§ 15.2-1901. Condemnation authority.

18 A. In addition to the authority granted to localities pursuant to any applicable charter provision or 19 other provision of law, whenever a locality is authorized to acquire real or personal property or property 20 interests for a public use, it may do so by exercise of the power of eminent domain, except as provided 21 in subsection **B**.

22 B. A locality may acquire property or property interests outside its boundaries by exercise of the power of eminent domain only if such authority is expressly conferred by general law or special act. 23 24 However, cities and towns shall have the right to acquire property outside their boundaries for the purposes set forth in § 15.2-2109 by exercise of the power of eminent domain. The exercise of such 25 26 condemnation authority by a city or town shall not be construed to exempt the municipality from the provisions of subsection F of § 56-580. 27

28 C. Notwithstanding any other provision of law, general or special, no locality shall condition or delay 29 the timely consideration, advancement, or approval of any application for or grant of any permit or 30 other approval for any real property over which it enjoys jurisdiction for the purpose, expressed or implied, of allowing the locality to condemn condemnation or otherwise acquire acquisition of the 31 property or to commence any process to consider whether to undertake condemnation or acquisition of 32 33 the property. 34

94 "State institution" means any (i) institution enumerated in § 23.1-1100 or (ii) state hospital or state 95 training center operated by the Department of Behavioral Health and Developmental Services.

§ 25.1-204. Effort to purchase required; prerequisite to effort to purchase or filing certificate.

A. A condemnor shall not institute proceedings to condemn property until a bona fide but ineffectual
effort to purchase from the owner the property sought to be condemned has been made. However, such
effort shall not be required if the consent cannot be obtained because one or more of the owners (i) is a
person under a disability or is otherwise unable to convey legal title to such property, (ii) is unknown,
or (iii) cannot with reasonable diligence be found within this Commonwealth.

B. Such bona fide effort shall include delivery of, or attempt to deliver, a written offer to acquire accompanied by a written statement to the owner that explains the factual basis for the condemnor's offer. The written statement shall include a description of the public use for which it is necessary to acquire the owner's property and shall contain a certification that the acquisition has been reviewed by the condemnor for purposes of complying with § 1-219.1. E. A state agency's acquisition of real property in connection with any programs or projects pursuantto this title or Title 33.2 shall be conducted in accordance with the following provisions:

124 1. Before making an offer to acquire or initiating any related negotiations for real property, the state 125 agency shall establish an amount which it believes to be just compensation therefor and shall make a 126 prompt offer to acquire the property for the full amount so established. In no event shall such amount 127 be less than the state agency's approved appraisal of the fair market value of such property, if such an 128 appraisal is required, or the current assessed value of such property for real estate tax purposes, unless 129 the property has physically changed in a material and substantial way since the current assessment date 130 such that the real estate tax assessment no longer represents a fair valuation of the property, when the entire parcel for which the assessment is made is to be acquired, whichever is greater. Any decrease or 131 132 increase in the fair market value of real property prior to the date of valuation caused by the public 133 improvement for which such property is acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable 134 135 control of the owner, shall be disregarded in determining the compensation for the property. The state 136 agency concerned shall provide the owner of real property to be acquired with a written statement of, 137 and summary of the basis for, the amount it established as just compensation, and, if an appraisal is 138 required or obtained, such written statement and summary shall include a complete copy of all appraisals 139 of the real property to be acquired that the state agency obtained prior to making an offer to acquire or **140** initiating negotiations for the real property. The state agency shall provide its written statement of the 141 amount it established as just compensation on its letterhead, which shall be signed by an authorized 142 employee of such state agency. Where appropriate, the just compensation for the real property acquired 143 and for damages to remaining real property shall be separately stated.

144 2. No owner shall be required to surrender possession of real property before the state agency pays 145 the agreed purchase price, or deposits with the state court in accordance with applicable law, for the 146 benefit of the owner, (i) an amount not less than the state agency's approved appraisal of the fair market 147 value of such property, if such an appraisal is required, or the current assessed value of such property 148 for real estate tax purposes, unless the property has physically changed in a material and substantial way 149 since the current assessment date such that the real estate tax assessment no longer represents a fair 150 valuation of the property, when the entire parcel for which the assessment is made is to be acquired, 151 whichever is greater, or (ii) the amount of the award of compensation in the condemnation proceeding 152 for such property.

