1. One thousand dollars per new, permanent full-time position if the qualified company creates at least 25 new, permanent full-time positions for qualified full-time employees during its first year of operation or during the year in which the expansion occurs;

2. Fifteen hundred dollars per new, permanent full-time position if the qualified company creates at least 50 new, permanent full-time positions for qualified full-time employees during its first year of operation or during the year in which the expansion occurs;

3. Two thousand dollars per new, permanent full-time position if the qualified company creates at least 75 new, permanent full-time positions for qualified full-time employees during its first year of operation or during the year in which the expansion occurs; and

4. Three thousand dollars per new, permanent full-time position if the qualified company creates at least 100 new, permanent full-time positions for qualified full-time employees during its first year of operation or during the year in which the expansion occurs.

D. The maximum amount of grant allowable per qualified company in any given fiscal year is \$500,000. The maximum amount of grants allowable among all qualified companies in any given fiscal year is \$5 million.

E. To qualify for a grant pursuant to this section, a qualified company must apply for the grant not later than March 31 in the year immediately following the location or expansion of a facility within the Commonwealth pursuant to an application process developed by the Virginia Port Authority. Within 90 days after the filing deadline, the Executive Director shall certify to the Comptroller and the qualified company the amount of grant to which the qualified company is entitled under this section. Payment of each grant shall be made by check issued by the State Treasurer on warrant of the Comptroller within 60 days of such certification and in the order that each completed eligible application is received. In the event that the amount of eligible grants requested in a fiscal year exceeds the funds available in the Fund or \$5 million, such grants shall be paid in the next fiscal year in which funds are available.

F. A qualified company that has received a grant in accordance with the requirements provided in this section shall be eligible for a second grant from the Fund if it (i) locates or expands an additional facility in a separate location, as determined by the Virginia Port Authority, within the Commonwealth; (ii) creates at least 300 new, permanent full-time positions at the additional facility over and above those agreed upon in the qualified company's original memorandum of understanding with the Virginia Port Authority; and (iii) increases cargo volumes through the Port of Virginia by at least five percent, not including any volume increase resulting from the original grant, from the additional facility. G. Prior to receipt of a grant, the qualified company shall enter into a memorandum of understanding with the Virginia Port Authority establishing the requirements for maintaining the number of new, permanent full-time positions for qualified employees at the qualified company's location within the Commonwealth. If the number of new, permanent full-time positions for any of the three years immediately following receipt of a grant falls below the number of new, permanent full-time positions created during the year for which the grant is claimed, the amount of the grant must be recalculated using the decreased number of new, permanent full-time positions and the qualified company shall repay the difference.

H. No qualified company shall apply for a grant nor shall one be awarded under this section to an otherwise qualified company if (i) a credit pursuant to § 58.1-439 or 58.1-439.12:06 is claimed for the same employees or for capital expenditures at the same facility by the qualified company, by a related party as listed in § 267(b) of the Internal Revenue Code, or by a trade or business under common control as defined in regulations issued pursuant to § 52(b) of the Internal Revenue Code or (ii) the qualified company was a party to a reorganization as defined in § 368(b) of the Internal Revenue Code, and any corporation involved in the reorganization as defined in § 368(a) of the Internal Revenue Code previously received a grant under this section for the same facility or operations.

I. The Virginia Port Authority, with the assistance of the Virginia Economic Development Partnership, shall develop guidelines establishing procedures and requirements for qualifying for the grant, including the affirmative determination that each applicant is a qualified company, as defined above, engaged in a port-related business. The guidelines shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq.). For the purposes of administering this grant program, the Virginia Port Authority and the Department of Taxation shall exchange information regarding whether a qualified company, a related party as listed in § 267(b) of the Internal Revenue Code, or a trade or business under common control as defined in regulations issued pursuant to § 52(b) of the Internal Revenue Code has

claimed a credit pursuant to § 58.1-439 or 58.1-439.12:06 for the same employees or for capital expenditures at the same facility.

In the event that the amount of grants claimed for either of the programs described in subdivision 1 or 2 in any fiscal year is less than the maximum allowable amount, the excess amount may (i) be used to provide grants by the other program if that program is oversubscribed or (ii) be carried over to the next fiscal year.
