**§ 46.2-334.01. Licenses issued to persons less than 18 years old subject to certain restrictions.**

A. Any learner's permit or driver's license issued to any person less than 18 years old shall be subject to the following:

1. Notwithstanding the provisions of § 46.2-498, whenever the driving record of a person less than 19 years old shows that he has been convicted of committing, when he was less than 18 years old, (i) an offense for which demerit points have been assessed or are assessable under Article 19 (§ 46.2-489 et seq.) or (ii) a violation of any provision of Article 12 (§ 46.2-1091 et seq.) or Article 13 (§ 46.2-1095 et seq.) of Chapter 10, the Commissioner shall direct such person to attend a driver improvement clinic. No safe driving points shall be awarded for such clinic attendance, nor shall any safe driving points be awarded for voluntary or court-assigned clinic attendance. Such person's parent, guardian, legal custodian, or other person standing in loco parentis may attend such clinic and receive a reduction in demerit points and/or an award of safe driving points pursuant to § 46.2-498. The provisions of this subdivision shall not be construed to prohibit awarding of safe driving points to a person less than 18 years old who attends and successfully completes a driver improvement clinic without having been directed to do so by the Commissioner or required to do so by a court.

2. If any person less than 19 years old is convicted a second time of committing, when he was less than 18 years old, (i) an offense for which demerit points have been assessed or are assessable under Article 19 (§ 46.2-489 et seq.) or (ii) a violation of any provision of Article 12 (§ 46.2-1091 et seq.) or Article 13 (§ 46.2-1095 et seq.) of Chapter 10, the Commissioner shall suspend such person's driver's license or privilege to operate a motor vehicle for 90 days. Such suspension shall be consecutive to, and not concurrent with, any other period of license suspension, revocation, or denial. Any person who has had his driver's license or privilege to operate a motor vehicle suspended in accordance with this subdivision may petition the juvenile and domestic relations district court of his residence for a restricted license to authorize such person to drive a motor vehicle in the Commonwealth to and from his home, his place of employment, or an institution of higher education where he is enrolled, provided there is no other means of transportation by which such person may travel between his home and his place of employment or the institution of higher education where he is enrolled. On such petition the court may, in its discretion, authorize the issuance of a restricted license for a period not to exceed the term of the suspension of the person's license or privilege to operate a motor vehicle in the Commonwealth. Such restricted license shall be valid solely for operation of a motor vehicle between such person's home and his place of employment or the institution of higher education where he is enrolled.

3. If any person is convicted a third time of committing, when he was less than 18 years old, (i) an offense for which demerit points have been assessed or are assessable under Article 19 (§ 46.2-489 et seq.) or (ii) a violation of any provision of Article 12 (§ 46.2-1091 et seq.) or Article 13 (§ 46.2-1095 et seq.) of Chapter 10, the Commissioner shall revoke such person's driver's license or privilege to operate a motor vehicle for one year or until such person reaches the age of 18 years, whichever is longer. Such revocation shall be consecutive to, and not concurrent with, any other period of license suspension, revocation, or denial.

4. In no event shall any person subject to the provisions of this section be subject to the suspension or revocation provisions of subdivision 2 or 3 for multiple convictions arising out of the same transaction or occurrence.

B. The initial license issued to any person younger than 18 years of age shall be deemed a provisional driver's license. Until the holder is 18 years old, a provisional driver's license shall not

60 old. After the first year the provisional license is issued, the holder may operate a motor vehicle with up  
61 to three passengers who are less than 21 years old (i) when the holder is driving to or from a  
62 school-sponsored activity, (ii) when a licensed driver who is at least 21 years old is occupying the seat  
63 beside the driver, or (iii) in cases of emergency. These passenger limitations, however, shall not apply to  
64 members of the driver's family or household. For the purposes of this subsection, "a member of the  
65 driver's family or household" means any of the following: (a) the driver's spouse, children, stepchildren,  
66 brothers, sisters, half-brothers, half-sisters, first cousins, and any individual who has a child in common  
67 with the driver, whether or not they reside in the same home with the driver; (b) the driver's  
68 brothers-in-law and sisters-in-law who reside in the same home with the driver; and (c) any individual

74 sponsored by a school or by a civic, religious, or public organization; (iii) accompanied by a parent, a  
75 person acting in loco parentis, or by a spouse who is 18 years old or older, provided that such person  
76 accompanying the driver is actually occupying a seat beside the driver and is lawfully permitted to  
77 operate a motor vehicle at the time; or (iv) in cases of emergency, including response by volunteer  
78 firefighters and volunteer emergency medical services personnel to emergency calls.