F. Nothing in this section shall make evidence of tax assessments admissible as proof of value in an eminent domain proceeding.

155 § 25.1-230.1. Lost access and lost profits.

A. For purposes of this section:"Business" shall have the same

"Business" shall have the same meaning as set forth in § 25.1-400.

"Business profit" means the average net income for federal income tax purposes for the three years
immediately prior to the later of (i) the date of valuation or (ii) the date the state agency or its
contractor prevents the owner from using the land or any of the owner's other property rights are taken,
for a business or farm operation located on the property taken.

162 "Direct access" means ingress or egress on or off a public road, street, or highway at a location 163 where the property adjoins that road, street, or highway.

164 "Farm operation" shall have the same meaning as set forth in § 25.1-400.

165 B. The body determining just compensation shall include in its determination of damage to the 166 residue any loss in market value of the remaining property from lost access caused by the taking or damaging of the property. The body determining just compensation shall ascertain any reduction in 167 168 value for lost access, if any, that may accrue to the residue as provided in subsection A of § 25.1-230, by reason of the taking and use by the petitioner. If such peculiar benefit or enhancement in value shall 169 170 exceed the reduction in value, there shall be no recovery against the landowner for such excess. The 171 body determining just compensation may not consider an injury or benefit that the property owner 172 experiences in common with the general community, including off-site circuity of travel and diversion of 173 traffic, arising from an exercise of the police power. The body determining just compensation shall 174 ensure that any compensation awarded for lost access shall not be duplicated in the compensation 175 otherwise awarded to the owner of the property taken or damaged.

176 C. The body determining just compensation shall include in its determination of just compensation 177 lost profits to the owner of a business or farm operation conducted on the property taken only if the 178 owner proves with reasonable certainty the amount of the loss and that the loss is directly and 179 proximately caused by the taking of the property through the exercise of eminent domain and the 180 following conditions are met:

181 1. The loss cannot be reasonably prevented by a relocation of the business or farm operation, or by taking steps and adopting procedures that a reasonably prudent person would take and adopt;

183 2. The loss will not be included in relocation assistance provided pursuant to Chapter 4 (§ 25.1-400 et seq.); 184

185 3. Compensation for the loss will not be duplicated in the compensation otherwise awarded to the 186 owner of the property taken or damaged; and

187 4. The loss shall be determined in accordance with generally accepted accounting principles applied 188 on a consistent basis.

189 D. Any and all liability for lost access shall be established and made a part of the award of just 190 compensation for damage to the residue of the property taken or damaged, and any and all liability for 191 lost profits shall be set forth specifically in the award. In a partial acquisition, in the event that the 192 owner of the property being condemned and the owner of the business or farm operation claiming lost 193 profits are the same, then any enhancement or peculiar benefit shall be offset against both damage to the 194 residue and lost profits.

195 E. It shall not be a requirement of any bona fide effort to purchase the property pursuant to 196 § 25.1-204 or 33.2-1001 that the petitioner include any liability for lost profits in a written offer to 197 purchase the property.

198 F. In any proceeding in which the owner of a business or farm operation seeks to recover lost 199 profits, the owner shall provide the condemning authority with all federal income tax returns, if any, 200 relating to the business or farm operation for which the owner seeks lost profits for a period of three 201 years prior to the later of (i) the valuation date or (ii) the date the state agency or its contractor prevents 202 the owner from using the land or any of the owner's other property rights are taken, and for each year 203 thereafter during the pendency of the condemnation proceeding. The condemning authority shall not 204 divulge the information provided pursuant to this subsection except in connection with the condemnation 205 proceeding. Additionally, unless already named in the petition for condemnation, the owner may intervene in the proceeding by filing a motion to intervene accompanied by a petition for intervention 206 207 setting forth the basis for the lost profits claim under this chapter. Proceedings to adjudicate lost profits may be bifurcated from the other proceedings to determine just compensation if the lost profits claim 208 period will not expire until one year or later from the date of the filing of the petition for condemnation, 209 210 but such bifurcation shall not prevent the entry of an order confirming indefeasible title to the land 211 interests acquired by the condemning authority.

