Second House ☐ In Committee ☐ Substitute ☐ Enrolled

2. Patron: Deeds, R.

3. Committee: Senate Local Government

4. Title: Fees for solid waste disposal; Bath County.

5. Summary/Purpose:

Adds Bath County to a list of eight other localities authorized to impose, by ordinance and after holding a public hearing, a fee for solid waste disposal.

6. Fiscal Impacts are unavailable, See also Item 8:

7. Budget amendment necessary: NO

8. Fiscal implications: VDOT's Lexington Residency disposes of approximately 100 tons of dirt and brush to Bath County's landfill annually. The legislation gives the County the ability to impose a landfill fee in the future by ordinance after holding a public hearing. If a fee were imposed, VDOT would have to budget for this item. At this time, the Bath County administrator could not speculate as to the amount of any future fee.

9. Specific agency or political subdivisions affected: The proposed legislation impacts Bath County and any agencies disposing of waste at the Bath County landfill.

10. Technical amendment necessary: NO

11. Other comments: NO
