§ 15.2-5825. Creation of Authority.

There is hereby established a body corporate and politic known as the Virginia Football Stadium Authority. The Authority is a political subdivision of the Commonwealth. It shall be the principal duty of

60 the Authority to ensure the financial viability of the facility and to service the bonds issued by the
61 Authority.

62 **§ 15.2-5826. Members of Authority; chairman; terms.**

63 A. The Authority shall consist of nine members who shall be appointed by the Governor, including
64 the four members appointed pursuant to subsection B. The Governor shall designate one of the members
65 as chairman; provided that no member appointed pursuant to subsection B shall be designated as
66 chairman. The members of the Authority annually shall elect a vice-chairman from their membership
67 who shall perform the duties of the chairman in his absence. In making appointments to the Authority,
68 the Governor shall ensure that the geographic areas of the Commonwealth are represented; however, in
69 the event the location of the facility is proposed, at least three members of the Authority, other than
70 those members appointed pursuant to subsection B, shall be residents of the county or city in which the
71 facility is to be located. The appointments of the members by the Governor pursuant to this section shall
72 be confirmed in accordance with § 2.2-107.

73 B. In the event the location of the facility is proposed, the Governor shall appoint four members of
74 the Authority from a list of individuals proposed by the primary team. As the terms of such members
75 end, or upon the resignation or removal of any of such members, the Governor shall appoint new
76 members from a list proposed by the primary team.

77 C. Each member shall be a representative of the private sector and have the education, experience,
78 and skills necessary to execute effectively the duties and responsibilities of a member of the Authority.

79 D. The term of a member of the Authority is five years. However, upon the initial appointment of the
80 members of the Authority, the terms of the members shall be staggered as follows: The initial term of
81 three of the members shall be five years; the initial term of three members shall be four years; and the
82 initial term of the remaining three members shall be three years. The Governor shall designate the term
83 to be served by each appointee at the time of appointment.

84 E. At the end of a term, a member shall continue to serve until a successor is appointed and
85 qualifies. A member who is appointed after a term has begun serves only for the rest of the term and
86 until a successor is appointed and qualifies. Upon the end of the term of a member, or upon the
87 resignation or removal of a member, the Governor shall appoint a member to the Authority. The
88 Governor may remove a member for cause in accordance with § 2.2-108. The members of the Authority
89 shall receive no compensation for their services, but a member may be reimbursed by the Authority for
90 reasonable expenses actually incurred in the performance of the duties of that office.

91 **§ 15.2-5827. Quorum; actions of Authority; meetings.**

92 Five members of the Authority shall constitute a quorum for the purpose of conducting business,
93 however, among those five, at all times, there shall be at least one member of the county or city where
94 the facility is located and one member appointed pursuant to subsection B of § 15.2-5826. Actions of the
95 Authority shall receive the affirmative vote of a majority of the quorum to be effective. No vacancy on
96 the Authority shall impair the right of a quorum to exercise all rights and perform all the duties of the
97 Authority. The Authority shall determine the times and places of its regular meetings. Special meetings
98 of the Authority shall be held when requested by two or more members of the Authority. Any such
99 request for a special meeting shall be in writing, and the request shall specify the time and place of the
100 meeting and the matters to be considered at the meeting. A reasonable effort shall be made to provide
101 each member with notice of any special meeting. No matter not specified in the notice shall be
102 considered at such special meeting unless all the members of the Authority are present.

103 **§ 15.2-5828. Managing Director appointment; duties.**

104 A. The Governor shall appoint a Managing Director, who shall report to, but not be a member of,
105 the Authority. The Managing Director shall serve as the ex officio secretary of the Authority and shall
106 administer, manage, and direct the Authority's affairs and activities in accordance with the policies
107 adopted by and under the direction and control of the Authority.

108 B. In addition to any other duties set forth in this chapter, the Managing Director shall:

109 1. Attend all meetings and keep minutes of all proceedings;

110 2. Approve all accounts for salaries, per diem payments, and allowable expenses of the Authority
111 and its independent contractors and approve all expenses incidental to the operation of the Authority;
112 and

113 3. Perform any other duty that the Authority requires for carrying out the provisions of this chapter.

