The Department of Motor Vehicles may not transmit the information of any person who so declines. The Department of Motor Vehicles may not transmit the information of any person who indicates that he is not a United States citizen, nor may such person be asked any additional questions relevant to voter registration but not relevant to the purpose for which the person came to an office of the Department of Motor Vehicles or accessed its website.

B. 3. General registrars shall not register any person who does not satisfy all voter eligibility requirements.

E. The Department of Motor Vehicles shall provide assistance as required in providing voter photo identification cards as provided in subdivision A 3 of § 24.2-404.

A. Any registered voter may cancel his registration and have his name removed from the central registration records by signing an authorization for cancellation and mailing or otherwise submitting the signed authorization to the general registrar. When submitted by any means other than when notarized or in person, such cancellation must be made at least 22 days prior to an election in order to be valid in that election. The general registrar shall acknowledge receipt of the authorization and advise the voter in person or by first-class mail that his registration has been canceled within 10 days of receipt of such authorization.

The notice received in clauses ~~(iii)~~ (iv) and

427 (iv) (v) shall be considered as a written request from the voter to have his registration cancelled. A
428 voter's registration may be cancelled at any time during the year in which the general registrar discovers
429 that the person is no longer entitled to be registered. The general registrar shall mail notice of any
430 cancellation to the person whose registration is cancelled.

431 B1. The general registrar shall mail notice promptly to all persons known by him not to be United
432 States citizens by reason of a report from the Department of Motor Vehicles pursuant to § 24.2-410.1 or

445 application with respect to his having been convicted of a felony, the general registrar shall report the
446 fact to the attorney for the Commonwealth for prosecution under § 24.2-1016 for a false statement made
447 on his registration application.

448 C. The general registrar may cancel the registration of any person for whom a notice has been
449 submitted to the Department of Motor Vehicles in accordance with the Driver License Compact set out
450 in Article 18 (§ 46.2-483 et seq.) of Chapter 3 of Title 46.2 and forwarded to the general registrar, that
451 the voter has moved from the Commonwealth; provided that the registrar shall mail notice of such

463 B. An officer of election shall ask the voter for his full name and current residence address and the
464 voter may give such information orally or in writing. The officer of election shall verify with the voter
465 his full name and address and shall repeat, in a voice audible to party and candidate representatives

480 Except as provided in subsection E, any Any voter who does not show one of the forms of
481 identification specified in this subsection shall be allowed to vote after signing a statement, subject to
482 felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he
483 claims to be. A voter who requires assistance in voting by reason of a physical disability or an inability
484 to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of
485 this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are
486 unable to sign shall be followed when assisting a voter in completing this statement. A voter who does
487 not show one of the forms of identification specified in this subsection and does not sign this statement
488 shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board of Elections

shall provide an ID-ONLY provisional ballot envelope that requires no follow-up action by the registrar or electoral board other than matching submitted identification documents from the voter for the electoral board to make a determination on whether to count the ballot.

If the voter presents one of the forms of identification listed above, if his name is found on the pollbook in a form identical to or substantially similar to the name on the presented form of identification and the name provided by the voter, if he is qualified to vote in the election, and if no objection is made, an officer shall enter, opposite the voter's name on the pollbook, the first or next consecutive number from the voter count form provided by the State Board, or shall enter that the voter has voted if the pollbook is in electronic form; an officer shall provide the voter with the official ballot; and another officer shall admit him to the voting booth. If a line of voters who have been marked on the pollbooks as present to vote forms to await entry to the voting booths, the line shall not be permitted to extend outside of the room containing the voting booths and shall remain under observation by the officers of election.

A voter may be accompanied into the voting booth by his child age 15 or younger.

C. If the current residence address provided by the voter is different from the address shown on the pollbook, the officer of election shall furnish the voter with a change of address form prescribed by the State Board. Upon its completion, the voter shall sign the prescribed form, subject to felony penalties for making false statements pursuant to § 24.2-1016, which the officer of election shall then place in an envelope provided for such forms for transmission to the general registrar who shall then transfer or cancel the registration of such voter pursuant to Chapter 4 (§ 24.2-400 et seq.).

D. At the time the voter is asked his full name and current residence address, the officer of election shall ask any voter for whom the pollbook indicates that an identification number other than a social security number is recorded on the Virginia voter registration system if he presently has a social security number. If the voter is able to provide his social security number, he shall be furnished with a voter registration form prescribed by the State Board to update his registration information. Upon its completion, the form shall be placed by the officer of election in an envelope provided for such forms for transmission to the general registrar. Any social security numbers so provided shall be entered by the general registrar in the voter's record on the voter registration system.

