial would be appropriate, pursuant to procedures established by the plan.

16. Include coverage providing a minimum stay in the hospital of not less than 23 hours for a covered employee following a laparoscopy-assisted vaginal hysterectomy and 48 hours for a covered employee following a vaginal hysterectomy, as outlined in Milliman & Robertson's nationally recognized guidelines. Nothing in this subdivision shall be construed as requiring the provision of the total hours referenced when the attending physician, in consultation with the covered employee, determines that a shorter hospital stay is appropriate.

17. Include coverage for biologically based mental illness.

For purposes of this subdivision, a "biologically based mental illness" is any mental or nervous condition caused by a biological disorder of the brain that results in a clinically significant syndrome that substantially limits the person's functioning; specifically, the following diagnoses are defined as biologically based mental illness as they apply to adults and children: schizophrenia, schizoaffective disorder, bipolar disorder, major depressive disorder, panic disorder, obsessive-compulsive disorder, attention deficit hyperactivity disorder, autism, and drug and alcoholism addiction.

Coverage for biologically based mental illnesses shall neither be different nor separate from coverage for any other illness, condition or disorder for purposes of determining deductibles, benefit year or lifetime durational limits, benefit year or lifetime dollar limits, lifetime episodes or treatment limits, copayment and coinsurance factors, and benefit year maximum for deductibles and copayment and coinsurance factors.

Nothing shall preclude the undertaking of usual and customary procedures to determine the appropriateness of, and medical necessity for, treatment of biologically based mental illnesses under this option, provided that all such appropriateness and medical necessity determinations are made in the same manner as those determinations made for the treatment of any other illness, condition or disorder covered by such policy or contract.

18. Such coverage shall have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less favorable than for physical illness generally. Access to surgery for morbid obesity shall not be restricted based upon dietary or any other criteria not approved by the National Institutes of Health. As used herein, "BMI" equals weight in kilograms divided by height in meters squared.

19. Include coverage for colorectal cancer screening, specifically screening with an annual fecal occult blood test, flexible sigmoidoscopy or colonoscopy, or in appropriate circumstances radiologic imaging, in accordance with the most recently published recommendations established by the American College of Gastroenterology, in consultation with the American Cancer Society, for the ages, family histories, and frequencies referenced in such recommendations. The coverage for colorectal cancer screening shall not be more restrictive than or separate from coverage provided for any other illness, condition or disorder for purposes of determining deductibles, benefit year or lifetime durational limits, benefit year or lifetime dollar limits, lifetime episodes or treatment limits, copayment and coinsurance

factors, and benefit year maximum for deductibles and copayments and coinsurance factors.

20. C. Claims incurred during a fiscal year but not reported during that fiscal year shall be paid from such funds as shall be appropriated by law. Appropriations, premiums and other payments shall be deposited in the employee health insurance fund, from which payments for claims, premiums, cost containment programs and administrative expenses shall be withdrawn from time to time. The funds of the health insurance fund shall be deemed separate and independent trust funds, shall be segregated from all other funds of the Commonwealth, and shall be invested and administered solely in the interests of the employees and their beneficiaries. Neither the General Assembly nor any public officer, employee, or agency shall use or authorize the use of such trust funds for any purpose other than as provided in law for benefits, refunds, and administrative expenses, including but not limited to legislative oversight of the health insurance fund.

No later than July 1, 2006, one of the health coverage options to be available in each planning district shall be a high deductible health plan that would qualify for a health savings account pursuant to § 223 of the Internal Revenue Code of 1986, as amended.

The plan shall act on such requests within one business day of receipt of the request.

Any plan established in accordance with this section shall be authorized to provide for the selection of a single mail order pharmacy provider as the exclusive provider of pharmacy services that are delivered to the covered person's address by mail, common carrier, or delivery service. 682 care plan may have primary responsibility for the covered expenses of other family members enrolled
683 with the eligible employee. Such written notification shall describe generally the conditions upon which
684 the other coverage would be primary for dependent children enrolled under the eligible employee's
685 coverage and the method by which the eligible enrollee may verify from the plan that coverage would

687 P. Any plan established by the Department of Human Resource Management pursuant to this section
688 shall provide that coverage under such plan for family members enrolled under a participating state
689 employee's coverage shall continue for a period of at least 30 days following the death of such state

2195 C. The Board shall fix the wholesale and retail prices at which the various classes, varieties and
2196 brands of alcoholic beverages and other Board-approved products that are sold in government stores.
2197 Differences in the cost of operating stores, and market competition and conditions may be reflected in
2198 the sale price of alcoholic beverages sold at government stores. The Board may sell alcoholic beverages
2199 to federal instrumentalities (i) authorized and operating under the laws of the United States and
2200 regulations of the United States Department of Defense and (ii) located within the boundaries of federal
2201 enclaves or reservations over which the United States has acquired jurisdiction, at prices which may be
2202 greater or less than the wholesale price charged other authorized purchasers. Nothing in this subsection
2203 shall be construed to limit the authority of the Board to fix the retail price of alcoholic beverages sold at
2204 government stores, which retail price may include promotional, volume, or other discounts deemed
2205 appropriate by the Board.

2206 D. Alcoholic beverages at government stores shall be sold by employees of the Authority who shall
2207 carry out the provisions of this ~~title subtitle~~ and Board regulations governing the operation of
2208 government stores and the sale of alcoholic beverages, except that the Board may appoint the holder of

2211 at government stores established by the Board (i) on the distiller's licensed premises or (ii) at the site of
2212 an event licensed by the Board and conducted for the purpose of featuring and educating the consuming

2213 public about spirits products.

2214 Such agents shall sell the spirits and low alcohol beverage coolers in accordance with the provisions
 2215 of this ~~the~~ subtitle, Board regulations, and the terms of the agency agreement between the Authority
 2216 and the licensed distiller. The Authority shall pay a licensed distiller making sales pursuant to an
 2217 agreement authorized by this subsection a commission of not less than 20 percent of the retail price of
 2218 the goods sold. If the licensed distiller makes application and meets certain requirements established by
 2219 the Board, such agreement shall allow monthly revenue transfers from the licensed distiller to the Board
 2220 to be submitted electronically and, notwithstanding the provisions of §§ 2.2-1802 and 4.1-116, to be
 2221 limited to the amount due to the Board in applicable taxes and markups.

2222 For the purposes of this subsection, "blended" means the receipt by a licensed distiller of deliveries
 2223 and shipments of alcoholic beverages, other than wine and beer, in accordance with subdivision A 6 of
 2224 § 4.1-201 to be (a) (1) additionally aged by the receiving distillery in order to increase the quality and
 2225 flavor of such alcoholic beverages or (2) used in a low alcohol beverage cooler and (b) bottled by the

 2232 be in closed containers, sealed and affixed with labels prescribed by the Board.

2233 G. No alcoholic beverages shall be consumed in a government store by any person unless it is part
 2234 of an organized tasting event conducted by (i) an employee of a manufacturer of distilled spirits or farm
 2235 winery or (ii) an authorized representative of a manufacturer of distilled spirits or farm winery with a
 2236 permit issued by the Board pursuant to subdivision A 14 of § 4.1-212, at which the samples of alcoholic
 2237 beverages provided to any consumer do not exceed the limits for spirits or wine set forth in subdivision
 2238 A 5 of § 4.1-201.1. No sample may be consumed by any individual to whom alcoholic beverages may
 2239 not lawfully be sold pursuant to § 4.1-304.

2240 Notwithstanding the provision of this subsection to the contrary, an agent of the Board appointed
 2241 pursuant to subsection D may give samples of spirits, beer, wine, or cider to persons to whom alcoholic
 2242 beverages may be lawfully sold for on-premises or off-premises consumption, provided that (i) the
 2243 spirits, beer, wine, or cider samples are manufactured within the same licensed premises or on
 2244 contiguous premises of such agent licensed as a distillery, brewery, or winery; (ii) no single sample shall
 2245 exceed four ounces of beer, two ounces of wine or cider, or one-half ounce of spirits, unless served as a
 2246 mixed beverage, in which case a single sample of spirits may contain up to one and one-half ounces of
 2247 spirits; (iii) no more than 12 ounces of beer, five ounces of wine, or three ounces of spirits shall be
 2248 given or sold to any person per day; and (iv) in the case of spirits samples, a method is used to track
 2249 the consumption of each consumer. Nothing in this paragraph shall prohibit such agent from serving
 2250 samples of spirits as part of a mixed beverage. Such mixed beverage samples may contain spirits or
 2251 vermouth not manufactured on the licensed premises or on contiguous premises of the licensed distillery,
 2252 provided that at least 75 percent of the alcohol used in such samples is manufactured on the licensed
 2253 premises or on contiguous premises of the licensed distillery. An agent of the Board appointed pursuant
 2254 to subsection D may keep on the licensed premises no more than 10 varieties of spirits or vermouth not
 2255 manufactured on the licensed premises or on contiguous premises of the licensed distillery. Any spirits
 2256 or vermouth used in such samples that are not manufactured on the licensed premises or on contiguous
 2257 premises of the licensed distillery shall be purchased from the Board.

2258 The Board shall establish guidelines governing tasting events conducted pursuant to this subsection.

2259 Any case fee charged to a licensed distiller by the Board for moving spirits from the production and
 2260 bailment area to the tasting area of a government store established by the Board on the distiller's
 2261 licensed premises shall be waived if such spirits are moved by employees of the licensed distiller.

2262 H. With respect to purchases by licensees at government stores, the Authority shall (i) accept in
 2263 payment for any purchase or series of purchases cash, electronic fund transfer, credit or debit card, or
 2264 check payable to the Authority, in the exact amount of any such purchase or series of purchases and (ii)
 2265 provide notice to licensees on Board policies relating to the assignment of government stores from
 2266 which licensees may purchase products and any procedure for the licensee to elect to make purchases
 2267 from an alternative government store.

2268 I. With respect to purchases by consumers at government stores, the Authority shall accept cash in
 2269 payment for any purchase or series of purchases. The Board may adopt regulations which provide for
 2270 accepting a credit card or debit card as payment. Such regulations may provide for the collection, where
 2271 appropriate, of related fees, penalties and service charges for the use of a credit card or debit card by
 2272 any consumer.

2273 J. Before the Authority implements any increase in the markup on distilled spirits or any change to

the markup formula for distilled spirits pursuant to § 4.1-235 that would result in an increase in the retail price of distilled spirits sold to the public, the Authority shall (i) provide at least 45 days' public notice before such a price increase takes effect; (ii) provide the opportunity for submission of written comments regarding the proposed price increase; (iii) conduct a public meeting for the purpose of receiving verbal comment regarding the proposed price increase; and (iv) consider any written or verbal comments before implementing such a price increase.

The Board may sell alcoholic beverages to federal instrumentalities (i) authorized and operating under the laws of the United States and regulations of the United States Department of Defense and (ii) located within the boundaries of federal enclaves or reservations over which the United States has acquired jurisdiction, at prices which may be greater or less than the wholesale price charged other authorized purchasers. Nothing in this subsection shall be construed to limit the authority of the Board to fix the retail price of alcoholic beverages sold at government stores, which retail price may include promotional, volume, or other discounts deemed appropriate by the Board.

D. Alcoholic beverages at government stores shall be sold by employees of the Authority who shall carry out the provisions of this ~~title~~ subtitle and Board regulations governing the operation of government stores and the sale of alcoholic beverages, except that the Board may appoint the holder of a distiller's license or its officers and employees as agents of the Board for the sale of spirits and low alcohol beverage coolers, manufactured by or for, or blended by such licensee on the licensed premises, at government stores established by the Board (i) on the distiller's licensed premises or (ii) at the site of an event licensed by the Board and conducted for the purpose of featuring and educating the consuming public about spirits products.

Such agents shall sell the spirits and low alcohol beverage coolers in accordance with the provisions of this ~~title~~ subtitle, Board regulations, and the terms of the agency agreement between the Authority and the licensed distiller. The Authority shall pay a licensed distiller making sales pursuant to an agreement authorized by this subsection a commission of not less than 20 percent of the retail price of the goods sold. If the licensed distiller makes application and meets certain requirements established by the Board, such agreement shall allow monthly revenue transfers from the licensed distiller to the Board to be submitted electronically and, notwithstanding the provisions of §§ 2.2-1802 and 4.1-116, to be limited to the amount due to the Board in applicable taxes and markups.

For the purposes of this subsection, "blended" means the receipt by a licensed distiller of deliveries and shipments of alcoholic beverages, other than wine and beer, in accordance with subdivision A 6 of § 4.1-201 to be (a) (1) additionally aged by the receiving distillery in order to increase the quality and flavor of such alcoholic beverages or (2) used in a low alcohol beverage cooler and (b) bottled by the receiving distillery.

E. No sample may be consumed by any individual to whom alcoholic beverages may not lawfully be sold pursuant to § 4.1-304.

Notwithstanding the provision of this subsection to the contrary, an agent of the Board appointed

pursuant to subsection D may give samples of spirits, beer, wine, or cider to persons to whom alcoholic beverages may be lawfully sold for on-premises consumption, provided that (i) the spirits, beer, wine, or cider samples are manufactured within the same licensed premises or on contiguous premises of such agent licensed as a distillery, brewery, or winery; (ii) no single sample shall exceed four ounces of beer, two ounces of wine or cider, or one-half ounce of spirits, unless served as a mixed beverage, in which case a single sample of spirits may contain up to one and one-half ounces of spirits; (iii) no more than 12 ounces of beer, five ounces of wine, or three ounces of spirits shall be given or sold to any person per day; and (iv) in the case of spirits samples, a method is used to track the consumption of each consumer. Nothing in this paragraph shall prohibit such agent from serving samples of spirits as part of a mixed beverage. Such mixed beverage samples may contain spirits or vermouth not manufactured on the licensed premises or on contiguous premises of the licensed distillery, provided that at least 75 percent of the alcohol used in such samples is manufactured on the licensed premises or on contiguous premises of the licensed distillery. An agent of the Board appointed pursuant to subsection D may keep on the licensed premises no more than 10 varieties of spirits or vermouth not manufactured on the licensed premises or on contiguous premises of the licensed distillery. Any spirits or vermouth used in such samples that are not manufactured on the licensed premises or on contiguous premises of the licensed distillery shall be purchased from the Board.

The Board shall establish guidelines governing tasting events conducted pursuant to this subsection.