G. Nothing in this section is intended to provide for compensation for inverse condemnation claims 212 213 for lost profits or lost access for temporary interference with or interruption of a business or farm 214 operation other than that which is directly and proximately caused by a taking or damaging of property 215 through the exercise of eminent domain where the impact to the property is for a period of fewer than 216 seven days.

§ 25.1-237. Payment of compensation and damages into court; vesting of title.

218 Upon the return of the report of the body determining just compensation, and the confirmation, 219 alteration, or modification thereof in the manner provided in this chapter, the sum so ascertained by the court as compensation and damages, if any, to the property owners may be paid into court. The clerk 220 shall deposit such funds to the credit of the court in an account of a type that bears interest. Upon 221 222 paying such sum into court, title to the property and rights condemned shall vest in the petitioner to the 223 extent prayed for in the petition, unless such title shall have already vested in the petitioner in a manner 224 otherwise provided by law. The petitioner or its agent shall have the right to enter and construct its 225 works or improvements upon or through the property described in its petition. 226

§ 25.1-245.1. Costs.

217

227

228

A. Except as otherwise provided in this chapter, all costs of the proceeding in the trial court that are fixed by statute shall be taxed against the condemnor.

229 B. The court may in its discretion tax as a cost a fee, not to exceed \$1,000, shall order the 230 condemnor to pay to the owner reasonable costs and fees, not to exceed \$7,500, unless the court 231 approves a higher amount, for a survey for the landowner owner.

232 C. If an owner whose property is taken by condemnation under this title or under Title 33.2 is 233 awarded at trial, as compensation for the taking of or damage to his real property, an amount that is 25 234 percent or more greater than the amount of the condemnor's initial written offer made pursuant to 235 § 25.1-204, the court may order the condemnor to pay to the owner those (i) reasonable costs, other than 236 attorney fees, and (ii) reasonable fees and travel costs, including reasonable appraisal and engineering 237 fees incurred by the owner, for up to three experts or as many experts as are called by the condemnor, 238 whichever is greater, who testified at trial.

239 D. All costs on appeal shall be assessed and assessable in the manner provided by law and the Rules 240 of Court as in other civil cases.

241 E. The requirements of this section shall not apply to those condemnation actions initiated by a 242 public service company, public service corporation, railroad pursuant to the delegation of the power of 243 eminent domain granted in Title 56, or government utility corporation, as defined by § 1-219.1, 244 involving easements adjudged at less than \$10,000.

SB694S2

245 F. This section is to be liberally construed to effect its purpose of ensuring that owners receive the 246 full measure of just compensation to which they are constitutionally entitled, without that amount being 247 reduced by the costs of asserting their constitutional right to just compensation.

248 § 25.1-307. Content of certificates; recordation of certificates.

249 A. A certificate shall set forth the description of the property being taken or damaged, and the owner 250 or owners, if known, of such property. If a temporary construction easement is being acquired, the 251 certificate shall set forth the calendar date on which it shall expire if that date is known to the 252 condemnor. If the condemnor certifies that such date is not known, at such time the condemnor 253 ascertains the date, the condemnor shall file certification of the information as provided by subsection B 254 and shall simultaneously provide the landowner or the landowner's counsel, if any, a copy of such 255 certification.

256 B. The authorized condemnor shall record a certificate of take or a certificate of deposit in the clerk's 257 office of the court where deeds are recorded. The clerk shall record the certificate in the deed book and 258 index it in the names of both (i) the person or persons who owned the land before the recordation of the 259 certificate and (ii) the authorized condemnor. 260

§ 25.1-308. Effect of recordation of certificate; transfer of title or interest in property.

261 A. Upon recordation of a certificate:

262 1. The interest or estate of the owner of the property described therein shall terminate;

263 2. The title to such property shall be vested in the authorized condemnor;

264 3. The owner shall have such interest or estate in the funds deposited with the court or represented 265 by the certificate of deposit as the owner had in the property taken or damaged; and

266 4. All liens by deed of trust, judgment or otherwise upon such property shall be transferred to such 267 funds.

268 B. The title in the authorized condemnor shall be defeasible until (i) the authorized condemnor and 269 such owner reach an agreement as provided in § 25.1-317, or (ii) the compensation for the taking or 270 damage to the property is determined by condemnation proceedings as provided in § 25.1-313.

