INTRODUCED

SB1542

19. *Any felony conviction for an offense that occurred while a prisoner in a local, state, or community correctional facility or in the custody of an employee thereof.*

The earning of sentence credits shall be conditioned, in part, upon full participation in and cooperation with programs to which a person is assigned pursuant to § 53.1-32.1.

B. For any offense other than those enumerated in subsection A for which sentence credits may be earned, earned sentence credits shall be awarded and calculated using the following four-level classification system:

1. Level I. For persons receiving Level I sentence credits, 15 days shall be deducted from the person's sentence for every 30 days served. Level I sentence credits shall be awarded to persons who participate in and cooperate with all programs to which the person is assigned pursuant to § 53.1-32.1 and who have no more than one minor correctional infraction and no serious correctional infractions as established by the Department's policies or procedures.

2. Level II. For persons receiving Level II sentence credits, 7.5 days shall be deducted from the person's sentence for every 30 days served. Level II sentence credits shall be awarded to persons who participate in and cooperate with all programs, job assignments, and educational curriculums to which the person is assigned pursuant to § 53.1-32.1, but who require improvement in not more than one area as established by the Department's policies or procedures.

3. Level III. For persons receiving Level III sentence credits, 3.5 days shall be deducted from the person's sentence for every 30 days served. Level III sentence credits shall be awarded to persons who participate in and cooperate with all programs, job assignments, and educational curriculums to which the person is assigned pursuant to § 53.1-32.1, but who require significant improvement in two or more areas as established by the Department's policies or procedures.

4. Level IV. No sentence credits shall be awarded to persons classified in Level IV. A person will be classified in Level IV if that person (i) willfully fails to participate in or cooperate with all programs, job assignments, and educational curriculums to which the person is assigned pursuant to § 53.1-32.1 ~~or that person;~~ (ii) causes substantial security or operational problems at the correctional facility as established by the Department's policies or procedures; *or (iii) receives a felony conviction for an offense that occurred while a prisoner in a local, state, or community correctional facility or in the custody of an employee thereof.*

C. A person's classification level under subsection B shall be reviewed at least once annually, and the classification level may be adjusted based upon that person's participation in and cooperation with programs, job assignments, and educational curriculums assigned pursuant to § 53.1-32.1. A person's classification and calculation of earned sentence credits shall not be lowered or withheld due to a lack of programming, educational, or employment opportunities at the correctional facility at which the person is confined. Records from this review, including an explanation of the reasons why a person's classification level was or was not adjusted, shall be maintained in the person's correctional file.

D. A person's classification level under subsection B may be immediately reviewed and adjusted following removal from a program, job assignment, or educational curriculum that was assigned pursuant to § 53.1-32.1 for disciplinary or noncompliance reasons. *Any person who receives a felony conviction for an offense that occurred while a prisoner in a local, state, or community correctional facility or in the custody of an employee thereof shall be classified in Level IV and shall not receive any further earned sentence credits for the sentence or sentences that such prisoner is serving at the time of such felony conviction.*

E. A person may appeal a reclassification determination under subsection C or D in the manner set forth in the grievance procedure established by the Director pursuant to his powers and duties as set forth in § 53.1-10.

F. For a juvenile sentenced to serve a portion of his sentence as a serious juvenile offender under § 16.1-285.1, consideration for earning sentence credits shall be conditioned, in part, upon full participation in and cooperation with programs afforded to the juvenile during that portion of the sentence. The Department of Juvenile Justice shall provide a report that describes the juvenile's adherence to the facility's rules and the juvenile's progress toward treatment goals and objectives while sentenced as a serious juvenile offender under § 16.1-285.1.

G. Notwithstanding any other provision of law, no portion of any sentence credits earned shall be applied to reduce the period of time a person must serve before becoming eligible for parole upon any sentence.

2. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation is \$108,686,760 for periods of imprisonment in state adult correctional facilities and cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.