Any case fee charged to a licensed distiller by the Board for moving spirits from the production and bailment area to the tasting area of a government store established by the Board on the distiller's licensed premises shall be waived if such spirits are moved by employees of the licensed distiller.

H. With respect to purchases by licensees at government stores, the Authority shall (i) accept in payment for any purchase or series of purchases cash, electronic fund transfer, credit or debit card, or check payable to the Authority, in the exact amount of any such purchase or series of purchases and (ii) provide notice to licensees on Board policies relating to the assignment of government stores from which licensees may purchase products and any procedure for the licensee to elect to make purchases from an alternative government store.

I. With respect to purchases by consumers at government stores, the Authority shall accept cash in payment for any purchase or series of purchases. The Board may adopt regulations which provide for accepting a credit card or debit card as payment. Such regulations may provide for the collection, where appropriate, of related fees, penalties and service charges for the use of a credit card or debit card by any consumer.

J. Before the Authority implements any increase in the markup on distilled spirits or any change to the markup formula for distilled spirits pursuant to § 4.1-235 that would result in an increase in the retail price of distilled spirits sold to the public, the Authority shall (i) provide at least 45 days' public notice before such a price increase takes effect; (ii) provide the opportunity for submission of written comments regarding the proposed price increase; (iii) conduct a public meeting for the purpose of receiving verbal comment regarding the proposed price increase; and (iv) consider any written or verbal comments before implementing such a price increase.

§ 4.1-122. Effect of local option referenda.

A. If in any referendum held under the provisions of § 4.1-121 in any county, city, or town a majority of the qualified voters vote "Yes" on the question, then on and after 60 days from the date on which the order of the court, setting forth the results of such referendum was entered of record, none of the alcoholic beverages voted against shall be sold in such county, city, or town except for delivery or shipment to persons outside of such county, city, or town authorized under this ~~title~~ *subtitle* to acquire the alcoholic beverages for resale. This subsection shall not apply to common carriers of passengers by train, boat or airplane selling wine and beer to bona fide passengers.

B. If in any such referendum held in any county, city, or town in which a majority of the qualified voters have previously voted to prohibit the sale of alcoholic beverages by the Board and in a subsequent election a majority of the voters of the county, city, or town vote "No" on the question stated in § 4.1-121, then such alcoholic beverages may, in accordance with this ~~title~~ *subtittle*, be sold within the county, city, or town on and after 60 days from the day on which the order of the court setting forth the results of such election is entered of record.

C. If any referendum is held under the provisions of § 4.1-124 in any county, town, or supervisor's election district of a county and the majority of voters voting in such referendum voted "Yes," the sale by the Board of alcoholic beverages, other than beer and wine not produced by farm wineries, shall be prohibited in such county, town, or supervisor's election district of a county. Notwithstanding this section and any referendum held under § 4.1-121 to the contrary, persons licensed to sell mixed beverages in such county, town, or supervisor's election district of a county shall also be permitted to sell wine and beer for on-premises consumption, provided the appropriate license fees are paid for the privilege.

2397 D. The provisions of this section shall not prevent in any county, city, or town, the sale and delivery
2398 or shipment of alcoholic beverages specified in § 4.1-200 to and by persons therein authorized to sell
2399 alcoholic beverages, nor prevent the delivery or shipment of alcoholic beverages under Board regulations
2400 into any county, city, or town, except as otherwise prohibited by this ~~title~~ subtitle.

2401 E. For the purpose of this section, when any referendum is held in any town, separate and apart from
2402 the county in which such town or a part thereof is located, such town shall be treated as being separate
2403 and apart from such county.

2404 **§ 4.1-124. Referendum on the sale of mixed beverages.**

2405 A. The provisions of this ~~title~~ subtitle relating to the sale of mixed beverages shall be effective in
2406 any town, county, or supervisor's election district of a county unless a majority of the voters voting in a
2407 referendum vote "Yes" on the question of whether the sale of mixed alcoholic beverages by restaurants
2408 licensed under this ~~title~~ subtitle should be prohibited. The qualified voters of a town, county, or
2409 supervisor's election district of a county may file a petition with the circuit court of the county asking
2410 that a referendum be held on the question of whether the sale of mixed beverages by restaurants
2411 licensed by the Board should be prohibited within that jurisdiction. The petition shall be signed by
2412 qualified voters equal in number to at least 10 percent of the number registered in the town, county, or
2413 supervisor's election district on January 1 preceding its filing or at least 100 qualified voters, whichever
2414 is greater.

2415 Petition requirements for any county shall be based on the number of registered voters in the county,
2416 including the number of registered voters in any town having a population in excess of 1,000 located
2417 within such county. Upon the filing of a petition, and under no other circumstances, the court shall order
2418 the election officials of the county to conduct a referendum on the question.

2419 The clerk of the circuit court of the county shall publish notice of the referendum in a newspaper of
2420 general circulation in the town, county, or supervisor's election district once a week for three consecutive
2421 weeks prior to the referendum.

2422 The question on the ballot shall be:

2423 "Shall the sale of mixed alcoholic beverages by restaurants licensed by the Virginia Alcoholic
2424 Beverage Control Authority be prohibited in _____ (name of town, county, or supervisor's election
2425 district of county)?"

2426 The referendum shall be ordered and held and the results certified as provided in Article 5
2427 (§ 24.2-681 et seq.) of Chapter 6 of Title 24.2. Thereupon the court shall enter of record an order
2428 certified by the clerk of the court to be transmitted to the Board and to the governing body of the town
2429 or county. Mixed beverages prohibited from sale by such referendum shall not be sold by restaurants
2430 within the town, county, or supervisor's election district of a county on or after 30 days following the
2431 entry of the order if a majority of the voters voting in the referendum have voted "Yes."

2432 The provisions of this section shall be applicable to towns having a population in excess of 1,000 to
2433 the same extent and subject to the same conditions and limitations as are otherwise applicable to
2434 counties under this section. Such towns shall be treated as separate local option units, and only residents
2435 of any such town shall be eligible to vote in any referendum held pursuant to this section for any such
2436 town. Residents of towns having a population in excess of 1,000, however, shall also be eligible to vote
2437 in any referendum held pursuant to this section for any county in which the town is located.

2438 Notwithstanding the provisions of this section, the sale of mixed beverages by restaurants shall be
2439 prohibited in any town created as a result of a city-to-town reversion pursuant to Chapter 41
2440 (§ 15.2-4100 et seq.) of Title 15.2 if a referendum on the question of whether the sale of mixed
2441 beverages by restaurants licensed under this ~~title~~ subtitle should be prohibited was previously held in the
2442 former city and a majority of the voters voting in such referendum voted "Yes."

2443 B. Once a referendum has been held, no other referendum on the same question shall be held in the
2444 town, county, or supervisor's election district of a county for a period of 23 months.

2445 C. Notwithstanding the provisions of subsection A, the sale of mixed beverages shall be allowed on
2446 property dedicated for industrial or commercial development and controlled through the provision of
2447 public utilities and covenanting of the land by any multijurisdictional industrial development authority,
2448 as set forth under Chapter 49 (§ 15.2-4900 et seq.) of Title 15.2, provided that (i) such authority
2449 operates under a partnership agreement between three or more counties, cities, or towns and such
2450 jurisdictions participate administratively and financially in the authority and (ii) the sale of mixed
2451 beverages is permitted in one of the member counties, cities, towns, or a supervisor's election district of
2452 one of the counties and that the governing board of the authority authorizes an establishment located
2453 within the confines of such property to apply to the Board for such license. The appropriate license fees
2454 shall be paid for this privilege.

2455 D. Notwithstanding the provisions of subsection A of this section and subsection C of § 4.1-122, the
2456 sale of mixed beverages by licensees, and the sale of alcoholic beverages other than beer and wine not
2457 produced by farm wineries by the Board, shall be allowed in any city in the Commonwealth.

2458 E. Notwithstanding the provisions of subsection A, the Board may grant a mixed beverage restaurant

license to a restaurant located on the premises of and operated by a private club exclusively for its members and their guests, subject to the qualifications and restrictions on the issuance of such license imposed by § 4.1-206.3. However, no license authorized by this subsection shall be granted if the private club restricts its membership on the basis of race, color, creed, national origin, or sex.

§ 4.1-128. Local ordinances or resolutions regulating or taxing alcoholic beverages.

A. No county, city, or town shall, except as provided in § 4.1-205 or 4.1-129, adopt any ordinance or resolution which regulates or prohibits the manufacture, bottling, possession, sale, wholesale distribution, handling, transportation, drinking, use, advertising or dispensing of alcoholic beverages in the Commonwealth. Nor shall any county, city, or town adopt an ordinance or resolution that prohibits or regulates the storage, warehousing, and wholesaling of wine in accordance with Title 4.1, regulations of the Board, and federal law at a licensed farm winery.

No provision of law, general or special, shall be construed to authorize any county, city or town to adopt any ordinance or resolution that imposes a sales or excise tax on alcoholic beverages, other than the taxes authorized by § 58.1-605, 58.1-3833 or 58.1-3840. The foregoing limitation shall not affect the authority of any county, city or town to impose a license or privilege tax or fee on a business engaged in whole or in part in the sale of alcoholic beverages if the license or privilege tax or fee (i) is based on an annual or per event flat fee specifically authorized by general law or (ii) is an annual license or privilege tax specifically authorized by general law, which includes alcoholic beverages in its taxable measure and treats alcoholic beverages the same as if they were nonalcoholic beverages.

B. However, the governing body of any county, city, or town may adopt an ordinance that (i) prohibits the acts described in subsection A of § 4.1-308 subject to the provisions of subsections B and E of § 4.1-308, or the acts described in § 4.1-309, and may provide a penalty for violation thereof and (ii) subject to subsection C of § 4.1-308, regulates or prohibits the possession of opened alcoholic beverage containers in its local public parks, playgrounds, public streets, and any sidewalk adjoining any public street.

C. Except as provided in this section, all local acts, including charter provisions and ordinances of cities and towns, inconsistent with any of the provisions of this ~~title~~ *subtitle*, are repealed to the extent of such inconsistency.

For the purposes of this subdivision, other designated areas shall include outdoor dining areas, whether or not contiguous to the licensed premises, which outdoor dining areas may have more than one means of ingress and egress to an adjacent public thoroughfare, provided such areas are under the control of the licensee and approved by the Board. 2901 the possession and consumption of lawfully acquired alcoholic beverages by persons to whom overnight
2902 lodging is being provided in bedrooms and private guest rooms.

2903 The granting of a license pursuant to this subdivision shall automatically authorize the licensee to
2904 obtain a license to sell and serve wine and beer for on-premises consumption and in closed containers
2905 for off-premises consumption; however, the licensee shall be required to pay the local fee required for
2906 such additional license pursuant to § 4.1-233.1.

3675 a. Banquet licenses to persons in charge of banquets, and to duly organized nonprofit corporations or
3676 associations in charge of special events, which shall authorize the licensee to sell or give wine and beer
3677 in rooms or areas approved by the Board for the occasion for on-premises consumption in such rooms
3678 or areas. Licensees who are nonprofit corporations or associations conducting fundraisers (i) shall also
3679 be authorized to sell wine, as part of any fundraising activity, in closed containers for off-premises
3680 consumption to persons to whom wine may be lawfully sold; (ii) shall be limited to no more than one
3681 such fundraiser per year; and (iii) if conducting such fundraiser through an online meeting platform, may
3682 ship such wine, in accordance with Board regulations, in closed containers to persons located within the
3683 Commonwealth. Except as provided in § 4.1-215, a separate license shall be required for each day of
3684 each banquet or special event. For the purposes of this subdivision, when the location named in the
3685 original application for a license is outdoors, the application may also name an alternative location in the
3686 event of inclement weather. However, no such license shall be required of any hotel, restaurant, or club
3687 holding a retail wine and beer license.

3688 b. Mixed beverage special events licenses to a duly organized nonprofit corporation or association in

charge of a special event, which shall authorize the licensee to sell and serve mixed beverages for on-premises consumption in areas approved by the Board on the premises of the place designated in the license. A separate license shall be required for each day of each special event.

c. Mixed beverage club events licenses to a club holding a wine and beer club license, which shall authorize the licensee to sell and serve mixed beverages for on-premises consumption by club members and their guests in areas approved by the Board on the club premises. A separate license shall be required for each day of each club event. No more than 12 such licenses shall be granted to a club in any calendar year. The granting of a license pursuant to this subdivision shall automatically authorize the licensee to obtain a license to sell and serve wine and beer for on-premises consumption; however, the licensee shall be required to pay the local fee required for such additional license pursuant to § 4.1-233.1.

d. Tasting licenses, which shall authorize the licensee to sell or give samples of alcoholic beverages of the type specified in the license in designated areas at events held by the licensee. A tasting license shall be issued for the purpose of featuring and educating the consuming public about the alcoholic beverages being tasted. A separate license shall be required for each day of each tasting event. No tasting license shall be required for conduct authorized by § 4.1-201.1.