114 **§ 15.2-5829. Powers.**

117 2. Sue and be sued in its own name;

118 3. Adopt bylaws, rules, and regulations to carry out the provisions of this chapter;

119 4. Maintain an office at such place as the Authority may designate solely for purposes of carrying
120 out the duties of the Authority;

121 5. Employ, as independent contractors, consultants, accountants, attorneys, and financial experts and

122 agents as may be necessary in the judgment of the Authority to carry out its responsibilities as outlined
123 in this chapter, and fix their compensation;

124 6. Proceed with any undertaking and enter into any contracts or agreements with the Commonwealth
125 or any political subdivision thereof or any person as the Authority deems necessary or desirable to
126 carry out the provisions of this chapter related to development of the facility, provided that any
127 development agreement with the primary team or its affiliate shall comply with subsection D of
128 § 15.2-5831;

129 7. Acquire, hold, lease, use, encumber, transfer, or dispose of real and personal property, including
130 a lease of its property or any interest therein whatever the condition thereof, whether or not constructed
131 or acquired, which is owned by the Authority, to the primary team or its affiliate or other person as
132 deemed necessary or desirable to carry out the provisions of this chapter, provided that any lease of a
133 professional football stadium shall comply with subsection E of § 15.2-5831. The Commonwealth and
134 any of its political subdivisions are also authorized to acquire or lease such property or any interest
135 therein; however, the Commonwealth shall not enter into any such lease or purchase agreement unless
136 such lease or purchase agreement has first been approved pursuant to subsection B of § 15.2-5830; and
137 provided further that rent payments under any such lease or purchase agreement shall not exceed the
138 shortfall in debt service payments due on the bonds issued to finance such property or improvements
139 thereto;

140 8. Fund capital expenditures for the facility constructed and maintained pursuant to this chapter as
141 requested by the primary team or its affiliate;

142 9. Borrow money from any source for the purpose of funding capital expenditures that have been
143 approved pursuant to subdivision 8; provided, however, that such capital expenditures shall be
144 implemented by the primary team or its affiliate;

145 10. Issue bonds under this chapter;

146 11. Employ independent contractors as necessary to assist the Authority in its responsibilities of
147 issuing debt and funding the capital expenditures for the facility. Such independent contractors shall be
148 paid only from moneys appropriated or received by the Authority from the Fund or that are otherwise
149 related to the facility;

150 12. Receive and accept from any source, private or public, contributions, gifts, or grants of money or
151 property; and

152 13. Do all things necessary or convenient to carry out the powers granted by this chapter.

153 **§ 15.2-5830. Prohibited contracts; review by State Treasurer.**

154 A. The Commonwealth shall not enter into any purchase agreement, lease agreement, lease-purchase
155 agreement, master lease agreement, or any other contractual arrangement proposed by the Authority
156 that creates a direct or contingent financial obligation of the Commonwealth or creates debt of the
157 Commonwealth supported by state revenues.

158 B. The State Treasurer shall be provided with copies of all documents relating to (i) the proposed
159 issuance of any bonds pursuant to § 15.2-5832, including a detailed plan of the method of funding and
160 the economic necessity of the proposed facility acquisition or construction, and (ii) any purchase
161 agreement, lease agreement, lease-purchase agreement, master lease agreement, or any other
162 contractual agreement described in subsection A sufficiently in advance of such bond issue or agreement
163 to conduct such reviews as the State Treasurer deems necessary to determine if the bond issue or
164 agreement creates a direct or contingent financial obligation of the Commonwealth or creates debt of
165 the Commonwealth supported by state revenues. If the State Treasurer finds that the proposed bond
166 issue or agreement would create a direct or contingent financial obligation of the Commonwealth or
167 creates debt of the Commonwealth supported by state revenues, the Authority shall not be authorized to
168 issue such bonds or enter into such agreement.

169 **§ 15.2-5831. Acquisition of property; facility development agreement and lease.**

170 A. The Authority may acquire or otherwise use in its own name, by gift or purchase, any real or
171 personal property, or interests in property, necessary or convenient to construct or operate the facility.

172 B. In any jurisdiction where planning, zoning, and development regulations may apply, the Authority
173 shall comply with and is subject to those regulations to the same extent as a private commercial or
174 industrial enterprise.

175 C. The Authority shall negotiate and enter into a development agreement for the facility, and lease of
176 the professional football stadium, that comply with subsections D and E if the Authority:

177 1. Finds that the primary team has committed to locate or relocate to the facility; and

178 2. Finds that the primary team and its affiliates have demonstrated to the satisfaction of the
179 Authority that the primary team and its affiliates have the experience and financial resources to be able
180 to successfully develop and construct the facility.

