Referred to Committee on Finance and Appropriations

Be it enacted by the General Assembly of Virginia:

1. That §§ 58.1-439.20, 58.1-439.20:1, 58.1-439.25, as it shall become effective, and 58.1-439.28, as it shall become effective, of the Code of Virginia are amended and reenacted as follows:

§ 58.1-439.20. Proposals to the State Board of Social Services; regulations; tax credits authorized.

A. Any neighborhood organization may submit a proposal, other than education proposals which shall be applied for and allocated pursuant to the provisions of § 58.1-439.20:1, to the Commissioner of Social Services requesting an allocation of tax credits for use by business firms making donations to the neighborhood organization.

The proposal shall set forth the program to be conducted by the neighborhood organization, the low-income persons to be assisted, the estimated amount to be donated to the program, and the plans for implementing the program.

B. 1. The State Board of Social Services is hereby authorized to adopt regulations for the approval or disapproval of such proposals by neighborhood organizations and for determining the value of the donations.

2. In order to be eligible to receive an allocation of tax credits pursuant to this article, a neighborhood organization shall have been in existence for at least one year. As a prerequisite for approval, neighborhood organizations with total revenues of (i) more than \$100,000 shall provide to the Commissioner of Social Services an audit or review for the most recent year or (ii) \$100,000 or less shall provide to the Commissioner of Social Services a compilation for the most recent year. Such audit, review, or compilation shall be performed by an independent certified public accountant. For purposes of this subdivision, "total revenues" means all revenues, including the value of all donations, for the organization's most recent year. No proposal for an allocation of tax credits shall be untimely filed solely because such audit, review, or compilation was not submitted by the neighborhood organization by the proposal filing deadline, provided that the audit, review, or compilation is submitted to the Commissioner of Social Services within the 30-day period immediately following such deadline.

3. In order to be eligible to receive an allocation of credits pursuant to this article, at least 50 percent of the persons served by the neighborhood organization shall be low-income persons, and at least 50 percent of the neighborhood organization's revenues shall be used to provide services to low-income persons.

4. In order for a proposal to be approved, an applicant neighborhood organization and any of its affiliates shall meet the requirements of this section and the application regulations.

However, beginning with tax credit allocations for fiscal year 2016-2017 and thereafter, such requirement for a proposal submitted by a neighborhood organization to the Commissioner of Social Services shall not apply in determining the eligibility of the neighborhood organization submitting a proposal, provided that (i) the neighborhood organization otherwise meets all statutory requirements and regulations, (ii) the neighborhood organization received a fiscal year 2013-2014 allocation of neighborhood assistance tax credits, and (iii) no affiliate of the neighborhood organization submits a proposal for or receives an allocation of tax credits pursuant to this article for the program year for which the neighborhood organization has submitted its proposal.

5. The regulations shall provide for the equitable allocation of the available amount of tax credits among the approved proposals submitted by neighborhood organizations. *In making such equitable allocation of available credits, the Commissioner of Social Services shall consider the portion of a neighborhood organization's revenues and expenses that are used to serve low-income persons and shall not rely solely on the amount of credits allocated to the neighborhood organization in the prior year in allocating available credits.* In allocating credits, the Commissioner of Social Services ~~or the Superintendent of Public Instruction~~ shall consider the past performance of neighborhood organizations that have received allocations of credits, including review of performance metrics, success in reaching

59 targeted goals, or other measures of accountability that may be established by regulations or guidelines.

60 6. The regulations or guidelines shall provide that in any year in which the available amount of tax
61 credits exceeds the previous year's available amount, at least 10 percent of the excess amount shall be
62 allocated to qualified programs proposed by neighborhood organizations that did not receive any
63 allocations in the preceding year. If the amount of tax credits requested by such neighborhood
64 organizations is less than 10 percent of the excess amount, the unallocated portion of such 10 percent
65 shall be allocated to qualified programs proposed by other neighborhood organizations.

