8. Fiscal Implications: Until such time as the Fund is capitalized, it is anticipated that this bill will not have a fiscal impact on either the Virginia Department of Agriculture and Consumer Services (VDACS) or the Department of Conservation and Recreation.

Previous funding for the Dairy Producer Margin Coverage Premium Assistance Program consisted of \$1.0 million from the general fund in FY 2022 in Chapter 552, 2021 Acts of Assembly, Special Session I, and \$1.0 million from the general fund in FY 2023 in Chapter 2, 2022 Acts of Assembly, Special Session I.

VDACS has not yet distributed any of the \$1.0 million appropriated in FY 2023. The current Appropriation Act and the Introduced budget bill do not include language mandating the reappropriation of these funds; any funds that may remain at the end of the fiscal year would revert to the general fund.
