4. Title: Assault or assault and battery against a law-enforcement officer; arrest and prosecution.

5. Summary: This bill provides that no individual shall be subject to arrest or prosecution for an assault or assault and battery against a law-enforcement officer if at the time of the assault or assault and battery (i) the individual (a) is experiencing a mental health emergency or (b) meets the criteria for issuance of an emergency custody order pursuant to § 37.2-808 and (ii) the law-enforcement officer subject to the assault or assault and battery was responding to a call for service requesting assistance for such individual. The bill provides that no law-enforcement officer acting in good faith shall be found liable for false arrest if it is later determined that the person arrested was immune from prosecution. Currently, a violation of §18.2-57.C is a Class 6 felony with a mandatory minimum term of confinement of six months.

The bill defines the terms mental health emergency and mental illness as they relate to §18.2-57 (Assault and battery; penalty).

6. Budget Amendment Necessary: Indeterminate

7. Fiscal Impact Estimates: Preliminary. See Item 8 below.

8. Fiscal Implications: Anyone convicted of a Class 6 felony under the current law is subject to a mandatory sentence of six months. Therefore, the provisions of this bill may have the effect of fewer people being sentenced to jail or prison. However, there is not enough information available to reliably estimate the impact on jail or prison bed space needs as a result of this proposal. The Commonwealth currently pays the localities \$15.00 a day for each state-responsible prisoner held in a jail.

The Virginia Sentencing Commission does not have any information on the number of people convicted of offenses who were experiencing a mental health emergency.

The impact this bill may have on the Department of Health and Developmental Services (DBHDS) is not known at this time. The fiscal impact this bill may have on state and local

law-enforcement agencies is not known at this time. The fiscal impact statement will be updated if additional information is received.