E. This subsection shall apply in the case of any individual who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in a federal election in the state. At such election, such individual shall present (i) a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. Such individual who desires to vote in person but does not show one of the forms of identification specified in this subsection shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B of this section and subsection A of § 24.2-653 shall not apply to such voter at such election. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

§ 24.2-653. Provisional voting; procedures in polling place.

A. Any person voting provisionally pursuant to subsection B of § 24.2-643, § 24.2-651.1, subsection B of § 24.2-652, or § 24.2-653.1 or 24.2-653.2 shall be given a printed ballot and provide, subject to the penalties for making false statements pursuant to § 24.2-1016, on a green envelope supplied by the Department of Elections, the identifying information required on the envelope, including the last four digits of his social security number, if any, full name including the maiden or any other prior legal name, date of birth, complete address, and signature. Such person shall be asked to present one of the forms of identification specified in subsection B of § 24.2-643. If he is unable to present one of these forms of identification, he shall sign a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. The officers of election shall note on the green envelope whether or not the voter has presented one of the specified forms of identification or signed the required statement in lieu of presenting one of the specified forms of identification. The officers of election shall enter the appropriate information for the person in the precinct provisional ballots log in accordance with the instructions of the State Board but shall not enter a consecutive number for the voter on the pollbook nor otherwise mark his name as having voted.

The voter shall then, in the presence of an officer of election, but in a secret manner, mark the printed ballot as provided in § 24.2-644 and seal it in the green envelope. The envelope containing the ballot shall then promptly be placed in the ballot container by an officer of election.

B. An officer of election, by a written notice given to the voter, shall inform him that a determination of his right to vote shall be made by the electoral board and advise the voter of the

beginning time and place for the board's meeting and of the voter's right to be present at that meeting. If the voter is voting provisionally as required by § 24.2-643, an officer of election, by written notice given to the voter, shall also inform him that he may submit a copy of one of the forms of identification specified in subsection B of § 24.2-643 ~~or a statement, signed by him subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be~~ to the electoral board by facsimile, electronic mail, in-person submission, or timely United States Postal Service or commercial mail delivery, to be received by the electoral board no later than noon on the third day after the election.

C. The provisional votes submitted pursuant to subsection A, in their unopened envelopes, shall be sealed in a special envelope marked "Provisional Votes," inscribed with the number of envelopes contained therein, and signed by the officers of election who counted them. All provisional votes envelopes shall be delivered either (i) to the clerk of the circuit court who shall deliver all such envelopes to the secretary of the electoral board or (ii) to the general registrar in localities in which the electoral board has directed delivery of election materials to the general registrar pursuant to § 24.2-668.

§ 24.2-653.01. Provisional ballots; electoral boards to make determination as to validity.

A. The electoral board shall meet on the day following the election and determine whether each person having submitted a provisional vote pursuant to § 24.2-653 was entitled to do so as a qualified voter in the precinct in which he offered the provisional vote. In the case of persons voting provisionally pursuant to § 24.2-653.3, the electoral board shall determine of which district the person is a qualified voter. At the meeting, the voter may request an extension of the determination of the provisional vote in order to provide information to prove that the voter is entitled to vote in the precinct pursuant to § 24.2-401. The electoral board shall have the authority to grant such extensions that it deems reasonable to determine the status of a provisional vote.

If the board is unable to determine the validity of all the provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot an extension, the meeting shall stand adjourned, not to exceed seven calendar days from the date of the election, until the board has determined the validity of all provisional ballots offered in the election.

B. The electoral board shall permit one authorized representative of each political party or independent candidate in a general or special election or one authorized representative of each candidate in a primary election to remain in the room in which the determination is being made as an observer so long as he does not participate in the proceedings and does not impede the orderly conduct of the determination. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to the electoral board a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), attendance at meetings of the electoral board to determine the validity of provisional ballots shall be permitted only for the authorized representatives provided for in this subsection, for the persons whose provisional votes are being considered and their representative or legal counsel, and for appropriate staff and legal counsel for the electoral board.

C. If the electoral board determines that such person was not entitled to vote as a qualified voter in the precinct or district in which he offered the provisional vote, is unable to determine his right to vote, or has not been provided one of the forms of identification specified in subsection B of § 24.2-643, ~~or the signed statement that the voter is the named registered voter he claims to be~~, the envelope containing his ballot shall not be opened and his vote shall not be counted. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not counted.