271 C. If funds have been deposited with the court under a certificate of take, the clerk shall deposit the funds so paid to the credit of the court in an account of a type that bears interest. 272 273

§ 25.1-315. Awards in greater amounts than deposit; interest.

274 A. If the amount of an award in a condemnation proceeding is greater than that deposited with the 275 court or represented by a certificate of deposit, the excess amount, together with interest accrued on 276 such excess amount, shall be paid into court for the person or persons entitled thereto. The clerk shall 277 deposit such funds to the credit of the court in an account of a type that bears interest.

278 B. Interest shall accrue on the excess amount at not less than the judgment rate of interest as set 279 forth in § 8.01-382, computed from the date of such deposit to the date of payment into court and be 280 paid into court for the person or persons entitled thereto. However, any interest that accrued before July 281 1, 1970, shall be paid at the rate of five percent, and interest accruing thereafter and prior to July 1, 282 1981, shall be paid at the rate of six percent, and any interest accruing thereafter and prior to July 1, 283 1994, shall be paid at the rate of eight percent. 284

§ 25.1-318. Petition by owner for determination of just compensation.

285 A. The owner of property that an authorized condemnor has entered and taken possession of, or 286 taken defeasible title of, pursuant to the provisions of this chapter may petition the circuit court of the 287 locality in which the greater portion of the property lies for the appointment of commissioners or the 288 empanelment of a jury to determine just compensation for the property taken and damages done, if any, 289 to such property, as provided in Chapter 2 (§ 25.1-200 et seq.) if (i) the owner and the authorized 290 condemnor have not reached an agreement as to compensation and damages, if any, and (ii) the 291 authorized condemnor:

292 1. Has not completed the construction of the contemplated improvements upon the property after a 293 reasonable time for such construction has elapsed; or

294 2. Has not instituted condemnation proceedings within:

295 a. Sixty days after completion of the construction of the contemplated improvements upon the 296 property;

297 b. One hundred eighty days after the authorized condemnor has entered upon and taken possession of 298 the property, regardless of whether the construction of the contemplated improvements has been 299 completed; or 300

c. One hundred eighty days after the recordation of a certificate.

301 B. A copy of such petition shall be served upon the authorized condemnor at least 10 days before it 302 is filed in the court. The authorized condemnor shall file an answer thereto within five days after the 303 filing of the petition. If the court finds that the conditions prerequisite for such appointment as provided 304 in subsection A are satisfied, the court shall appoint commissioners or empanel a jury, as requested in the owner's petition, to ascertain the amount of compensation to be paid for the property taken and 305

311

306 damages done, if any. The proceedings shall thereafter be governed by the procedure prescribed by 307 Chapter 2 (§ 25.1-200 et seq.) insofar as the same may be applicable, except that the owner shall have 308 the burden of proceeding with the evidence as to just compensation. The authorized condemnor shall 309 reimburse the owner for his fees and costs charged by a lienholder, including filing fees and attorney 310 fees, incurred in filing the owner's petition.

§ 25.1-319. Certificates of completion.

312 Upon completion of construction of any public use project for which a portion of private property 313 was acquired by certificate, the condemnor shall, within 90 days of completion of construction, record a 314 certificate of completion in the clerk's office of the court where deeds are recorded. Such certificate of 315 completion shall state that construction of the public use project for which the property was taken is complete and any temporary acquisitions have terminated. The clerk shall record the certificate of 316 317 completion in the deed book and index in it the names of both (i) the person or persons who own the 318 land at the time of the recordation of the certificate of completion and (ii) the condemnor.

319 § 33.2-1016. Procedure in general; suits in name of Commissioner of Highways; survival; 320 validation of suits; notice of filing.

321 A. Proceedings for condemnation under this article shall be instituted and conducted in accordance 322 with the procedures provided in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1, except that the provisions 323 of §§ 33.2-1018 through 33.2-1029 33.2-1029.1 shall be applicable to such proceedings.