2. Annual licenses.

a. Annual banquet licenses to duly organized private nonprofit fraternal, patriotic, or charitable membership organizations that are exempt from state and federal taxation and in charge of banquets conducted exclusively for members and their guests, which shall authorize the licensee to serve wine and beer in rooms or areas approved by the Board for the occasion for on-premises consumption in such rooms or areas. Such license shall authorize the licensee to conduct no more than 12 banquets per calendar year. For the purposes of this subdivision, when the location named in the original application for a license is outdoors, the application may also name an alternative location in the event of inclement weather. However, no such license shall be required of any hotel, restaurant, or club holding a retail wine and beer license.

b. Banquet facility licenses to volunteer fire departments and volunteer emergency medical services agencies, which shall authorize the licensee to permit the consumption of lawfully acquired alcoholic beverages on the premises of the licensee by any person, and bona fide members and guests thereof, otherwise eligible for a banquet license. However, lawfully acquired alcoholic beverages shall not be purchased or sold by the licensee or sold or charged for in any way by the person permitted to use the premises. Such premises shall be a volunteer fire or volunteer emergency medical services agency station or both, regularly occupied as such and recognized by the governing body of the county, city, or town in which it is located. Under conditions as specified by Board regulation, such premises may be other than a volunteer fire or volunteer emergency medical services agency station, provided such other premises are occupied and under the control of the volunteer fire department or volunteer emergency medical services agency while the privileges of its license are being exercised.

c. Designated outdoor refreshment area licenses to a locality, business improvement district, or nonprofit organization, which shall authorize (i) the licensee to permit the consumption of alcoholic beverages within the area designated by the Board for the designated outdoor refreshment area and (ii) any permanent retail on-premises licensee that is located within the area designated by the Board for the designated outdoor refreshment area to sell alcoholic beverages within the permanent retail location for consumption in the area designated for the designated outdoor refreshment area, including sidewalks and the premises of businesses not licensed to sell alcoholic beverages at retail, upon approval of such businesses. In determining the designated area for the designated outdoor refreshment area, the Board shall consult with the locality. Designated outdoor refreshment area licensees shall be limited to 16 events per year, and the duration of any event shall not exceed three consecutive days. However, the Board may increase the frequency and duration of events after adoption of an ordinance by a locality requesting such increase in frequency and duration. Such ordinance shall include the size and scope of the area within which such events will be held, a public safety plan, and any other considerations deemed necessary by the Board. Such limitations on the number of events that may be held shall not apply during the effective dates of any rule, regulation, or order that is issued by the Governor or State Health Commissioner to meet a public health emergency and that effectively reduces allowable restaurant seating capacity; however, designated outdoor refreshment area licensees shall be subject to all other applicable provisions of this ~~title~~ subtitle and Board regulations and shall provide notice to the Board regarding the days and times during which the privileges of the license will be exercised. Only alcoholic beverages purchased from permanent retail on-premises licensees located within the designated area may be consumed at the event, and such alcoholic beverages shall be contained in paper, plastic, or similar disposable containers that clearly display the name or logo of the retail on-premises licensee from which the alcoholic beverage was purchased. Alcoholic beverages shall not be sold or charged for in any way by the designated outdoor refreshment area licensee. The designated outdoor refreshment

3750 area licensee shall post appropriate signage clearly demarcating for the public the boundaries of the
3751 event; however, no physical barriers shall be required for this purpose. The designated outdoor
3752 refreshment area licensee shall provide adequate security for the event to ensure compliance with the
3753 applicable provisions of this ~~title~~ *subtitle* and Board regulations.

3754 d. Annual mixed beverage banquet licenses to duly organized private nonprofit fraternal, patriotic, or
3755 charitable membership organizations that are exempt from state and federal taxation and in charge of
3756 banquets conducted exclusively for members and their guests, which shall authorize the licensee to serve
3757 mixed beverages for on-premises consumption in areas approved by the Board on the premises of the
3758 place designated in the license. Such license shall authorize the licensee to conduct no more than 12
3759 banquets per calendar year. The granting of a license pursuant to this subdivision shall automatically
3760 authorize the licensee to obtain a license to sell and serve wine and beer for on-premises consumption;
3761 however, the licensee shall be required to pay the local fee required for such additional license pursuant
3762 to § 4.1-233.1.

3763 e. Equine sporting event licenses, which may be issued to organizations holding equestrian, hunt, and
3764 steeplechase events, which shall authorize the licensee to permit the consumption of lawfully acquired
3765 alcoholic beverages on the premises of the licensee by patrons thereof during such event. However,
3766 alcoholic beverages shall not be sold or charged for in any way by the licensee. The privileges of this
3767 license shall be (i) limited to the premises of the licensee, regularly occupied and utilized for equestrian,
3768 hunt, and steeplechase events, and (ii) exercised on no more than four calendar days per year.

3769 f. Annual arts venue event licenses, to persons operating an arts venue, which shall authorize the
3770 licensee participating in a community art walk that is open to the public to serve lawfully acquired wine
3771 or beer on the premises of the licensee to adult patrons thereof during such events. However, alcoholic
3772 beverages shall not be sold or charged for in any way, directly or indirectly, by the licensee, and the
3773 licensee shall not give more than two five-ounce glasses of wine or two 12-ounce glasses of beer to any
3774 one adult patron. The privileges of this license shall be (i) limited to the premises of the arts venue
3775 regularly occupied and used as such and (ii) exercised on no more than 12 calendar days per year.

3776 E. The Board may grant a marketplace license to persons operating a business enterprise of which
3777 the primary function is not the sale of alcoholic beverages, which shall authorize the licensee to serve
3778 complimentary wine or beer to bona fide customers on the licensed premises subject to any limitations
3779 imposed by the Board; however, the licensee shall not give more than two five-ounce glasses of wine or
3780 two 12-ounce glasses of beer to any customer per day, nor shall it sell or otherwise charge a fee to such
3781 customer for the wine or beer served or consumed. In order to be eligible for and retain a marketplace
3782 license, the applicant's business enterprise must (i) provide a single category of goods or services in a
3783 manner intended to create a personalized experience for the customer; (ii) employ staff with expertise in
3784 such goods or services; (iii) be ineligible for any other license granted by the Board; (iv) have an
3785 alcoholic beverage control manager on the licensed premises at all times alcohol is served; (v) ensure
3786 that all employees satisfy any training requirements imposed by the Board; and (vi) purchase all wine
3787 and beer to be served from a licensed wholesaler or the Authority and retain purchase records as
3788 prescribed by the Board. In determining whether to grant a marketplace license, the Board shall consider
3789 (a) the average amount of time customers spend at the business; (b) the business's hours of operation;
3790 (c) the amount of time that the business has been in operation; and (d) any other requirements deemed
3791 necessary by the Board to protect the public health, safety, and welfare.

3792 F. The Board may grant the following shipper, bottler, and related licenses:

3793 1. Wine and beer shipper licenses, which shall carry the privileges and limitations set forth in
3794 § 4.1-209.1.

3795 2. Internet wine and beer retailer licenses, which shall authorize persons located within or outside the
3796 Commonwealth to sell and ship wine and beer, in accordance with § 4.1-209.1 and Board regulations, in

3798 off-premises consumption. Such licensee shall not be required to comply with the monthly food sale
3799 requirement established by Board regulations.

3800 3. Bottler licenses, which shall authorize the licensee to acquire and receive deliveries and shipments
3801 of beer in closed containers and to bottle, sell, and deliver or ship it, in accordance with Board

3808 owner; and (iii) pick, pack, and ship such wine or beer as directed by the owner, all in accordance with
3809 Board regulations. No wholesale wine or wholesale beer licensee, whether licensed in the
3810 Commonwealth or not, or any person under common control of such licensee, shall acquire or hold any
3811 financial interest, direct or indirect, in the business for which any fulfillment warehouse license is

issued.

5. Upon receipt of an order for wine or beer, the licensee shall forward it to a holder of a wine and beer shipper's license for fulfillment. Marketing portal licensees may also accept payment on behalf of the shipper.

§ 4.1-212. Permits required in certain instances.

3879 of a person licensed by the Board to continue to operate the establishment to the same extent as a
3880 person holding such licenses, provided such person has made application to the Board for a license at

3889 of the contract, in which case the permit when issued shall become effective on the effective date of the
3890 contract. Upon the effective date of the permit, (a) the permittee shall be responsible for compliance

3895 individuals for compensation to a winery, brewery, or restaurant, licensed under this chapter and

3931 H. For the purposes of this section:

3932 "Chaptalization" means a method of increasing the alcohol in a wine by adding sugar to the must
3933 before or during fermentation.

3934 "Cider" means any beverage, carbonated or otherwise, obtained by the fermentation of the natural

Cider shall be treated as wine for all purposes of this ~~title~~ *subtitle*, except as otherwise provided in this ~~title~~ *subtitle* or Board regulations.

I. This section shall not limit the privileges set forth in subdivision 8 of § 4.1-200, nor shall any person be denied the privilege of manufacturing and selling sweet cider.

§ 4.1-215. Limitation on manufacturers, bottlers, and wholesalers; exemptions.

A. 1. Unless exempted pursuant to subsection B, no retail license for the sale of alcoholic beverages shall be granted to any (i) manufacturer, bottler, or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not; (ii) officer or director of any such manufacturer, bottler, or wholesaler; (iii) partnership or corporation, where any partner or stockholder is an officer or director of any such manufacturer, bottler, or wholesaler; (iv) corporation which is a subsidiary of a corporation which owns or has interest in another subsidiary corporation which is a manufacturer, bottler, or wholesaler of alcoholic beverages; or (v) manufacturer, bottler, or wholesaler of alcoholic beverages who has a financial interest in a corporation which has a retail license as a result of a holding company, which owns or has an interest in such manufacturer, bottler, or wholesaler of alcoholic beverages. Nor shall such licenses be granted in any instances where such manufacturer, bottler, or wholesaler and such retailer are under common control, by stock ownership or otherwise.

2. Notwithstanding any other provision of this ~~title~~ *subtitle*, a manufacturer of wine or malt beverages, or two or more of such manufacturers together, whether licensed in the Commonwealth or not, may obtain a banquet license as provided in § 4.1-206.3 upon application to the Board, provided that the event for which a banquet license is obtained is (i) at a place approved by the Board and (ii) conducted for the purposes of featuring and educating the consuming public about wine or malt beverage products. Such manufacturer shall be limited to eight banquet licenses, whether or not jointly obtained, for such events per year without regard to the number of wineries or breweries owned or operated by such manufacturer or by any parent, subsidiary, or company under common control with such manufacturer. Where the event occurs on no more than three consecutive days, a manufacturer need only obtain one such license for the event.

3. Notwithstanding any other provision of this ~~title~~ *subtitle*, a manufacturer of distilled spirits, whether licensed in the Commonwealth or not, may obtain a banquet license for a special event as provided in subdivision D 1 b of § 4.1-206.3 upon application to the Board, provided that such event is (i) at a place approved by the Board and (ii) conducted for the purposes of featuring and educating the consuming public about the manufacturer's spirits products. Such manufacturer shall be limited to no more than eight banquet licenses for such special events per year. Where the event occurs on no more than three consecutive days, a manufacturer need only obtain one such license for the event. Such banquet license shall authorize the manufacturer to sell or give samples of spirits to any person to whom alcoholic beverages may be lawfully sold in designated areas at the special event, provided that (a) no single sample shall exceed one-half ounce per spirits product offered, unless served as a mixed beverage, in which case a single sample may contain up to one and one-half ounces of spirits, and (b) no more than three ounces of spirits may be offered to any patron per day. C. The General Assembly finds that it is necessary and proper to require a separation between manufacturing interests, wholesale interests, and retail interests in the production and distribution of alcoholic beverages in order to prevent suppliers from dominating local markets through vertical integration and to prevent excessive sales of alcoholic beverages caused by overly aggressive marketing

3996 techniques. The exceptions established by this section to the general prohibition against tied interests
3997 shall be limited to their express terms so as not to undermine the general prohibition and shall therefore
3998 be construed accordingly.

3999 **§ 4.1-216. Further limitations on manufacturers, bottlers, importers, brokers or wholesalers;**
4000 **ownership interests prohibited; exceptions; prohibited trade practices.**

4001 A. As used in this section:

4002 "Broker" means any person, other than a manufacturer or a licensed beer or wine importer, who
4003 regularly engages in the business of bringing together sellers and purchasers of alcoholic beverages for
4004 resale and arranges for or consummates such transactions with persons in the Commonwealth to whom
4005 such alcoholic beverages may lawfully be sold and shipped into the Commonwealth pursuant to the
4006 provisions of this ~~title~~ subtitle.

4007 "Manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages" includes any officers
4008 or directors of any such manufacturer, bottler, importer, broker or wholesaler.

4009 B. Except as provided in this ~~title~~ subtitle, no manufacturer, importer, bottler, broker or wholesaler of
4010 alcoholic beverages, whether licensed in the Commonwealth or not, shall acquire or hold any financial
4011 interest, direct or indirect, (i) in the business for which any retail license is issued or (ii) in the premises
4012 where the business of a retail licensee is conducted.

4013 1. Subdivision B (ii) shall not apply so long as such manufacturer, bottler, importer, broker or
4014 wholesaler does not sell or otherwise furnish, directly or indirectly, alcoholic beverages or other
4015 merchandise to such retail licensee and such retailer is not required by agreement or otherwise to
4016 exclude from sale at his establishment alcoholic beverages of other manufacturers, bottlers, importers,
4017 brokers or wholesalers.

4018 2. Service as a member of the board of directors of a corporation licensed as a retailer, the shares of
4019 stock of which are sold to the general public on any national or local stock exchange, shall not be
4020 deemed to be a financial interest, direct or indirect, in the business or the premises of the retail licensee.

4021 3. A brewery, winery or subsidiary or affiliate thereof, hereinafter collectively referred to as a
4022 financing corporation, may participate in financing the business of a wholesale licensee in the
4023 Commonwealth by providing debt or equity capital or both but only if done in accordance with the
4024 provisions of this subsection.

4025 a. In order to assist a proposed new owner of an existing wholesale licensee, a financing corporation
4026 may provide debt or equity capital, or both, if prior approval of the Board has been obtained pursuant to
4027 subdivision 3 b of subsection B. A financing corporation which proposes to provide equity capital shall
4028 cause the proposed new owner to form a Virginia limited partnership in which the new owner is the
4029 general partner and the financing corporation is a limited partner. If the general partner defaults on any
4030 financial obligation to the limited partner, which default has been specifically defined in the partnership
4031 agreement, or, if the new owner defaults on its obligation to pay principal and interest when due to the
4032 financing corporation as specifically defined in the loan documents, then, and only then, shall such
4033 financing corporation be allowed to take title to the business of the wholesale licensee. Notwithstanding
4034 any other law to the contrary and provided written notice has been given to the Board within two
4035 business days after taking title, the wholesale licensee may be managed and operated by such financing
4036 corporation pursuant to the existing wholesale license for a period of time not to exceed 180 days as if
4037 the license had been issued in the name of the financing corporation. On or before the expiration of
4038 such 180-day period, the financing corporation shall cause ownership of the wholesale licensee's
4039 business to be transferred to a new owner. Otherwise, on the 181st day, the license shall be deemed
4040 terminated. The financing corporation may not participate in financing the transfer of ownership to the
4041 new owner or to any other subsequent owner for a period of ~~twenty~~ 20 years following the effective
4042 date of the original financing transaction; except where a transfer takes place before the expiration of the
4043 eighth full year following the effective date of the original financing transaction in which case the
4044 financing corporation may finance such transfer as long as the new owner is required to return such debt
4045 or equity capital within the originally prescribed eight-year period. The financing corporation may
4046 exercise its right to take title to, manage and operate the business of, the wholesale licensee only once
4047 during such eight-year period.