The provisional vote shall be counted if (i) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (ii) the Department of Elections or the voter presents proof that indicates the voter submitted an application for registration to a state-designated voter registration agency or the voter's information was transmitted by the Department of Motor Vehicles to the Department of Elections pursuant to § 24.2-411.3 prior to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was qualified for registration based upon the application for registration submitted by the person pursuant to subsection B of § 24.2-652.

If the electoral board determines that such person was entitled to vote, the name of the voter shall be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and

the ballot shall be placed in a ballot container without any inspection further than that provided for in § 24.2-646.

D. On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have been entitled to vote shall have his name included on the list of persons who voted that is submitted to the Department of Elections pursuant to § 24.2-406.

E. The certification of the results of the count together with all ballots and envelopes, whether open or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

§ 24.2-671.1. Audits of ballot scanner machines.

A. The Department of Elections shall coordinate a post-election risk-limiting audit annually of ballot scanner machines in use in the Commonwealth. The localities selected for the audit shall be chosen at random with every locality participating in the Department's annual audit at least once during a five-year period. The purpose of the audits shall be to study the accuracy of ballot scanner machines.

B. ~~No audit~~ Audits conducted pursuant to this section shall ~~commence until after the~~ *be completed before the* election has been certified ~~and the period to initiate a recount has expired without the initiation of a recount. An audit shall have no effect on the election results.~~

C. All audits conducted pursuant to this section shall be performed by the local electoral boards and general registrars in accordance with the procedures prescribed by the Department. The procedures established by the Department shall include its procedures for conducting hand counts of ballots. Candidates and political parties may have representatives observe the audits.

D. The local electoral boards shall report the results of the audit of the ballot scanner machines in their jurisdiction to the Department. At the conclusion of each audit, the Department shall submit a report to the State Board. The report shall include a comparison of the audited election results and the initial tally for each machine audited and an analysis of any detected discrepancies.

§ 24.2-701. Application for absentee ballot.

A. The Department shall furnish each general registrar with a sufficient number of applications for official absentee ballots. The registrars shall furnish applications to persons requesting them.

The Department shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703 or 24.2-703.1, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

An application that is completed in person at the same time that the applicant registers to vote shall be held and processed no sooner than the fifth day after the date that the applicant registered to vote; however, this requirement shall not be applicable to any covered voter, as defined in § 24.2-452.

If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

B. Applications for absentee ballots shall be completed in the following manner:

1. An application completed in person shall be completed only in the office of the general registrar and signed by the applicant in the presence of a registrar. The electoral board or general registrar may provide for absentee voting in person in such offices on Sundays. Any applicant who is in line to cast his ballot when the office of the general registrar or voter satellite office closes shall be permitted to cast his absentee ballot that day.

C. The general registrar may provide for the casting of absentee ballots in person pursuant to this section on voting systems. The Department shall prescribe the procedures for use of voting systems. The procedures shall provide for absentee voting in person on voting systems that have been certified and are currently approved by the State Board. The procedures shall be applicable and uniformly applied by the Department to all localities using comparable voting systems.

D. At least two officers of election shall be present during all hours that absentee voting in person is available and shall represent the two major political parties, except in the case of a party primary, when they may represent the party conducting the primary. However, such requirement shall not apply when (i) voting systems that are being used pursuant to subsection C are located in the office of the general registrar or voter satellite office and (ii) the general registrar or an assistant registrar is present.

E. The Department shall include absentee ballots voted in person in its instructions for the preparation, maintenance, and reporting of ballots, pollbooks, records, and returns.

F. This subsection shall apply in the case of any individual who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in a federal election in the state. At such election, such individual shall present (i) a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. Such individual who desires to vote in person but who does not show one of the forms of identification specified in this subsection shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B of § 24.2-643 and subsection A of § 24.2-653 shall not apply to such voter at such election. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

§ 24.2-707.1. Drop-off locations for return of absentee ballots.

A. The general registrar of each county or city shall establish at the office of the general registrar and each voter satellite office in operation for an election a drop-off location for the purpose of allowing the deposit of completed absentee ballots for such election. On the day of the election, there shall also be a drop-off location at each polling place in operation for the election. The general registrar may establish additional drop-off locations within the county or city as he deems necessary. All drop-off locations shall be accessible; be on public property, unless located at a polling place; and otherwise comply with any criteria for drop-off locations set by the Department.

B. The Department shall set standards for the establishment and operation of drop-off locations, including necessary security requirements. The Department shall submit such standards annually by October 1 to the Chairmen of the House and Senate Committees on Privileges and Elections, the Senate Committee on Finance and Appropriations, and the House Committee on Appropriations.

