As used in this chapter, unless the context clearly shows otherwise:

10 "Accommodations" means any room or rooms, lodgings, or accommodations in any hotel, motel, inn, tourist camp, tourist cabin, camping grounds, club, or any other place in which rooms, lodging, space, or 11 accommodations are regularly furnished to transients for a consideration. "Accommodations" does not 12 13 include rooms or space offered by a person in the business of providing conference rooms, meeting 14 space, or event space if the person does not also offer rooms available for overnight sleeping.

"Accommodations fee" means the room charge less the discount room charge, if any, provided that 15 the accommodations fee shall not be less than \$0. 16

"Accommodations intermediary" means any person other than an accommodations provider that 17 facilitates the sale of an accommodation, charges a room charge to the customer, and charges an 18 19 accommodations fee to the customer, which fee it retains as compensation for facilitating the sale. For 20 purposes of this definition, "facilitates the sale" includes brokering, coordinating, or in any other way 21 arranging for the purchase of the right to use accommodations via a transaction directly, including via 22 one or more payment processors, between a customer and an accommodations provider. 23

"Accommodations intermediary" does not include a person:

24 1. If the accommodations are provided by an accommodations provider operating under a trademark, 25 trade name, or service mark belonging to such person; or

26 2. Who facilitates the sale of an accommodation if (i) the price paid by the customer to such person 27 is equal to the price paid by such person to the accommodations provider for the use of the accommodations and (ii) the only compensation received by such person for facilitating the sale of the 28 29 accommodation is a commission paid from the accommodations provider to such person.

"Gross proceeds" does not include finance charges, carrying 63 charges, service charges, or interest from credit extended on the lease or rental of tangible personal 64 property under conditional lease or rental contracts or other conditional contracts providing for the 65 deferred payments of the lease or rental price.

"Gross sales" means the sum total of all retail sales of tangible personal property or services as defined in this chapter, without any deduction, except as provided in this chapter. "Gross sales" does not include the federal retailers' excise tax or the federal diesel fuel excise tax imposed in § 4091 of the Internal Revenue Code if the excise tax is billed to the purchaser separately from the selling price of the article, or the Virginia retail sales or use tax, or any sales or use tax imposed by any county or city under § 58.1-605 or 58.1-606.
