**4. Title:** Public institutions of higher education; Virginia College Savings Plan; renamed.

**5. Summary:** Renames the Virginia College Savings Plan as the Commonwealth Savers Plan (the Plan) and amends all relevant references to "college savings trust account" to "education savings trust account. "The bill provides that the purpose of the Plan is to enhance the accessibility, affordability, and attainability of higher education in the Commonwealth. **6. Budget Amendment Necessary:** No

**7. Fiscal Impact Estimates:** Preliminary – indeterminate, see item 8

**8. Fiscal Implications:**

The Virginia College Savings Plan (Virginia529) indicates that the cost associated with the agency's name change from "Virginia College Savings Plan" to "Commonwealth Savers Plan" is indeterminate at this time but involves no general funds. Virginia College Savings Plan (Virginia529) will determine cost estimates during the upcoming budget development cycle for the 2024-2026 biennial budget and anticipates that these costs will be absorbed within its operating budget.

The cost associated with HB2396's enhanced benefits and accessibility, affordability, and attainability program provisions are also currently indeterminate but involve no general funds. Virginia529 anticipates a portion of net operating revenues and of an actuarial funding surplus would be allocated to a new access fund within the agency's special nonreverting enterprise fund (the Fund) to address the agency's statutory mandate. As the Board has not yet considered any amounts to allocate, the fiscal impact is not yet known. There will be no fiscal impact on the general fund.

**9. Specific Agency or Political Subdivisions Affected:** Virginia College Savings Plan

**10. Technical Amendment Necessary:** No

**11. Other Comments:** HB2396 is the companion bill to SB1519.