79 D. The provisional driver's license restrictions in subsections B and C shall expire on the holder's  
80 eighteenth birthday. A violation of the provisional driver's license restrictions in subsection B or C shall  
81 constitute a traffic infraction. For a second or subsequent violation of the provisional driver's license  
82 restrictions in subsection B or C, in addition to any other penalties that may be imposed pursuant to  
83 § 16.1-278.10, the court may suspend the juvenile's privilege to drive for a period not to exceed six  
84 months.

85 E. A violation of subsection B or C shall not constitute negligence, be considered in mitigation of  
86 damages of whatever nature, be admissible in evidence, or be the subject of comment by counsel in any  
87 action for the recovery of damages arising out of the operation, ownership, or maintenance of a motor  
88 vehicle, nor shall anything in this subsection change any existing law, rule, or procedure pertaining to  
89 any such civil action.

99 twelfth month next succeeding the date of registration. Every registration, unless otherwise provided,  
100 shall be renewed annually on application by the owner and by payment of the fees required by law, the  
101 renewal to take effect on the first day of the month succeeding the date of expiration. Notwithstanding  
102 these limitations, the Commissioner may extend the validity period of an expiring registration if (i) the  
103 Department is unable to process an application for renewal due to circumstances beyond its control, and  
104 (ii) the extension has been authorized under a directive from the Governor. However, in no event shall  
105 the validity period be extended more than 90 days per occurrence of such conditions.

106 B. All motor vehicles, trailers, and semitrailers registered in the Commonwealth shall, at the  
107 discretion of the Commissioner, be placed in a system of registration on a monthly basis to distribute

114 motor vehicles, trailers, or semitrailers the same registration period. The expiration date shall be the last  
115 day of the twelfth month or the last day of the designated month. Except for motor vehicles, trailers,  
116 and semitrailers registered for more than one year under subsection C of this section, every registration  
117 shall be renewed annually on application by the owner and by payment of fees required by law, the  
118 renewal to take effect on the first day of the succeeding month.

119 C. The Commissioner may offer, at his discretion, an optional multi-year registration for all motor  
120 vehicles, trailers, and semitrailers except for (i) those registered under the International Registration Plan

and (ii) those registered as uninsured motor vehicles. When this option is offered and chosen by the registrant, all annual and 12-month fees due at the time of registration shall be multiplied by the number of years or fraction thereof that the vehicle will be registered.

D. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons where proof of compliance with this section is provided to the court on or before the court date.

E. ~~No law-enforcement officer shall stop a motor vehicle due to an expired registration sticker prior to the first day of the fourth month after the original expiration date. No demerit points shall be assigned under Article 19 (§ 46.2-489 et seq.) of Chapter 3 and no court costs shall be assessed for a violation of this section. A violation of this section may be charged on the uniform traffic summons form.

~~C. No law-enforcement officer shall stop a motor vehicle for a violation of this section. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other proceeding. citation for a violation of this section shall be issued unless the officer issuing such citation has cause to stop or arrest the driver of such motor vehicle for the violation of some other provision of this Code or local ordinance relating to the operation, ownership, or maintenance of a motor vehicle or any criminal statute.~~

A. When crossing highways, pedestrians shall not carelessly or maliciously interfere with the orderly passage of vehicles. They shall cross, wherever possible, only at intersections or marked crosswalks. Where intersections contain no marked crosswalks, pedestrians shall not be guilty of negligence as a matter of law for crossing at any such intersection or between intersections when crossing by the most direct route.

