(Proposed by the House Committee on Privileges and Elections
on February 25, 2022)

(Patron Prior to Substitute—Senator Suetterlein)

A *BILL to amend and reenact § 24.2-712 of the Code of Virginia, relating to elections; absentee voting; ballots to be sorted and counted by precinct.*

Be it enacted by the General Assembly of Virginia:

1. That § 24.2-712 of the Code of Virginia is amended and reenacted as follows:

§ 24.2-712. Central absentee voter precincts; counting ballots.

A. Notwithstanding any other provision of law, the governing body of each county or city shall establish one or more central absentee voter precincts in the courthouse or other public buildings for the purpose of receiving, counting, and recording absentee ballots cast in the county or city. A central absentee voter precinct shall be made by the governing body by ordinance; the ordinance shall state for which elections the precinct shall be used. The decision to abolish any absentee voter precinct shall be made by the governing body by ordinance. Immediate notification of either decision shall be sent to the Department of Elections and the electoral board.

B. Each central absentee voter precinct shall have at least three officers of election as provided for other precincts. The number of officers shall be determined by the electoral board and general registrar.

C. If any voter brings an unmarked ballot to the central absentee voter precinct on the day of the election, he shall be allowed to vote it. If any voter brings an unmarked ballot to the general registrar on or before the day of the election, he shall be allowed to vote it, and his ballot shall be delivered to the absentee voter precinct.

D. Absentee ballots shall be processed as required by § 24.2-709.1 by the officers of election at the central absentee voter precinct prior to the closing of the polls; *however, such absentee ballots shall be sorted by the precinct to which the voter who cast the absentee ballot is assigned upon removal of the ballot from the ballot envelope.* In the case of machine-readable ballots, the ballot container shall be opened and the absentee ballots shall be inserted in the counting machines prior to the closing of the polls in accordance with procedures prescribed by the Department of Elections, including procedures to preserve ballot secrecy, but no ballot count totals by the machines shall be transmitted outside of the central absentee voter precinct until after the closing of the polls.

In the case of absentee ballots that are counted by hand, the officers of election shall begin tallying such ballots at any time after noon on the day of the election in accordance with the procedures prescribed by the Department of Elections, including procedures to preserve ballot secrecy. No counts of such tallies shall be determined or transmitted outside of the central absentee voter precinct until after the closing of the polls.

The use of cellular telephones or other communication devices shall be prohibited in the central absentee voter precinct during such processing and tallying and until the closing of the polls. Any person present in the central absentee voter precinct shall sign a statement under oath that he will not transmit any counts prior to the closing of the polls. Any person who transmits any counts in violation of this section is guilty of a Class 1 misdemeanor.

E. As soon as the polls are closed in the county or city, the officers of election at the central absentee voter precinct shall proceed promptly to *separately* ascertain and record the total vote given by all absentee ballots *associated with each precinct* and report the results in the manner provided for counting and reporting ballots generally in Article 4 (§ 24.2-643 et seq.) of Chapter 6. *The counted absentee ballots associated with each precinct shall be sealed separately from the counted absentee ballots associated with any other precinct for delivery to the clerk of court.*

F. The electoral board or general registrar may provide that the officers of election for a central absentee voter precinct may be assigned to work all or a portion of the time that the precinct is open on election day subject to the following conditions:

1. The chief officer and the assistant chief officer, appointed pursuant to § 24.2-115 to represent the two political parties, are on duty at all times; and

2. No officer, political party representative, or other candidate representative shall leave the precinct after any ballots have been counted until the polls are closed and the count for the precinct is completed and reported.

G. The general registrar may provide that the central absentee voter precinct will open after 6:00 a.m. on the day of the election provided that the office of the general registrar will be open for the receipt of absentee ballots until the central absentee voter precinct is open and that the officers of election for the central absentee voter precinct obtain the absentee ballots returned to the general

60 registrar's office for the purpose of counting the absentee ballots at the central absentee voter precinct
61 and provided further that the central absentee voter precinct is the same location as the office of the
62 general registrar.
