

## Department of Planning and Budget 2023 Fiscal Impact Statement

**1. Bill Number:** HB1680

**House of Origin**    ☒ Introduced    ☐ Substitute    ☐ Engrossed

**Second House**    ☐ In Committee    ☐ Substitute    ☐ Enrolled

**2. Patron:**    Ransone

**3. Committee:** Privileges and Elections

**4. Title:**    Voter registration; registration after the close of registration records; required affirmation.

**5. Summary:** Requires any registration application used to register persons after the close of registration records, up to and including the day of an election, to require the applicant to affirm, subject to felony penalties for making false statements, that he is not intentionally voting more than once in the same election, whether in the same or a different jurisdiction, and that he is not intentionally registering to vote at more than one residence at the same time, both of which constitute the crime of election fraud and are punishable as a Class 6 felony.

**6. Budget Amendment Necessary:** See item 8.

**7. Fiscal Impact Estimates:** Preliminary, see item 8.

**8. Fiscal Implications:** The proposed legislation is not expected to have a fiscal impact on the Department of Elections.

For someone convicted of a Class 6 felony, a judge has the option of sentencing the offender to a term of imprisonment of not less than one year nor more than five years, or in the discretion of the jury or the court trying the case without a jury, confinement in jail for not more than 12 months and a fine of not more than \$2,500, either or both. Therefore, this proposal could result in an increase in the number of persons sentenced to jail or prison.

There is not enough information available to reliably estimate the increase in jail population as a result of this proposal. However, any increase in jail population will increase costs to the state. The Commonwealth currently pays the localities \$4.00 a day for each misdemeanor or otherwise local-responsible prisoner held in a jail and \$15.00 a day for each state-responsible prisoner. It also funds a considerable portion of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2022), the estimated total state support for local jails averaged \$40.39 per inmate, per day in FY 2021.

Due to the lack of data, the Virginia Criminal Sentencing Commission has concluded, pursuant to §30-19.1:4 of the Code of Virginia, that the impact of the proposed legislation on state-responsible (prison) bed space cannot be determined. In such cases, Chapter 2, 2022 Acts of Assembly, Special Session I, requires that a minimum impact of \$50,000 be assigned to the bill.

**9. Specific Agency or Political Subdivisions Affected:** Department of Elections, State Board of Elections, General Registrars, and the Department of Corrections and courts.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** None.