4048 b. In any case in which a financing corporation proposes to provide debt or equity capital in order to
4049 assist in a change of ownership of an existing wholesale licensee, the parties to the transaction shall first
4050 submit an application for a wholesale license in the name of the proposed new owner to the Board.

4051 The Board shall be provided with all documents that pertain to the transaction at the time of the
4052 license application and shall ensure that the application complies with all requirements of law pertaining
4053 to the issuance of wholesale licenses except that if the financing corporation proposes to provide equity
4054 capital and thereby take a limited partnership interest in the applicant entity, the financing corporation
4055 shall not be required to comply with any Virginia residency requirement applicable to the issuance of
4056 wholesale licenses. In addition to the foregoing, the applicant entity shall certify to the Board and
4057 provide supporting documentation that the following requirements are met prior to issuance of the

wholesale license: (i) the terms and conditions of any debt financing which the financing corporation proposes to provide are substantially the same as those available in the financial markets to other wholesale licensees who will be in competition with the applicant, (ii) the terms of any proposed equity financing transaction are such that future profits of the applicant's business shall be distributed annually to the financing corporation in direct proportion to its percentage of ownership interest received in return for its investment of equity capital, (iii) if the financing corporation proposes to provide equity capital, it shall hold an ownership interest in the applicant entity through a limited partnership interest and no other arrangement and (iv) the applicant entity shall be contractually obligated to return such debt or equity capital to the financing corporation not later than the end of the eighth full year following the effective date of the transaction thereby terminating any ownership interest or right thereto of the financing corporation.

Once the Board has issued a wholesale license pursuant to an application filed in accordance with this subdivision 3 b, any subsequent change in the partnership agreement or the financing documents shall be subject to the prior approval of the Board. In accordance with the previous paragraph, the Board may require the licensee to resubmit certifications and documentation.

c. If a financing corporation wishes to provide debt financing, including inventory financing, but not equity financing, to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee, it may do so without regard to the provisions of subdivisions 3 a and 3 b of subsection B under the following circumstances and subject to the following conditions: (i) in order to secure such debt financing, a wholesale licensee or a proposed new owner thereof may grant a security interest in any of its assets, including inventory, other than the wholesale license itself or corporate stock of the wholesale licensee; in the event of default, the financing corporation may take title to any assets pledged to secure such debt but may not take title to the business of the wholesale licensee and may not manage or operate such business; (ii) debt capital may be supplied by such financing corporation to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee so long as debt capital is provided on terms and conditions which are substantially the same as those available in the financial markets to other wholesale licensees in competition with the wholesale licensee which is being so financed; and (iii) the licensee or proposed new owner shall certify to the Board and provide supporting documentation that the requirements of (i) and (ii) of this subdivision 3 c have been met.

Nothing in this section shall eliminate, affect or in any way modify the requirements of law pertaining to issuance and retention of a wholesale license as they may apply to existing wholesale licensees or new owners thereof which have received debt financing prior to the enactment of this subdivision 3 c.

4. Except for holders of retail licenses issued pursuant to subdivision A 5 of § 4.1-201, brewery licensees may sell beer to retail licensees for resale only under the following conditions: If such brewery or an affiliate or subsidiary thereof has taken title to the business of a wholesale licensee pursuant to the provisions of subdivision 3 a of subsection B, direct sale to retail licensees may be made during the 180-day period of operation allowed under that subdivision. Moreover, the holder of a brewery license may make sales of alcoholic beverages directly to retail licensees for a period not to exceed ~~thirty~~ 30 days in the event that such retail licensees are normally serviced by a wholesale licensee representing that brewery which has been forced to suspend wholesale operations as a result of a natural disaster or other act of God or which has been terminated by the brewery for fraud, loss of license or assignment of assets for the benefit of creditors not in the ordinary course of business.

5. Notwithstanding any provision of this section, including but not limited to those provisions whereby certain ownership or lease arrangements may be permissible, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages shall make an agreement, or attempt to make an agreement, with a retail licensee pursuant to which any products sold by a competitor are excluded in whole or in part from the premises on which the retail licensee's business is conducted.

4120 bottler, importer, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or
4121 not, shall sell, rent, lend, buy for or give to any retail licensee, or to the owner of the premises in which

4124 for any other purpose; (ii) advertising materials; and (iii) business entertainment, provided that no
4125 transaction permitted under this section or by Board regulation shall be used to require the retail licensee
4126 to partially or totally exclude from sale at its establishment alcoholic beverages of other manufacturers
4127 or wholesalers.

4128 The provisions of this subsection shall apply to manufacturers, bottlers, importers, brokers and

4406 initial hearing;

4407 2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of
4408 suspension may be accepted for a first offense occurring within three years immediately preceding the
4409 date of the violation;

4410 3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil
4411 penalty for any retail licensee where the licensee can demonstrate that it provided to its employees
4412 alcohol server or seller training certified in advance by the Board;

4413 4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a
4414 license and the civil charge acceptable in lieu of such suspension; and

4418 title *subtitle* or Board regulations.

4419 **§ 4.1-230. Applications for licenses; publication; notice to localities; fees; permits.**

4420 A. Every person intending to apply for any license authorized by this chapter shall file with the
4421 Board an application on forms provided by the Board and a statement in writing by the applicant
4422 swearing and affirming that all of the information contained therein is true.

4423 Applicants for retail licenses for establishments that serve food or are otherwise required to obtain a
4424 food establishment permit from the Department of Health or an inspection by the Department of
4425 Agriculture and Consumer Services shall provide a copy of such permit, proof of inspection, proof of a
4426 pending application for such permit, or proof of a pending request for such inspection. If the applicant

provides a copy of such permit, proof of inspection, proof of a pending application for a permit, or proof of a pending request for an inspection, a license may be issued to the applicant. If a license is issued on the basis of a pending application or inspection, such license shall authorize the licensee to purchase alcoholic beverages in accordance with the provisions of this ~~title~~ *subtitle*; however, the licensee shall not sell or serve alcoholic beverages until a permit is issued or an inspection is completed.

B. In addition, each applicant for a license under the provisions of this chapter, except applicants for annual banquet, banquet, tasting, special events, club events, annual mixed beverage banquet, wine and beer shipper's, delivery permit, annual arts venue, or museum licenses issued under the provisions of Chapter 2 (§ 4.1-200 et seq.), or beer or wine importer's licenses, shall post a notice of his application with the Board on the front door of the building, place or room where he proposes to engage in such business for no more than 30 days and not less than 10 days. Such notice shall be of a size and contain such information as required by the Board, including a statement that any objections shall be submitted to the Board not more than 30 days following initial publication of the notice required pursuant to this subsection.

The applicant shall also cause notice to be published at least once a week for two consecutive weeks in a newspaper published in or having a general circulation in the county, city, or town wherein such applicant proposes to engage in such business. Such notice shall contain such information as required by the Board, including a statement that any objections to the issuance of the license be submitted to the Board not later than 30 days from the date of the initial newspaper publication. In the case of wine and beer shipper's licensees, delivery permittees or operators of boats, dining cars, buffet cars, club cars, buses, and airplanes, the posting and publishing of notice shall not be required.

Except for applicants for annual banquet, banquet, tasting, mixed beverage special events, club events, annual mixed beverage banquet, wine and beer shipper's, beer or wine importer's, annual arts venue, or museum licenses, the Board shall conduct a background investigation, to include a criminal history records search, which may include a fingerprint-based national criminal history records search, on each applicant for a license. However, the Board may waive, for good cause shown, the requirement for a criminal history records search and completed personal data form for officers, directors, nonmanaging members, or limited partners of any applicant corporation, limited liability company, or limited partnership.

Except for applicants for wine and beer shipper's licenses and delivery permits, the Board shall notify the local governing body of each license application through the county or city attorney or the chief law-enforcement or administrative officer of the locality. Local governing bodies shall submit objections to the granting of a license within 30 days of the filing of the application.

C. Each applicant shall pay the required application fee at the time the application is filed. Each license application fee, including annual banquet and annual mixed beverage banquet, shall be \$195, plus the actual cost charged to the Department of State Police by the Federal Bureau of Investigation or the Central Criminal Records Exchange for processing any fingerprints through the Federal Bureau of Investigation or the Central Criminal Records Exchange for each criminal history records search required by the Board, except for banquet, tasting, or mixed beverage club events licenses, in which case the application fee shall be \$15. The application fee for banquet special event and mixed beverage special event licenses shall be \$45. Application fees shall be in addition to the state license fee required pursuant to § 4.1-231.1 and shall not be refunded.

D. E. Every application for a permit granted pursuant to § 4.1-212 shall be on a form provided by the Board. Such permits shall confer upon their holders no authority to make solicitations in the Commonwealth as otherwise provided by law.

The fee for a temporary permit shall be one-twelfth of the combined fees required by this section for applicable licenses to sell wine, beer, or mixed beverages computed to the nearest cent and multiplied by the number of months for which the permit is granted.

F. The Board shall have the authority to increase state license fees from the amounts set forth in § 4.1-231.1 as it was in effect on January 1, 2022. The Board shall set the amount of such increases on the basis of the consumer price index and shall not increase fees more than once every three years. Prior to implementing any state license fee increase, the Board shall provide notice to all licensees and the general public of (i) the Board's intent to impose a fee increase and (ii) the new fee that would be required for any license affected by the Board's proposed fee increases. Such notice shall be provided on or before November 1 in any year in which the Board has decided to increase state license fees, and such increases shall become effective July 1 of the following year.

4496 and use such information for future payments of taxes, penalties, other fees, or amounts due for products
4497 purchased from the Board. The Board may assess a service charge as provided in subsection A for any

§ 4.1-903. Suspension or revocation of licenses; notice and hearings; imposition of civil penalties.

A. Before the Board may suspend or revoke any license, reasonable notice of such proposed or contemplated action shall be given to the licensee in accordance with the provisions of § 2.2-4020 of the Administrative Process Act (§ 2.2-4000 et seq.).

Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the licensee, permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or copies or portions thereof, that are within the possession, custody, or control of the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee. In addition, any subpoena for the production of documents issued to any person at the request of the licensee or the Board pursuant to § 4.1-604 shall provide for the production of the documents sought within 10 working days, notwithstanding anything to the contrary in § 4.1-604.

If the Board fails to provide for inspection or copying under this section for the licensee after a written request, the Board shall be prohibited from introducing into evidence any items the licensee would have lawfully been entitled to inspect or copy under this section.

The action of the Board in suspending or revoking any license or in imposing a civil penalty shall be subject to judicial review in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of the court. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed, or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

B. In suspending any license, the Board may impose, as a condition precedent to the removal of such suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty exceeding \$2,000 for the first violation occurring within five years immediately preceding the date of the violation or \$5,000 for the second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation. However, if the violation involved selling retail marijuana or retail marijuana products to a person prohibited from purchasing retail marijuana or retail marijuana products or allowing consumption of retail marijuana or retail marijuana products, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation in lieu of such suspension or any portion thereof, or both. The Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$25,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in § 4.1-604. The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Administrative Process Act (§ 2.2-4000 et seq.); and (c) (1) accept the proposed restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.

D. The Board shall, by regulation or written order:

1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial hearing;

2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;

3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail marijuana store licensee where the licensee can demonstrate that it provided to its employees marijuana seller training certified in advance by the Board;

4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a

5964 *license and the civil charge acceptable in lieu of such suspension; and*

5965 *5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the*
5966 *licensee has had no prior violations within five years immediately preceding the date of the violation.*
5967 *No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this*
5968 *subtitle or Board regulations.*

5969 **§ 4.1-904. Suspension or revocation; disposition of retail marijuana or retail marijuana products**

5981 *persons whose licenses have been terminated other than by suspension or revocation may be disposed of*
5982 *in accordance with subsection A within such time as the Board deems proper. Such period shall not be*
5983 *less than 60 days.*

5984 *D. All retail marijuana or retail marijuana products owned by or remaining in the possession of any*
5985 *person described in subsection A or C after the expiration of such period shall be deemed contraband*

5987 **CHAPTER 10.**

5988 **ADMINISTRATION OF LICENSES; APPLICATIONS FOR LICENSES; FEES; TAXES.**

5989 **§ 4.1-1000. Applications for licenses; publication; notice to localities; fees; permits.**

5990 *A. Every person intending to apply for any license authorized by this subtitle shall file with the*
5991 *Board an application on forms provided by the Board and a statement in writing by the applicant*
5992 *swearing and affirming that all of the information contained therein is true.*

5993 *Applicants for licenses for establishments that are otherwise required to obtain an inspection by the*
5994 *Department of Agriculture and Consumer Services shall provide proof of inspection or proof of a*
5995 *pending request for such inspection. If the applicant provides proof of inspection or proof of a pending*
5996 *request for an inspection, a license may be issued to the applicant. If a license is issued on the basis of*
5997 *a pending application or inspection, such license shall authorize the licensee to purchase retail*
5998 *marijuana, retail marijuana products, immature marijuana plants, or marijuana seeds in accordance*
5999 *with the provisions of this subtitle; however, the licensee shall not sell retail marijuana, retail marijuana*
6000 *products, immature marijuana plants, or marijuana seeds until an inspection is completed.*

6001 *B. In addition, each applicant for a license under the provisions of this subtitle shall post a notice of*
6002 *his application with the Board on the front door of the building, place, or room where he proposes to*

6011 *the Board not later than 30 days from the date of the initial newspaper publication.*

6012 *The Board shall conduct a background investigation, to include a criminal history records search,*
6013 *which may include a fingerprint-based national criminal history records search, on each applicant for a*
6014 *license. However, the Board may waive, for good cause shown, the requirement for a criminal history*
6015 *records search and completed personal data form for officers, directors, nonmanaging members, or*
6016 *limited partners of any applicant corporation, limited liability company, or limited partnership. In*
6017 *considering criminal history record information, the Board shall not disqualify an applicant because of*
6018 *a past conviction for a marijuana-related offense.*

6019 *The Board shall notify the local governing body of each license application through the town*
6020 *manager, city manager, county administrator, or other designee of the locality. Local governing bodies*
6021 *shall submit objections to the granting of a license within 30 days of the filing of the application.*

6022 *C. Each applicant shall pay the required application fee at the time the application is filed, except*
6023 *that such fee shall be waived or discounted for qualified social equity applicants pursuant to regulations*
6024 *promulgated by the Board. The license application fee shall be determined by the Board and shall be in*
6025 *addition to the actual cost charged to the Department of State Police by the Federal Bureau of*

Investigation or the Central Criminal Records Exchange for processing any fingerprints through the Federal Bureau of Investigation or the Central Criminal Records Exchange for each criminal history records search required by the Board. Application fees shall be in addition to the state license fee required pursuant to § 4.1-1001 and shall not be refunded.