181 D. Any development agreement for the facility entered into by the Authority with the primary team or
182 its affiliates shall require the location, design, fit, and finish of the facility to be consistent with

183 professional football facilities approved for construction by the National Football League. Such
184 development agreement shall:

185 1. Identify the location of the professional football stadium and the other elements of the facility
186 within the facility site;

187 2. Set forth the sources of financing to pay the costs of the development and construction of the
188 facility and may specify a minimum principal amount of bonds to be issued by the Authority to finance
189 the facility pursuant to § 15.2-5832;

190 3. Require the primary team or its affiliates to provide periodic progress reports to the Authority on
191 the status of the development and construction of the facility;

192 4. Contain such other terms as deemed necessary and appropriate by the Authority and agreed to by
193 the primary team and its affiliates that further the purposes of the Authority related to the financing of
194 the facility;

195 5. Provide that the primary team will pay at least 50 percent of any naming rights revenues to the
196 Authority, annually or more frequently, until the Authority has paid off the principal, interest, and any
197 other financing costs of all bonds issued under this chapter; and

198 6. Provide that if the primary team relocates after the operational date but before the expiration date
199 of any lease entered into under subsection E, the primary team will pay any outstanding principal,
200 interest, and any other financing costs of all bonds issued under this chapter.

201 E. Any lease agreement entered into by the Authority for a professional football stadium within the
202 facility shall set forth the requirements and responsibilities of the primary team and its affiliates with
203 respect to the operation of the professional football stadium. Such lease agreement shall:

204 1. Grant the primary team and its affiliates full operational control of the professional football
205 stadium;

206 2. Not contain any provision that interferes with the discretion of the primary team and its affiliates
207 to operate the professional football stadium, including, without limitation, a provision restricting in any
208 manner the programs or events that may be held at the professional football stadium;

209 3. Authorize the primary team and its affiliates to enter into an agreement with another person to
210 operate the professional football stadium on a day-to-day basis, as deemed necessary or appropriate by
211 the primary team;

212 4. Establish standards for the maintenance of, and capital reinvestment in, the professional football
213 stadium throughout the term of the lease agreement that are necessary to support the Authority's
214 financial obligations;

215 5. Have a term of at least 20 years;

216 6. Contain such other terms and conditions as deemed necessary and appropriate by the Authority
217 and agreed to by the primary team and its affiliates;

218 7. Provide that the primary team will pay at least 50 percent of any naming rights revenues to the
219 Authority, annually or more frequently, until the Authority has paid off the principal, interest, and any
220 other financing costs of all bonds issued under this chapter; and

221 8. Provide that if the primary team relocates after the operational date but before the expiration date
222 of any lease entered into under this subsection, the primary team will pay any outstanding principal,
223 interest, and any other financing costs of all bonds issued under this chapter.

224 **§ 15.2-5832. Bond issues.**

225 A. The Authority may at any time and from time to time issue bonds to carry out any of the purposes
226 of this chapter; provided that the Authority may issue bonds to finance the facility only at the request or
227 with the consent of the primary team. As used in this chapter, "bonds" includes notes of any kind,
228 interim certificates, refunding bonds, and any other evidence of obligation.

229 B. The bonds of any issue shall be payable solely from the property or receipts of the Authority, or
230 other security specifically pledged by the Authority to the payment thereof, including:

231 1. Taxes, fees, charges, or other revenues payable to the Authority including amounts transferred
232 from the Fund;

233 2. Payments by financial institutions, insurance companies, or others pursuant to letters or line of
234 credit, policies of insurance, or purchase agreements;

236 agreement;

237 4. Proceeds of refunding bonds; and

238 5. Any naming rights revenues received pursuant to this chapter.

239 C. Bonds shall be authorized by resolution of the Authority and may be secured by a trust agreement
240 by and between the Authority and a corporate trustee or trustees, which may be any trust company or
241 bank having the powers of a trust company within or outside the Commonwealth. The bonds shall:

242 1. Be issued at, above, or below par value, for cash or other valuable consideration, and mature at
243 a time or times, whether as serial bonds or as term bonds or both, not exceeding 20 years from their
244 respective dates of issue;

245 2. Bear interest at the fixed or variable rate or rates determined by the method provided in the
246 resolution or trust agreement;

247 3. Be payable at a time or times, in the denominations and form, and carry the registration and
248 privileges as to conversion and for the replacement of mutilated, lost, or destroyed bonds as the
249 resolution or trust agreement may provide;

250 4. Be payable in lawful money of the United States at a designated place;

251 5. Be subject to the terms of purchase, payment, redemption, refunding, or refinancing that the
252 resolution or trust agreement provides;

253 6. Be executed by the manual or facsimile signatures of the officers of the Authority designated by
254 the Authority. Such signatures shall be valid at delivery even for one who has ceased to hold office; and

255 7. Be sold in the manner and upon the terms determined by the Authority, including private
256 negotiated sale.