324 B. All suits shall be instituted and conducted in the name of the Commissioner of Highways as 325 petitioner without naming the individual who may be such Commissioner of Highways or acting 326 Commissioner of Highways. In the event of the death, removal, retirement, or resignation of the 327 Commissioner of Highways or acting Commissioner of Highways, the suit shall automatically survive to 328 a successor Commissioner of Highways or acting Commissioner of Highways. All suits heretofore filed 329 in accordance with the provisions of this section are hereby ratified, validated, and confirmed.

330 C. In addition to any other notices required to be served pursuant to this section, in any proceeding 331 instituted by the Commissioner of Highways under this title, a copy of the notice of the filing of the 332 petition also shall be served, in the same manner as such notice is served upon owners, upon any person 333 owning structures or improvements for which an outdoor advertising permit has been issued by the 334 Commissioner of Highways pursuant to § 33.2-1208.

335 § 33.2-1018. Authority to take possession and title to property before or during condemnation; 336 purpose and intent of provisions.

337 In addition to the exercise of the power of eminent domain prior to the entry upon land being 338 condemned, as provided in this article, the Commissioner of Highways is authorized to acquire title and 339 to enter upon and take possession of such property and rights-of-way, for the purposes set out in 340 § 33.2-1001, as the Commissioner of Highways may deem necessary, and proceed with the construction 341 of such highway, such taking to be made pursuant to §§ 33.2-1019 through 33.2-1029 33.2-1029.1.

342 It is the intention of this article to provide that such property and rights-of-way may, in the discretion of the Commissioner of Highways, be condemned during or after the construction of the 343 344 highway, as well as prior thereto, and to direct the fund out of which the judgment of the court in 345 condemnation proceedings shall be paid, and to provide that in all other respects the provisions of this article shall apply, whether the property and rights-of-way are condemned before, during, or after the 346 347 construction of the highway. However, the authorities constructing such highway under the authority of 348 this article shall use diligence to protect growing crops and pastures and to prevent damage to any 349 property not taken. So far as possible all rights-of-way shall be acquired or contracted for before any 350 condemnation is resorted to. 351

§ 33.2-1019. Payments into court or filing certificate of deposit before entering upon land.

352 A. Before entering upon or taking possession of land pursuant to § 33.2-1018, the Commissioner of 353 Highways shall either:

354 1. Pay into the court wherein condemnation proceedings are pending or are to be instituted such sum 355 as is required by subsection B; or

356 2. File with the court wherein condemnation proceedings are pending or are to be instituted a 357 certificate of deposit issued by the Commissioner of Highways for such sum as is required by subsection 358 B, which shall be deemed and held for the purpose of this chapter to be payment into the custody of 359 such court.

360 B. The amount to be paid into the court as provided in subdivision A 1 or represented by a certificate of deposit as provided in subdivision A 2 shall be the amount that the Commissioner of 361 Highways estimates to be the fair value of the land taken, or interest therein sought, and damage done, 362 363 which estimate shall be based on a bona fide appraisal if required by § 25.1-417; however, such estimate shall not be less than the current assessed value of the land for real estate tax purposes, unless the 364 365 property has physically changed in a material and substantial way since the current assessment date such that the real estate tax assessment no longer represents a fair valuation of the property, when the entire 366 367 parcel for which the assessment has been made is to be acquired.

SB694S2

368 C. If the Commissioner of Highways makes a payment into court as provided in subdivision A 1, the 369 court shall also record a certificate of take pursuant to § 33.2-1021. The clerk shall deposit such funds to 370 the credit of the court in an account of a type that bears interest.

371 D. Payment against a certificate of deposit, when ordered by the court named therein, shall be paid 372 by the Commissioner of Highways.

373 E. The Commissioner of Highways shall not be permitted to force relocation on improved 374 owner-occupied property until the owner is permitted to withdraw the funds represented by the 375 certificate filed with the court. However, if the owner refuses to withdraw the funds represented by the 376 certificate filed with the court or if the Commissioner of Highways reasonably believes that the owner 377 does not possess clear title to the property being taken, that ownership of the property is disputed, or 378 that certain owners cannot be located, the Commissioner of Highways may petition the court to establish 379 that the owner does not possess clear title, that the ownership of the property is in dispute, that certain 380 owners cannot be located, or that the owner has refused to withdraw the funds represented by the 381 certificate filed with the court, and request that the Commissioner of Highways be given authority to 382 force relocation.