C. Not later than 55 days prior to any election, the general registrar shall post notice of the sites of the drop-off locations in the locality in the office of the general registrar and on the official website of the county or city. Such notice shall remain in the office of the general registrar and on the official website of the county or city for the duration of the period during which absentee ballots may be returned.

D. Absentee ballots shall be collected from drop-off locations in accordance with the instructions provided by the Department. Such instructions shall include chain of custody requirements and recordkeeping requirements. Absentee ballots shall be collected at least daily by (i) two officers of election or electoral board members representing the two major political parties where practicable or (ii) two employees from the office of the general registrar, unless the drop-off location is in the office of the general registrar, in which case the general registrar or an assistant general registrar may collect the absentee ballots.

§ 24.2-707.2. Collection of absentee ballots from drop-off locations.

A. Absentee ballots shall be collected at least daily from all absentee ballot drop-off locations while such locations are in use.

B. Absentee ballots shall be collected by (i) two officers of election or electoral board members representing the two major political parties where practicable or (ii) two employees from the office of

796 *the general registrar, unless the drop-off location is in the office of the general registrar, in which case*
797 *the general registrar or an assistant general registrar may collect the absentee ballots.*

798 *C. Upon removing absentee ballots from the drop-off location, the person removing such ballots*
799 *shall sign a form provided by the State Board that shall include the date, time, location, number of*
800 *absentee ballots collected, confirmation that an unsupervised drop-off location was locked after the*
801 *removal of the absentee ballots, and the identity of each person collecting the absentee ballots. The*
802 *collected absentee ballots shall be placed in a secure container and then immediately transported to the*
803 *general registrar's office.*

804 *D. The Department shall provide additional detailed instructions for the collection of absentee*
805 *ballots from drop-off locations that may include additional chain of custody and recordkeeping*
806 *requirements to those provided in this section.*

807 **§ 24.2-709. Ballot to be returned in manner prescribed by law.**

808 A. Any ballot returned to the office of the general registrar or to a drop-off location in any manner
809 except as prescribed by law shall be void. Absentee ballots shall be returned to the general registrar or
810 to a drop-off location before the closing of the polls. Any voter who is in line to return an absentee
811 ballot at a drop-off location by 7:00 p.m. on the day of the election shall be permitted to deposit his
812 absentee ballot. The registrar receiving the ballot shall (i) seal the ballot in an envelope with the
813 statement or declaration of the voter, or both, attached to the outside and (ii) mark on each envelope the
814 date, time, and manner of delivery. No returned absentee ballot shall be deemed void because (a) the
815 inner envelope containing the voted ballot is imperfectly sealed so long as the outside envelope
816 containing the ballot envelope is sealed or (b) it is not returned sealed in the outside envelope so long as
817 it is returned sealed in the inner envelope.

818 B. Notwithstanding the provisions of subsection A, any absentee ballot (i) returned to the general
819 registrar after the closing of the polls on election day but before noon on the third day after the election
820 and (ii) *legibly* postmarked on or before the date of the election shall be counted pursuant to the
821 procedures set forth in this chapter if the voter is found entitled to vote. ~~For purposes of this subsection,~~
822 ~~a postmark shall include any other official indicia of confirmation of mailing by the United States Postal~~
823 ~~Service or other postal or delivery service.~~

824 C. Notwithstanding the provisions of subsection A, any absentee ballot (i) received after the close of
825 the polls on any election day, (ii) received before 5:00 p.m. on the second business day before the State
826 Board meets to ascertain the results of the election pursuant to this title, (iii) requested on or before but
827 not sent by the deadline for making absentee ballots available under § 24.2-612, and (iv) cast by a
828 covered voter, as defined in § 24.2-452, shall be counted pursuant to the procedures set forth in this
829 chapter if the voter is found entitled to vote. The electoral board shall prepare an amended certified
830 abstract, which shall include the results of such ballots, and shall deliver such abstract to the State Board
831 by the business day prior to its meeting pursuant to this title, and shall deliver a copy of such abstract
832 to the general registrar to be available for inspection when his office is open for business.

833 D. Notwithstanding the provisions of clause (i) of subsection B of § 24.2-427, an absentee ballot
834 returned by a voter in compliance with § 24.2-707 and this section who dies prior to the counting of
835 absentee ballots on election day shall be counted pursuant to the procedures set forth in this chapter if
836 the voter is found to have been entitled to vote at the time that he returned the ballot.