66 C. 1. If the Commissioner of Social Services approves a proposal submitted by a neighborhood
67 organization, the organization shall make the allocated tax credit amounts available to business firms
68 making donations to the approved program. A neighborhood organization shall not assign or transfer an
69 allocation of tax credits to another neighborhood organization without the approval of the Commissioner
70 of Social Services.

71 2. Notwithstanding any other provision of law, no more than an aggregate of \$0.5 million in tax
72 credits shall be approved in a fiscal year to a neighborhood organization or to a grouping of
73 neighborhood organization affiliates for all other proposals combined.

74 3. If, after the initial allocation of credits to approved proposals, the State Department of Social
75 Services has a balance of tax credits remaining for the fiscal year that can be used or allocated by a
76 neighborhood organization for a proposal that had been approved for tax credits during the initial
77 allocation, then the Commissioner of Social Services shall reallocate the remaining balance of tax credits
78 to such previously approved proposals to the extent that a neighborhood organization can use or allocate
79 additional tax credits for the previously approved proposal. The \$0.5 million annual limitations for tax
80 credits approved to a grouping of neighborhood organization affiliates shall be inapplicable for such
81 reallocation of any balance of tax credits. The balance of tax credits remaining for reallocation shall
82 include the amount of any tax credits that have been granted for a proposal approved during the initial
83 allocation but for which the Commissioner of Social Services received notice from the neighborhood
84 organization that it will not be able to use or allocate such amount for the approved proposal.

85 D. The total amount of tax credits granted for programs approved by the Commissioner of Social
86 Services under this article for each fiscal year shall not exceed \$8 million for fiscal year 2015-2016 and
87 each fiscal year thereafter.

88 The Commissioner of Social Services shall work cooperatively with the Superintendent of Public
89 Instruction for purposes of ensuring that neighborhood organization proposals are submitted to the
90 proper state agency pursuant to this section and § 58.1-439.20:1. The Commissioner of Social Services
91 may request the assistance of the Department of Taxation for purposes of determining whether or not
92 anticipated donations for which tax credits are requested by a neighborhood organization likely qualify
93 as a charitable donation under federal tax laws and regulations.

94 E. Actions of the State Department of Social Services, or the Commissioner of the same, relating to
95 the review of neighborhood organization proposals and the allocation of tax credits to proposals shall be
96 exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Decisions of the
97 State Department of Social Services, or the Commissioner of the same, shall be final and not subject to
98 review or appeal.

99 **§ 58.1-439.20:1. Proposals to the Department of Education; guidelines; tax credits authorized.**

100 A. Any neighborhood organization may submit education proposals to the Superintendent of Public
101 Instruction requesting an allocation of tax credits for use by business firms making donations to the
102 neighborhood organization. All other neighborhood organization proposals shall be submitted to the
103 Commissioner or Social Services pursuant to § 58.1-439.20.

104 The proposal shall set forth the program to be conducted by the neighborhood organization, the
105 low-income persons or eligible students with disabilities to be assisted, the estimated amount to be
106 donated to the program, and the plans for implementing the program.

107 B. 1. The Department of Education is hereby authorized to adopt guidelines for the approval or
108 disapproval of such proposals by neighborhood organizations and for determining the value of the
109 donations.

110 2. In order to be eligible to receive an allocation of tax credits pursuant to this article, a
111 neighborhood organization shall have been in existence for at least one year. As a prerequisite for
112 approval, neighborhood organizations with total revenues of (i) more than \$100,000 shall provide to the
113 Department of Education an audit or review for the most recent year or (ii) \$100,000 or less shall
114 provide to the Department of Education a compilation for the most recent year. Such audit, review, or
115 compilation shall be performed by an independent certified public accountant. For purposes of this
116 subdivision, "total revenues" means all revenues, including the value of all donations, for the
117 organization's most recent year. No proposal for an allocation of tax credits shall be untimely filed
118 solely because such audit, review, or compilation was not submitted by the neighborhood organization
119 by the proposal filing deadline, provided that the audit, review, or compilation is submitted to the
120 Superintendent of Public Instruction within the 30-day period immediately following such deadline.