383 F. Nothing in this section shall make evidence of tax assessments admissible as proof of value in an 384 eminent domain proceeding. 385

§ 33.2-1022. Certificates to describe land and list owner.

386 The certificate shall set forth the description of the land or interest therein being taken or damaged 387 and, if known, the owner. If a temporary construction easement is being acquired, the certificate shall 388 set forth the calendar date on which it shall expire. 389

§ 33.2-1026. Awards in greater or lesser amounts than deposit; interest.

390 A. If the amount of an award in a condemnation proceeding is greater than that deposited with the 391 court or represented by a certificate of deposit, the excess amount, together with interest accrued on 392 such excess amount, shall be paid into court for the person entitled thereto. The clerk shall deposit such 393 funds to the credit of the court in an account of a type that bears interest.

394 B. Interest shall accrue on the excess amount at not less than the judgment rate of interest as set 395 forth in § 8.01-382, computed from the date of such deposit to the date of payment into court, and shall 396 be paid into court for the person or persons entitled thereto. However, any (i) interest accruing after 397 June 30, 1970, and prior to July 1, 1981, shall be paid at the rate of six percent; (ii) interest accruing 398 after June 30, 1981, and prior to July 1, 1994, shall be paid at the rate of eight percent; and (iii) interest 399 accruing after June 30, 1994, and prior to July 1, 2003, shall be paid at the general account composite 400 rate, compiled by the Department of the Treasury for the month in which the award is rendered.

401 C. If the amount of an award in a condemnation proceeding is less than that deposited with the court 402 or represented by a certificate of deposit, and the person or persons entitled thereto have received a 403 distribution of the funds pursuant to § 33.2-1023, the Commissioner of Highways shall recover (i) the **404** amount of such excess and (ii) interest on such excess at the rate of interest established pursuant to § 6621(a)(2) of the Internal Revenue Code of 1954, as amended. If any person has been paid a greater 405 406 sum than that to which he is entitled as determined by the award, judgment shall be entered for the Commissioner of Highways against such person for the amount of such excess and interest. However, 407 408 the Commissioner of Highways shall not be entitled to recover the amount of such excess and interest in 409 the event the Commissioner of Highways acquired, by virtue of the certificate, an entire parcel of land 410 containing a dwelling, multiple-family dwelling, or building used for commercial purposes at the time of 411 initiation of negotiations for the acquisition of such property. 412

§ 33.2-1029.1. Petition by owner for determination of just compensation.

413 A. The owner of property that the Commissioner of Highways has entered and taken position of, or 414 taken defeasible title of, pursuant to the provisions of this chapter may petition the circuit court of the locality in which the greater portion of the property lies for the appointment of commissioners or the 415 416 empanelment of a jury to determine just compensation for the property taken and damage done, if any, 417 to such property, as provided in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1 if (i) the owner and the 418 Commissioner of Highways have not reached an agreement as to compensation and damages, if any, 419 and (ii) the Commissioner of Highways:

420 1. Has not completed the construction of the contemplated improvements upon the property after a 421 reasonable time for such construction has elapsed; or

422 2. Has not instituted condemnation proceedings within:

423 a. Sixty days after completion of the construction of the contemplated improvements upon the 424 property;

b. One hundred and eighty days after the Commissioner of Highways has entered upon and taken 425 426 possession of the property, regardless of whether the construction of the contemplated improvements has 427 been completed; or

428 c. One hundred and eighty days after the recordation of a certificate. 429 B. A copy of such petition shall be served on the Commissioner of Highways at least 10 days before 430 it is filed in the court. The Commissioner of Highways shall file an answer within five days after the 431 filing of the petition. If the courts finds that the conditions prerequisite for such appointment as provided in subsection A are satisfied, the court shall appoint commissioners or empanel a jury, as 432 requested in the owner's petition, to ascertain the amount of compensation to be paid for the property 433 taken and damages done, if any. The proceedings shall thereafter be governed by the procedures 434 prescribed in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1 insofar as they may be applicable, except that 435 436 the owner shall have the burden of proceeding with the evidence as to just compensation. The Commissioner of Highways shall reimburse the owner for his fees and costs, including filing fees and 437 438 attorney fees, incurred in filing the owner's petition. 2. That § 33.2-1029 of the Code of Virginia is repealed. 439