837 **§ 24.2-709.1. Processing returned absentee ballots before election day; cure process.**

838 A. On receipt of an absentee ballot returned in person or by mail to the office of the general registrar
839 or to a drop-off location before election day, the general registrar shall mark the date *and method* of
840 receipt in the voter's record and shall examine the ballot envelope to verify completion of the required
841 voter affirmation. A voter affirmation statement shall not be deemed to be incomplete on the sole basis
842 of the voter's failure to provide (i) his full name or his middle initial, as long as the voter provided his
843 full first and last name, or (ii) the date, or any part of the date, including the year, on which he signed
844 the statement.

845 B. If the voter affirmation has been completed as required, the general registrar may open the sealed
846 ballot envelope and insert the ballot in optical scan counting equipment or other secure ballot container
847 without initiating any ballot count totals. If a general registrar does not choose to do so, the sealed
848 ballot envelope shall be deposited into a secure container provided for such purpose, in which it shall
849 remain until the general registrar initiates the process of opening the sealed ballot envelopes deposited
850 into the secure container and inserting such ballots into optical scan counting equipment without
851 initiating any ballot count totals. Such process shall be at the general registrar's discretion at any time
852 prior to the seventh day immediately preceding the election but shall be mandatory beginning on the
853 seventh day immediately preceding the election.

854 At least two officers of election, one representing each political party, shall be present during all
855 hours when sealed ballot envelopes are opened as authorized in or required by this subsection. No
856 person present while sealed ballot envelopes are opened and ballots are inserted into counting equipment
857 shall disclose any information concerning the ballots.

In the event that circumstances prevent a general registrar from complying with the provisions of this subsection, such failure shall not be grounds for contesting the election pursuant to Article 2 (§ 24.2-803 et seq.) of Chapter 8 and shall not invalidate the absentee ballots.

C. For any absentee ballot received by the Friday immediately preceding the day of the election, if the general registrar finds during the examination of the ballot envelope that the required voter affirmation was not correctly or completely filled out or that a procedure required by § 24.2-707 was not properly followed, and such error or failure would render the ballot void by law, the general registrar shall enter into the voter's record in the voter registration system that the absentee ballot has an issue requiring correction in order for it to be counted. This information shall be included on any absentee voter applicant list provided pursuant to subsection C of § 24.2-710.

Within three days of such finding, the registrar shall notify the voter in writing or by email of the error or failure and shall provide information to the voter on how to correct the issue so his ballot may be counted. The voter shall be entitled to make such necessary corrections before noon on the third day after the election, and his ballot shall then be counted pursuant to the procedures set forth in this chapter if he is found to be entitled to vote. No absentee ballot needing correction shall be delivered to the officers of election at the appropriate precinct until the voter is provided the opportunity to make the necessary corrections pursuant to this subsection.

The general registrar may issue a new absentee ballot to the voter if necessary and shall preserve the first ballot with other spoiled ballots.

2. That, no later than October 1, 2022, the Department of Elections shall provide the means for each registered voter to indicate whether he opts to be required to present a valid photo identification issued by the Commonwealth, one of its political subdivisions, or the United States when voting in person.

3. That the Department of Elections, in consultation with the Virginia Information Technologies Agency, shall convene a work group to evaluate, report, and make recommendations on the performance of the Virginia voter registration system to the House and Senate Committees on Privileges and Elections by December 1 of each year.

4. That the Department of Elections, in consultation with the Voter Registrars Association of Virginia, shall convene a work group to develop and implement a plan to provide oversight to local election administration to assess risks to Virginia's administration of elections and to make recommendations to the House and Senate Committees on Privileges and Elections by December 1, 2022.

5. That the provisions of this act amending §§ 2.2-106 and 24.2-102 of the Code of Virginia shall become effective on January 1, 2023.

6. That the initial appointments of members of the State Board of Elections shall be staggered as follows: one member, representing the political party of the Governor, shall be appointed for a term of one year; one member, representing the political party that had the next highest number of votes in the Commonwealth for Governor at the last preceding gubernatorial election, shall be appointed for a term of two years; one member, representing the political party of the Governor, shall be appointed for a term of three years; one member, representing the political party that had the next highest number of votes in the Commonwealth for Governor at the last preceding gubernatorial election, shall be appointed for a term of four years; one member, representing the political party of the Governor, shall be appointed for a term of five years; and one member, representing the political party that had the next highest number of votes in the Commonwealth for Governor at the last preceding gubernatorial election, shall be appointed for a term of six years. After the initial appointments of members of the State Board of Elections pursuant to this enactment, appointments shall be for terms of six years beginning on February 1 of the year of the appointment.