D. Subsection A shall not apply to the continuance of licenses granted under this subtitle; however, all licensees shall file and maintain with the Board a current, accurate record of the information required by the Board pursuant to subsection A and notify the Board of any changes to such information in accordance with Board regulations.

E. Every application for a permit granted pursuant to § 4.1-806 shall be on a form provided by the Board. Such permits shall confer upon their holders no authority to make solicitations in the Commonwealth as otherwise provided by law.

The fee for a temporary permit shall be one-twelfth of the combined fees required by this section for applicable licenses to sell retail marijuana or retail marijuana products computed to the nearest cent and multiplied by the number of months for which the permit is granted.

F. The Board shall have the authority to increase state license fees. The Board shall set the amount of such increases on the basis of the consumer price index and shall not increase fees more than once every three years. Prior to implementing any state license fee increase, the Board shall provide notice to all licensees and the general public of (i) the Board's intent to impose a fee increase and (ii) the new fee that would be required for any license affected by the Board's proposed fee increases. Such notice shall be provided on or before November 1 in any year in which the Board has decided to increase state license fees, and such increases shall become effective July 1 of the following year.

§ 4.1-1001. Fees for state licenses.

A. The annual fees on state licenses shall be determined by the Board.

B. The fee on each license granted or reissued for a period other than 12, 24, or 36 months shall be equal to one-twelfth of the fees required by subsection A computed to the nearest cent, multiplied by the number of months in the license period, and then increased by five percent. Such fee shall not be refundable, except as provided in § 4.1-1002.

C. Nothing in this subtitle shall exempt any licensee from any state merchants' license or state restaurant license or any other state tax. Every licensee, in addition to the taxes and fees imposed by this subtitle, shall be liable to state merchants' license taxation and other state taxation.

D. In addition to the fees set forth in this section, a fee of \$5 may be imposed on any license purchased in person from the Board if such license is available for purchase online.

§ 4.1-1002. Refund of state license fee.

A. The Board may correct erroneous assessments made by it against any person and make refunds of any amounts collected pursuant to erroneous assessments, or collected as fees on licenses, that are subsequently refused or application therefor withdrawn, and to allow credit for any license fees paid by any licensee for any license that is subsequently merged or changed into another license during the same license period. No refund shall be made of any such amount, however, unless made within three years from the date of collection of the same.

B. In any case where a licensee has changed its name or form of organization during a license period without any change being made in its ownership, and because of such change is required to pay an additional license fee for such period, the Board shall refund to such licensee the amount of such fee so paid in excess of the required license fee for such period.

C. The Board shall make refunds, prorated according to a schedule of its prescription, to licensees of state license fees paid pursuant to subsection A of § 4.1-1001 if the place of business designated in the license is destroyed by an act of God, including but not limited to fire, earthquake, hurricane, storm, or similar natural disaster or phenomenon.

D. Any amount required to be refunded under this section shall be paid by the State Treasurer out of moneys appropriated to the Board and in the manner prescribed in § 4.1-614.

§ 4.1-1003. Marijuana tax; exceptions.

A. A tax of 21 percent is levied on the sale in the Commonwealth of any retail marijuana, retail marijuana products, marijuana paraphernalia sold by a retail marijuana store, non-retail marijuana, and non-retail marijuana products. The tax shall be in addition to any tax imposed under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.) or any other provision of federal, state, or local law.

B. The tax shall not apply to any sale:

1. From a marijuana establishment to another marijuana establishment.

2. Of cannabis oil for treatment under the provisions of § 54.1-3408.3 and Article 4.2 (§ 54.1-3442.5 et seq.) of the Drug Control Act.

3. Of industrial hemp by a grower, processor, or dealer under the provisions of Chapter 41.1 (§ 3.2-4112 et seq.) of Title 3.2.

4. Of a hemp product or regulated hemp product.

6087 C. All revenues remitted to the Authority under this section shall be disposed of as provided in
6088 § 4.1-614.

6089 **§ 4.1-1004. Optional local marijuana tax.**

6090 A. Any locality may by ordinance levy a three percent tax on any sale taxable under § 4.1-1003. The
6091 tax shall be in addition to any local sales tax imposed under the Virginia Retail Sales and Use Tax Act
6092 (§ 58.1-600 et seq.), any food and beverage tax imposed under Article 7.1 (§ 58.1-3833 et seq.) of
6093 Chapter 38 of Title 58.1, and any excise tax imposed on meals under § 58.1-3840. Other than the taxes
6094 authorized and identified in this subsection, a locality shall not impose any other tax on a sale taxable
6095 under § 4.1-1003.

6096 B. If a town imposes a tax under this section, any tax imposed by its surrounding county under this
6097 section shall not apply within the limits of the town.

6098 C. Nothing in this section shall be construed to prohibit a locality from imposing any tax authorized
6099 by law on a person or property regulated under this subtitle. Nothing in this section shall be construed
6100 to limit the authority of any locality to impose a license or privilege tax or fee on a business engaged in
6101 whole or in part in sales taxable under § 4.1-1003 if such tax or fee is (i) based on an annual or
6102 per-event flat fee authorized by law or (ii) is an annual license or privilege tax authorized by law, and
6103 such tax includes sales or receipts taxable under § 4.1-1003 in its taxable measure.

6104 D. Any locality that enacts an ordinance pursuant to subsection A shall, within 30 days, notify the
6105 Authority and any retail marijuana store in such locality of the ordinance's enactment. The ordinance
6106 shall take effect on the first day of the second month following its enactment.

6107 E. Any tax levied under this section shall be administered and collected by the Authority in the same
6108 manner as provided for the tax imposed under § 4.1-1003.

6109 F. All revenues remitted to the Authority under this section shall be disposed of as provided in
6110 § 4.1-614.

6111 **§ 4.1-1005. Tax returns and payments; commissions; interest.**

6112 A. For any sale taxable under §§ 4.1-1003 and 4.1-1004, the seller shall be liable for collecting any
6113 taxes due. All taxes collected by a seller shall be deemed to be held in trust for the Commonwealth. The
6114 buyer shall not be liable for collecting or remitting the taxes or filing a return.

6115 B. On or before the tenth day of each month, any person liable for a tax due under § 4.1-1003 or
6116 4.1-1004 shall file a return under oath with the Authority and pay any taxes due. Upon written
6117 application by a person filing a return, the Authority may, if it determines good cause exists, grant an
6118 extension to the end of the calendar month in which the tax is due, or for a period not exceeding 30
6119 days. Any extension shall toll the accrual of any interest or penalties under § 4.1-1008.

6120 C. The Authority may accept payment by any commercially acceptable means, including cash, checks,
6121 credit cards, debit cards, and electronic funds transfers, for any taxes, interest, or penalties due under
6122 this subtitle. The Board may assess a service charge for the use of a credit or debit card.

6123 D. Upon request, the Authority may collect and maintain a record of a person's credit card, debit
6124 card, or automated clearinghouse transfer information and use such information for future payments of
6125 taxes, interest, or penalties due under this subtitle. The Authority may assess a service charge for any
6126 payments made under this subsection. The Authority may procure the services of a third-party vendor
6127 for the secure storage of information collected pursuant to this subsection.

6128 E. If any person liable for tax under §§ 4.1-1003 and 4.1-1004 sells out his business or stock of
6129 goods or quits the business, such person shall make a final return and payment within 15 days after the
6130 date of selling or quitting the business. Such person's successors or assigns, if any, shall withhold
6131 sufficient of the purchase money to cover the amount of such taxes, interest, and penalties due and
6132 unpaid until such former owner produces a receipt from the Authority showing payment or a certificate
6133 stating that no taxes, penalties, or interest are due. If the buyer of a business or stock of goods fails to
6134 withhold the purchase money as provided in this subsection, such buyer shall be liable for the payment
6135 of the taxes, interest, and penalties due and unpaid on account of the operation of the business by any
6136 former owner.

6137 F. When any person fails to timely pay the full amount of tax due under § 4.1-1003 or 4.1-1004,
6138 interest at a rate determined in accordance with § 58.1-15 shall accrue on the tax until it is paid. Any
6139 taxes due under §§ 4.1-1003 and 4.1-1004 shall, if applicable, be subject to penalties as provided in
6140 §§ 4.1-1206 and 4.1-1207.

6141 **§ 4.1-1006. Bonds.**

6142 The Authority may, when deemed necessary and advisable to do so in order to secure the collection
6143 of the taxes levied under §§ 4.1-1003 and 4.1-1004, require any person subject to such tax to file a
6144 bond, with such surety as it determines is necessary to secure the payment of any tax, penalty, or
6145 interest due or that may become due from such person. In lieu of such bond, securities approved by the
6146 Authority may be deposited with the State Treasurer, which securities shall be kept in the custody of the
6147 State Treasurer, and shall be sold by the State Treasurer at the request of the Authority at public or
6148 private sale if it becomes necessary to do so in order to recover any tax, interest, or penalty due the

Commonwealth. Upon any such sale, the surplus, if any, above the amounts due shall be returned to the person who deposited the securities.

§ 4.1-1007. Refunds.

A. Whenever it is proved to the satisfaction of the Authority that any taxes levied pursuant to § 4.1-1003 or 4.1-1004 have been paid and that the taxable items were or are (i) damaged, destroyed, or otherwise deemed to be unsalable by reason of fire or any other providential cause before sale to the consumer; (ii) destroyed voluntarily because the taxable items were defective and after notice to and approval by the Authority of such destruction; or (iii) destroyed in any manner while in the possession of a common, private, or contract carrier, the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may be proper.

B. Whenever it is proved to the satisfaction of the Authority that any person has purchased taxable items that have been sold by such person in such manner as to be exempt from the tax, the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may be proper.

C. In the event purchases are returned to the seller by the buyer after a tax imposed under § 4.1-1003 or 4.1-1004 has been collected or charged to the account of the buyer, the seller shall be entitled to a refund of the amount of tax so collected or charged in the manner prescribed by the Authority. The amount of tax so refunded to the seller shall not, however, include the tax paid upon any amount retained by the seller after such return of merchandise. In case the tax has not been remitted by the seller, the seller may deduct the same in submitting his return.

§ 4.1-1008. Statute of limitations; civil remedies for collecting past-due taxes, interest, and penalties.

A. The taxes imposed under §§ 4.1-1003 and 4.1-1004 shall be assessed within three years from the date on which such taxes became due and payable. In the case of a false or fraudulent return with intent to defraud the Commonwealth, or a failure to file a return, the taxes may be assessed, or a proceeding in court for the collection of such taxes may be begun without assessment, at any time within six years from such date. The Authority shall not examine any person's records beyond the three-year period of limitations unless it has reasonable evidence of fraud or reasonable cause to believe that such person was required by law to file a return and failed to do so.

B. If any person fails to file a return as required by this section, or files a return that is false or fraudulent, the Authority may make an estimate for the taxable period of the taxable sales of such person and assess the tax, plus any applicable interest and penalties. The Authority shall give such person 10 days' notice requiring such person to provide any records as it may require relating to the business of such person for the taxable period. The Authority may require such person or the agents and employees of such person to give testimony or to answer interrogatories under oath administered by the Authority respecting taxable sales, the filing of the return, and any other relevant information. If any person fails to file a required return, refuses to provide required records, or refuses to answer interrogatories from the Authority, the Authority may make an estimated assessment based upon the information available to it and issue a memorandum of lien under subsection C for the collection of any taxes, interest, or penalties. The estimated assessment shall be deemed prima facie correct.

C. 1. If the Authority assesses taxes, interest, or penalties on a person and such person does not pay within 30 days after the due date, taking into account any extensions granted by the Authority, the Authority may file a memorandum of lien in the circuit court clerk's office of the county or city in which the person's place of business is located or in which the person resides. If the person has no place of business or residence within the Commonwealth, the memorandum may be filed in the Circuit Court of the City of Richmond. A copy of the memorandum may also be filed in the clerk's office of all counties and cities in which the person owns real estate. Such memorandum shall be recorded in the judgment docket book and shall have the effect of a judgment in favor of the Commonwealth, to be enforced as provided in Article 19 (§ 8.01-196 et seq.) of Chapter 3 of Title 8.01, except that a writ of fieri facias may issue at any time after the memorandum is filed. The lien on real estate shall become effective at the time the memorandum is filed in the jurisdiction in which the real estate is located. No memorandum of lien shall be filed unless the person is first given 10 or more days' prior notice of intent to file a lien; however, in those instances where the Authority determines that the collection of any tax, penalties, or interest required to be paid pursuant to law will be jeopardized by the provision of such notice, notification may be provided to the person concurrent with the filing of the memorandum of lien. Such notice shall be given to the person at his last known address.

2. Recordation of a memorandum of lien under this subsection shall not affect a person's right to appeal under § 4.1-1009.

3. If after filing a memorandum of lien the Authority determines that it is in the best interest of the Commonwealth, it may place padlocks on the doors of any business enterprise that is delinquent in filing or paying any tax owed to the Commonwealth. The Authority shall also post notices of distraint

6210 on each of the doors so padlocked. If, after three business days, the tax deficiency has not been satisfied
6211 or satisfactory arrangements for payment made, the Authority may cause a writ of fieri facias to be
6212 issued. It shall be a Class 1 misdemeanor for anyone to enter the padlocked premises without prior
6213 approval of the Authority. In the event that the person against whom the distraint has been applied
6214 subsequently appeals under § 4.1-1009, the person shall have the right to post bond equaling the
6215 amount of liability in lieu of payment until the appeal is resolved.

6216 4. A person may petition the Authority after a memorandum of lien has been filed under this
6217 subsection if the person alleges an error in the filing of the lien. The Authority shall make a
6218 determination on such petition within 14 days. If the Authority determines that the filing was erroneous,
6219 it shall issue a certificate of release of the lien within seven days after such determination is made.

6220 **§ 4.1-1009. Appeals.**

6221 Any tax imposed under § 4.1-1003 or 4.1-1004, any interest imposed under § 4.1-1008, any action of
6222 the Authority under § 4.1-1204, and any penalty imposed under § 4.1-1206 or 4.1-1207 shall be subject
6223 to review under the Administrative Process Act (§ 2.2-4000 et seq.). Such review shall extend to the
6224 entire evidential record of the proceedings provided by the Authority in accordance with the
6225 Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of a circuit
6226 court. Notwithstanding § 8.01-676.1, the final judgment or order of a circuit court shall not be
6227 suspended, stayed, or modified by such circuit court pending appeal to the Court of Appeals. Neither
6228 mandamus nor injunction shall lie in any such case.