3. In order to be eligible to receive an allocation of credits pursuant to this article, at least 50 percent of the persons served by the neighborhood organization shall be low-income persons or eligible students with disabilities and at least 50 percent of the neighborhood organization's revenues shall be used to provide services to low-income persons or to eligible students with disabilities. Expenditures for teacher salaries shall count toward the requirement that at least 50 percent of revenues be used to provide services to low-income persons or to eligible students with disabilities.

4. In order for a proposal to be approved, an applicant neighborhood organization and any of its affiliates shall meet the requirements of this section and the application guidelines. However, beginning with tax credit allocations for fiscal year 2014-2015 and ending with tax credit allocations for fiscal year 2019-2020, such requirement for a proposal submitted by a neighborhood organization to the Superintendent of Public Instruction shall not apply in determining eligibility of the neighborhood organization submitting the proposal, provided that (i) the neighborhood organization otherwise meets all statutory requirements and regulations, (ii) the neighborhood organization received a fiscal year 2011-2012 allocation of neighborhood assistance tax credits, and (iii) no affiliate of the neighborhood organization submits a proposal for or receives an allocation of tax credits pursuant to this article for the program year for which the neighborhood organization has submitted its proposal.

5. The guidelines shall provide for the equitable allocation of the available amount of tax credits among the approved proposals submitted by neighborhood organizations. In any year in which the available amount of tax credits exceeds the previous year's available amount, at least 10 percent of the excess amount shall be allocated to qualified programs proposed by neighborhood organizations that did not receive any allocations in the preceding year. If the amount of tax credits requested by such neighborhood organizations is less than 10 percent of the excess amount, the unallocated portion of such 10 percent shall be allocated to qualified programs proposed by other neighborhood organizations.

C. 1. If the Superintendent of Public Instruction approves a proposal submitted by a neighborhood organization, the organization shall make the allocated tax credit amounts available to business firms making donations to the approved program. A neighborhood organization shall not assign or transfer an allocation of tax credits to another neighborhood organization without the approval of the Superintendent of Public Instruction.

2. Notwithstanding any other provision of law, no more than an aggregate of \$0.825 million in tax credits shall be approved in a fiscal year to a neighborhood organization or to a grouping of neighborhood organization affiliates for all education proposals.

3. If, after the initial allocation of credits to approved proposals, the Department of Education has a balance of tax credits remaining for the fiscal year that can be used or allocated by a neighborhood organization for a proposal that had been approved for tax credits during the initial allocation, then the Superintendent of Public Instruction shall reallocate the remaining balance of tax credits to such previously approved proposals to the extent that a neighborhood organization can use or allocate additional tax credits for the previously approved proposal. The \$0.825 million annual limitations for tax credits approved to a grouping of neighborhood organization affiliates shall be inapplicable for such reallocation of any balance of tax credits. The balance of tax credits remaining for reallocation shall include the amount of any tax credits that have been granted for a proposal approved during the initial allocation but for which the Superintendent of Public Instruction received notice from the neighborhood organization that it will not be able to use or allocate such amount for the approved proposal.

D. The total amount of tax credits granted for programs approved by the Superintendent of Public Instruction under this article for each fiscal year shall not exceed \$9 \$25 million for fiscal year 2015-2016 2023 and each fiscal year thereafter.

The Superintendent of Public Instruction shall work cooperatively with the Commissioner of Social Services for purposes of ensuring that neighborhood organization proposals are submitted to the proper state agency. The Superintendent of Public Instruction may request the assistance of the Department of Taxation for purposes of determining whether or not anticipated donations for which tax credits are requested by a neighborhood organization likely qualify as a charitable donation under federal tax laws and regulations.

E. Actions of the Superintendent of Public Instruction or the Department of Education relating to the review of neighborhood organization proposals and the allocation of tax credits to proposals shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Decisions of the Superintendent of Public Instruction or the Department of Education shall be final and not subject to review or appeal.

