

Department of Planning and Budget

2023 Fiscal Impact Statement

1. Bill Number: HB2089

House of Origin ☒ Introduced ☐ Substitute ☐ Engrossed

Second House ☐ In Committee ☐ Substitute ☐ Enrolled

2. Patron: Mundon King

3. Committee: Commerce and Energy

4. Title: Health insurance; coverage for prescription contraceptives.

5. Summary: Requires health insurance carriers to provide coverage, under any health insurance contract, policy, or plan that includes coverage for prescription drugs on an outpatient basis, for any prescribed contraceptive drug or contraceptive device. The bill prohibits a health insurance carrier from imposing upon any person receiving contraceptive benefits pursuant to the provisions of the bill any copayment, coinsurance payment, or fee. The provisions of the bill apply to health insurance contracts, policies, or plans delivered, issued for delivery, or renewed on and after January 1, 2024.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary – see Item 8.

8. Fiscal Implications: The proposed legislation is expected to have a minimal fiscal impact on the state health plan. According to the Department of Human Resource Management (DHRM), the fiscal impact is projected to be \$150,559 to provide coverage for contraceptives, including progestin implants and intrauterine devices (IUDs). The proposed legislation is not expected to change the health insurance premiums funded in HB 1400.

9. Specific Agency or Political Subdivisions Affected: Department of Human Resource Management and all state agencies.

10. Technical Amendment Necessary: No.

11. Other Comments: This bill is similar to SB 1112.