6229 **§ 4.1-1100. Possession, etc., of marijuana and marijuana products by persons 21 years of age or
6230 older lawful; penalties.**

6231 A. Except as otherwise provided in this subtitle and notwithstanding any other provision of law, a
6232 person 21 years of age or older may lawfully possess on his person or in any public place not more
6233 than one ounce of marijuana or an equivalent amount of marijuana product as determined by regulation
6234 promulgated by the Board.

6235 B. Any person who possesses on his person or in any public place marijuana or marijuana products
6236 in excess of the amounts set forth in subsection A is subject to a civil penalty of no more than \$25. The
6237 penalty for any violations of this section by an adult shall be prepayable according to the procedures in
6238 § 16.1-69.40:2.

6239 C. With the exception of a licensee in the course of his duties related to such licensee's marijuana
6240 establishment, any person who possesses on his person or in any public place (i) more than four ounces
6241 but not more than one pound of marijuana or an equivalent amount of marijuana product as determined
6242 by regulation promulgated by the Board is guilty of a Class 3 misdemeanor and, for a second or
6243 subsequent offense, a Class 2 misdemeanor and (ii) more than one pound of marijuana or an equivalent
6244 amount of marijuana product as determined by regulation promulgated by the Board is guilty of a felony
6245 punishable by a term of imprisonment of not less than one year nor more than 10 years and a fine of
6246 not more than \$250,000, or both.

6247 D. With the exception of a licensee in the course of his duties related to such licensee's marijuana
6248 establishment, any person who possesses in his residence or in any place other than a public place
6249 more than four pounds of marijuana or an equivalent amount of marijuana product as determined by
6250 regulation promulgated by the Board is guilty of a felony punishable by a term of imprisonment of not
6251 less than one year nor more than 10 years and a fine of not more than \$250,000, or both.

6252 E. The provisions of this section shall not apply to members of federal, state, county, city, or town

6615 regulation; or (iii) allow such records, invoices, and accounts or his place of business to be examined
6616 and inspected in accordance with § 4.1-703. Any person convicted of a violation of this subsection is
6617 guilty of a Class 1 misdemeanor.

6618 B. After reasonable notice to a licensee that failed to make a return or pay taxes due, the Authority
6619 may suspend or revoke any license of such licensee that was issued by the Authority.

6620 **§ 4.1-1207. Nonpayment of marijuana tax; penalties.**

6621 A. No person shall make a sale taxable under § 4.1-1003 or 4.1-1004 without paying all applicable
6622 taxes due under §§ 4.1-1003 and 4.1-1004. No retail marijuana store licensee shall purchase, receive,
6623 transport, store, or sell any retail marijuana or retail marijuana products on which such retailer has
6624 reason to know such tax has not been paid and may not be paid. Any person convicted of a violation of
6625 this subsection is guilty of a Class 1 misdemeanor.

6626 B. Any person who fails to file a return required for a tax due under § 4.1-1003 or 4.1-1004 is
6627 subject to a civil penalty to be added to the tax in the amount of five percent of the proper tax due if
6628 the failure is for not more than 30 days, with an additional five percent for each additional 30 days, or
6629 fraction thereof, during which the failure continues. Such civil penalty shall not exceed 25 percent in the
6630 aggregate.

6631 C. In the case of a false or fraudulent return, where willful intent exists to defraud the
6632 Commonwealth of any tax due on retail marijuana or retail marijuana products, a civil penalty of 50
6633 percent of the amount of the proper tax due shall be assessed. Such penalty shall be in addition to any
6634 penalty imposed under subsection B. It shall be prima facie evidence of willful intent to defraud the
6635 Commonwealth when any person reports its taxable sales to the Authority at 50 percent or less of the
6636 actual amount.

6637 D. If any check tendered for any amount due under § 4.1-1003 or 4.1-1004 or this section is not
6638 paid by the bank on which it is drawn, and the person that tendered the check fails to pay the Authority
6639 the amount due within five days after the Authority gives it notice that such check was returned unpaid,
6640 the person that tendered the check is guilty of a violation of § 18.2-182.1.

E. All penalties shall be payable to the Authority and if not so paid shall be collectible in the same manner as if they were a part of the tax imposed.

§ 4.1-1300. Enjoining nuisances.

A. In addition to the penalties imposed by § 4.1-1113, the Board, its special agents, the attorney for the Commonwealth, or any citizen of the county, city, or town where a common nuisance as defined in § 4.1-1113 exists may maintain a suit in equity in the name of the Commonwealth to enjoin the common nuisance.

B. The courts of equity shall have jurisdiction, and in every case where the bill charges, on the knowledge or belief of the complainant, and is sworn to by two reputable citizens, that marijuana or marijuana products are cultivated, manufactured, stored, sold, dispensed, given away, or used in such house, building, or other place described in § 4.1-1113 contrary to the laws of the Commonwealth, an injunction shall be granted as soon as the bill is presented to the court. The injunction shall enjoin and restrain the owners and tenants and their agents and employees, and any person connected with such house, building, or other place, and all persons whomsoever from cultivating, manufacturing, storing, selling, dispensing, giving away, or using marijuana or marijuana products on such premises. The injunction shall also restrain all persons from removing any marijuana or marijuana products then on such premises until the further order of the court. If the court is satisfied that the material allegations of the bill are true, although the premises complained of may not then be unlawfully used, it shall continue the injunction against such place for a period of time as the court deems proper. The injunction may be dissolved if a proper case is shown for dissolution.

§ 4.1-1301. Contraband marijuana or marijuana products and other articles subject to forfeiture.

A. All apparatus and materials for the cultivation or manufacture of marijuana or marijuana products, all marijuana or marijuana products and materials used in their manufacture, all containers in which marijuana or marijuana products may be found, that are kept, stored, possessed, or in any manner used in violation of the provisions of this subtitle, and any dangerous weapons as described in § 18.2-308 that may be used or that may be found upon the person, or in any vehicle that such person is using, to aid such person in the unlawful cultivation, manufacture, transportation, or sale of marijuana or marijuana products, or found in the possession of such person, or any horse, mule, or other beast of burden or any wagon, automobile, truck, or vehicle of any nature whatsoever that is found in the immediate vicinity of any place where marijuana or marijuana products are being unlawfully manufactured and where such animal or vehicle is being used to aid in the unlawful manufacture, shall be deemed contraband and shall be forfeited to the Commonwealth.

B. Proceedings for the confiscation of the property in subsection A shall be in accordance with § 4.1-1304 for all such property except motor vehicles, which proceedings shall be in accordance with Chapter 22.1 (§ 19.2-386.1 et seq.) of Title 19.2.

§ 4.1-1303. Search warrants.

A. If complaint on oath is made that marijuana or marijuana products are being cultivated, manufactured, sold, kept, stored, or in any manner held, used, or concealed in a particular house, or other place, in violation of law, the judge, magistrate, or other person having authority to issue criminal warrants, to whom such complaint is made, if satisfied that there is a probable cause for such belief, shall issue a warrant to search such house or other place for marijuana or marijuana products. Such warrants, except as herein otherwise provided, shall be issued, directed, and executed in accordance with the laws of the Commonwealth pertaining to search warrants.

B. Warrants issued under this subtitle for the search of any automobile, boat, conveyance, or vehicle, whether of like kind or not, or for the search of any article of baggage, whether of like kind or not, for marijuana or marijuana products may be executed in any part of the Commonwealth where they are overtaken and shall be made returnable before any judge within whose jurisdiction such automobile, boat, conveyance, vehicle, truck, or article of baggage, or any of them, was transported or attempted to be transported contrary to law.

§ 4.1-1304. Confiscation proceedings; disposition of forfeited articles.

A. All proceedings for the confiscation of articles, except motor vehicles, declared contraband and forfeited to the Commonwealth under this subtitle shall be as provided in this section.

B. Production of seized property. Whenever any article declared contraband under the provisions of this subtitle and required to be forfeited to the Commonwealth has been seized, with or without a warrant, by any officer charged with the enforcement of this subtitle, he shall produce the contraband article and any person in whose possession it was found. In those cases where no person is found in possession of such articles, the return shall so state and a copy of the warrant shall be posted on the door of the buildings or room where the articles were found, or if there is no door, then in any conspicuous place upon the premises.

In case of seizure of any item for any offense involving its forfeiture where it is impracticable to remove such item to a place of safe storage from the place where seized, the seizing officer may destroy

6702 such item only as necessary to prevent use of all or any part thereof. The destruction shall be in the
6703 presence of at least one credible witness, and such witness shall join the officer in a sworn report of the
6704 seizure and destruction to be made to the Board. The report shall set forth the grounds of the claim of
6705 forfeiture, the reasons for seizure and destruction, an estimate of the fair cash value of the item
6706 destroyed, and the materials remaining after such destruction. The report shall include a statement that,
6707 from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the
6708 item was set up for use, or had been used in the unlawful cultivation or manufacture of marijuana, and
6709 that it was impracticable to remove such apparatus to a place of safe storage.

6710 In case of seizure of any quantity of marijuana or marijuana products for any offense involving
6711 forfeiture of the same, the seizing officer may destroy them to prevent the use of all or any part thereof
6712 for the purpose of unlawful cultivation or manufacture of marijuana or marijuana products or any other
6713 violation of this subtitle. The destruction shall be in the presence of at least one credible witness, and
6714 such witness shall join the officer in a sworn report of the seizure and destruction to be made to the
6715 Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and
6716 destruction, and a statement that, from facts within their own knowledge, the seizing officer and witness
6717 have no doubt whatever that the marijuana or marijuana products were intended for use in the unlawful
6718 cultivation or manufacture of marijuana or marijuana products or were intended for use in violation of
6719 this subtitle.

6720 C. Hearing and determination. Upon the return of the warrant as provided in this section, the court
6721 shall fix a time not less than 10 days, unless waived by the accused in writing, and not more than 30
6722 days thereafter, for the hearing on such return to determine whether or not the articles seized, or any
6723 part thereof, were used or in any manner kept, stored, or possessed in violation of this subtitle.

6724 At such hearing, if no claimant appears, the court shall declare the articles seized forfeited to the
6725 Commonwealth and, if such articles are not necessary as evidence in any pending prosecution, shall
6726 turn them over to the Board. Any person claiming an interest in any of the articles seized may appear
6727 at the hearing and file a written claim setting forth particularly the character and extent of his interest.
6728 The court shall certify the warrant and the articles seized along with any claim filed to the circuit court
6729 to hear and determine the validity of such claim.

6730 If the evidence warrants, the court shall enter a judgment of forfeiture and order the articles seized
6731 to be turned over to the Board. Action under this section and the forfeiture of any articles hereunder
6732 shall not be a bar to any prosecution under any other provision of this subtitle.

6733 D. Disposition of forfeited articles. Any articles forfeited to the Commonwealth and turned over to
6734 the Board in accordance with this section shall be destroyed or sold by the Board as it deems proper.
6735 The net proceeds from such sales shall be paid into the Literary Fund.

6736 If the Board believes that any foodstuffs forfeited to the Commonwealth and turned over to the Board
6737 in accordance with this section are usable, should not be destroyed, and cannot be sold or whose sale
6738 would be impractical, it may give such foodstuffs to any institution in the Commonwealth and shall
6739 prefer a gift to the local jail or other local correctional facility in the jurisdiction where seizure took
6740 place. A record shall be made showing the nature of the foodstuffs and amount given, to whom given,
6741 and the date when given and shall be kept in the offices of the Board.

6742 **§ 4.1-1305. Search and seizure of conveyances or vehicles used in violation of law; arrests.**

6743 A. When any officer charged with the enforcement of the cannabis control laws of the
6744 Commonwealth has reason to believe that retail marijuana or retail marijuana products illegally
6745 acquired, or being illegally transported, are in any conveyance or vehicle of any kind, either on land or
6746 on water, except a conveyance or vehicle owned or operated by a railroad, express, sleeping, or parlor
6747 car or a steamboat company, other than barges, tugs, or small craft, he shall obtain a search warrant
6748 and search such conveyance or vehicle. If illegally acquired retail marijuana or retail marijuana
6749 products or retail marijuana or retail marijuana products being illegally transported in amounts in
6750 excess of two and one-half ounces of retail marijuana, 16 ounces of solid retail marijuana product, or
6751 72 ounces of liquid retail marijuana product, the officer shall seize the retail marijuana or retail
6752 marijuana product, seize and take possession of such conveyance or vehicle, and deliver them to the
6753 chief law-enforcement officer of the locality in which such seizure was made, taking his receipt therefor
6754 in duplicate.

6755 B. The officer making such seizure shall forthwith report in writing such seizure and arrest to the
6756 attorney for the Commonwealth for the county or city in which the seizure and arrest were made.

6757 **§ 4.1-1306. Contraband retail marijuana or retail marijuana products.**

6758 Retail marijuana or retail marijuana products seized pursuant to § 4.1-1305 shall be deemed
6759 contraband and disposed of accordingly. Failure to maintain on a conveyance or vehicle a permit or
6760 other indicia of permission issued by the Board authorizing the transportation of retail marijuana or
6761 retail marijuana products within the Commonwealth when other Board regulations applicable to such
6762 transportation have been complied with shall not be cause for deeming such retail marijuana or retail
6763 marijuana products contraband.

§ 4.1-1307. Punishment for violations of title or regulations; bond.

A. Any person convicted of a misdemeanor under the provisions of this subtitle without specification as to the class of offense or penalty, or convicted of violating any other provision thereof, or convicted of violating any Board regulation is guilty of a Class 1 misdemeanor.

B. In addition to the penalties imposed by this subtitle for violations, any court before whom any person is convicted of a violation of any provision of this subtitle may require such defendant to execute bond based upon his ability to pay, with approved security, in the penalty of not more than \$1,000, with the condition that the defendant will not violate any of the provisions of this subtitle for the term of one year. If any such bond is required and is not given, the defendant shall be committed to jail until it is given, or until he is discharged by the court, provided that he shall not be confined for a period longer than six months. If any such bond required by a court is not given during the term of the court by which conviction is had, it may be given before any judge or before the clerk of such court.