257 D. Any resolution or trust agreement may contain provisions that shall be a part of the contract with
258 the holders of the bonds as to:

259 1. Pledging, assigning, or directing the use, investment, or disposition of receipts of the Authority or
260 proceeds or benefits of any contract and conveying or otherwise securing any property rights;

261 2. The setting aside of loan funding deposits, debt service reserves, capitalized interest accounts, cost
262 of issuance accounts, and sinking funds, and the regulation, investment, and disposition thereof;

263 3. Limitations on the purpose to which the proceeds of sale of any issue of bonds may be applied
264 and restrictions to investments of such proceeds or revenues available to pay debt service;

265 4. Limitations on the issuance of additional bonds and the terms upon which additional bonds may
266 be issued and secured and may rank on a parity with, or be subordinate or superior to, other bonds;

267 5. The refunding or refinancing of outstanding bonds;

268 6. The procedure, if any, by which the terms of any contract with bondholders may be altered or
269 amended and the amount of bonds the holders of which must consent thereto, and the manner in which
270 consent shall be given;

271 7. Defining the acts or omissions which shall constitute a default in the duties of the Authority to
272 bondholders and providing the rights or remedies of such holders in the event of a default which may
273 include provisions restricting individual right of action by bondholders;

274 8. Providing for guarantees, pledges of property, letters of credit, or other security, or insurance for
275 the benefit of bondholders; and

276 9. Any other matter relating to the bonds which the Authority determines appropriate.

277 E. No member of the Authority nor any person executing the bonds on behalf of the Authority shall
278 be liable personally for the bonds or subject to any personal liability by reason of the issuance of the
279 bonds.

280 F. The Authority may enter into agreements with agents, banks, insurers, or others for the purpose of
281 enhancing the marketability of, or as security for, its bonds.

282 G. A pledge by the Authority of revenues as security for an issue of bonds shall be valid and binding
283 from the time the pledge is made. The revenues pledged shall immediately be subject to the lien of the
284 pledge without any physical delivery or further act, and the lien of any pledge shall be valid and
285 binding against any person having any claim of any kind in tort, contract or otherwise against the
286 Authority, irrespective of whether the person has notice. No resolution, trust agreement or financing
287 statement, continuation statement, or other instrument adopted or entered into by the Authority need be
288 filed or recorded in any public record other than the records of the Authority in order to perfect the
289 lien against third persons, regardless of any contrary provision of public general or public local law.

290 H. Except to the extent restricted by an applicable resolution or trust agreement, any holder of
291 bonds issued under this chapter or a trustee acting under a trust agreement entered into under this
292 chapter, may, by any suitable form of legal proceedings, protect and enforce any rights granted under
293 the laws of Virginia or by any applicable resolution or trust agreement.

294 I. The Authority may issue bonds to refund any of its bonds then outstanding, including the payment
295 of any redemption premium and any interest accrued or to accrue to the earliest or any subsequent date
296 of redemption, purchase or maturity of the bonds, but only with the consent of the primary team.
297 Refunding bonds may be issued for the public purposes of realizing savings in the effective costs of debt
298 service, directly or through a debt restructuring, for alleviating impending or actual default and may be
299 issued in one or more series in an amount in excess of that of the bonds to be refunded.

300 J. The primary team shall agree, as part of any development agreement entered into under
301 subsection D of § 15.2-5831 and as part of any lease agreement entered into under subsection E of
302 § 15.2-5831, that the primary team will not be relocated and that the primary team will operate within
303 the facility until any bonds issued hereunder to finance and refinance the facility are redeemed or
304 defeased.

305 K. In addition to satisfying its financing obligations under any development agreement entered into

306 pursuant to subsection D of § 15.2-5831, the Authority shall use best efforts to issue bonds to finance
307 capital improvements in the facility at such times, in such principal amounts and with such terms to
308 maturity, subject to the limitations of subdivision C 1, as may be requested by the primary team to
309 develop, construct, expand, repair, and maintain the facility.