239 *scholastic assistance* and scholarships may only be used for the administrative expenses of the
240 scholarship foundation. Any scholarship foundation that fails to meet such disbursement requirement shall,
241 for the first offense, be required to pay a civil penalty equal to the difference between 90 percent of the
242 value of the tax-credit-derived donations it received in the applicable 12-month period and the amount
243 that was actually disbursed. Such civil penalty shall be remitted by the scholarship foundation to the

Department of Education within 30 days after the end of the one-year period and deposited to the general fund. For a second offense within a five-year period, the scholarship foundation shall be removed from the annual list published pursuant to this section and shall not be entitled to request preauthorization for additional tax credits, nor shall it be entitled to receive and administer additional tax-credit-derived funds for two years. After two years, the scholarship foundation shall be eligible to reapply to be included on the annual list to receive and administer tax-credit derived funds. If a scholarship foundation is authorized to be added to the annual list after such reapplication, the scholarship foundation shall not be considered to have any previous offenses for purposes of this subsection. The required disbursement under this section shall begin with donations received for the period January 1, 2013, through June 30, 2014.

B. Any scholarship foundation that fails to provide this report by September 30 shall, for the first offense, be required to pay a \$1,000 civil penalty. Such civil penalty shall be remitted by the scholarship foundation to the Department of Education by November 1 of the same year and deposited to the general fund. For a second offense within a five-year period, the scholarship foundation shall be removed from the annual list published pursuant to this section and shall not be entitled to request preauthorization for additional tax credits, nor shall it be entitled to receive and administer additional tax-credit-derived funds. After two years, the scholarship foundation shall be eligible to reapply to be included on the annual list to receive and administer tax-credit derived funds. Beginning with the third year of testing of each such student and test-related data collection, the Department of Education shall ensure that the achievement test results and associated learning gains are published on the Department of Education's website in accordance with such classifications and in an aggregate form as to prevent the identification of any student. Eligible schools shall annually provide to the Superintendent of Public Instruction graduation rates of its students participating in the scholarship program in a manner consistent with nationally recognized standards. In publishing and disseminating achievement test results and other information, the Superintendent of Public Instruction and the Department of Education shall ensure compliance with all student privacy laws.

The aggregate amount of scholarships provided to each student for any single school year by all eligible scholarship foundations from eligible donations shall not exceed the lesser of (i) the actual qualified educational expenses of the student or (ii) 100 percent of the per-pupil amount distributed to the local school division (in which the student resides) as the state's share of the standards of quality costs using the composite index of ability to pay as defined in the general appropriation act.

2. In the case of eligible pre-kindergarten children, the aggregate amount of scholarships provided to each child for any single school year by all eligible scholarship foundations from eligible donations shall not exceed the lesser of the actual qualified educational expenses of the child or the state share of the grant per child under the Virginia Preschool Initiative for the locality in which the eligible pre-kindergarten child resides.

F. Scholarship foundations shall develop procedures for disbursing scholarships in quarterly or semester payments throughout the school year to ensure scholarships are portable.

G. Scholarship foundations that receive donations of marketable securities for which tax credits were issued under this article shall be required to sell such securities and convert the donation into cash immediately, but in no case more than 21 days after receipt of the donation.

H. *A sole proprietor, partnership, or limited liability company licensed as a certified public accountant shall be eligible for a tax credit under this article based on the time spent by the proprietor or a partner or member, respectively, who renders audit, review, compilation, or other accounting services to a scholarship foundation or scholarship foundation that has received an allocation of tax credits from the Superintendent of Public Instruction.*

I. Each scholarship foundation with total revenues (including the value of all donations) (i) in excess of \$100,000 for the foundation's most recent fiscal year ended shall have an audit or review performed by an independent certified public accountant of the foundation's donations received in such year for which tax credits were issued under this article or (ii) of \$100,000 or less for the foundation's most recent fiscal year ended shall have a compilation performed by an independent certified public accountant of the foundation's donations received in such year for which tax credits were issued under this article. A summary report of the audit, review, or compilation shall be made available to the public and the Department of Education upon request.

J. The Department of Education shall publish annually on its website a list of each scholarship foundation qualified under this article.