C. The provisions of this subtitle shall not prevent the Board from suspending, revoking, or refusing to continue the license of any person convicted of a violation of any provision of this subtitle.

D. No court shall hear such a case unless the respective attorney for the Commonwealth or his assistant has been notified that such a case is pending.

§ 4.1-1308. Witness not excused from testifying because of self-incrimination.

No person shall be excused from testifying for the Commonwealth as to any offense committed by another under this subtitle by reason of his testimony tending to incriminate him. The testimony given by such person on behalf of the Commonwealth when called as a witness for the prosecution shall not be used against him and he shall not be prosecuted for the offense to which he testifies.

§ 4.1-1309. Previous convictions.

In any indictment, information, or warrant charging any person with a violation of any provision of this subtitle, it may be alleged and evidence may be introduced at the trial of such person to prove that such person has been previously convicted of a violation of this subtitle.

§ 4.1-1310. Certificate of forensic scientist as evidence; requiring forensic scientist to appear.

The certificate of any forensic scientist employed by the Commonwealth on behalf of the Board or the Department of Forensic Science, when signed by him, shall be admissible as evidence of the facts therein stated and of the results of such analysis (i) in any criminal proceeding, provided the requirements of subsection A of § 19.2-187.1 have been satisfied and the accused has not objected to the admission of the certificate pursuant to subsection B of § 19.2-187.1 or (ii) in any civil proceeding. On motion of the accused or any party in interest, the court may require the forensic scientist making the analysis to appear as a witness and be subject to cross-examination, provided such motion is made within a reasonable time prior to the day on which the case is set for trial.

§ 4.1-1311. Label on sealed container prima facie evidence of marijuana content.

In any prosecution for violations of this subtitle, where a sealed container is labeled as containing retail marijuana or retail marijuana products, such labeling shall be prima facie evidence of the marijuana content of the container. Nothing shall preclude the introduction of other relevant evidence to establish the marijuana content of a container, whether sealed or not.

§ 4.1-1312. No recovery for retail marijuana or retail marijuana products illegally sold.

No action to recover the price of any retail marijuana or retail marijuana products sold in contravention of this subtitle may be maintained.

The Board shall adopt regulations (i) establishing a testing program pursuant to this section; (ii) establishing acceptable testing and research practices, including regulations relating to testing practices, methods, and standards; quality control analysis; equipment certification and calibration; marijuana testing facility recordkeeping, documentation, and business practices; disposal of used, unused, and waste retail marijuana, retail marijuana products, and regulated hemp products; and reporting of test results; (iii) identifying the types of contaminants that are injurious to health for which retail marijuana, retail marijuana products, and regulated hemp products shall be tested under this subtitle; and (iv) establishing the maximum level

6831 been tested pursuant to this subtitle and the regulations adopted pursuant to this subtitle and that
6832 mandatory testing has demonstrated that (i) the retail marijuana, retail marijuana product, or regulated
6833 hemp product does not exceed the maximum level of allowable contamination for any contaminant that
6834 is injurious to health and for which testing is required and (ii) the labeling on the retail marijuana,

6847 C. A licensee shall maintain a record of all mandatory testing that includes a description of the

6869 3. Conducted on retail marijuana or a retail marijuana product at the direction of a person who is
6870 not a licensee.

6871 E. Notwithstanding the foregoing, a licensee may sell or furnish to a consumer or to another licensee
6872 retail marijuana or a retail marijuana product or a person may sell a regulated hemp product that the

G. A licensee shall comply with all requests for samples of retail marijuana and retail marijuana products and a person shall comply with all requests for samples of regulated hemp products for the purpose of random testing by a state-owned laboratory or state-approved private laboratory.

If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and the attendance officer has provided documentation to the intake officer that the relevant school division has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the court. The intake officer may defer filing the petition and proceed informally by developing a truancy plan, provided that (1) the juvenile has not previously been proceeded against informally or adjudicated in need of supervision on more than two occasions for failure to comply with compulsory school

attendance as provided in § 22.1-254 and (2) the immediately previous informal action or adjudication occurred at least three calendar years prior to the current complaint. The juvenile and his parent or parents, guardian, or other person standing in loco parentis must agree, in writing, for the development of a truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents, guardian, or other person standing in loco parentis participate in such programs, cooperate in such treatment, or be subject to such conditions and limitations as necessary to ensure the juvenile's compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may refer the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an interagency interdisciplinary team approach. The team may include qualified personnel who are reasonably available from the appropriate department of social services, community services board, local school division, court service unit, and other appropriate and available public and private agencies and may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the deferral period the juvenile has not successfully completed the truancy plan or the truancy program, then the intake officer shall file the petition.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, in need of supervision, or delinquent, the intake officer shall (A) develop a plan for the juvenile, which may include restitution, the performance of community service, or on a complaint alleging that a child has committed a delinquent act other than an act that would be a felony or a Class 1 misdemeanor if committed by an adult and with the consent of the juvenile's parent or legal guardian, referral to a youth justice diversion program established pursuant to § 16.1-309.11, based upon community resources and the circumstances which resulted in the complaint, (B) create an official record of the action taken by the intake officer and file such record in the juvenile's case file, and (C) advise the juvenile and the juvenile's parent, guardian, or other person standing in loco parentis and the complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, or in the case of a referral to a youth justice diversion program established pursuant to § 16.1-309.11, that any subsequent report from the youth justice diversion program alleging that the juvenile failed to comply with the youth justice diversion program's sentence within 180 days of the sentencing date, may result in the filing of a petition with the court.

C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody, visitation, or support of a child is the subject of controversy or requires determination, (ii) a person has deserted, abandoned, or failed to provide support for any person in violation of law, (iii) a child or such child's parent, guardian, legal custodian, or other person standing in loco parentis is entitled to treatment, rehabilitation, or other services which are required by law, (iv) family abuse has occurred and a protective order is being sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of violence, force, or threat has occurred, a protective order is being sought pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, and either the alleged victim or the respondent is a juvenile. If any such complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to be abused, neglected, in need of services, in need of supervision, or delinquent, if the intake officer believes that probable cause does not exist, or that the authorization of a petition will not be in the best interest of the family or juvenile or that the matter may be effectively dealt with by some agency other than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1 a written explanation of the conditions, procedures and time limits applicable to the issuance of protective orders pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective order pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written explanation of the conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need of supervision have utilized or attempted to utilize treatment and services available in the community and have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer determines that the parties have not attempted to utilize available treatment or services or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility, or individual to receive treatment or services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony, when such refusal is based solely upon a finding that no probable cause exists, the complainant shall be notified in writing at that time of the complainant's right to apply to a magistrate for a warrant. The application for a warrant to the

magistrate shall be filed within 10 days of the issuance of the written notification. The written notification shall indicate that the intake officer made a finding that no probable cause exists and shall provide notice that the complainant has 10 days to apply for a warrant to the magistrate. The complainant shall provide the magistrate with a copy of the written notification upon application to the magistrate. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony when such refusal is based upon a finding that (i) probable cause exists, but that (ii) the matter is appropriate for diversion, his decision is final and the complainant shall not have a right to apply to a magistrate for a warrant.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.), the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult, or that such student who is an adult has committed a crime and is alleged to be within the jurisdiction of the court. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), 6.1 (§ 18.2-307.1 et seq.), or 7 (§ 18.2-308.1 et seq.) of Chapter 7 of Title 18.2;

2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;

3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;

4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;

5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;

6. Manufacture, sale or distribution of marijuana pursuant to ~~Article 4 Chapter 11~~ (§ 18.2-247 4.1-1100 et seq.) of Chapter 7 of Title 18.2 4.1;

7. Arson and related crimes, pursuant to Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2;

8. Burglary and related offenses, pursuant to §§ 18.2-89 through 18.2-93;

9. Robbery pursuant to § 18.2-58;

11. Recruitment of other juveniles for a criminal street gang activity pursuant to § 18.2-46.3;

12. An act of violence by a mob pursuant to § 18.2-42.1;

13. Abduction of any person pursuant to § 18.2-47 or 18.2-48; or

14. A threat pursuant to § 18.2-60.

The failure to provide information regarding the school in which the student who is the subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other pedestrian offenses, game and fish laws, or a violation of the ordinance of any city regulating surfing or any ordinance establishing curfew violations, animal control violations, or littering violations. In such cases the court may proceed on a summons issued by the officer investigating the violation in the same manner as provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene of the accident or at any other location where a juvenile who is involved in such an accident may be located, proceed on a summons in lieu of filing a petition.

2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subsection H of § 16.1-241.

3. In the case of a misdemeanor violation of § 4.1-1104, 18.2-266, 18.2-266.1, or 29.1-738 or the commission of any other alcohol-related offense, provided that the juvenile is released to the custody of a parent or legal guardian pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal guardian shall issue a summons to the juvenile and shall also issue a summons

7809 requiring the parent or legal guardian to appear before the court with the juvenile. Disposition of the
7810 charge shall be in the manner provided in § 16.1-278.8, 16.1-278.8:01, or 16.1-278.9. If the juvenile so
7811 charged with a violation of § 18.2-51.4, 18.2-266, 18.2-266.1, 18.2-272, or 29.1-738 refuses to provide a
7812 sample of blood or breath or samples of both blood and breath for chemical analysis pursuant to
7813 §§ 18.2-268.1 through 18.2-268.12 or 29.1-738.2, the provisions of these sections shall be followed
7814 except that the magistrate shall authorize execution of the warrant as a summons. The summons shall be
7815 served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to
7816 the court in which the violation is to be tried. When a violation of § 4.1-305 *or 4.1-1104* is charged by
7817 summons, the juvenile shall be entitled to have the charge referred to intake for consideration of
7818 informal proceedings pursuant to subsection B, provided that such right is exercised by written
7819 notification to the clerk not later than 10 days prior to trial. At the time such summons alleging a
7820 violation of § 4.1-305 *or 4.1-1104* is served, the officer shall also serve upon the juvenile written notice
7821 of the right to have the charge referred to intake on a form approved by the Supreme Court and make
7822 return of such service to the court. If the officer fails to make such service or return, the court shall
7823 dismiss the summons without prejudice.

7824 4. In the case of offenses, *other than marijuana-related offenses*, which, if committed by an adult,
7825 would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an
7826 intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the
7827 violation in the same manner as provided by law for adults provided that notice of the summons to
7828 appear is mailed by the investigating officer within five days of the issuance of the summons to a parent
7829 or legal guardian of the juvenile.

7830 I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of
7831 the jurisdiction granted it in § 16.1-241.

7832 **§ 16.1-273. Court may require investigation of social history and preparation of victim impact**
7833 **statement.**

7834 A. When a juvenile and domestic relations district court or circuit court has adjudicated any case
7835 involving a child subject to the jurisdiction of the court hereunder, except for a traffic violation, a
7836 violation of the game and fish law, or a violation of any city ordinance regulating surfing or establishing
7837 curfew violations, the court before final disposition thereof may require an investigation, which (i) shall
7838 include a drug screening and (ii) may, and for the purposes of subdivision A 14 or 17 of § 16.1-278.8
7839 shall, include a social history of the physical, mental, and social conditions, including an assessment of
7840 any affiliation with a criminal street gang as defined in § 18.2-46.1, and personality of the child and the
7841 facts and circumstances surrounding the violation of law. However, in the case of a juvenile adjudicated
7842 delinquent on the basis of an act committed on or after January 1, 2000, which would be (a) a felony if
7843 committed by an adult, ~~or~~ (b) a violation under Article 1 (§ 18.2-247 et seq.) or Article 1.1
7844 (§ 18.2-265.1 et seq.) of Chapter 7 of Title 18.2 and such offense would be punishable as a Class 1 or
7845 Class 2 misdemeanor if committed by an adult, *or (c) a violation of § 4.1-1104*, the court shall order the
7846 juvenile to undergo a drug screening. If the drug screening indicates that the juvenile has a substance
7847 abuse or dependence problem, an assessment shall be completed by a certified substance abuse counselor
7848 as defined in § 54.1-3500 employed by the Department of Juvenile Justice or by a locally operated court
7849 services unit or by an individual employed by or currently under contract to such agencies and who is
7850 specifically trained to conduct such assessments under the supervision of such counselor.

7851 B. The court also shall, on motion of the attorney for the Commonwealth with the consent of the
7852 victim, or may in its discretion, require the preparation of a victim impact statement in accordance with
7853 the provisions of § 19.2-299.1 if the court determines that the victim may have suffered significant
7854 physical, psychological, or economic injury as a result of the violation of law.

7855 **§ 16.1-278.9. Delinquent children; loss of driving privileges for alcohol, firearm, and drug**
7856 **offenses; truancy.**

7857 A. If a court has found facts which would justify a finding that a child at least 13 years of age at the
7858 time of the offense is delinquent and such finding involves (i) a violation of § 18.2-266 or of a similar
7859 ordinance of any county, city, or town; (ii) a refusal to take a breath test in violation of § 18.2-268.2;
7860 (iii) a felony violation of Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1 or § 18.2-248; ~~18.2-248.1~~, or
7861 18.2-250; (iv) a misdemeanor violation of Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1 or § 18.2-248;
7862 ~~18.2-248.1~~, or 18.2-250 *or a violation of § 4.1-1105*; (v) the unlawful purchase, possession, or
7863 consumption of alcohol in violation of § 4.1-305 or the unlawful drinking or possession of alcoholic
7864 beverages in or on public school grounds in violation of § 4.1-309; (vi) public intoxication in violation
7865 of § 18.2-388 or a similar ordinance of a county, city, or town; (vii) the unlawful use or possession of a
7866 handgun or possession of a "streetsweeper" as defined below; or (viii) a violation of § 18.2-83, the court
7867 shall order, in addition to any other penalty that it may impose as provided by law for the offense, that
7868 the child be denied a driver's license. In addition to any other penalty authorized by this section, if the
7869 offense involves a violation designated under clause (i) and the child was transporting a person 17 years
7870 of age or younger, the court shall impose the additional fine and order community service as provided in

§ 18.2-270. If the offense involves a violation designated under clause (i), (ii), (iii), or (viii), the denial of a driver's license shall be for a period of one year or until the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense. If the offense involves a violation designated under clause (iv), (v), or (vi) the denial of driving privileges shall be for a period of six months unless the offense is committed by a child under the age of 16 years and three months, in which case the child's ability to apply for a driver's license shall be delayed for a period of six months following the date he reaches the age of 16 and three months. If the offense involves a first violation designated under clause (v) or (vi), the court shall impose the license sanction and may enter a judgment of guilt or, without entering a judgment of guilt, may defer disposition of the delinquency charge until such time as the court disposes of the case pursuant to subsection F. If the offense involves a violation designated under clause (iii) or (iv), the court shall impose the license sanction and shall dispose of the delinquency charge pursuant to the provisions of this chapter or § 18.2-251. If the offense involves a violation designated under clause (vii), the denial of driving privileges shall be for a period of not less than 30 days, except when the offense involves possession of a concealed handgun or a striker 12, commonly called a "streetsweeper," or any semi-automatic folding stock shotgun of like kind with a spring tension drum magazine capable of holding 12 shotgun shells, in which case the denial of driving privileges shall be for a period of two years unless the offense is committed by a child under the age of 16 years and three months, in which event the child's ability to apply for a driver's license shall be delayed for a period of two years following the date he reaches the age of 16 and three months.