310 **§ 15.2-5833. Investments in bonds.**

311 Any financial institution, investment company, insurance company or association, and any personal
312 representative, guardian, trustee, or other fiduciary, may legally invest any moneys belonging to them or
313 within its control in any bonds issued by the Authority.

314 **§ 15.2-5834. Tax exemption.**

315 The Authority shall not be required to pay any taxes or assessments of any kind whatsoever and its
316 bonds, their transfer, the interest payable on them, and any income derived from them, including any
317 profit realized in their sale or exchange, shall be exempt at all times from every kind and nature of
318 taxation by this Commonwealth or by any of its political subdivisions, municipal corporations, or public
319 agencies of any kind.

320 **§ 15.2-5835. Virginia Football Stadium Authority Financing Fund; use.**

321 A. There is hereby created in the state treasury a special nonreverting fund for Authority to be
322 known as the Virginia Football Stadium Authority Financing Fund. The Fund shall be established on
323 the books of the Comptroller. All revenues to which the Authority is entitled pursuant to § 15.2-5837,
324 any other moneys that may be appropriated by the General Assembly, and any moneys that may be
325 received for the credit of the Fund from any other source shall be paid into the state treasury and
326 credited to the Fund by the Comptroller as soon as practicable following their receipt. Interest earned
327 on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the
328 Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but
329 shall remain in the Fund.

330 B. The amounts dedicated to the Fund pursuant to subsection A shall be distributed to the Authority
331 as soon as practicable for use in accordance with this chapter. If the Authority determines that moneys
332 in the Fund exceed the amount required to meet the current needs and demands authorized under this
333 chapter, the Authority may invest such excess moneys to the same extent as provided in subsection A of
334 § 33.2-1525 for excess funds in the Transportation Trust Fund.

335 C. To the extent deemed appropriate by the Authority, the receipts of the Fund shall be pledged to
336 and transferred for the payment of debt service on Authority bonds and all reasonable charges and
337 expenses related to Authority borrowing and the management of Authority obligations. The Authority
338 may also use proceeds from the Fund for any expense associated with the development of the facility,
339 whether onsite or offsite, or the administration of the Authority.

340 **§ 15.2-5836. Additional duties.**

341 In addition to the duties set forth elsewhere in this chapter, the Authority shall:

342 1. Establish a capital improvements fund with respect to the facility to be funded to and maintained
343 at a level agreed to by the Authority and the primary team from the amounts remaining after the
344 payment of debt service of the tax revenues to which the Authority is entitled pursuant to § 15.2-5837
345 and such other moneys as the Authority may identify, for the purpose of repairing and maintaining the
346 facility. Such fund is to be held in escrow by or on behalf of the Authority and used for repairs and
347 maintenance beyond normal wear and tear that will extend the operating life of the facility.

348 2. Keep records as are consistent with sound business practices and accounting records using
349 generally accepted accounting practices;

350 3. Cause an audit by an independent certified public accountant to be made of accounts and
351 transactions at the conclusion of each fiscal year;

352 4. Be subject to audit and examination at any reasonable time of its accounts and transactions by
353 the Auditor of Public Accounts; and

354 5. Submit a detailed annual report of its activities and financial standing to the Governor and to the
355 General Assembly.

356 **§ 15.2-5837. Entitlement to certain tax revenues.**

357 A. The Authority shall be entitled, subject to appropriation and to the limitations of this chapter, to
358 all sales tax revenues. The entitlement shall begin on the professional football stadium's operational
359 date and shall terminate on the earlier of (i) 20 years after the operational date or (ii) the date on
360 which the Authority has paid off the principal, interest, and any other financing costs of all bonds
361 issued under this chapter. Revenues received under this subsection shall be applied to any purposes that
362 the Authority deems appropriate for the facility, including the payment of debt service on the Authority's
363 bonds. The State Comptroller shall remit such sales tax revenues to the Fund on a quarterly basis,
364 subject to such reasonable processing delays as may be required by the Department of Taxation. The
365 State Comptroller shall make such remittances to the Fund, as provided herein, notwithstanding any
366 provisions to the contrary in the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.). Such
367 entitlement shall continue as necessary to cover eligible expenses of the Authority.

368 B. The local governing body of the locality in which the facility is located may direct, by ordinance
369 or resolution, that all local sales and use tax revenues generated by transactions taking place upon the
