An inventory shall be produced before a court having jurisdiction of the offense or over the person to be arrested for whom a warrant or process for arrest has been issued in relation to which the warrant was issued as provided in § 19.2-57.

Any such warrant as provided in this section shall be executed by the policeman or other law-enforcement officer or agent into whose hands it shall come or be delivered. If the warrant is

directed jointly to a sheriff, sergeant, policeman, or law-enforcement officer or agent of the Commonwealth and a federal agent or officer as otherwise provided in this section, the warrant may be executed jointly or by the policeman, law-enforcement officer, or agent into whose hands it is delivered. No other person may be permitted to be present during or participate in the execution of a warrant to search a place except (1) the owners and occupants of the place to be searched when permitted to be present by the officer in charge of the conduct of the search and (2) persons designated by the officer in charge of the conduct of the search to assist or provide expertise in the conduct of the search.

Any search warrant for records or other information pertaining to a subscriber to, or customer of, an electronic communication service or remote computing service, whether a domestic corporation or foreign corporation, that is transacting or has transacted any business in the Commonwealth, to be executed upon such service provider may be executed within or outside the Commonwealth by hand, United States mail, commercial delivery service, facsimile, or other electronic means upon the service provider. Notwithstanding the provisions of § 19.2-57, the officer executing a warrant pursuant to this paragraph shall endorse the date of execution thereon and shall file the warrant, with the inventory attached (or a notation that no property was seized) and the accompanying affidavit, unless such affidavit was made by voice or videotape recording, within three days after the materials ordered to be produced are received by the officer from the service provider. Saturdays, Sundays, or any federal or state legal holiday shall not be used in computing the three-day filing period.

Electronic communication service or remote computing service providers, whether a foreign or domestic corporation, shall also provide the contents of electronic communications pursuant to a search warrant issued under this section and § 19.2-70.3 using the same process described in the preceding paragraph.

The officer executing such warrant shall endorse the date of execution thereon and shall file the warrant, with the inventory attached (or a notation that no property was seized) and the accompanying affidavit, unless such affidavit was made by voice or videotape recording, within three days after the materials ordered to be produced are received by the officer from the financial institution, money transmitter, commercial business providing credit history or credit reports, or issuer. The return shall be made in the circuit court clerk's office for the jurisdiction wherein the warrant was executed. Saturdays, Sundays, or any federal or state legal holiday shall not be used in computing the three-day filing period. For the purposes of this section, the warrant will be considered executed in the jurisdiction where the entity on which the warrant is served is located.

Every search warrant shall contain the date and time it was issued. However, the failure of any such search warrant to contain the date and time it was issued shall not render the warrant void, provided that the date and time of issuing of said warrant is established by competent evidence.

The judge, magistrate, or other official authorized to issue criminal warrants shall attach a copy of the affidavit required by § 19.2-54, which shall become a part of the search warrant and served therewith. However, this provision shall not be applicable in any case in which the affidavit is made by means of a voice or videotape recording or where the affidavit has been sealed pursuant to § 19.2-54.

Any search warrant not executed within 15 days after issuance thereof shall be returned to, and voided by, the officer who issued such search warrant.

B. No law-enforcement officer shall seek, execute, or participate in the execution of a no-knock search warrant. A search warrant for any place of abode authorized under this section shall require that a law-enforcement officer be recognizable and identifiable as a uniformed law-enforcement officer and provide audible notice of his authority and purpose reasonably designed to be heard by the occupants of such place to be searched prior to the execution of such search warrant.

After entering and securing the place to be searched and prior to undertaking any search or seizure pursuant to the search warrant, the executing law-enforcement officer shall give a copy of the search warrant and affidavit to the person to be searched or the owner of the place to be searched or, if the owner is not present, to at least one adult occupant of the place to be searched. If the place to be searched is unoccupied by an adult, the executing law-enforcement officer shall leave a copy of the search warrant and affidavit in a conspicuous place within or affixed to the place to be searched.

Search warrants authorized under this section for the search of any place of abode shall be executed by initial entry of the abode only in the daytime hours between 8:00 a.m. and 5:00 p.m. unless (i) a judge or a magistrate, if a judge is not available, authorizes the execution of such search warrant at

another time for good cause shown by particularized facts in an affidavit or (ii) prior to the issuance of the search warrant, law-enforcement officers lawfully entered and secured the place to be searched and remained at such place continuously.

A law-enforcement officer shall make reasonable efforts to locate a judge before seeking authorization to execute the warrant at another time, unless circumstances require the issuance of the warrant after 5:00 p.m., pursuant to the provisions of this subsection, in which case the law-enforcement officer may seek such authorization from a magistrate without first making reasonable efforts to locate a judge. Such reasonable efforts shall be documented in an affidavit and submitted to a magistrate when seeking such authorization.

Any evidence obtained from a search warrant executed in violation of this subsection shall not be admitted into evidence for the Commonwealth in any prosecution.

C. For the purposes of this section:

"Foreign corporation" means any corporation or other entity, whose primary place of business is located outside of the boundaries of the Commonwealth, that makes a contract or engages in a terms of service agreement with a resident of the Commonwealth to be performed in whole or in part by either party in the Commonwealth, or a corporation that has been issued a certificate of authority pursuant to § 13.1-759 to transact business in the Commonwealth. The making of the contract or terms of service agreement or the issuance of a certificate of authority shall be considered to be the agreement of the foreign corporation or entity that a search warrant or subpoena, which has been properly served on it, has the same legal force and effect as if served personally within the Commonwealth.

"Properly served" means delivery of a search warrant or subpoena by hand, by United States mail, by commercial delivery service, by facsimile or by any other manner to any officer of a corporation or its general manager in the Commonwealth, to any natural person designated by it as agent for the service of process, or if such corporation has designated a corporate agent, to any person named in the latest annual report filed pursuant to § 13.1-775.