A1. If a court finds that a child at least 13 years of age has failed to comply with school attendance and meeting requirements as provided in § 22.1-258, the court shall order the denial of the child's driving privileges for a period of not less than 30 days. If such failure to comply involves a child under the age of 16 years and three months, the child's ability to apply for a driver's license shall be delayed for a period of not less than 30 days following the date he reaches the age of 16 and three months.

If the court finds a second or subsequent such offense, it may order the denial of a driver's license for a period of one year or until the juvenile reaches the age of 18, whichever is longer, or delay the child's ability to apply for a driver's license for a period of one year following the date he reaches the age of 16 and three months, as may be appropriate.

A2. If a court finds that a child at least 13 years of age has refused to take a blood test in violation of § 18.2-268.2, the court shall order that the child be denied a driver's license for a period of one year or until the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense.

B. Any child who has a driver's license at the time of the offense or at the time of the court's finding as provided in subsection A1 or A2 shall be ordered to surrender his driver's license, which shall be held in the physical custody of the court during any period of license denial.

C. The court shall report any order issued under this section to the Department of Motor Vehicles, which shall preserve a record thereof. The report and the record shall include a statement as to whether the child was represented by or waived counsel or whether the order was issued pursuant to subsection A1 or A2. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.) or the provisions of Title 46.2, this record shall be available only to all law-enforcement officers, attorneys for the Commonwealth and courts. No other record of the proceeding shall be forwarded to the Department of Motor Vehicles unless the proceeding results in an adjudication of guilt pursuant to subsection F.

The Department of Motor Vehicles shall refuse to issue a driver's license to any child denied a driver's license until such time as is stipulated in the court order or until notification by the court of withdrawal of the order of denial under subsection E.

D. If the finding as to the child involves a violation designated under clause (i), (ii), (iii) or (vi) of subsection A or a violation designated under subsection A2, the child may be referred to a certified alcohol safety action program in accordance with § 18.2-271.1 upon such terms and conditions as the court may set forth. If the finding as to such child involves a violation designated under clause (iii), (iv), (v), (vii) or (viii) of subsection A, such child may be referred to appropriate rehabilitative or educational services upon such terms and conditions as the court may set forth.

The court, in its discretion and upon a demonstration of hardship, may authorize the use of a restricted permit to operate a motor vehicle by any child who has a driver's license at the time of the offense or at the time of the court's finding as provided in subsection A1 or A2 for any of the purposes set forth in subsection E of § 18.2-271.1 or for travel to and from school, except that no restricted license shall be issued for travel to and from home and school when school-provided transportation is available and no restricted license shall be issued if the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A, or if it involves a second or subsequent violation of any offense designated in subsection A, a second finding by the court of failure to comply with school

attendance and meeting requirements as provided in subsection A1, or a second or subsequent finding by the court of a refusal to take a blood test as provided in subsection A2. The issuance of the restricted permit shall be set forth within the court order, a copy of which shall be provided to the child, and shall specifically enumerate the restrictions imposed and contain such information regarding the child as is reasonably necessary to identify him. The child may operate a motor vehicle under the court order in accordance with its terms. Any child who operates a motor vehicle in violation of any restrictions imposed pursuant to this section is guilty of a violation of § 46.2-301.

E. Upon petition made at least 90 days after issuance of the order, the court may review and withdraw any order of denial of a driver's license if for a first such offense or finding as provided in subsection A1 or A2. For a second or subsequent such offense or finding, the order may not be reviewed and withdrawn until one year after its issuance.

F. If the finding as to such child involves a first violation designated under clause (vii) of subsection A, upon fulfillment of the terms and conditions prescribed by the court and after the child's driver's license has been restored, the court shall or, in the event the violation resulted in the injury or death of any person or if the finding involves a violation designated under clause (i), (ii), (v), or (vi) of subsection A, may discharge the child and dismiss the proceedings against him. Discharge and dismissal under these provisions shall be without an adjudication of guilt but a record of the proceeding shall be retained for the purpose of applying this section in subsequent proceedings. Failure of the child to fulfill such terms and conditions shall result in an adjudication of guilt. If the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of pursuant to the provisions of this chapter or § 18.2-251. If the finding as to such child involves a second violation under clause (v), (vi) or (vii) of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of under § 16.1-278.8.

9837 objection or answer to the petition or may give written notice to the court that he does not object to the
9838 petition within 21 days after it is delivered to him or received in the mail.

E. Upon receipt of the petition, the circuit court shall order that the attorney for the Commonwealth or a law-enforcement officer, as defined in § 9.1-101, provide the court with a sealed copy of the criminal history record of the petitioner. Upon completion of the hearing, the court shall cause the criminal history record to be destroyed unless, within 30 days of the date of the entry of the final order in the matter, the petitioner or the attorney for the Commonwealth notes an appeal to the Supreme Court of Virginia.

F. After receiving the criminal history record of the petitioner, the court may conduct a hearing on the petition. The court shall enter an order requiring the sealing of the criminal history record information and court records, including electronic records, relating to the charge or conviction, only if the court finds that all criteria in subdivisions 1 through 4 are met, as follows:

1. During a period after the date of (i) dismissal of a deferred charge, (ii) conviction, or (iii) release from incarceration of the charge or conviction set forth in the petition, whichever date occurred later, the person has not been convicted of violating any law of the Commonwealth that requires a report to the Central Criminal Records Exchange under subsection A of § 19.2-390 or any other state, the District of Columbia, or the United States or any territory thereof, excluding traffic infractions under Title 46.2, for:

3. The petitioner has not previously obtained the sealing of two other deferrals or convictions arising out of different sentencing events; and

4. The continued existence and possible dissemination of information relating to the charge or conviction of the petitioner causes or may cause circumstances that constitute a manifest injustice to the petitioner.

G. If the attorney for the Commonwealth of the county or city in which the petition is filed (i) gives written notice to the court pursuant to subsection D that he does not object to the petition and (ii) stipulates in such written notice that the petitioner is eligible to have such offense sealed, and the continued existence and possible dissemination of information relating to the charge or conviction of the petitioner causes or may cause circumstances that constitute a manifest injustice to the petitioner, the court may enter an order of sealing without conducting a hearing.

H. Any party aggrieved by the decision of the court may appeal, as provided by law in civil cases.

I. Upon the entry of an order of sealing, the clerk of the court shall cause an electronic copy of such order to be forwarded to the Department of State Police. Such electronic order shall contain the petitioner's full name, date of birth, sex, race, and social security number, if available, as well as the petitioner's state identification number from the criminal history record, the court case number of the charge or conviction to be sealed, if available, and the document control number, if available. Upon receipt of such electronic order, the Department of State Police shall seal such records in accordance with § 19.2-392.13. When sealing such charge or conviction, the Department of State Police shall include a notation on the criminal history record that such offense was sealed pursuant to this section. The Department of State Police shall also electronically notify the Office of the Executive Secretary of the Supreme Court and any other agencies and individuals known to maintain or to have obtained such a record that such record has been ordered to be sealed and may only be disseminated in accordance with § 19.2-392.13 and pursuant to the rules and regulations adopted pursuant to § 9.1-128 and the procedures adopted pursuant to § 9.1-134.

J. Costs shall be as provided by § 17.1-275 but shall not be recoverable against the Commonwealth. Any costs collected pursuant to this section shall be deposited in the Sealing Fee Fund created pursuant to § 17.1-205.1.

K. Any order entered where (i) the court or parties failed to strictly comply with the procedures set forth in this section or (ii) the court enters an order for the sealing of records contrary to law shall be voidable upon motion and notice made within two years of the entry of such order.

L. If a petitioner qualifies to file a petition for sealing of records without the payment of fees and costs pursuant to subsection B and has requested court-appointed counsel, the court shall then appoint counsel to file the petition for sealing of records and represent the petitioner in the sealed records proceedings. Counsel appointed to represent such a petitioner shall be compensated for his services subject to guidelines issued by the Executive Secretary of the Supreme Court of Virginia, in a total amount not to exceed \$120, as determined by the court, and such compensation shall be paid from the Sealing Fee Fund as provided in § 17.1-205.1. *Nothing in this subsection shall be construed to limit the ability of a nonprofit legal aid program or legal aid society from providing pro bono legal services or*

9900 *representation to any person.*

9901 M. A petition filed under this section and any responsive pleadings filed by the attorney for the
9902 Commonwealth shall be maintained under seal by the clerk unless otherwise ordered by the court. Any
9903 order to seal issued pursuant to this section shall be sealed and may only be disseminated for the
9904 purposes set forth in § 19.2-392.13 and pursuant to rules and regulations adopted pursuant to § 9.1-128
9905 and procedures adopted pursuant to § 9.1-134.

9906 N. A conviction or deferral and dismissal of § 18.2-36.1, 18.2-36.2, 18.2-51.4, 18.2-51.5, 18.2-57.2,
9907 18.2-266, or 46.2-341.24 is ineligible for the sealing of records under this section.

9908 O. Nothing in this chapter shall prohibit the circuit court from entering an order to seal a charge or
9909 conviction under this section when such charge or conviction is eligible for sealing under some other
9910 section of this chapter.

9911 **§ 19.2-392.13. (For contingent effective date see Acts 2021, Sp. Sess. I, cc. 524 and 542)**

9917 sealed, except for purposes set forth in this section and pursuant to rules and regulations adopted
9918 pursuant to § 9.1-128 and procedures adopted pursuant to § 9.1-134. Upon receipt of such electronic
9919 notification, the Department of State Police shall electronically notify those agencies and individuals

9921 may only be disseminated for purposes set forth in this section and pursuant to rules and regulations
9922 adopted pursuant to § 9.1-128 and procedures adopted pursuant to § 9.1-134. Any records maintained
9923 electronically that are transformed or transferred by whatever means to an offline system or to a
9924 confidential and secure area inaccessible from normal use within the system in which the record is
9925 maintained shall be considered sealed, provided that such records are accessible only to the manager of
9926 the records or their designee.

9927 B. Upon entry of a court order for sealing pursuant to § 19.2-392.7, 19.2-392.8, 19.2-392.9,
9928 19.2-392.11, or 19.2-392.12, the Executive Secretary of the Supreme Court and any circuit court clerk
9929 who maintains a case management system that interfaces with the Department of State Police under
9930 subsection B1 of § 17.1-502 shall ensure that the court record of such arrest, charge, or conviction is not
9931 available for public online viewing as directed by subsections B and C of § 17.1-293.1. Additionally,
9932 upon entry of such an order for sealing, the clerk of court shall not disseminate any court record of such

Upon receipt of an order directing that an offense be sealed, the Department of Motor Vehicles shall seal all records if the federal regulatory record retention period has run and all federal program requirements associated with a suspension have been satisfied. However, if the Department of Motor Vehicles cannot seal an offense pursuant to this subsection at the time it is ordered, the Department of Motor Vehicles shall (a) notify the Department of State Police of the reason the record cannot be sealed and cite the authority prohibiting sealing at the time it is ordered; (b) notify the Department of State Police of the date, if known at the time when the sealing is ordered, on which such record can be sealed; (c) seal such record on that date; and (d) notify the Department of State Police when such record has been sealed within the Department of Motor Vehicles' records.

A practitioner in the course of his professional practice may issue a written certification for the use of cannabis products for treatment or to alleviate the symptoms of any diagnosed condition or disease determined by the practitioner to benefit from such use. The practitioner shall use his professional judgment to determine the manner and frequency of patient care and evaluation and may employ the use of telemedicine, provided that the use of telemedicine includes the delivery of patient care through real-time interactive audio-visual technology. If a practitioner determines it is consistent with the standard of care to dispense botanical cannabis to a minor, the written certification shall specifically authorize such dispensing. 10768 condition or otherwise violating the applicable standard of care for evaluating or treating medical
10769 conditions.

10770 E. A practitioner who issues a written certification to a patient pursuant to this section shall register
10771 with the Board and shall hold sufficient education and training to exercise appropriate professional

10782 patient's parent or legal guardian, may designate an individual to act as his registered agent for the
10783 purposes of receiving cannabis products pursuant to a valid written certification. Such designated
10784 individual shall register with the Board. The Board may set a limit on the number of patients for whom
10785 any individual is authorized to act as a registered agent.

10787 designated caregiver facility, any employee or contractor of a designated caregiver facility, who is
10788 licensed or registered by a health regulatory board and who is authorized to possess, distribute, or
10789 administer medications, may accept delivery of the cannabis oil on behalf of a patient or resident for
10790 subsequent delivery to the patient or resident and may assist in the administration of the cannabis oil to
10791 the patient or resident as necessary.

10792 I. The Board shall promulgate regulations to implement the registration process. Such regulations
10793 shall include (i) a mechanism for sufficiently identifying the practitioner issuing the written certification,
10794 the patient being treated by the practitioner, his registered agent, and, if such patient is a minor or an
10795 incapacitated adult as defined in § 18.2-369, the patient's parent or legal guardian; (ii) a process for
10796 ensuring that any changes in the information are reported in an appropriate timeframe; and (iii) a
10797 prohibition for the patient to be issued a written certification by more than one practitioner during any
10798 given time period.

10805 patient care and drug therapy management and monitoring of drugs obtained by a registered patient, (iv)
10806 a pharmaceutical processor or cannabis dispensing facility involved in the treatment of a registered
10807 patient, or (v) a registered patient, his registered agent, or, if such patient is a minor or an incapacitated
10808 adult as defined in § 18.2-369, the patient's parent or legal guardian, but only with respect to
10809 information related to such registered patient.