B. The governing body of any town or city or the governing body of a county authorized by law to regulate traffic may by ordinance permit pedestrians to cross an intersection diagonally when all traffic entering the intersection has been halted by lights, other traffic control devices, or by a law-enforcement officer.

~~C. No law-enforcement officer shall stop a pedestrian for a violation of this section. **§ 46.2-926. Pedestrians stepping into highway where they cannot be seen.**

~~A. No pedestrian shall step into a highway open to moving vehicular traffic at any point between intersections where his presence would be obscured from the vision of drivers of approaching vehicles by a vehicle or other obstruction at the curb or side. ~~B. No law-enforcement officer shall stop a pedestrian for a violation of this section. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the person's consent, shall be admissible in any trial, hearing, or other proceeding.~~

184 A. Every motor vehicle and every trailer or semitrailer being drawn at the end of one or more other  
185 vehicles shall carry at the rear two red lights plainly visible in clear weather from a distance of 500 feet  
186 to the rear of such vehicle.

187 B. All *Such* tail lights required pursuant to subsection A shall be constructed and so mounted in their  
188 relation to the rear license plate as to illuminate the license plate with a white light so that the same  
189 may be read from a distance of 50 feet to the rear of such vehicle. Alternatively, a separate white light  
190 shall be so mounted as to illuminate the rear license plate from a distance of 50 feet to the rear of such  
191 vehicle. No law-enforcement officer shall stop a motor vehicle for a violation of this subsection. No  
192 evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence  
193 discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other  
194 proceeding.

195 C. Any *such* tail lights or special white light required pursuant to this section shall be of a type  
196 approved by the Superintendent.

204 shall be equipped with at least two brake lights of a type approved by the Superintendent. Such brake  
205 lights shall automatically exhibit a red or amber light plainly visible in clear weather from a distance of  
206 500 feet to the rear of such vehicle when the brake is applied.

207 The provisions of this section shall not apply to motorcycles or autocycles equipped with brake lights  
208 as required by § 46.2-1012.

209 B. No law-enforcement officer shall stop a motor vehicle, trailer, or semitrailer for a violation of this  
210 section, except that a law-enforcement officer may stop a vehicle if it displays no brake lights that meet  
211 the requirements set forth in subsection A. No evidence discovered or obtained as the result of a stop in  
212 violation of this subsection, including evidence discovered or obtained with the operator's consent, shall  
213 be admissible in any trial, hearing, or other proceeding.

214 **§ 46.2-1014.1. Supplemental high mount stop light.**

215 A. Whenever operated on the highways, every Virginia-registered passenger car manufactured for the  
216 1986 or subsequent model year shall be equipped with a supplemental center high mount stop light of a  
217 type approved by the Superintendent or which meets the standards adopted by the United States  
218 Department of Transportation. The light shall be mounted as near the vertical center line of the vehicle  
219 as possible. The light shall be actuated only in conjunction with the vehicle's brake lights and hazard  
220 lights. Any supplemental high mount stop light installed on any other vehicle shall comply with those  
221 requirements.

225 proceeding.

226 **§ 46.2-1030. When lights to be lighted; number of lights to be lighted at any time; use of**  
227 **warning lights.**

228 A. Every vehicle in operation on a highway in the Commonwealth shall display lighted headlights  
229 and illuminating devices as required by this article (i) from sunset to sunrise; (ii) during any other time  
230 when, because of rain, smoke, fog, snow, sleet, insufficient light, or other unfavorable atmospheric  
231 conditions, visibility is reduced to a degree whereby persons or vehicles on the highway are not clearly  
232 discernible at a distance of 500 feet; and (iii) whenever windshield wipers are in use as a result of fog,  
233 rain, sleet, or snow. The provisions of this subsection, however, shall not apply to instances when  
234 windshield wipers are used intermittently in misting rain, sleet, or snow.

