**§ 58.1-322.03. (Contingent expiration date) Virginia taxable income; deductions.**

In computing Virginia taxable income pursuant to § 58.1-322, there shall be deducted from Virginia adjusted gross income as defined in § 58.1-321:

1. a. The amount allowable for itemized deductions for federal income tax purposes where the taxpayer has elected for the taxable year to itemize deductions on his federal return, but reduced by the amount of income taxes imposed by the Commonwealth or any other taxing jurisdiction and deducted on such federal return and increased by an amount that, when added to the amount deducted under § 170 of the Internal Revenue Code for mileage, results in a mileage deduction at the state level for such purposes at a rate of 18 cents per mile; or

b. Provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2026, \$3,000 for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) and (ii) for taxable years beginning on and after January 1, 2019, but before January 1, 2026, \$4,500 for single individuals and \$9,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return). For purposes of this section, any person who may be claimed as a dependent on another taxpayer's return for the taxable year may compute the deduction only with respect to earned income.

2. a. A deduction in the amount of \$930 for each personal exemption allowable to the taxpayer for federal income tax purposes.

b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the amount of \$800.

The additional deduction for blind or aged taxpayers allowed under this subdivision shall be allowable regardless of whether the taxpayer itemizes deductions for the taxable year for federal income tax purposes.

3. A deduction equal to the amount of employment-related expenses upon which the federal credit is based under § 21 of the Internal Revenue Code for expenses for household and dependent care services necessary for gainful employment.

4. An additional \$1,000 deduction for each child residing for the entire taxable year in a home under permanent foster care placement as defined in § 63.2-908, provided that the taxpayer can also claim the child as a personal exemption under § 151 of the Internal Revenue Code.

5. a. A deduction in the amount of \$12,000 for individuals born on or before January 1, 1939.

b. A deduction in the amount of \$12,000 for individuals born after January 1, 1939, who have attained the age of 65. For married taxpayers filing separately, the deduction shall be reduced by \$1 for every \$1 that the total combined adjusted federal adjusted gross income of both spouses exceeds \$75,000.

62 purchaser's or contributor's federal income tax return. If the purchase price or annual contribution to a  
63 college savings trust account exceeds \$4,000, the remainder may be carried forward and subtracted in  
64 future taxable years until the purchase price or college savings trust contribution has been fully  
65 deducted; however, except as provided in subdivision b, in no event shall the amount deducted in any  
66 taxable year exceed \$4,000 per contract or college savings trust account. Notwithstanding the statute of  
67 limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to  
68 recapture in the taxable year or years in which distributions or refunds are made for any reason other  
69 than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or

80 account, less any amounts previously deducted.

81 8. The total amount an individual actually contributed in funds to the Virginia Public School  
82 Construction Grants Program and Fund, established in Chapter 11.1 (§ 22.1-175.1 et seq.) of Title 22.1,  
83 provided that the individual has not claimed a deduction for such amount on his federal income tax  
84 return.

90 costs on his federal income tax return.

91 10. The amount an individual pays annually in premiums for long-term health care insurance,

94 and after January 1, 2014, no such deduction for long-term health care insurance premiums paid by the  
95 individual during the taxable year shall be allowed if the individual has claimed a federal income tax  
96 deduction for such taxable year for long-term health care insurance premiums paid by him.

97 11. Contract payments to a producer of quota tobacco or a tobacco quota holder, or their spouses, as  
98 provided under the American Jobs Creation Act of 2004 (P.L. 108-357), but only to the extent that such

b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the amount of \$800.

678 intangible property to parties who are not related members, and the transaction giving rise to the  
679 expenses and costs between the corporation and the related member was made at rates and terms  
680 comparable to the rates and terms of agreements that the related member has entered into with parties

683 expenses and costs meet both of the following: (i) the related member during the same taxable year  
684 directly or indirectly paid, accrued or incurred such portion to a person who is not a related member,  
685 and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the  
686 related member did not have as a principal purpose the avoidance of any portion of the tax due under  
687 this chapter.

688 b. A corporation required to add to its federal taxable income intangible expenses and costs pursuant  
689 to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the  
690 taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this  
691 article for such taxable year including tax upon any amount of intangible expenses and costs required to  
692 be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the  
693 transaction or transactions between the corporation and a related member or members that resulted in the  
694 corporation's taxable income being increased, as required under subdivision a, for such intangible  
695 expenses and costs.

696 If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and  
697 convincing evidence, that the transaction or transactions between the corporation and a related member  
698 or members resulting in such increase in taxable income pursuant to subdivision a had a valid business  
699 purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner  
700 shall permit the corporation to file an amended return. For purposes of such amended return, the  
701 requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is  
702 satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance  
703 or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation  
704 within one year of the written permission granted by the Tax Commissioner and any refund of the tax  
705 imposed under this article shall include interest at a rate equal to the rate of interest established under

707 such amended return, any related member of the corporation that subtracted from taxable income  
708 amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on  
709 that portion of such amounts for which the corporation has filed an amended return pursuant to this  
710 subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he  
711 has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation  
712 in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and  
713 costs without making the adjustment under subdivision a.

714 The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of  
715 any petition pursuant to this subdivision, to include costs necessary to secure outside experts in  
716 evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this  
717 subdivision upon payment of such fee.

718 No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision  
719 shall be maintained in any court of this Commonwealth.

725 expenses and costs were deductible or deducted in computing federal taxable income for Virginia  
726 purposes. This addition shall not be required for any portion of the interest expenses and costs, if:

727 (1) The related member has substantial business operations relating to interest-generating activities, in  
728 which the related member pays expenses for at least five full-time employees who maintain, manage,

730 activities; and

732 the direct or indirect acquisition, maintenance, management, sale, exchange, or disposition of intangible

property; and

(iii) The related member engages in transactions with parties other than related members that generate revenue in excess of \$2 million annually; or

(iv) The transaction giving rise to the interest payments between the corporation and a related member was done at arm's length rates and terms and meets any of the following: (a) the related member uses funds that are borrowed from a party other than a related member or that are paid, incurred or passed-through to a person who is not a related member; (b) the debt is part of a regular and systematic funds management or portfolio investment activity conducted by the related member, whereby the funds of two or more related members are aggregated for the purpose of achieving economies of scale, the internal financing of the active business operations of members, or the benefit of centralized management of funds; (c) financing the expansion of the business operations; or (d) restructuring the debt of related members, or the pass-through of acquisition-related indebtedness to related members.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.