235 B. Not more than four lights used to provide general illumination ahead of the vehicle, including at  
236 least two headlights and any other combination of fog lights or other auxiliary lights approved by the  
237 Superintendent, shall be lighted at any time. However, motorcycles may be equipped with and use not  
238 more than five approved lights in order to provide general illumination ahead of the motorcycle. These  
239 limitations shall not preclude the display of warning lights authorized in §§ 46.2-1020 through  
240 46.2-1027, or other lights as may be authorized by the Superintendent.

241 C. Vehicles equipped with warning lights authorized in §§ 46.2-1020 through 46.2-1027 shall  
242 display lighted warning lights as authorized in such sections at all times when responding to emergency  
243 calls, responding to traffic incidents, towing disabled vehicles, or constructing, repairing, and

maintaining public highways or utilities on or along public highways, except that amber lights on vehicles designed with a ramp on wheels and a hydraulic lift with a capacity to haul or tow another vehicle, commonly referred to as "rollback," need not be lit while the vehicle is in motion unless it is actually towing a vehicle.

D. The failure to display lighted headlights and illuminating devices under the conditions set forth in clause (iii) of subsection A shall not constitute negligence per se, nor shall violation of clause (iii) of subsection A constitute a defense to any claim for personal injury or recovery of medical expenses for injuries sustained in a motor vehicle accident.

E. No demerit points shall be assessed for failure to display lighted headlights and illuminating devices during periods of fog, rain, sleet, or snow in violation of clause (iii) of subsection A.

F. No citation for a violation of clause (iii) of subsection A shall be issued unless the officer issuing such citation has cause to stop or arrest the driver of such motor vehicle for the violation of some other provision of this Code or local ordinance relating to the operation, ownership, or maintenance of a motor vehicle or any criminal statute. ~~No law enforcement officer shall stop a motor vehicle for a violation of this section, except that a law enforcement officer may stop a vehicle if it displays no lighted headlights during the time periods set forth in subsection A. No evidence discovered or obtained as the result of a stop in violation of this subsection, including evidence discovered or obtained with the operator's consent, shall be admissible in any trial, hearing, or other proceeding.~~

**§ 46.2-1049. Exhaust system in good working order.**

No person shall drive and no owner of a vehicle shall permit or allow the operation of any such vehicle on a highway unless it is equipped with an exhaust system in good working order and in constant operation to prevent excessive or unusual levels of noise, provided, however, that for motor vehicles, such exhaust system shall be of a type installed as standard factory equipment, or comparable to that designed for use on the particular vehicle as standard factory equipment ~~or other equipment that has been submitted to and approved by the Superintendent or meets or exceeds the standards and specifications of the Society of Automotive Engineers, the American National Standards Institute, or the federal Department of Transportation. An exhaust system shall not be deemed to prevent excessive or unusual noise if it permits the escape of noise in excess of that permitted by the standard factory equipment exhaust system of private passenger motor vehicles or trucks of standard make.~~

As used in this section, "exhaust system" means all the parts of a vehicle through which the exhaust passes after leaving the engine block, including mufflers and other sound dissipative devices.

Chambered pipes are not an effective muffling device to prevent excessive or unusual noise, and any vehicle equipped with chambered pipes shall be deemed in violation of this section.

The provisions of this section shall not apply to (i) any antique motor vehicle licensed pursuant to § 46.2-730, provided that the engine is comparable to that designed as standard factory equipment for use on that particular vehicle, and the exhaust system is in good working order, or (ii) converted electric vehicles.

**§ 46.2-1051. Local ordinances; vehicle exhaust.**

A. The governing body of any county, city, or town may, by ordinance, regulate noise from a vehicle operated on a highway that is not equipped with a muffler and exhaust system conforming to §§ 46.2-1047 and 46.2-1049.

B. ~~The provisions of subsection E of § 46.2-1300 shall not apply to ordinances adopted pursuant to this section.~~

**§ 46.2-1052. Tinting films, signs, decals, and stickers on windshields, etc.; penalties.**

A. As used in this article, unless the context requires a different meaning:

"Front side windows" means those windows located adjacent to and forward of the driver's seat.

"Rear side windows" means those windows located to the rear of the driver's seat.

Except as otherwise provided in this article or permitted by federal law, it shall be unlawful for any person to operate any motor vehicle on a highway with any sign, poster, colored or tinted film, sun-shading material, or other colored material on the windshield, front or rear side windows, or rear windows of such motor vehicle. This provision, however, shall not apply to any certificate or other paper required by law or permitted by the Superintendent to be placed on a motor vehicle's windshield

305 or window.

306 The size of stickers or decals used by counties, cities, and towns in lieu of license plates shall be in  
307 compliance with regulations promulgated by the Superintendent. Such stickers shall be affixed on the  
308 windshield at a location designated by the Superintendent.

309 C. Notwithstanding the foregoing provisions of this section, whenever a motor vehicle is equipped  
310 with a mirror on each side of such vehicle, so located as to reflect to the driver of such vehicle a view  
311 of the highway for at least 200 feet to the rear of such vehicle, any or all of the following shall be  
312 lawful:

313 1. To drive a motor vehicle equipped with one optically grooved clear plastic right-angle rear view  
314 lens attached to one rear window of such motor vehicle, not exceeding 18 inches in diameter in the case  
315 of a circular lens or not exceeding 11 inches by 14 inches in the case of a rectangular lens, which  
316 enables the driver of the motor vehicle to view below the line of sight as viewed through the rear  
317 window;

318 2. To have affixed to the rear side windows, rear window or windows of a motor vehicle any sticker  
319 or stickers, regardless of size; or

320 3. To drive a motor vehicle when the driver's clear view of the highway through the rear window or  
321 windows is otherwise obstructed.

322 D. Except as provided in § 46.2-1053, but notwithstanding the foregoing provisions of this section,  
323 no sun-shading or tinting film may be applied or affixed to any window of a motor vehicle unless such  
324 motor vehicle is equipped with a mirror on each side of such motor vehicle, so located as to reflect to  
325 the driver of the vehicle a view of the highway for at least 200 feet to the rear of such vehicle, and the  
326 sun-shading or tinting film is applied or affixed in accordance with the following:

327 1. No sun-shading or tinting films may be applied or affixed to the rear side windows or rear  
328 window or windows of any motor vehicle operated on the highways of the Commonwealth that reduce  
329 the total light transmittance of such window to less than 35 percent;

330 2. No sun-shading or tinting films may be applied or affixed to the front side windows of any motor  
331 vehicle operated on the highways of the Commonwealth that reduce total light transmittance of such  
332 window to less than 50 percent;

333 3. No sun-shading or tinting films shall be applied or affixed to any window of a motor vehicle that  
334 (i) have a reflectance of light exceeding 20 percent or (ii) produce a holographic or prism effect.

335 Any person who operates a motor vehicle on the highways of the Commonwealth with sun-shading  
336 or tinting films that (i) have a total light transmittance less than that required by subdivisions 1 and 2,  
337 (ii) have a reflectance of light exceeding 20 percent, or (iii) produce holographic or prism effects is  
338 guilty of a traffic infraction but shall not be awarded any demerit points by the Commissioner for the  
339 violation.

340 Any person or firm who applies or affixes to the windows of any motor vehicle in Virginia  
341 sun-shading or tinting films that (i) reduce the light transmittance to levels less than that allowed in  
342 subdivisions 1 and 2, (ii) have a reflectance of light exceeding 20 percent, or (iii) produce holographic  
343 or prism effects is guilty of a Class 3 misdemeanor for the first offense and of a Class 2 misdemeanor  
344 for any subsequent offense.

345 E. The Division of Purchases and Supply, pursuant to § 2.2-1112, shall determine the proper  
346 standards for equipment or devices used to measure light transmittance through windows of motor  
347 vehicles. Law-enforcement officers shall use only such equipment or devices to measure light  
348 transmittance through windows that meet the standards established by the Division. Such measurements  
349 made by law-enforcement officers shall be given a tolerance of minus seven percentage points.

350 F. No film or darkening material may be applied on the windshield except to replace the sunshield in
